Explanatory Note

This Current Report on Form 8-K/A, Amendment No. 1 (the "Amendment"), amends Item 5.07 of the Current Report on Form 8-K filed by Westinghouse Air Brake Technologies Corporation (the "Company") on May 16, 2011 (the "Original Filing"). The Original Filing was filed to report, among other things, the results of the matters submitted to a vote at the Company's Annual Meeting of Stockholders held on May 11, 2011. This Amendment discloses the Company's decision in light of such vote as to how frequently the Company will include a stockholder advisory (non-binding) vote on named executive compensation. No other changes are being made to the Original Filing.

Item 5.07. Submission of Matters to a Vote of Security Holders.

As previously reported and as recommended by the Board of Directors in its proxy materials, with respect to the advisory vote relating to how often the Company should conduct a stockholder advisory vote on named executive officer compensation, one year received the favorable majority of the votes. The results of such vote are as follows:

1 year	2 years	3 years	Abstained	Broker Non-Vote
37,331,676	123,759	2,939,949	2,302,876	2,132,927

Based on the voting results and other factors, the Board of Directors of the Company has determined that it will hold a stockholder advisory (non-binding) vote on named executive officer compensation at each Annual Meeting of Stockholders of the Company, until the next advisory vote relating to how often the Company should conduct a stockholder advisory vote on named executive officer compensation, which shall be no later than the Company's Annual Meeting of Stockholders in 2017.

SIGNATURE

Pursuant to the requirements of the Securities Exchange Act of 1934, as amended, the Company has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
