What actions did the Funds' Board of Trustees approve?

On March 5, 2012, Nuveen announced that the Funds' Board approved a proposal to reorganize the Nuveen Energy MLP Total Return Fund (JMF) and the MLP & Strategic Equity Fund Inc. (MTP) into a single, larger leveraged fund, subject to shareholder approval at the Funds' annual meeting to be held later this year.

Why is the Funds' Board recommending the Funds' merger?

The Funds are managed by the same sub-advisor, and have similar investment portfolios as well as investment objectives and policies. The proposed merger is intended to enhance the ability of the Funds' common shares to trade well in the secondary market and lower operating expenses by creating a larger, leveraged fund.

In approving the proposed merger, the Funds' Board concluded that the proposed merger would be in the best interests of the Funds and their respective shareholders.

What are potential benefits of the proposed merger to me as a Fund common shareholder?

The proposed merger is intended to create a larger, leveraged fund, which Nuveen believes offers the following potential benefits to Fund shareholders:

Enhanced competitiveness from the combined investment portfolio and the use of a leveraged investment strategy;

Stronger trading appeal and lower trading costs, as larger funds with greater float tend to attract more interest from buyers and sellers and have lower bid-ask spreads;

Lower fund expense ratio (excluding the costs of leverage) as fixed administrative costs are spread over a larger asset base.

Is the merger a taxable event for fund shareholders?

No. The merger is intended to qualify as a tax-free reorganization for federal income tax purposes. This means it is expected that shareholders will recognize no gain or loss for federal income tax purposes as a result of the merger.

What actions do I need to take at this time?

You do not need to do anything at this time. Additional information on the proposed merger will be contained in the proxy materials which are expected to be filed in the coming weeks.
