With respect to proposal 1, the election of Trustees, the affirmative vote of a plurality of the votes cast at the meeting is required to elect a trustee.

With respect to proposal 2, the ratification of the selection of the Company's independent auditors, the votes that shareholders cast for must exceed the votes that shareholders cast against to approve.

With respect to proposal 3, the advisory vote on executive compensation, the votes that shareholders cast for must exceed the votes that shareholders cast against to approve.

If your shares are held by a broker on your behalf (that is, in street name), and you do not instruct the broker as to how to vote these shares on proposals 1 or 3, the broker may not exercise discretion to vote for or against those proposals. This would be a broker non-vote and these shares will not be counted as having been voted on the applicable proposal. PROPOSAL 1: ELECTION OF TRUSTEES

Your vote is requested in favor of nine trustees to serve until the next Annual Meeting of shareholders and until their successors are duly elected and qualified. Each of the nominees is currently a trustee of the Company and each of their terms expires at this Annual Meeting.

The Company's bylaws provide that the number of trustees shall be determined from time to time by the Board of Trustees, but may not be less than one. The Company's Board of Trustees currently consists of nine persons.

Trustees typically are elected for a period of one year and thereafter serve until the next Annual Meeting at which their successors are duly elected by our shareholders. Each nominee for election has agreed to serve if elected, and we have no reason to believe that any nominee will be unavailable to serve. If any nominee is unable or declines to serve as a trustee at the time of the Annual Meeting, the proxies named in the proxy card will vote for a nominee designated by the present Board of Trustees to fill the vacancy. Unless otherwise instructed, the proxies named in the proxy card will vote all of the shares for which they hold proxies **FOR** the nominees named below.

Each nominee has indicated a willingness and ability to serve as a Trustee. If any nominee becomes unable or unwilling to serve, the accompanying proxy may be voted for the election of such other person as will be designated by the Board of Trustees. Each Trustee will be elected by a plurality of the votes cast, in person or by proxy, at the Annual Meeting, assuming a quorum is present.

The following candidates for election have been nominated by the Board based on the recommendation of the Nominating and Governance Committee. In addition to the information presented below regarding each nominee's specific experience, qualifications, attributes and skills that led the Board to conclude that he should serve as a Trustee, the Board believes that each nominee has demonstrated outstanding achievement in his professional career; relevant experience; personal and professional integrity; ability to make independent, analytical inquiries; experience with and understanding of the business environment; and willingness and ability to devote adequate time to Board duties. We also believe that our Trustees collectively have the skills and experience to create a board that is well-suited to oversee the Company. Members of our Board have had a great diversity of experiences and bring to our Board a wide variety of views that strengthen their ability to guide our Company.

The Board of Trustees unanimously recommends that you vote FOR each of the trustee nominees described in this Proposal 1.

Trustee Independence

Our Corporate Governance Guidelines, which are available on our website at www.chathamlodgingtrust.com, require that a majority of our trustees be independent. Our Board of Trustees has adopted the categorical standards prescribed by the New York Stock Exchange (the "NYSE") to assist the Board of Trustees in evaluating the independence of each trustee. The categorical standards describe various types of relationships that could potentially exist between a board member and our Company and sets thresholds at which such relationships would be deemed to be material. Provided that no relationship or transaction exists that would disqualify a trustee under the categorical standards and the Board of Trustees determines, taking into account all facts and circumstances, that no other material relationship between our Company and the trustee exists of a type not specifically mentioned in the categorical standards, the Board of Trustees will deem such person to be independent. A trustee shall not be independent if he or she satisfies any one or more of the following criteria:

a trustee who is, or who has been within the last three years, an employee of our Company, or whose immediate family member is, or has been within the last three years, an executive officer of the Company;

a trustee who has received, or who has an immediate family member serving as an executive officer who has received, during any twelve-month period within the last three years more than \$120,000 in direct compensation from our Company (excluding trustee and committee fees and pension/other forms of deferred compensation for prior service that is not contingent in any way on continued service);

(i) a trustee who is or whose immediate family member is a current partner of a firm that is our Company's internal or external auditor; (ii) a trustee who is a current employee of such a firm; (iii) a trustee who has an immediate family member who is a current employee of such a firm and personally works on the Company's audit; or (iv) a trustee who was or whose immediate family member was within the last three years (but is no longer) a partner or employee of such a firm and personally worked on our Company's audit within that time;

a trustee who is or has been within the last three years, or whose immediate family member is or has been within the last three years, employed as an executive officer of another company where any of our Company's present executives at the same time serves or served on that company's compensation committee; or

a trustee who is a current employee, or whose immediate family member is a current executive officer, of a company that has made payments to, or received payments from, our Company for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million or 2% of such other company's consolidated gross revenues (as reported for the last completed fiscal year).

Under these criteria, our Board of Trustees has determined that the following members of our Board of Trustees are independent: Miles Berger, Thomas J. Crocker, Jack P. DeBoer, Glen R. Gilbert, C. Gerald Goldsmith, Robert Perlmutter, Rolf E. Ruhfus and Joel F. Zemans. We presently have nine trustees, including these eight independent trustees.

Committees of the Board

Our Board of Trustees has appointed an Audit Committee, Compensation Committee and a Nominating and Corporate Governance Committee, and has adopted charters for each of these committees which are available on our website at www.chathamlodgingtrust.com. Pursuant to these charters, the composition of each committee is required to comply with the listing standards and other rules and regulations of the NYSE, as amended or modified from time to time. Each of these committees is comprised exclusively of independent trustees, as defined by the listing standards of the NYSE then in effect. In 2011, the Audit Committee met six (6) times, the Compensation Committee met three (3) times, and the Nominating and Governance Committee met twice.

Audit Committee

Our Audit Committee consists of Messrs. Gilbert (Chair), Berger and Zemans. The Audit Committee makes recommendations concerning the engagement of independent public accountants, reviews with the independent public accountants the plans and results of the audit engagement, approves professional services provided by the independent public accountants, reviews the independence of the independent public accountants, considers the range of audit and non-audit fees and reviews the adequacy of our internal accounting controls.

Mr. Gilbert, an independent trustee, is the chair of our Audit Committee and is our audit committee financial expert as that term is defined in the rules and regulations of the Securities and Exchange Commission (SEC).

Compensation Committee

Our Compensation Committee consists of Messrs. Goldsmith (Chair), Berger and Zemans. The Compensation Committee determines compensation for our executive officers and trustees, administers our Equity Incentive Plan, produces an annual report on executive compensation for inclusion in our Annual Meeting proxy statement and publishes an annual committee report for our shareholders.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee consists of Messrs. Crocker (Chair) and Goldsmith. The Nominating and Corporate Governance Committee is responsible for seeking, considering and recommending to the board qualified candidates for election as trustees and recommending a slate of nominees for election as trustees at the Annual Meeting. It also periodically prepares and submits to the board for adoption the committee's selection criteria for trustee nominees. As provided in our Corporate Governance Guidelines (which are available on our website at www.chathamlodgingtrust.com), the Committee annually reviews the Board with respect to diversity, age and skills of its members. It reviews and makes recommendations on matters involving general operation of the board and our corporate governance, and it annually recommends to the board nominees for each committee of the board. In addition, the committee annually facilitates the assessment of the Board of Trustees' performance as a whole and of the committees and individual trustees and reports thereon to the board. Shareholders may make recommendations of potential trustee nominees to the Nominating and Corporate Governance Committee, Chatham Lodging Trust, 50 Coconut Row, Suite 216, Palm Beach, FL 33480. Such communications should include information both on the recommending shareholder and the recommended trustee nominee so the Nominating and Corporate Governance Committee may have adequate information to be recommended by our Board or our Nominating and Corporate Governance Committee.

Shareholder Advisory Resolutions

During our 2011 Annual Meeting of shareholders, shareholders voted on two (2) advisory, non-binding resolutions: (1) on executive compensation (Say On Pay) and (2) the frequency of the Say on Pay vote (Say When On Pay). Approximately 93.7% of shareholders voting at the 2011 Annual Meeting voted to approve the advisory, non-binding resolution in favor of executive compensation. The Company recommended a vote every three (3) years with respect to the Say On Pay vote, but a majority of the shareholders voted in favor of an annual Say on Pay vote. After discussion, the Company has decided to hold the Say On Pay vote on an annual basis unless and until circumstances warrant a vote on a different timetable.

Code of Business Conduct

We have adopted a corporate code of ethics relating to the conduct of our business by our employees, officers and trustees. We intend to maintain the highest standards of ethical business practices and compliance with all laws and regulations applicable to our business, including those relating to doing business outside the U.S. Specifically, our code of ethics prohibits payments, directly or indirectly, to any foreign official seeking to influence such official or otherwise obtain an improper advantage for our business. A copy of the code of conduct may be obtained at no charge by sending a written request to the Corporate Secretary, 50 Coconut Row, Suite 216, Palm Beach, FL 33480. The code of conduct is available on our website at www.chathamlodgingtrust.com. If the Company makes any amendments to this code (other than technical, administrative, or non-substantive amendments) or grants any waivers, including implicit waivers, from this code to the CEO, chief financial officer, or controller, we will disclose (on our website or in a Form 8-K report filed with the SEC) the nature of the amendment or waiver, its effective date, and to whom it applies.

Since its IPO in 2010, the Company has consistently executed on its business plan, assembling a portfolio of 18 high-quality, premium-branded, upscale extended-stay and select-service hotels with a strong emphasis on major east and west coast metropolitan areas. During 2011, the Company completed a number of key transactions during the year, more than doubling its investment in hotels from approximately \$210 million at the end of 2010 to \$520 million by year-end 2011. The Company built on its record of paying an attractive dividend every quarter since the first full quarter after our IPO.

The Company acquired five wholly-owned hotels comprising 764 rooms in its target markets with upside potential last year for \$195 million. The Company's 18 hotels are concentrated in strong markets with high

barriers to new competition: 77 percent of the portfolio is located in the northeastern U.S. and along California's west coast, with 65 percent of its hotels located in metropolitan Washington D.C., metropolitan New York City and southern California.

The Company also acquired 64 hotels from Innkeepers USA Trust for \$1.02 billion in a joint venture (JV) with Cerberus Capital Management LP. The Company's \$37 million equity investment comprises a 10.3 percent ownership interest in the JV and its pro rata share of assets in the JV is approximately \$105 million.

Concurrently, the Company invested substantial capital to significantly upgrade 13 of its wholly-owned hotels to peak competitive position.

Narrative Disclosure to Trustee Compensation Table

Our compensation policies and practices for our independent trustees are described above under Trustee Compensation.

Shareholder Communications to the Board

Shareholders and all interested parties may contact an individual Trustee, the Board as a group, or a specified Board committee or group, including the non-employee Trustees as a group, at the following address: Corporate Secretary, Chatham Lodging Trust, 50 Cocoanut Row, Suite 216, Palm Beach, FL 33480 Attn: Board of Trustees. The Company will receive and process communications before forwarding them to the addressee. Trustees generally will not be forwarded shareholder communications that are primarily commercial in nature, relate to improper or irrelevant topics, or request general information about the Company. Seven of our Trustees attended last year's Annual Meeting in person and the remaining two Trustees attended telephonically.

Meeting Attendance

During the Company's last fiscal year, the Company's Board of Trustees met eight (8) times. Each member of the Board attended 75% or more of the Board meetings and meetings of the committees on which he served. As set forth in our Corporate Governance Guidelines, Trustees are invited and encouraged to attend meetings of shareholders.

Leadership Structure and Risk Oversight

Management is responsible for the day-to-day management of risks we face. The Board has overall responsibility for overseeing risk management with a focus on the more significant risks facing the Company. Our Audit Committee oversees risk policies and processes related to our financial statements, financial reporting processes and liquidity risks, our Nominating and Corporate Governance Committee oversees corporate governance risks and our Compensation Committee oversees risks relating to remuneration of our officers and employees. The Compensation Committee does not believe that the compensation programs which are in place give rise to any risk that is reasonably likely to have a material adverse effect on us.

At each quarterly meeting of the Audit Committee, a portion of the meeting is devoted to reviewing material credit risks, our loan portfolio, status of foreclosure and similar proceedings, status of the properties in our real estate portfolio and other matters which might have a material adverse impact on current or future operations, and, as required, the Audit Committee reviews risks arising from related party transactions. In addition, at each meeting of the Audit Committee, our Chief Financial Officer, as well as the independent accounting firm reviewing or auditing, as the case may be, our financial statements, reports to the committee with respect to compliance by our employees with our internal control policies in order to ascertain that no failures of a material nature have occurred. This process assists the Audit Committee in overseeing the risks related to our financial

statements and the financial reporting process. At each meeting of the Board of Trustees, a portion of the meeting is dedicated to reviewing and discussing significant risk issues reviewed by the Audit Committee.

Mr. Fisher serves as both our Chairman and our Chief Executive Officer. Mr. Berger has been appointed lead independent trustee. We believe that it is in the best interests of our shareholders for Mr. Fisher to serve as our Chairman because of his unique insight into the Company as well as the lodging industry and his excellent reputation among institutional investors. We also believe that appointing an independent trustee to preside over executive sessions of the Board and providing the opportunity for all trustees to add items to the agenda of meetings of the Board and its committees mitigates the risk that having our Chief Executive Officer serve as our Chairman may cause management to have undue influence on our Board of Trustees. As lead independent trustee, Mr. Berger presides at all meetings of the Board of Trustees at which the Chairman of the Board is not present, has the authority to call meetings of the independent trustees and has such other duties as the Board of Trustees may determine from time to time.

The Board takes an active and informed role in the Company's risk management policies and strategies. At least annually, the Company's executive officers who are responsible for the Company's day-to-day risk management practices will present to the Board a comprehensive report on the material risks to the Company, including credit risk, liquidity risk and operational risk. At that time, the management team will also review with the Board of Trustees the Company's risk mitigation policies and strategies specific to each risk that is identified. If necessary, the Board may delegate specific risk management tasks to management or a committee. Throughout the year, management monitors the Company's risk profile and, on a regular basis, updates the Board as new material risks are identified or the aspects of a risk previously presented to the Board materially change. The Audit Committee also actively monitors risks to the Company throughout the year, and with the aid of management, identifies any additional risks that need to be elevated for the full Board's consideration.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

We pay base salaries and annual bonuses and make grants of awards under our Equity Incentive Plan to certain of our officers. Awards under our Equity Incentive Plan are granted to provide performance and retention incentives to these individuals based on factors such as the desire to retain such officers' services over the long-term, aligning such officers' interest with those of our shareholders, incentivizing such officers over the near-, medium- and long-term, and rewarding such officers for exceptional performance. In addition, our Compensation Committee may determine to make awards to new executive officers to help attract them to our company.

Our compensation program for our named executive officers, Messrs. Fisher, Willis and Craven, consists of four key elements:

Cash compensation, in the form of base salaries and annual cash bonus awards;

Long-term incentives, in the form of restricted share awards and awards of long-term incentive plan (LTIP) units that vest over time;

Health and welfare benefits; and

Severance arrangements under the executives' employment agreements.

Elements of Named Executive Officer Compensation

Annual base salary. Base salary is designed to compensate our named executive officers at a fixed level of compensation that serves as a retention tool throughout the executive's career. The initial base salaries of Messrs. Fisher and Willis were determined by Messrs. Fisher and Willis prior to completion of our IPO while they served as our sole officers and Mr. Fisher was our sole trustee, with the advice and recommendations of an independent compensation consultant, and were ratified by our Compensation Committee following the completion of our IPO. The base salary of Mr. Craven was determined by our Compensation Committee in connection with the commencement of Mr. Craven's employment in September 2010. Under their employment agreements, Messrs. Fisher, Craven and Willis were entitled to receive initial annual base salaries for 2011 of \$300,000, \$285,000, and \$285,000, respectively, payable in approximately equal bi-weekly installments.

In determining whether to increase base salaries for our named executive officers in any subsequent year, including for 2012, the Compensation Committee considers each executive's role and responsibility, unique skills, future potential with our company, salary levels for similar positions at peer companies, internal pay equity and such other factors as the Compensation Committee may determine to be relevant. For 2012, the Compensation Committee engaged an independent compensation consultant, FTI Consulting (the Compensation Consultant), to prepare a report recommending compensation levels as compared with (1) a peer group of fourteen (14) companies, primarily hotel REITs with equity market capitalizations ranging from \$150 million to \$2.5 billion with a median market capitalization of \$600 million and (2) a specialized peer group comprised of five (5) companies that went public at approximately the same time as the Company. Based on the recommendations of the Compensation Consultant and the successful execution of the Company's business plan, the Compensation Committee recommended, and the full Board approved, increased 2012 annual base salaries for Messrs. Fisher, Craven and Willis of \$400,000, \$300,000, and \$300,000, respectively. Furthermore, at our 2011 Annual Meeting, our shareholders were provided the opportunity to cast votes to approve a non-binding advisory resolution on executive compensation. This advisory vote was approved by nearly 94% of shares voted and supported the Compensation Committee's decisions with respect to 2011 and 2012 executive compensation. The companies in each peer group are:

Annual cash bonus. Annual cash bonuses are designed to provide incentives to our named executive officers at a variable level of compensation based on such individual's performance. In connection with our annual cash bonus program, our Compensation Committee will determine annual performance criteria that are flexible and that change with the needs of our business. Each year, our annual cash bonus plan will be designed to reward the achievement of specific, pre-established financial and operational objectives. Pursuant to our initial growth strategy following the successful completion of our IPO, all of our named executive officers agreed not to accept any discretionary cash bonus for 2010. For 2011, the Compensation Committee recommended, and the Board approved, annual discretionary cash bonuses for Messrs. Fisher, Craven and Willis of \$550,000, \$200,000 and \$200,000, respectively.

Restricted Share and LTIP Unit Awards. We have provided, and expect to provide in the future, awards pursuant to our Equity Incentive Plan. We made grants of time-based restricted shares to each of Messrs. Fisher and Willis of 15,650 shares and 10,450 shares, respectively, upon completion of our IPO. The number of shares granted, and the type of award made, were determined by Messrs. Fisher and Willis, with the recommendation of the Compensation Consultant, prior to completion of our IPO while they served as our sole officers and Mr. Fisher was our sole trustee, and were subsequently ratified by our Compensation Committee following the completion of our IPO. We also made a grant of 10,450 time-based restricted shares to Mr. Craven in connection with the commencement of his employment in September 2010, which was approved by our Compensation Committee at the time of his appointment. Each restricted share award vests in substantially equal installments on each of the first, second and third anniversaries of the grant date.

We made grants of time-based LTIP units to each of Messrs. Fisher and Willis of 198,940 LTIP units and 32,585 LTIP units, respectively, upon completion of our IPO. The number of LTIP units granted, and the type of award made, were determined by Messrs. Fisher and Willis, with the recommendation of the Compensation Consultant, prior to completion of our IPO while they served as our sole officers and Mr. Fisher was our sole trustee, and were subsequently ratified by our Compensation Committee following the completion of our IPO. We also made a grant of 26,250 time-based LTIP units to Mr. Craven in connection with the commencement of his employment in September 2010, which was approved by our Compensation Committee at the time of his appointment. Each LTIP unit award vests in substantially equal installments on each of the first through fifth anniversaries of the grant date.

The time-based restricted share awards were designed to foster equity ownership by our named executive officers in our company and to align their interests with the long-term interests of our shareholders while also attracting and retaining key talent. LTIP unit awards are tied to the performance of our company and were designed to provide these key executives, who are primarily responsible for our growth and operations, with incentives to focus on long-term goals and enhancing shareholder value.

In determining future awards under our Equity Incentive Plan, our Compensation Committee will take into account, among other things, the company's overall financial performance, the contributions of each of our named executive officers, the long-term equity incentive compensation of officers in similar positions at peer companies, internal pay equity and such other factors as the Compensation Committee may determine to be relevant.

In February 2012, the Compensation Consultant recommended awarding the Company's named executive officers with a balanced equity compensation grant of (1) fifty percent (50%) of the award in the form of performance-based restricted shares that would vest ratably over a three (3) year performance period conditioned upon the Company achieving a total return to shareholders of eight percent (8%) per year and (2) fifty percent (50%) of the award in the form of time-based restricted shares that vest ratably over a three (3) year period. Based upon the Compensation Consultant's recommendations, the Compensation Committee approved restricted aggregate (i.e. performance-based and time-based) share awards for Messrs. Fisher, Craven and Willis of \$750,000, \$300,000 and \$250,000, respectively.

Retirement savings opportunities. We have established and plan to maintain a retirement savings plan under section 401(k) of the Code. All eligible employees are able to participate in our 401(k) Retirement Savings Plan, or 401(k) Plan, which allows such employees to defer a portion of their compensation, within prescribed limits, on a pre-tax basis through contributions to the 401(k) Plan. Our 401(k) Plan is intended to help our employees save a portion of their cash compensation for retirement in a tax efficient manner. We match employees' annual contributions, within prescribed limits, dollar for dollar up to the first 3% of each employee's compensation contributed and 50% of each employee's contributions above such 3% threshold, up to 5% of such employee's compensation. The employee matching contributions vest immediately to the employee.

Health and welfare benefits. We provide a competitive benefits package to all full-time employees, which includes health and welfare benefits, such as medical, dental, disability insurance and life insurance benefits. The plans under which these benefits are offered do not discriminate in scope, terms or operation in favor of officers and trustees and are available to all full-time employees.

Post-termination pay. As described more fully under Employment Arrangements and Potential Payments upon Termination or Change in Control, we have entered into employment agreements with each of our named executive officers that provide the officers with compensation if they are terminated without cause, they leave the company with good reason (each as defined in the applicable employment agreement) or their employment terminates in certain circumstances following a change in control. We believe these common protections promote our ability to attract and retain management and assure us that our executive officers will continue to be dedicated and available to provide objective advice and counsel notwithstanding the possibility, threat or occurrence of a change in their circumstances or in the control of our company.

REPORT OF THE COMPENSATION COMMITTEE

We have reviewed and discussed the foregoing Compensation Discussion and Analysis with management. Based on our review and discussions with management, we recommended to the Board of Trustees that the Compensation Discussion and Analysis be included in this proxy statement.

Fisher, Craven and Willis is \$750,000, \$300,000, and \$250,000, respectively, but the performance-based shares only have value to the extent that required performance criteria are met.
- (4) Amounts also account for the grant of LTIP units to Messrs. Fisher, Willis, and Craven under our Equity Incentive Plan. Messrs. Fisher and Willis were awarded 198,940 and 32,585, respectively, upon completion of the IPO. Mr. Craven was awarded 26,250 LTIP Units upon commencement. All LTIP unit awards vest ratably over the first five anniversaries of the date of grant. For purposes of this table and the pro forma financial information of Chatham Lodging Trust beginning on page F-3 of our Annual Report on Form 10-K for the fiscal year ended December 31, 2011, we estimated, under the principles of GAAP, that the discounted values of the LTIP unit awards are \$3,019,909 to Mr. Fisher, \$494,640 to Mr. Willis, and \$398,475 to Mr. Craven. The compensation reported in the table related to the LTIP grants reflects the aggregate grant date fair value of the LTIP units, calculated in accordance with ASC Topic 718. To determine the discounted value of the LTIP unit awards, we considered the inherent uncertainty that the LTIP units will reach parity with the other common partnership common units, appropriateness of discounts for illiquidity, expectations for future dividends and various other data available to us as of the date of this grant.

Outstanding Equity Awards at Fiscal Year-End

The following table sets forth information with respect to outstanding equity awards held by the named executive officers as of December 31, 2011.

Name	Number of Shares or Units That Have Not Vested	Market Value of Shares That Have Not Vested ⁽³⁾
Jeffrey H. Fisher	159,152 ⁽¹⁾	\$ 1,715,659
	10,433 ⁽²⁾	112,468
Dennis M. Craven	21,000 ⁽¹⁾	226,380
	6,966 ⁽²⁾	75,093
Peter Willis	26,068 ⁽¹⁾	281,013
	6,966 ⁽²⁾	75,093

- (1) Reflects the grant of LTIP unit awards to the executive under our Equity Incentive Plan upon completion of our IPO or, in the case of Mr. Craven, in connection with the commencement of his employment. The awards of LTIP units vest ratably on each of the first five anniversaries of the date of grant: April 23, 2011, April 23, 2012, April 23, 2013, April 23, 2014 and April 23, 2015, in the case of Messrs. Fisher and Willis; and on September 9, 2011, September 9, 2012, September 9, 2013, September 9, 2014 and September 9, 2015, in the case of Mr. Craven.
- (2) Reflects restricted common shares issued to the executive pursuant to our Equity Incentive Plan following the first meeting of our Board of Trustees after completion of our IPO or, in the case of Mr. Craven, at the time of commencement of his employment. The awards of restricted common shares vest ratably on each of the first three anniversaries of the date of grant: May 20, 2011, May 20, 2012 and May 20, 2013, in the case of Messrs. Fisher and Willis; and on September 9, 2011, September 9, 2012 and September 9, 2013, in the case of Mr. Craven.
- (3) Unless and until LTIP units reach parity with common shares, the value of LTIP units can only be estimated. However, for purposes of calculating the market value of LTIP units and restricted common shares that have not vested, the market value per unvested LTIP unit and restricted common share is assumed to be \$10.78, the closing market price per common share at the end of the last completed fiscal year, December 31, 2011. This table further assumes that the LTIP units had reached parity with our common shares on December 31, 2011. However, as of December 31, 2011, the LTIP units had not reached parity with our common shares.

Option Exercises and Shares Vested

The following table summarizes vesting of common shares applicable to our named executive officers during the year ended December 31, 2011. No options vested and none of the named executive officers exercised any options during 2011.

Name	Stock Awards	
	Number of Shares Acquired on Vesting (#)	Value Realized on Vesting (\$) ⁽¹⁾
Jeffrey H. Fisher	39,788 ⁽¹⁾	\$ 428,915
	10,433 ⁽²⁾	85,089
Dennis M. Craven	5,250 ⁽¹⁾	56,595
	3,484 ⁽²⁾	37,558
Peter Willis	6,517 ⁽¹⁾	70,253

- (1) Reflects the vesting of one-fifth of the LTIP unit awards to the executive under our Equity Incentive Plan upon completion of our IPO or, in the case of Mr. Craven, in connection with the commencement of his employment. The awards of LTIP units vest ratably on each of the first five anniversaries of the date of grant: April 23, 2011, April 23, 2012, April 23, 2013, April 23, 2014 and April 23, 2015, in the case of Messrs. Fisher and Willis; and on September 9, 2011, September 9, 2012, September 9, 2013, September 9, 2014 and September 9, 2015, in the case of Mr. Craven. Unless and until LTIP units reach parity with common shares, the value of LTIP units can only be estimated. However, for purposes of calculating the market value of LTIP units and restricted common shares that have not vested, the market value per unvested LTIP unit and restricted common share is assumed to be \$10.78, the closing market price per common share at the end of the last completed fiscal year, December 31, 2011. This table further assumes that the LTIP units had reached parity with our common shares on December 31, 2011. However, as of December 31, 2011, the LTIP units had not reached parity with our common shares.
- (2) Reflects vesting of one-third of the restricted common shares issued to the executive pursuant to our Equity Incentive Plan following the first meeting of our Board of Trustees after completion of our IPO or, in the case of Mr. Craven, at the time of commencement of his employment. The awards of restricted common shares vest ratably on each of the first three anniversaries of the date of grant: May 20, 2011, May 20, 2012 and May 20, 2013, in the case of Messrs. Fisher and Willis; and on September 9, 2011, September 9, 2012 and September 9, 2013, in the case of Mr. Craven.

Equity Incentive Plan

Prior to the completion of our IPO, our Board of Trustees adopted, and our sole shareholder at the time approved, our Equity Incentive Plan to attract and retain independent trustees, executive officers and other key employees and service providers, including officers and employees of our affiliates. The Equity Incentive Plan provides for the grant of options to purchase common shares, share awards, share appreciation rights, performance units and other equity-based awards.

Administration of the Equity Incentive Plan

The Equity Incentive Plan is administered by our Compensation Committee, which is authorized to approve all terms of awards under the Equity Incentive Plan. Our Compensation Committee may also approve who receives grants under the Equity Incentive Plan and the number of common shares subject to the grant.

Eligibility

All of our employees and employees of our subsidiaries and affiliates, including our operating partnership, are eligible to receive grants under the Equity Incentive Plan. In addition, our independent trustees and individuals who perform services for us and our subsidiaries and affiliates, including employees of our operating partnership, may receive grants under the Equity Incentive Plan.

Share Authorization

The number of common shares that may be issued under the Equity Incentive Plan is 565,359. In connection with share splits, dividends, recapitalizations and certain other events, our board will make adjustments that it deems appropriate in the aggregate number of common shares that may be issued under the Equity Incentive Plan and the terms of outstanding awards.

If any options or share appreciation rights terminate, expire or are canceled, forfeited, exchanged or surrendered without having been exercised or paid or if any share awards, performance units or other equity-based awards are forfeited, the common shares subject to such awards will again be available for purposes of the Equity Incentive Plan.

Options

The Equity Incentive Plan authorizes our Compensation Committee to grant incentive stock options (under Section 422 of the Code) and options that do not qualify as incentive share options. The exercise price of each option will be determined by the Compensation Committee, provided that the price cannot be less than 100% of the fair market value of the common shares on the date on which the option is granted (or 110% of the shares' fair market value on the grant date in the case of an incentive share option granted to an individual who is a ten

percent shareholder under Sections 422 and 424 of the Code). The exercise price for any option is generally payable (i) in cash, (ii) by certified check, (iii) by the surrender of common shares (or attestation of ownership of common shares) with an aggregate fair market value on the date on which the option is exercised, equal to the exercise price, or (iv) by payment through a broker in accordance with procedures established by the Federal Reserve Board. The term of an option cannot exceed ten years from the date of grant (or five years in the case of an incentive share option granted to a ten percent shareholder).

Share Awards

The Equity Incentive Plan also provides for the grant of share awards. A share award is an award of common shares that may be subject to restrictions on transferability and other restrictions as our Compensation Committee determines in its sole discretion on the date of grant. The restrictions, if any, may lapse over a specified period of time or through the satisfaction of conditions, in installments or otherwise, as our Compensation Committee may determine. A participant who receives a share award will have all of the rights of a shareholder as to those shares, including, without limitation, the right to vote and the right to receive dividends or distributions on the shares. During the period, if any, when share awards are non-transferable or forfeitable, (i) a participant is prohibited from selling, transferring, pledging, exchanging, hypothecating or otherwise disposing of his or her share awards, (ii) the Company will retain custody of the certificates and (iii) a participant must deliver a share power to the company for each share award.

At the first meeting of our Board of Trustees following the completion of our IPO, our Compensation Committee approved the grant of an aggregate of 36,550 restricted shares to each of Mr. Fisher, Mr. Willis and Mr. Julio Morales, our former chief financial officer. Mr. Craven was granted 10,450 restricted shares at the commencement of his employment on September 9, 2010. All of these restricted share awards will vest ratably on the first three anniversaries of the date of grant other than Mr. Morales's, of which 7,200 shares vested upon termination of his employment and the rest of which were forfeited.

Share Appreciation Rights

The Equity Incentive Plan authorizes our Compensation Committee to grant share appreciation rights that provide the recipient with the right to receive, upon exercise of the share appreciation right, cash, common shares or a combination of the two. The amount that the recipient will receive upon exercise of the share appreciation right generally will equal the excess of the fair market value of the common shares on the date of exercise over the shares' fair market value on the date of grant. Share appreciation rights will become exercisable in accordance with terms determined by our Compensation Committee. Share appreciation rights may be granted in tandem with an option grant or as independent grants. The term of a share appreciation right cannot exceed ten years from the date of grant or five years in the case of a share appreciation right granted in tandem with an incentive share option awarded to a ten percent shareholder.

Performance Units

The Equity Incentive Plan also authorizes our Compensation Committee to grant performance units. Performance units represent the participant's right to receive an amount, based on the value of the common shares, if performance goals established by the Compensation Committee are met. Our Compensation Committee will determine the applicable performance period, the performance goals and such other conditions that apply to the performance unit. Performance goals may relate to our financial performance or the financial performance of our operating partnership, the participant's performance or such other criteria determined by the Compensation Committee. If the performance goals are met, performance units will be paid in cash, our common shares or a combination thereof.

Other Equity-Based Awards

Our Compensation Committee may grant other types of share-based awards as other equity-based awards under the Equity Incentive Plan, including Long-Term Incentive Plan, or LTIP, units. Other equity-based awards are payable in cash, our common shares or other equity, or a combination thereof, determined by the Compensation Committee. The terms and conditions of other equity-based awards are determined by the Compensation Committee.

LTIP units are a special class of partnership interests in our operating partnership. Each LTIP unit awarded is deemed equivalent to an award of one common share under the Equity Incentive Plan, reducing availability for other equity awards on a one-for-one basis. We will not receive a tax deduction for the value of any LTIP units granted to our employees. The vesting period for any LTIP units, if any, will be determined at the time of issuance. LTIP units, whether vested or not, receive the same quarterly per unit profit distributions as units of our operating partnership, which profit distribution per LTIP unit will generally equal per share dividends on our common shares. This treatment with respect to quarterly distributions is similar to the treatment of our restricted share awards, which generally receive full dividends whether vested or not. Initially, LTIP units do not have full parity with operating partnership common units with respect to liquidating distributions. Under the terms of the LTIP units, our operating partnership will revalue its assets upon the occurrence of certain specified events, and any increase in valuation from the time of grant until such event will be allocated first to the holders of LTIP units to equalize the capital accounts of such holders with the capital accounts of operating partnership common unit holders. Upon equalization of the capital accounts of the holders of LTIP units with the other holders of operating partnership common units, the LTIP units will achieve full parity with operating partnership common units for all purposes, including with respect to liquidating distributions. If such parity is reached, vested LTIP units may be converted into an equal number of operating partnership common units at any time, and thereafter will have all the rights of operating partnership common units, including redemption rights. However, there are circumstances under which such parity would not be reached. Until and unless such parity is reached, the value that an executive officer will realize for a given number of vested LTIP units will be less than the value of an equal number of our common shares.

Upon completion of our IPO, our operating partnership issued an aggregate of 246,960 LTIP units to certain of our officers. The 15,435 LTIP units granted to Mr. Morales at the completion of our IPO were forfeited upon termination of his employment. On September 9, 2010, our operating partnership granted 26,250 LTIP units to Mr. Craven in connection with the commencement of his employment with our company. The LTIP units granted to Messrs. Fisher, Willis and Craven will vest ratably over the first five anniversaries of the date of grant. See Our Operating Partnership and the Partnership Agreement for a further description of the rights of limited partners in our operating partnership.

Dividend Equivalents

Our Compensation Committee may grant dividend equivalents in connection with the grant of performance units and other equity-based awards. Dividend equivalents may be paid currently or accrued as contingent cash obligations (in which case they will be deemed to have been invested in common shares) and may be payable in cash, common shares or a combination of the two. Our Compensation Committee will determine the terms of any dividend equivalents.

Change in Control

If we experience a change in control, the Compensation Committee may, at its discretion, provide that all outstanding options, share appreciation rights, share awards, performance units, or other equity based awards that are not exercised prior to the change in control will be assumed by the surviving entity, or will be replaced by a comparable substitute award of substantially equal value granted by the surviving entity. The Compensation Committee may also provide that (i) all outstanding options and share appreciation rights will be fully exercisable on the change in control, (ii) restrictions and conditions on outstanding share awards will lapse upon

the change in control and (iii) performance units or other equity-based awards will become earned in their entirety. The Compensation Committee may also provide that participants must surrender their outstanding options and share appreciation rights, share awards, performance units, and other equity based awards in exchange for a payment, in cash or our common shares or other securities or consideration received by shareholders in the change in control transaction, equal to the value received by shareholders in the change in control transaction (or, in the case of options and share appreciation rights, the amount by which that per share transaction value exceeds the per share exercise price).

In summary, a change of control under the Equity Incentive Plan occurs if:

a person, entity or affiliated group (with certain exceptions) acquires, in a transaction or series of transactions, more than 50% of the total combined voting power of our outstanding securities or common shares;

we merge into another entity unless the holders of our voting shares immediately prior to the merger have more than 50% of the combined voting power of the securities in the merged entity or its parent;

we sell or dispose of all or substantially all of our assets;

we are liquidated or dissolved; or

during any period of two consecutive years individuals who, at the beginning of such period, constitute our Board of Trustees together with any new trustees (other than individuals who become trustees in connection with certain transactions or election contests) cease for any reason to constitute a majority of our Board of Trustees.

Amendment; Termination

Our Board of Trustees may amend or terminate the Equity Incentive Plan at any time, provided that no amendment may adversely impair the benefits of participants with outstanding awards. Our shareholders must approve any amendment if such approval is required under applicable law or stock exchange requirements. Our shareholders also must approve any amendment that materially increases the benefits accruing to participants under the Equity Incentive Plan, materially increases the aggregate number of common shares that may be issued under the Equity Incentive Plan or materially modifies the requirements as to eligibility for participation in the Equity Incentive Plan. Unless terminated sooner by our Board of Trustees or extended with shareholder approval, the Equity Incentive Plan will terminate on the day before the tenth anniversary of the date our Board of Trustees adopted the Equity Incentive Plan.

Employment Arrangements

Jeffrey H. Fisher. Our employment agreement with Mr. Fisher has an initial term of three years and will renew for one-year terms thereafter unless terminated by written notice delivered at least 30 days before the end of the then-current term. The employment agreement provides for an annual base salary to Mr. Fisher of \$300,000 for 2011, subject to increase in the discretion of the Board or its Compensation Committee. For 2012, the Compensation Committee ratified an increased annual base salary to \$400,000.

Under his employment agreement, Mr. Fisher is eligible to earn an annual cash bonus at the discretion of the Compensation Committee or to the extent that prescribed individual and corporate goals established by the Committee are achieved.

Mr. Fisher's employment agreement entitles him to customary fringe benefits, including vacation and the right to participate in any other benefits or plans in which other executive-level employees participate (including but not limited to retirement, pension, profit-sharing, insurance (including life insurance) or hospital plans).

Mr. Fisher's employment agreement provides for certain payments in the event that his employment ends upon termination by us for cause, his resignation without good reason (as defined below), his death or disability or any reason other than a termination by us without cause or his resignation with good reason. The agreement defines cause as (1) a failure to perform a material duty or a material breach of an obligation set forth in Mr. Fisher's employment agreement or a breach of a material and written policy other than by reason of mental or physical illness or injury, (2) a breach of Mr. Fisher's fiduciary duties, (3) conduct that demonstrably and materially injures us monetarily or otherwise or (4) a conviction of, or plea of nolo contendere to, a felony or crime involving moral turpitude or fraud or dishonesty involving our assets, and that in each case is not cured, to the Board's reasonable satisfaction, within 30 days after written notice. In any such event, Mr. Fisher's employment agreement provides for the payment to him of any earned but unpaid compensation up to the date of his termination and any benefits due to him under the terms of any of our employee benefit plans.

Mr. Fisher's employment agreement provides for certain severance payments in the event that his employment ends upon termination by us without cause or his resignation for good reason. The agreement defines good reason as (1) our material breach of the terms of Mr. Fisher's employment agreement or a direction from the Board that he act or refrain from acting in a manner unlawful or contrary to a material and written policy, (2) a material diminution in Mr. Fisher's duties, functions and responsibilities without his consent or our preventing him from fulfilling or exercising his material duties, functions and responsibilities without his consent, (3) a material reduction in Mr. Fisher's base salary or annual bonus opportunity or (4) a requirement that Mr. Fisher relocate more than 50 miles from the current location of his principal office without his consent, in each case provided that Mr. Fisher has given written notice to the Board within 30 days after he knows of the circumstances constituting good reason, the circumstances constituting good reason are not cured within 30 days of such notice and Mr. Fisher resigns within 30 days after the expiration of the cure period. In any such event, Mr. Fisher is entitled to receive any earned but unpaid compensation up to the date of his termination and any benefits due to him under the terms of our employee benefit plans. If Mr. Fisher signs a general release of claims, then any outstanding options, restricted shares and other equity awards shall be vested and exercisable as of the date of termination and outstanding options shall remain exercisable thereafter until their stated expiration date as if Mr. Fisher's employment had not terminated. Mr. Fisher shall also be entitled to receive, subject to Mr. Fisher signing a general release of claims, an amount equal to three times his base salary in effect at the time of termination, an amount equal to three times the highest annual bonus paid to him for the three fiscal years ended immediately before the date of termination, a pro-rated bonus for the then-current fiscal year based on his annual bonus for the fiscal year ended prior to his termination and an amount equal to three times the annual premium or cost paid by us for Mr. Fisher's health, dental, vision, disability and life insurance coverage in effect on his termination date.

Mr. Fisher is the majority shareholder of IHM, a hotel management company that currently manages ten of our wholly owned hotels and 63 hotels owned by our joint venture with Cerberus Capital Management LP, and that we may engage to manage certain additional hotels in the future pursuant to management agreements with our taxable REIT subsidiaries, or TRS Lessees. In order to permit IHM to qualify as an eligible independent contractor as required by applicable tax law, Mr. Fisher's employment agreement permits him to be the principal owner and serve as a director of entities engaged in the hotel management business, and to devote business time to those companies, so long as (1) such activities do not interfere with the performance of his duties to us and (2) he does not serve as an officer or employee of, or receive compensation for service as a director of, any such entity providing hotel management services to us or our affiliates.

Dennis Craven and Peter Willis. Our employment agreements with Mr. Craven and Mr. Willis have an initial term of three years and will renew for one-year terms thereafter unless terminated by written notice delivered at least 30 days before the end of the then-current term. The employment agreements provide for 2011 annual base salaries to each of Mr. Craven and Mr. Willis of \$285,000, subject to increase in the discretion of the Board or its Compensation Committee. The Compensation Committee approved increased 2012 annual base salaries to each of Mr. Craven and Mr. Willis of \$300,000. The employment agreements entitle each of Mr. Craven and Mr. Willis to fringe benefits substantially similar to those afforded to Mr. Fisher, as described above.

Under their employment agreements, Mr. Craven and Mr. Willis are eligible to earn annual cash bonuses at the discretion of the Compensation Committee or to the extent that prescribed individual and corporate goals established by the Committee are achieved.

Mr. Craven's and Mr. Willis's employment agreements provide for certain payments in the event of termination by us for cause, resignation without good reason, death or disability or any reason other than a termination by us without cause or resignation with good reason. The definitions of cause and good reason in Mr. Craven's and Mr. Willis's employment agreements are the same as those in Mr. Fisher's employment agreement, as described above. In any such event, Mr. Craven's and Mr. Willis's employment agreements provide for the payment of any earned but unpaid compensation up to the date of termination and any benefits due under the terms of any of our employee benefit plans.

Mr. Craven's and Mr. Willis's employment agreements provide for certain severance payments in the event of termination by us without cause or resignation for good reason. In any such event, Mr. Craven or Mr. Willis, as applicable, would be entitled to receive any earned but unpaid compensation up to the date of his termination and any benefits due to him under the terms of our employee benefit plans. In addition, subject to his signing a general release of claims, any outstanding options, restricted shares and other equity awards held by Mr. Craven or Mr. Willis, as applicable, shall be vested and exercisable as of the date of termination and outstanding options shall remain exercisable thereafter until their stated expiration date as if employment had not terminated. Each of Mr. Craven and Mr. Willis, as applicable, shall also be entitled to receive, subject to his signing a general release of claims, an amount equal to his base salary at the time of termination, an amount equal to the highest annual bonus paid to him for the three fiscal years ended immediately before the date of termination, a pro-rated bonus for the then-current fiscal year based on his annual bonus for the fiscal year ended prior to his termination and an amount equal to the annual premium or cost paid by us for his health, dental, vision, disability and life insurance coverage in effect on his termination date.

Mr. Craven's and Mr. Willis's employment agreements provide for higher severance payments in the event of termination by us without cause no more than ninety days before a change in control or on or after a change in control or upon resignation for good reason on or after a change in control. The agreement defines change in control as (1) a person becoming the beneficial owner of 50% or more of our voting shares, (2) a transfer of 50% or more of our total assets, (3) our merger, consolidation or statutory share exchange, except where our shareholders immediately before the transaction own more than 50% of the outstanding voting securities of the surviving entity, (4) the date members of the Board at the time of completion of our IPO, which includes our initial independent trustees (or members of the Board whose nomination or election to the Board was approved by a majority of such members), cease to constitute a majority of the Board or (5) our complete liquidation or dissolution. In any such event, each of Mr. Craven and Mr. Willis is entitled to receive any earned but unpaid compensation up to the date of his termination and any benefits due to him under the terms of our employee benefit plans. In addition, subject to his signing a general release of claims, all outstanding options, restricted shares and other equity awards shall be vested and exercisable as of the date of termination and outstanding options held by Mr. Craven or Mr. Willis, as applicable, shall remain exercisable thereafter until their stated expiration date as if Mr. Craven's or Mr. Willis's employment, as applicable, had not terminated. Each of Mr. Craven and Mr. Willis shall also be entitled to receive, subject to his signing a general release of claims, an amount equal to two times his base salary at the time of termination, an amount equal to two times the highest annual bonus paid to him for the three fiscal years ended immediately before the date of termination, a pro-rated bonus for the then-current fiscal year based on his annual bonus for the fiscal year ended prior to his termination and an amount equal to two times the annual premium or cost paid by us for his health, dental, vision, disability and life insurance coverage in effect on his termination date.

Potential Payments upon Termination or Change of Control

The following table and accompanying footnotes reflect the estimated potential amounts payable to Messrs. Fisher, Craven and Willis under their employment agreements and the Company's compensation and benefit plans and arrangements in the event the executive's employment is terminated under various scenarios, including involuntary termination without cause, voluntary or involuntary termination with cause, voluntary resignation with good reason, involuntary or good reason termination in connection with a change in control and termination due to death and disability. The amounts shown below are estimates of the amounts that would be paid to Messrs. Fisher, Craven and Willis upon termination of their employment assuming that such termination was effective on December 31, 2011. Actual amounts payable will depend upon compensation levels at the time of termination, the amount of future equity awards and other factors, and will likely be greater than amounts shown in this table.

(1) The amounts shown in the table do not include accrued salary, earned but unpaid bonuses, accrued but unused vacation pay or the distribution of benefits from any tax-qualified retirement or 401(k) plan. Those amounts are payable to Messrs. Fisher, Craven and Willis upon any termination of employment, including an involuntary termination with cause and a resignation without good reason.

(2) A termination of employment due to death or disability entitles Messrs. Fisher, Craven and Willis to benefits under the Company's life insurance and disability insurance plans. In addition, outstanding restricted share awards and LTIP awards immediately vest upon a termination of employment due to death or disability.

(3) Mr. Fisher's employment agreement provides for the payment of a cash severance benefit upon an involuntary termination without cause or a resignation with good reason (without distinction for terminations before or after a change in control). The cash severance benefit, which is payable in a single payment, is equal to the sum of (a) three times Mr. Fisher's annual base salary, (b) three times the highest annual bonus paid to Mr. Fisher for the three prior fiscal years and (c) one times the amount of the annual bonus paid to Mr. Fisher for the prior fiscal year, prorated based on the number of days of employment in the year of termination.

Mr. Fisher's employment agreement also provides for the payment of a single sum cash payment upon an involuntary termination without cause or a resignation with good reason (without distinction for terminations before or after a change in control). The payment is in lieu of continued participation in the Company's health and welfare benefit plans (although Mr. Fisher may elect to pay for continuation coverage mandated by

law). The payment is equal to three times

the annual premium or portion of the annual premium paid by the Company for (a) health, dental and vision insurance coverage for Mr. Fisher and his eligible dependents and (b) life insurance and disability insurance coverage for Mr. Fisher.

The employment agreements with Messrs. Craven and Willis provide for the payment of a cash severance benefit upon an involuntary termination without cause or a resignation with good reason and not in connection with a change in control. The cash severance benefit for each of Messrs. Craven and Willis is equal to the sum of (a) one times the executive's annual base salary, (b) one times the highest annual bonus paid to the executive for the three prior fiscal years and (c) the amount of the annual bonus paid to the executive for the prior fiscal year, prorated based on the number of days of employment in the year of termination.

The employment agreements with Messrs. Craven and Willis also provide for the payment of a single sum cash payment upon an involuntary termination without cause or a resignation with good reason and not in connection with a change in control. The payment is in lieu of continued participation in the Company's health and welfare benefit plans (although Messrs. Craven and Willis may elect to pay for continuation coverage mandated by law). The payment is equal to one times the annual premium or portion of the annual premium paid by the company for (a) health, dental and vision insurance coverage for Messrs. Craven and Willis and their eligible dependents and (b) life insurance and disability insurance coverage for Messrs. Craven and Willis.

(4) The severance and other benefit payable to Mr. Fisher on account of an involuntary termination without cause or a resignation with good reason in connection with a change in control are the same as described in note (3) above.

The employment agreements with Messrs. Craven and Willis provide for the payment of benefits upon an involuntary termination without cause or a resignation with good reason in connection with a change of control. (A termination in either case is in connection with a change in control if it occurs on or after a change in control or, in the case of an involuntary termination without cause, during the ninety day period before a change in control.) In those events, the severance and other benefits payable to Messrs. Craven and Willis are the same as described in note (3) above, except that two times is substituted for one times each time it appears in note (3).

(5) The amounts shown in this column are estimates of the annual premiums payable by the Company for health care, insurance and other benefits expected to be provided to Messrs. Fisher, Craven and Willis.

(6) The amounts shown in this column represent the compensation to Messrs. Fisher, Craven and Willis due to accelerated vesting of LTIP awards and restricted share awards that were part of our 2010 compensation program, in each case based on the fair market value of our common shares as of December 31, 2011 (\$10.78 per share). Outstanding LTIP awards and restricted share awards not previously vested are forfeited upon termination of employment unless employment ends on account of death, disability, an involuntary termination without cause or a resignation with good reason (in which case the restricted share awards and LTIP awards will accelerate and fully vest). Outstanding restricted share awards and LTIP awards also will accelerate and fully vest upon a change in control.

Amounts reflecting accelerated vesting of equity awards in the rows Change In Control (No Termination) and Involuntary or Good Reason Termination in Connection With Change In Control will be paid upon only one of the specified triggering events (not both) and will not be duplicated in the event that the executive incurs a qualifying termination following a change in control event that has previously resulted in acceleration.

(7) The employment agreements with Messrs. Fisher, Craven and Willis do not provide an indemnification or gross-up payment for the parachute payment excise tax under Sections 280G and 4999 of the Code. The employment agreements instead provide that the severance and any other payments or benefits that are treated as parachute payments under the Code will be reduced to the maximum amount that can be paid without an excise tax liability. The parachute payments will not be reduced, however, if the executive will receive greater after-tax benefits by receiving the total or unreduced benefits (after taking into account any excise tax liability payable by the executive). The amounts shown in the table assume that Messrs. Fisher, Craven and Willis will receive the total or unreduced benefits.

Equity Compensation Plan Information

The following table provides information, as of December 31, 2011, relating to our Equity Incentive Plan pursuant to which grants of common share options, share awards, share appreciation rights, performance units and other equity-based awards options may be granted from time to time.

	Number of Securities to be Issued Upon Exercise of Outstanding Options, Warrants and Rights	Weighted-Average Exercise Price of Outstanding Options, Warrants and Rights	Number of Securities Remaining Available for Future Issuance under Equity Compensation Plans
Equity compensation plans approved by security holders ⁽¹⁾			211,730
Equity compensation plans not approved by security holders			
Total			211,730

⁽¹⁾ Our Equity Incentive Plan was approved by our company's sole trustee and our company's sole shareholder prior to completion of our IPO.
Certain Relationships and Related Transactions

Concurrently with the completion of our IPO, in a separate private placement, we sold an aggregate of 500,000 common shares (representing approximately 5.5% of the common shares outstanding upon completion of the IPO, including common shares sold pursuant to the underwriters over-allotment option) to Mr. Fisher, our chairman, president and chief executive officer, at a price per share equal to the initial public offering price per share and without payment of any underwriting discount or commission by us. We used approximately \$3.2 million of the net proceeds from the IPO to reimburse Mr. Fisher for out-of-pocket expenses he incurred in connection with our formation and the IPO, including \$2.5 million he funded as earnest money deposits for the acquisition of our initial six hotels. We also used \$10,000 of the net proceeds from the IPO to repurchase the shares Mr. Fisher acquired in connection with our formation and initial capitalization.

Upon completion of our IPO, our operating partnership issued 246,960 LTIP units to Mr. Fisher, 32,585 LTIP units to Mr. Willis and 15,435 LTIP units to Mr. Julio Morales, our former chief financial officer. Upon Mr. Craven joining our company in September 2010, our operating partnership issued 26,250 LTIP units to Mr. Craven. These LTIP units vest ratably on each of the first five anniversaries of the date of grant. LTIP units, whether vested or not, will receive the same per-unit profit distributions as common units in our operating partnership, which distributions generally will equal per share distributions on our common shares. Mr. Morales' LTIP units were cancelled when his employment terminated in September 2010.

We entered into employment agreements with each of Messrs. Fisher, Willis and Craven that provide for payments and other benefits to Messrs. Fisher, Willis and Craven if their employment with us is terminated under certain circumstances. See Compensation Discussion and Analysis Employment Arrangements.

We have also entered into indemnification agreements with our trustees and our executive officers providing for procedures for indemnification by us to the fullest extent permitted by law and advancements by us of certain expenses and costs relating to claims, suits or proceedings arising from their service to us.

As of March 30, 2012, ten (10) of our wholly owned hotels and sixty three (63) hotels owned by our joint venture with Cerberus Capital Management LP are managed by IHM, which is 90% owned by Mr. Fisher. The management agreements with IHM have an initial term of five years and may be renewed for two five-year periods at the option of IHM by written notice to us no later than 90 days prior to the termination date. The IHM management agreements provide for early termination upon sale of any IHM managed hotel for no termination fee, with six months advance notice. The IHM management agreements can also be terminated for cause.

Additionally, if hotel operating performance does not meet specified levels we will be able to terminate any IHM management agreements at no cost. Management agreements with IHM provide for a base management fee of 3% of the hotel's gross revenues, an accounting fee of \$1,000 per month per hotel and, if certain financial thresholds are met or exceeded, an incentive management fee equal to 10% of the hotel's net operating income less fixed costs, base management fees and a specified return threshold. The incentive management fee is capped at 1% of gross hotel revenues. For the year ended December 31, 2011, we paid IHM an aggregate of \$1.3 million in management fees pursuant to these management agreements.

Because Mr. Fisher is our Chairman, President and Chief Executive Officer and controls IHM, conflicts of interest exist between Mr. Fisher and us regarding:

enforcement of the terms of any management agreements between us and IHM;

whether and on what terms these management agreements will be renewed upon the expiration;

whether and on what terms management contracts will be awarded to IHM; and

whether hotel properties will be sold.

Under the hotel management agreements, IHM generally is responsible for complying with our various franchise agreements, subject to us making sufficient funding available. Conflicts of interest exist between us and Mr. Fisher regarding IHM's compliance with franchise agreements, which could result in:

the termination of those agreements and related substantial penalties; or

other actions or failures to act by IHM that could result in liability to us or our TRS lessees.

We share our corporate information technology infrastructure with IHM. We and IHM have agreed to a cost sharing arrangement under which we bear 13% of the total costs of operating and maintaining the IT function (including depreciation taken by us on the IT infrastructure).

IHM has obtained an employment practices liability insurance policy that covers our employees. We reimbursed IHM for our pro rata portion of the premium for this policy. In addition, IHM is required to maintain a health benefit plan in which our employees participate. Our reimbursement of IHM is based on the number of our employees participating in the plan and the coverage and benefit levels selected by those employees.

Conflicts may arise between us and IHM with respect to whether certain expenditures are classified as capital expenditures, which are capitalized by us and do not immediately affect earnings, or repairs and maintenance, which are expensed as incurred and therefore reduce the amount available to be earned by IHM as incentive management fees.

Other than the compensation arrangements described in this proxy statement, Mr. Fisher has not received any compensation or other consideration as promoter or otherwise in connection with the formation of our company.

From time to time in connection with certain acquisitions and dispositions or other transactions, we may engage a brokerage firm with which Mr. Fisher's daughter is employed.

Section 16(a) Beneficial Ownership Reporting Compliance

Under federal securities laws, the Company's trustees and executive officers, and any persons beneficially owning more than ten percent (10%) of a registered class of the Company's equity securities, are required to report their ownership of common shares and any changes in that ownership to the SEC. These persons are also required by SEC regulations to furnish the Company with copies of these reports. Specific due dates for these reports have been established, and the Company is required to report in the Proxy Statement any failure to timely file such reports

Edgar Filing: Chatham Lodging Trust - Form DEF 14A

by those due dates during the 2011 fiscal year. To our knowledge, all of our executive officers, directors, and greater than 10% shareholders have timely complied with all of the filing requirements applicable to them with respect to transactions during the 2011 fiscal year.

AUDIT COMMITTEE REPORT

The Audit Committee is composed of three (3) trustees who are independent as determined by the Board of Trustees, in its business judgment, under the rules of the New York Stock Exchange and the Securities and Exchange Commission. The Audit Committee operates under a written charter adopted by the Board of Trustees. The members of the Audit Committee are Glen Gilbert (Chair), Miles Berger and Joel F. Zemans. The Audit Committee appointed, and the Board of Trustees ratified the selection of the Company's independent registered certified public accounting firm, PricewaterhouseCoopers LLP.

Management is responsible for the Company's internal controls and the financial reporting process. The independent accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes, to monitor the Company's compliance with legal requirements and to monitor the independence and performance of the Company's auditors. The Audit Committee is also responsible for monitoring the Company's procedures for compliance with the rules for taxation as a real estate investment trust (REIT) under Sections 856-860 of the Code.

The Audit Committee has met with management and the independent registered certified public accounting firm, PricewaterhouseCoopers LLP. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the audited consolidated financial statements with management and PricewaterhouseCoopers LLP, both together and separately. The Audit Committee reviewed and discussed with management and PricewaterhouseCoopers LLP the audited consolidated financial statements for the year ended December 31, 2011, management's assessment of the effectiveness of the Company's internal control over financial reporting and PricewaterhouseCoopers LLP's evaluation of the effectiveness of the Company's internal control over financial reporting. The Audit Committee has discussed with PricewaterhouseCoopers LLP the matters that are required to be discussed by Statement on Auditing Standards Nos. 61, 89 and 90 (Codification of Statements on Auditing Standards, AU §380).

The Audit Committee received from PricewaterhouseCoopers LLP the written disclosures and the letter required by PCAOB Rule 3526 (Communication with Audit Committees Concerning Independence), and has discussed with PricewaterhouseCoopers LLP the issue of its independence from the Company. The Audit Committee also concluded that PricewaterhouseCoopers LLP's provision of services to the Company and its affiliates is compatible with PricewaterhouseCoopers LLP's independence.

Based upon the Audit Committee's discussion with management and PricewaterhouseCoopers LLP and the Audit Committee's review of the audited consolidated financial statements, the representations of management and the written disclosures and the letter of PricewaterhouseCoopers LLP to the Audit Committee, the Audit Committee recommended that the Board of Trustees include the Company's audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2011 filed with the Securities and Exchange Commission.

The Audit Committee charter provides that:

the Committee is directly responsible for the appointment, compensation, and oversight of the work of the Company's independent auditor, that the independent auditor reports directly to the Committee, and that the Committee retains and may terminate the services of the independent auditor;

the Committee must approve in advance all audit engagement fees and terms, and all audit and non-audit services to be provided by the independent auditor;

the Committee must establish procedures for the handling of complaints regarding accounting, internal controls, or auditing matters and for the confidential, anonymous submission of concerns by employees regarding accounting and auditing matters;

the Committee must establish policies and procedures for the engagement of the outside auditor to perform non-audit services, including pre-approval of all non-audit services;

the Committee will review and discuss the adequacy and effectiveness of disclosure controls and procedures in addition to other internal controls already reviewed by the Committee; and

the Committee has the authority and funding to engage accountants, lawyers and other advisers and experts as it deems necessary. The Committee's responsibilities include obtaining and reviewing, at least annually, a report by the outside auditor describing the outside auditor's internal quality-control procedures, any issues raised by the most recent internal quality-control review, or peer review, of the outside auditor, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, with respect to independent audits carried out by the outside auditor, and any steps taken to deal with any such issues; and the Committee's responsibilities include establishing clear hiring policies for employees or former employees of the Company's outside auditor. A copy of the Audit Committee charter is posted on the Company's website at www.chathamlodgingtrust.com. The above summary of the Audit Committee charter is qualified by reference to the complete charter, which should be read in its entirety.

The Audit Committee recommended, and the Board approved, a procedure for the confidential submission, receipt, retention and treatment of concerns and complaints regarding the Company's accounting or auditing practices. The Company has contracted with an independent company to establish and maintain, and has widely disseminated the existence and availability of, a seven-day-a-week, twenty-four-hour-a-day toll-free telephone number and website for complaints and concerns regarding accounting or auditing practices. The Company's General Counsel will promptly conduct an initial screening of any such complaint or concern to assess its legitimacy and significance and determine whether to (i) report the complaint or concern to the Chairman of the Audit Committee, (ii) investigate further, or (iii) close the file. Further investigation would involve consulting appropriate senior management not implicated in the complaint or concern and may involve consulting the Company's outside counsel and independent auditors. Information on the complaint or concern will be maintained in a confidential file for at least seven years. The Company shall take all appropriate steps to prevent retaliation against any individual because that person submitted a complaint or concern. The General Counsel shall provide to the Audit Committee a quarterly report of all complaints and concerns received and their status. Where a complaint or concern (i) relates to accounting, internal accounting controls or auditing matters or (ii) alleges or otherwise suggests the existence of (a) material inaccuracies in financial reporting, (b) fraud or other intentional misconduct with respect to accounting, auditing or internal control over financial reporting or (c) material non-compliance with applicable law, the General Counsel shall promptly report the complaint or concern directly to the Chairman of the Audit Committee. Other complaints and concerns will generally be reported to the Audit Committee at the next regularly scheduled Audit Committee meeting. The Audit Committee will from time to time report to the Board the status of pending investigations and a summary of complaints and concerns during the reporting period.

The foregoing has been furnished by the members of the Audit Committee for the year ended December 31, 2011.

AUDIT COMMITTEE

Glen Gilbert (Chair)
Miles Berger
Joel F. Zemans

The foregoing Audit Committee Report shall not be deemed to be incorporated by reference into any of the Company's filings with the SEC, except as specified by the Company in any such filing.

Code of Business Conduct

If the Company makes any amendments to this code (other than technical, administrative, or non-substantive amendments) or grants any waivers, including implicit waivers, from this code to the CEO, chief financial officer, or controller, we will disclose (on our website or in a Form 8-K report filed with the SEC) the nature of the amendment or waiver, its effective date, and to whom it applies.

PROPOSAL 2:

INDEPENDENT PUBLIC ACCOUNTANTS

Retention of Auditor. PricewaterhouseCoopers LLP has served as independent registered certified public accounting firm for the Company and its subsidiaries for the year ended December 31, 2011. The Audit Committee has selected PricewaterhouseCoopers LLP as independent auditor for the year ending December 31, 2012, until and unless changed by action of the Audit Committee of the Board of Trustees. Although shareholder approval of the appointment is not required, the Company is asking the shareholders to ratify the appointment. If the shareholders do not ratify the appointment, the appointment will be reconsidered by the Audit Committee based on all relevant facts and circumstances at the time. A representative of PricewaterhouseCoopers LLP will be present at the Annual Meeting, will have an opportunity to make a statement to shareholders if he desires to do so and will be available to respond to appropriate questions.

Audit Fees. The following chart sets forth the amounts billed to the Company by PricewaterhouseCoopers LLP with respect to services provided in 2011 and 2010:

Type	Amount	
	2011	2010
Audit Fees	\$ 471,285	\$ 463,907
Audit-Related Fees	\$ 671,389	\$ 494,601
Tax Fees	\$ 100,000	
All Other Fees	\$ 1,800	\$ 1,800
	\$ 1,244,474	\$ 960,308

The Audit-Related Fees for 2011 were for professional services rendered in conjunction with audits related to certain acquisitions completed during 2011. The Audit-Related Fees for 2010 were for professional services rendered in conjunction with audits related to certain acquisitions completed during 2010. The Tax Fees for 2011 were for the preparation of tax returns. The \$1,800 in All Other Fees for 2011 was for a software license fee. The Audit Committee's current policy on approval of non-audit services by the independent auditor is to approve at the beginning of each year the scope and fees for any non-audit services for the year that have been identified, and to approve in advance the scope and fees for any additional non-audit services as the need for such services arise. According to PricewaterhouseCoopers LLP, with the exception of certain purely administrative tasks, only full-time permanent employees of PricewaterhouseCoopers LLP worked on the Company's audit in 2011.

THE BOARD OF TRUSTEES RECOMMENDS THAT SHAREHOLDERS VOTE FOR RATIFICATION OF THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS INDEPENDENT AUDITORS.

Vote Required

The affirmative vote of a majority of the votes cast on this proposal will constitute ratification of the appointment of PricewaterhouseCoopers LLP.

The Board of Trustees unanimously recommends that you vote FOR Proposal 2.

PROPOSAL 3:

ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Company is providing shareholders with an advisory (non-binding) vote on compensation programs for our Named Executive Officers (sometimes referred to as "say on pay"). Accordingly, you may vote on the following resolution at the 2012 Annual Meeting:

Resolved, that the shareholders approve, on an advisory basis, the compensation of the Company's Named Executive Officers as disclosed in the Compensation Discussion and Analysis, the accompanying compensation tables, and the related narrative disclosure in this Proxy Statement.

This vote is nonbinding. The Board and the Compensation Committee, which is comprised of independent Trustees, expect to take into account the outcome of the vote when considering future executive compensation decisions to the extent they can determine the cause or causes of any significant negative voting results.

As described in detail under "Compensation Discussion and Analysis" our compensation programs are designed to motivate our executives to create and sustain a successful company. We believe that our compensation program, with its balance of short-term incentives (including cash bonus awards and performance conditions for awards of restricted shares) and long-term incentives (including equity awards that vest over up to five years) reward sustained performance that is aligned with long-term shareholder interests. Shareholders are encouraged to read the Compensation Discussion and Analysis, the accompanying compensation tables, and the related narrative disclosure.

The Board of Trustees unanimously recommends that you vote FOR the approval, on an advisory basis, of the compensation of our Named Executive Officers as disclosed in the Compensation Discussion and Analysis, the accompanying compensation tables, and the related narrative disclosure.

OTHER MATTERS

Neither the Board of Trustees nor management intends to bring before the Annual Meeting any business other than the matters referred to in the Notice of Meeting and this Proxy Statement. If any other business should properly come before the Annual Meeting, or any adjournment thereof, the persons named in the proxy will vote on such matters according to their best judgment.

The Company paid for this proxy solicitation. We hired Wells Fargo Shareholder Services to assist in the distribution of proxy materials and solicitation of votes. We also reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to shareholders. Proxies will be solicited by mail, telephone, or other means of communication. Our trustees, officers and regular employees who are not specifically employed for proxy solicitation purposes and who will not receive any additional compensation for such activities may also solicit proxies.

must be a proper matter for shareholder action under Maryland corporate law, or management of the Company will have discretionary voting authority at the 2013 Annual Meeting with respect to any such proposal without discussion of the matter in the Company's proxy statement.

ANNUAL REPORT TO SHAREHOLDERS AND FORM 10-K

The fiscal 2011 Annual Report to Shareholders (which is not a part of our proxy soliciting materials), is being mailed with this Proxy Statement to those shareholders that received a copy of the proxy materials in the mail. Additionally, and in accordance with SEC rules, you may access our Proxy Statement at www.proxyvote.com, a cookie-free website that does not identify visitors to the site. **A copy of the Company's Annual Report on Form 10-K filed with the SEC will be provided to shareholders without charge upon written request directed to Investor Relations, Chatham Lodging Trust, 50 Cocoanut Row, Suite 216, Palm Beach, Florida 33480, (561) 227-1351.
