(the Registrant), entered into a joinder agreement to replace its \$2.000 billion existing senior secured revolving credit facility maturing on November 17, 2015 with a new senior secured credit facility on substantially the same terms other than to (i) extend the maturity for the senior secured revolving credit facility to November 17, 2016 and (ii) forego the scheduled increase to the applicable margins with respect to revolving borrowings under the facility that was previously scheduled to take effect on November 17, 2012.

The foregoing description of the joinder agreement is qualified in its entirety by the terms of such agreement. Please refer to such joinder agreement, which is incorporated herein by reference and attached hereto as Exhibit 4.1.

**Issuance of \$2,500,000,000 aggregate principal amount of secured and unsecured notes**

***Overview***

On October 23, 2012, HCA Inc. (the Issuer), a wholly-owned subsidiary of HCA Holdings, Inc. (the Parent Guarantor), completed the public offering of (i) \$1,250,000,000 aggregate principal amount of its 5.875% Senior Notes due 2023 (the Unsecured Notes), guaranteed on a senior unsecured basis by the Parent Guarantor and (ii) \$1,250,000,000 aggregate principal amount of its 4.75% Senior Secured Notes due 2023 (the Secured Notes) and, together with the Unsecured Notes, the Notes) guaranteed on a senior unsecured basis by the Parent Guarantor and on a senior secured basis by certain of the Parent Guarantor's subsidiaries. The Notes have been registered under the Securities Act of 1933, as amended (the Securities Act), pursuant to the company's shelf registration statement on Form S-3, filed on July 26, 2011, as amended by Post-Effective Amendments Nos. 1 and 2 thereto, filed on February 7, 2012 and February 27, 2012, respectively (File No. 333-175791) (the Registration Statement), as supplemented by the prospectus supplement dated October 16, 2012, previously filed with the Securities and Exchange Commission under the Securities Act.

On October 23, 2012, the Secured Notes were issued pursuant to a base indenture, dated as of August 1, 2012 (the Base Indenture), among the Issuer, the Parent Guarantor, Law Debenture Trust Company of New York, as trustee, (the Trustee) and Deutsche Bank Trust Company Americas, as registrar, paying agent and transfer agent (the Registrar), as amended and supplemented by the supplemental indenture, dated as of October 23, 2012, among the Issuer, the Parent Guarantor, the subsidiary guarantors named therein (the Subsidiary Guarantors) and, together with the Parent Guarantor, the Guarantors), the Trustee and the Registrar (as supplemented, amended or modified from time to time, the Secured Notes Indenture).

Also on October 23, 2012, the Unsecured Notes were issued pursuant to the Base Indenture, as amended and supplemented by the supplemental indenture thereto, dated as of October 23, 2012, among the Issuer, the Parent Guarantor, the Trustee and the Registrar (as supplemented, amended or modified from time to time, the Unsecured Notes Indenture) and, together with the Secured Notes Indenture, the Indentures).

Net proceeds from the offering of Notes, after deducting underwriter discounts and commissions and estimated offering expenses, are estimated to be approximately \$2.469 billion. The Issuer intends to use the net proceeds from the offering of Notes for general corporate purposes, which may include the repayment of the Issuer's existing term loan B-1 facility due November 2013 and the financing of a dividend to stockholders of HCA Holdings, Inc.

The following is a brief description of the terms of the Notes and the Indentures.

#### ***Secured Notes***

The Secured Notes will mature on May 1, 2023. Interest on the Secured Notes will be payable semi-annually on May 1 and November 1 of each year, commencing on May 1, 2013, to holders of record on the preceding April 15 or October 15, as the case may be.

#### ***Ranking***

The Secured Notes are the Issuer's senior obligations and: (i) rank senior in right of payment to any of its future subordinated indebtedness, (ii) rank equally in right of payment with any of its existing and future senior indebtedness, (iii) are effectively senior in right of payment to indebtedness under its second lien notes to the extent of the collateral securing such indebtedness and to any unsecured indebtedness, (iv) are effectively equal in right of payment with indebtedness under its cash flow credit facility and existing first lien notes to the extent of the collateral (other than certain European collateral securing the senior secured European term loan facility) securing such indebtedness, (v) are effectively subordinated in right of payment to all indebtedness under its asset-based revolving credit facility and certain European collateral securing the senior secured European term loan facility to the extent of the shared collateral securing such indebtedness, and (vi) are effectively subordinated in right of payment to all existing and future indebtedness and other liabilities of its non-guarantor subsidiaries (other than indebtedness and liabilities owed to it or one of its guarantor subsidiaries).

#### ***Guarantees***

The Secured Notes are fully and unconditionally guaranteed on a senior unsecured basis by the Parent Guarantor and on a senior secured basis by each of the Issuer's existing and future direct or indirect wholly owned domestic subsidiaries that guarantees its obligations under its senior secured credit facilities (except for certain special purpose subsidiaries that only guarantee and pledge their assets under its asset-based revolving credit facility).

#### ***Security***

The Secured Notes and related subsidiary guarantees are secured by first-priority liens, subject to permitted liens, on certain of the assets of the Issuer and the subsidiary guarantors that secure its cash flow credit facility and the existing first lien notes on a *pari passu* basis, including: (i) substantially all the capital stock of any wholly owned first-tier subsidiary of the Issuer or of any subsidiary guarantor of the Secured Notes (but limited to 65% of the voting stock of any such wholly owned first-tier subsidiary that is a foreign subsidiary) and (ii) substantially all tangible and intangible assets of the Issuer and each subsidiary guarantor, other than (1) other properties that do not secure its senior secured credit facilities, (2) deposit accounts, other bank or securities accounts and cash, (3) leaseholds and motor vehicles; provided that, with respect to the portion of the collateral comprised of real property, the Issuer will have up to 60 days following the issue date of the notes to complete those actions required to perfect the first-priority lien on such collateral, (4) certain European collateral and (5) certain receivables collateral that only secures its asset-based revolving credit facility, in each case subject to exceptions, and except that the lien on properties defined as principal properties under its existing indenture dated as of December 16, 1993, so long as such indenture remains in effect, will be limited to securing a portion of the indebtedness under the notes, its cash flow credit facility and the existing first lien notes that, in the aggregate, does not exceed 10% of its consolidated net tangible assets.

The Secured Notes and the related subsidiary guarantees will be secured by second-priority liens, subject to permitted liens, on certain receivables of the Issuer and the subsidiary guarantors that secure its asset-based revolving credit facility on a first-priority basis.

In the event the Secured Notes have investment grade ratings from both Moody's Investors Service, Inc. and Standard & Poor's, the collateral securing the Secured Notes and the related subsidiary guarantees will be released. In addition, to the extent the collateral is released as security for the Issuer's senior secured credit facilities, it will also be released as security for the Secured Notes and for the related subsidiary guarantees.

### *Covenants*

The Secured Notes Indenture contains covenants limiting the Issuer's and certain of its subsidiaries' ability to: (i) create liens on certain assets to secure debt, (ii) engage in certain sale and lease-back transactions, (iii) sell certain assets and (iv) consolidate, merge, sell or otherwise dispose of all or substantially all of its assets. These covenants are subject to a number of important limitations and exceptions.

Certain of these covenants will cease to apply and others will be modified in the event that either (i) the Secured Notes have investment grade ratings from both Moody's Investors Service, Inc. and Standard & Poor's or (ii) the collateral is released as security for the senior secured credit facilities.

*Guarantees*

The Unsecured Notes are fully and unconditionally guaranteed on a senior unsecured basis by the Parent Guarantor. The Unsecured Notes will not be guaranteed by any of the Issuer's subsidiaries.
