The Company performed an evaluation, under the supervision and with the participation of the principal executive officer and principal financial officer, of the effectiveness of Ritchie Bros.' disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934) as of December 31, 2013. Based on this evaluation, the Company's principal executive officer and principal financial officer concluded that the Company's disclosure controls and procedures were effective, as of that date, to provide reasonable assurance that information required to be disclosed by the Company in the reports that it files or submits under the Securities Exchange Act of 1934 is accumulated and communicated to its management, including its principal executive and principal financial officers, or persons performing similar functions, as appropriate to allow timely decisions regarding required disclosure. Furthermore, we concluded that our disclosure controls and procedures were effective to ensure that information required to be disclosed is recorded, processed, summarized, and reported within the time periods

Management's Report on Internal Control Over Financial Reporting

Management of the Company is responsible for establishing and maintaining adequate internal controls over financial reporting for the Company as defined in Rule 13a-15(f) and 15d-15(f) under the Securities and Exchange Act of 1934. The Company's internal control over financial reporting is a process designed under the supervision of the Company's Chief Executive Officer (CEO) and Chief Financial Officer (CFO), overseen by the Company's Board of Directors and implemented by the Company's management and other personnel, to provide reasonable assurance regarding the reliability of financial reporting and the preparation of the financial statements for external purposes in accordance with International Financial Reporting Standards, as issued by the International Accounting Standards Board, and the requirements of the SEC.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions or that the degree of compliance with policies and procedures may deteriorate.

Management has assessed the effectiveness of the Company's internal control over financial reporting as of December 31, 2013. In making this assessment, management used the criteria described in Internal Control - Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (1992 framework) (COSO). Based on its assessment under the framework in COSO, management has concluded that internal control over financial reporting was effective as of December 31, 2013.

Attestation Report of the Registered Public Accounting Firm

Changes in Internal Control Over Financial Reporting

There has been no change in the Company's internal control over financial reporting that occurred during the year ended December 31, 2013 that have materially affected or are reasonably likely to materially affect the Company's internal control over financial reporting.

Audit Committee Financial Expert

The Company's Board of Directors has determined that it has at least one audit committee financial expert serving on its Audit Committee. Mr. Robert G. Elton has been determined to be such audit committee financial expert and is independent, as that term is defined by the New York Stock Exchange's (NYSE) corporate governance listing standards applicable to the Company for Audit Committee membership. The SEC has indicated that the designation of Mr. Elton as an audit committee financial expert does not: (1) make Mr. Elton an expert for any purpose; (2) impose any duties, obligations or liability on Mr. Elton that are greater than those imposed on members of the Audit Committee and Board of Directors who do not carry this designation, or (3) affect the duties, obligations or liability of any other member of the Audit Committee or Board of Directors.

Code of Ethics

The Company has adopted a Code of Business Conduct and Ethics (the Code of Conduct) that applies to all employees, officers and directors. The Code of Conduct includes, among other things, written standards for the Company's principal executive officer, principal financial officer and principal accounting officer that are required by the SEC for a code of ethics applicable to such officers. Pre-Approval Policies and Procedures:

The Audit Committee has considered whether the provision of services other than audit services is compatible with maintaining the auditors' independence and has adopted a policy governing the provision of these services. This policy requires the pre-approval by the Audit Committee of all audit and non-audit services provided by the external auditor, other than any de minimus non-audit services allowed by applicable law or regulation. The policy outlines the procedures and the conditions pursuant to which permissible services proposed to be performed by Ernst & Young LLP are pre-approved, provides a general pre-approval for certain permissible services and for subsequent reporting to the Audit Committee, and outlines a list of prohibited services.

the estimated fees for the proposed engagement are more than CA\$5,000, the engagement of Ernst & Young LLP to provide such services requires specific approval by the Audit Committee.
