Item 8.01. Other Events

On February 5, 2015, RadioShack Corporation (RadioShack) filed a voluntary petition under Chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court of the District of Delaware (the Bankruptcy Proceeding). magicJack VocalTec Ltd. (the Company) will be an unsecured creditor of RadioShack in the amount of \$1.3 million in the Bankruptcy Proceeding. The Company is currently owed \$1.3 million by RadioShack for inventory purchased in 2014. As a result, the Company will not recognize approximately \$125,000 of revenue from these sales in the fourth quarter 2014 or any of the remaining portion of the \$1.3 million in subsequent periods in 2015 due to the uncertainty of collectability of such sales. The outstanding amount owed by RadioShack is not material to the Company s results of operations or financial condition.

Although the Company values its relationship with RadioShack and is hopeful that it can emerge from bankruptcy as a stable retail partner, it has ceased making sales to RadioShack to limit its exposure. The Company does not intend to resume sales unless and until it has adequate visibility that RadioShack will have sufficient liquidity to pay for inventory purchased.

As disclosed in the Company s Quarterly Report on Form 10-Q for the three and nine months ended September 30, 2014, no U.S. retail customer, including RadioShack, accounted for more than 10% of the Company s total net revenues. As a result, the Company does not believe the Bankruptcy Proceeding of RadioShack, or its potential discontinuance as a going concern, will have a material adverse effect on the Company s results of operations or financial condition.

Over the past six years RadioShack has, however, been a key retail channel distribution partner. For the nine months ended September 30, 2014, sales of the magicJack devices through retail outlets represented approximately 71% of sales of all magicJack devices sold, and RadioShack represented a material portion of those sales.
