New York (Business Wire) November 16, 2015. Western Asset Global Partners Income Fund Inc. (NYSE: GDF) and Western Asset Global High Income Fund Inc. (NYSE: EHI) today announced approval by each Fund's Board of Directors of a proposal to merge Western Asset Global Partners Income Fund Inc. with and into Western Asset Global High Income Fund Inc., subject to approval by the stockholders of each Fund. If approved, the merger is anticipated to occur during the second quarter of 2016.

Western Asset Global High Income Fund Inc.'s primary investment objective is high current income and its secondary investment objective is total return.

If the proposed merger is approved by the stockholders of both Funds, stockholders of Western Asset Global Partners Income Fund Inc. would receive common stock of Western Asset Global High Income Fund Inc., based on each Fund's respective net asset value per share.

In recommending the merger to each Board of Directors, the Funds' investment adviser and sub-adviser, Legg Mason Partners Fund Advisor, LLC and Western Asset Management Company, respectively, among other things noted the similar investment objectives and similar investment policies and strategies of the Funds, and that Western Asset Global Partners Income Fund Inc. is smaller than Western Asset Global High Income Fund Inc. and has higher operating expenses as a percentage of net assets. Management and each Board of Directors believe it is in the best interests of stockholders to merge Western Asset Global Partners Income Fund Inc. with and into Western Asset Global High Income Fund Inc. in part because the combined Fund may benefit from economies of scale, as one set of fixed expenses would be spread over a larger asset base, as well as from enhanced market liquidity.
