Financial Institutions Sends Letter to Shareholders

Highlights Proven Ability of Strategic Plan to Deliver Superior Shareholder Returns

WARSAW, N.Y., May 17, 2016 Financial Institutions, Inc. (Nasdaq: FISI), the parent company of Five Star Bank, Scott Danahy Naylon and Courier Capital, today announced that it has sent a letter to shareholders, together with a **BLUE** proxy card, urging them to vote the **BLUE** proxy card **TODAY FOR** the election of all four of the FISI Board of Directors highly-qualified and very experienced director nominees, **Martin Birmingham, Samuel Gullo, Kim VanGelder** and **James Wyckoff**, at the 2016 Annual Meeting of Shareholders to be held on June 3, 2016.

The letter to FISI shareholders can be found at: www.votefisi.com.

The full text of the letter is as follows:

TIME IS SHORT THE 2016 ANNUAL MEETING ON JUNE 3RD IS QUICKLY APPROACHING!

ONLY THE LATEST DATED PROXY CARD COUNTS

PLEASE VOTE THE ENCLOSED BLUE PROXY CARD TODAY!

May 17, 2016

Dear Fellow Shareholder

At our upcoming 2016 Annual Meeting, Clover Partners, L.P., a small Texas-based hedge fund, is seeking to have two director candidates, including one of its employees, elected to the Board of Directors of Financial Institutions, Inc. to further its short-term agenda for FISI to be sold in the near-term. We believe that Clover Partners, which started accumulating FISI shares less than nine months ago, has demonstrated time-and-time again that it has little understanding of community banking in Western New York and how a community bank like FISI grows long-term shareholder value.

We do not believe that a sale of FISI in the near-term is in the best interest of our shareholders. Under the oversight of our highly-qualified, experienced and engaged Board, and the strong leadership of our management team led by Martin K. Birmingham, our strategic growth plan is working and growing shareholder value. We believe that a sale now would deprive our shareholders of the significant upside that exists for further value appreciation as we continue to execute on our publicly communicated strategic priorities. We believe that FISI's performance over the past three years demonstrates our ability to execute on our strategic priorities and deliver superior returns for our shareholders:

66% in total shareholder returns¹

50% growth in FISI stock price

\$32 million returned to shareholders through dividends

21% growth in net income; over 20% growth in loans, deposits and assets

21% growth in commercial business loans, 37% growth in commercial mortgages, and a 52% decrease in nonperforming loans

¹ All calculations are based on three-year period ending December 31, 2015.

YOUR VOTE IS IMPORTANT FOR THE FUTURE OF FISl

Only the latest dated proxy card counts, so please vote the BLUE proxy card again TODAY!

We are asking you to VOTE the **BLUE** proxy card **TODAY** for your Board's four highly-qualified and very experienced nominees: **Martin Birmingham, Samuel Gullo, Kim VanGelder** and **James Wyckoff**. Voting the **BLUE** proxy card will ensure that FISl is best positioned to **continue executing on a strategic plan that has delivered increased growth, increased profitability, and achieved a 66% increase in total shareholder returns.**

We also urge you NOT to sign or return any white proxy card or voting instruction form that you may receive from Clover Partners. Even a WITHHOLD vote with respect to Clover Partners' proposed director nominees on its white proxy card or voting instruction form will cancel any **BLUE** proxy card or voting instruction form previously given to FISl. If you do sign a white proxy card that is sent to you by Clover Partners, however, you have the right to change your vote by using the enclosed **BLUE** proxy card. **Only the latest dated proxy card or voting instruction form you vote will be counted.**

We encourage you to visit www.votefisi.com for more information about the Annual Meeting. Thank you for your continued support.

Sincerely,

Board of Directors of Financial Institutions, Inc.
