- (b) reduces the available optional increase in the revolving credit facility from \$100,000,000 to \$50,000,000 and provides that the optional increase cannot be exercised until after the financial reporting for the fiscal quarter ending September 2017 (demonstrating compliance with the financial covenants) has been delivered;
- (c) increases the permitted Total Funded Debt/EBITDA ratio until the fiscal quarter ending September 2017;
- (d) increases the applicable margin where Total Funded Debt/EBITDA is 2.50 or higher;
- (e) prohibits acquisitions until after the financial reporting for the fiscal quarter ending June 2017 (demonstrating compliance with the financial covenants) has been delivered and thereafter reduces the total consideration permitted to be paid in connection with any permitted acquisitions;
- (f) provides that for any acquisition prior to the September 2017 Compliance Date, the Total Funded Debt/EBITDA Ratio on a pro forma basis cannot exceed 2.75 to 1.00;
- (g) prohibits dividends, distributions, and stock repurchases except for payments made in accordance with certain existing stock option plans and other equity compensation plans for employees (subject to a cap) until the September 2017 Compliance Date, and thereafter reduces the aggregate amount of dividends, distributions and stock repurchases permitted in any fiscal year;
- (h) updates the Credit Agreement to reflect the Company's change to a 52-53 week fiscal year ending on the Sunday which is nearest to the last day of June in each year; and
