ABOUT THIS PROSPECTUS

This prospectus is part of a registration statement that we filed with the U.S. Securities and Exchange Commission (SEC), as a well-known seasoned issuer as defined in Rule 405 under the Securities Act of 1933, using a shelf registration process. Because we used a shelf registration statement, the selling stockholders to be named in a supplement to this prospectus may, from time to time, sell common stock in one or more offerings. Each time that the selling stockholders sell securities, we will provide a prospectus supplement to this prospectus that will contain specific information about the terms of that offering, including the specific amounts, process and terms of the offered securities. The prospectus supplement may also add, update or change information contained in this prospectus with respect to that offering. If there is any inconsistency between the information in this prospectus and the applicable prospectus supplement, you should rely on the prospectus supplement. You should read carefully this prospectus, any prospectus supplement and any free writing prospectus related to the common stock that is prepared by us or on our behalf or that is otherwise authorized by us, together with additional information described under the headings Where You Can Find More Information and Incorporation of Certain Documents by Reference.

We and the selling stockholders will not make an offer to sell these securities in any jurisdiction where the offer or sale is not permitted. You should only assume that the information appearing in this prospectus and the applicable prospectus supplement to this prospectus is accurate as of the date on its respective cover, and that any information incorporated by reference is accurate as of the date of the document incorporated by reference, unless we indicate otherwise. Our business, financial condition, results of operations and prospects may have changed since those dates.

References in this prospectus to we, us, our, or the Company are to MercadoLibre, Inc. and its consolidated subsidiaries, unless the context indicates otherwise.

SUMMARY

This summary highlights selected information contained elsewhere or incorporated by reference in this prospectus. You should read the entire prospectus carefully, including Risk Factors contained in this prospectus and the documents incorporated by reference herein, before making an investment decision.

MercadoLibre, Inc. (together with its subsidiaries us, we, our or the Company) hosts the largest online commerce platform in Latin America, which is focused on enabling e-commerce and its related services. Our platforms are designed to provide our users with a complete portfolio of services facilitating e-commerce transactions. Additionally, we are a market leader in e-commerce in each of Argentina, Brazil, Chile, Colombia, Costa Rica, Ecuador, Mexico, Peru, Uruguay and Venezuela, based on number of unique visitors and page views. We also operate online commerce platforms in the Dominican Republic, Honduras, Nicaragua, El Salvador, Panama, Bolivia, Guatemala, Paraguay and Portugal.

Through our online commerce platform, we provide buyers and sellers with a robust online commerce environment that fosters the development of a large and growing e-commerce community in Latin America, a region with a population of over 605 million people and one of the fastest-growing Internet penetration rates in the world. We believe that we offer a technological and commercial solution that addresses the distinctive cultural and geographic challenges of operating an online commerce platform in Latin America.

We offer our users an eco-system of six related e-commerce services: the MercadoLibre Marketplace, the MercadoLibre Classifieds service, the MercadoPago payments solution, the MercadoLibre Advertising program (MercadoClics), the MercadoShops online webstores solution and the MercadoEnvios shipping service.

The MercadoLibre Marketplace, which we sometimes refer to as our Marketplace, is a fully-automated, topically-arranged and user-friendly online commerce service. This service permits both businesses and individuals to list general merchandising items and conduct their sales and purchases online in either a fixed-price or auction-based format. Any Internet user in the countries in which we operate can browse through the various products that are listed on our website and register with MercadoLibre to list, bid for and purchase such items and services.

To complement the MercadoLibre Marketplace, we developed MercadoPago, an integrated online payments solution. MercadoPago is designed to facilitate transactions both on and off the MercadoLibre Marketplace by providing a mechanism that allows our users to securely, easily and promptly send, receive and finance payments online. MercadoPago is currently available in: Argentina, Brazil, Mexico, Colombia, Venezuela and Chile; and added Peru to its list of countries where the service has been offered since June 2016.

Through MercadoLibre Classifieds service, our online classified listings service, our users can offer for sale and generate leads on listings of motor vehicles, real estate and services in all countries where we operate.

As a further enhancement to the MercadoLibre Marketplace, we developed our MercadoLibre Advertising program to enable businesses to promote their products and services through a cost efficient and automated platform that allows advertisers to acquire traffic, both to our platform or to their own websites. Through MercadoLibre Advertising, MercadoLibre's sellers and large advertisers/brands are able to place display, product and/or text ads on our web pages, and other web pages including our vertical sites associated in the region.

Additionally, through MercadoShops, our online webstores solution, users can set-up, manage and promote their own online webstores. These webstores are hosted by MercadoLibre and offer integration with the other marketplace,

payments and advertising services we offer. Users can choose from a basic, free webstore or pay monthly subscriptions for enhanced functionality and value added services on their webstores.

Table of Contents

To further enhance our suite of e-commerce services, during 2013 and 2014, we launched the MercadoEnvios shipping solution in Brazil, Argentina, Mexico, Colombia and Chile. Through MercadoEnvios, we offer a cost-efficient integration with existing logistic and shipping carriers to sellers on our platform. Sellers opting into the program are able to offer a uniform and seamlessly integrated shipping experience to their buyers at competitive prices.

In addition, MercadoLibre began developing and selling enterprise software solutions to e-commerce business clients in Brazil during the second quarter of 2015.

RISK FACTORS

Investing in our securities involves a high degree of risk. Before making an investment decision, you should carefully consider all risk factors set forth in the applicable prospectus supplement and the documents incorporated by reference in this prospectus, including the factors discussed under the heading **Risk Factors** in our most recent Annual Report on Form 10-K and each subsequently filed Quarterly Report on Form 10-Q, which may be amended, supplemented or superseded from time to time by the other reports we file with the SEC in the future or by information in the applicable prospectus supplement. See **Where You Can Find More Information**. The risks and uncertainties we have described are not the only risks we face. Additional risks and uncertainties not presently known to us or that we currently deem immaterial may also affect our operations and financial condition. If any of these risks actually occurs, our business, results of operations and financial condition could be materially and adversely affected, which could cause the trading price of our common stock to decline, and you could lose all or a part of your investment in our common stock.

DESCRIPTION OF OUR CAPITAL STOCK

The following summary of some of the terms of our capital stock is subject to and qualified in its entirety by reference to Delaware law, our amended and restated certificate of incorporation and by-laws, each of which is filed as an exhibit to the registration statement of which this prospectus is a part.

General matters

Our authorized capital stock consists of (1) 110,000,000 shares of common stock, par value \$0.001 per share, and (2) 40,000,000 shares of preferred stock, par value \$0.001 per share.

All of our existing stock is validly issued, fully paid and non-assessable. The discussion set forth below describes the most important terms of our capital stock, our amended and restated certificate of incorporation and our by-laws. Because it is only a summary, it does not contain all the information that may be important to you. For a complete description you should refer to our amended and restated certificate of incorporation and by-laws and the registration rights agreement referred to below, copies of which have been filed as exhibits to the registration statement of which this prospectus is a part, and to the applicable provisions of the Delaware General Corporation law.

Common stock

Set forth below is a brief discussion of the principal terms of our common stock.

Dividend rights

Holders of our common stock are entitled to receive dividends ratably, if as and when dividends are declared from time to time by our board of directors out of funds legally available for that purpose. We currently pay a quarterly cash dividend on our common stock but our board of directors may, in its sole discretion, increase or decrease the amount of the quarterly dividend per share, change the frequency with which the dividend is paid or eliminate or reinstate the dividend.

Voting rights

Each outstanding share of our common stock is entitled to one vote on all matters submitted to a vote of holders of our common stock, except for stockholders that beneficially own more than 20% of the shares of our outstanding common stock, in which case any shares of stock above such 20% do not have voting rights. The holders of common stock do not have cumulative voting rights in the election of directors.

Preemptive or similar rights

Our common stock is not entitled to preemptive or other similar subscription rights to purchase any of our securities.

Right to receive liquidation distributions

Upon our liquidation, dissolution or winding up, the holders of our common stock are entitled to receive pro rata our assets which are legally available for distribution, after payment of all debts and other liabilities and subject to the prior rights of any holders of preferred stock then outstanding.

Conversion rights

Our common stock has no conversion rights.

Table of Contents

NASDAQ listing

Our common stock is listed on the NASDAQ Global Market under the symbol MELI.

Preferred stock

Our board of directors may, without further action by our stockholders, from time to time, direct the issuance of shares of preferred stock in series and may, at the time of issuance, determine the rights, preferences and limitations of each series. Satisfaction of any dividend preferences of outstanding shares of preferred stock would reduce the amount of funds available for the payment of dividends on shares of common stock. Holders of shares of preferred stock may be entitled to receive a preference payment in the event of our liquidation, dissolution or winding-up before any payment is made to the holders of shares of common stock. Under specified circumstances, the issuance of shares of preferred stock may render more difficult or tend to discourage a merger, tender offer or proxy contest, the assumption of control by a holder of a large block of our securities or the removal of incumbent management. Upon the affirmative vote of a majority of the total number of directors then in office, the board of directors, without stockholder approval, may issue shares of preferred stock with voting and conversion rights which could adversely affect the holders of shares of common stock. We have no shares of preferred stock outstanding, and we have no present intention to issue any shares of preferred stock.

Registration rights

In connection with the Second Amended and Restated Registration Rights Agreement dated as of September 24, 2001 (the registration rights agreement) among us and certain holders of common stock issued by us, certain of our stockholders have the right to request that we register with the SEC shares of our common stock held by them having a gross offering price of at least \$2,000,000 for offering and sale from time to time in the public markets.

Anti-takeover effects of the Delaware general corporation law and our amended and restated certificate of incorporation and by-laws

Our amended and restated certificate of incorporation and by-laws contain certain provisions that are intended to enhance the likelihood of continuity and stability in the composition of the board of directors and which may have the effect of delaying, deferring or preventing a future takeover or change in control of the company unless such takeover or change in control is approved by the board of directors, including:

Advance notice procedures

Our by-laws establish an advance notice procedure for stockholder proposals to be brought before an annual meeting of our stockholders, including proposed nominations of persons for election to the board of directors. Stockholders at an annual meeting may only consider proposals or nominations specified in the notice of meeting or brought before the meeting by or at the direction of the board of directors or by a stockholder who was a stockholder of record on the record date for the meeting, who is entitled to vote at the meeting and who has given our Secretary timely written notice, in proper form, of the stockholder's intention to bring that business before the meeting. Although the by-laws do not give the board of directors the power to approve or disapprove stockholder nominations of candidates or proposals regarding other business to be conducted at a special or annual meeting, the by-laws may have the effect of precluding the conduct of certain business at a meeting if the proper procedures are not followed or may discourage or defer a potential acquiror from conducting a solicitation of proxies to elect its own slate of directors or otherwise attempting to obtain control of us.

No cumulative voting

The General Corporation Law of the State of Delaware, or DGCL, provides that stockholders are not entitled to the right to cumulate votes in the election of directors unless our amended and restated certificate of incorporation provides otherwise. Our amended and restated certificate of incorporation expressly provides that no stockholder shall be entitled to cumulate votes in the election of directors.

Table of Contents

No stockholder action by written consent

The DGCL permits stockholder action by written consent unless otherwise provided by our amended and restated certificate of incorporation. Our amended and restated certificate of incorporation precludes stockholder action by written consent.

Business combinations under Delaware law

We are subject to the provisions of Section 203 of the DGCL regulating corporate takeovers. In general, Section 203 prohibits a publicly-traded Delaware corporation from engaging, under certain circumstances, in a business combination with an interested stockholder for a period of three years following the date the person became an interested stockholder unless certain conditions are met.

Authorized but unissued shares

Our authorized but unissued shares of common stock and preferred stock are available for future issuance without stockholder approval. These additional shares may be utilized for a variety of corporate purposes, including future public offerings to raise additional capital, corporate acquisitions and employee benefit plans. The existence of authorized but unissued shares of common stock and preferred stock could render more difficult or discourage an attempt to obtain control of a majority of our common stock by means of a proxy contest, tender offer, merger or otherwise.

Ability to adopt a stockholder rights plan

Our amended and restated certificate of incorporation provides our board of directors the authority to adopt a stockholder rights plan, which, if adopted, could render more difficult or discourage an attempt to obtain control of a majority of our common stock by means of a proxy contest, tender offer, merger or otherwise.

Classified board of directors

Our board of directors is classified in three classes, with each class elected every year for a term of three years. This would delay the ability of a majority stockholder to gain majority representation in our board of directors.

Removal of directors

Our stockholders may not remove directors other than for cause, which consists of a declaration of unsound mind by an order of a court of competent jurisdiction, conviction of a felony or of an offense punishable by imprisonment for a term of more than one year by a court of competent jurisdiction, or declaration of liability by a court of competent jurisdiction for gross negligence or willful misconduct in the performance of such director's fiduciary duties. If cause exists, a vote of two-thirds of our stockholders is required for such director's removal.

Amendment to our amended and restated certificate of incorporation and by-laws

Our amended and restated certificate of incorporation and by-laws provide that the anti-takeover provisions therein can only be amended or repealed with a vote of two-thirds of our stockholders. This would make any majority stockholder that does not have a two-thirds majority unable to amend any takeover protections in our amended and restated certificate of incorporation or by-laws and therefore preclude such stockholder from exercising control over our management.

Table of Contents

Voting limitations

Each outstanding share of our common stock is entitled to one vote on all matters submitted to a vote of holders of our common stock, except for stockholders that beneficially own more than 20% of the shares of our outstanding common stock, in which case our board of directors may declare that any shares of stock above such 20% do not have voting rights.

Transfer agent and registrar

Computershare serves as the transfer agent and registrar for our common stock.

PLAN OF DISTRIBUTION

Selling stockholders may sell the securities from time to time pursuant to underwritten public offerings, negotiated transactions, block trades or a combination of these methods or through underwriters or dealers, through agents and/or directly to one or more purchasers. (As used under this caption Plan of Distribution, the term securities means the common stock offered by this prospectus and any applicable prospectus supplement, unless otherwise expressly stated or the context otherwise requires.) The securities may be distributed from time to time in one or more transactions, each of which will be described in the applicable prospectus supplement and which may include transactions:

at a fixed price or prices, which may be changed from time to time;

at market prices prevailing at the time of sale;

at prices related to such prevailing market prices; or

at negotiated prices.

Each time that any of the selling stockholders sell securities covered by this prospectus, we will provide a prospectus supplement or supplements that will describe the method of distribution and set forth the terms and conditions of the offering of such securities, including (i) the name or names of any underwriters, dealers or agents and the amounts of securities underwritten or purchased by each of them; (ii) if a fixed price offering, the public offering price of the securities; (iii) any options under which underwriters may purchase additional securities from the selling stockholders; (iv) any underwriting discounts or commissions or agency fees and other items constituting underwriters' or agents' compensation; (v) terms and conditions of the offering; and (vi) any discounts, commissions or concessions allowed or reallocated or paid to dealers.

Offers to purchase the securities being offered by this prospectus may be solicited directly. Agents may also be designated to solicit offers to purchase the securities from time to time. Any agent involved in the offer or sale of our securities will be identified in a prospectus supplement.

If a dealer is utilized in the sale of the securities being offered by this prospectus, the securities will be sold to the dealer, as principal. The dealer may then resell the securities to the public at varying prices to be determined by the dealer at the time of resale.

If an underwriter is utilized in the sale of the securities being offered by this prospectus, an underwriting agreement will be executed with the underwriter at the time of sale and the name of any underwriter will be provided in the prospectus supplement that the underwriter will use to make resales of the securities to the public. In connection with the sale of the securities, the selling stockholders, or the purchasers of securities for whom the underwriter may act as agent, may compensate the underwriter in the form of underwriting discounts or commissions. The underwriter may sell the securities to or through dealers, and those dealers may receive compensation in the form of discounts, concessions or commissions from the underwriters and/or commissions from the purchasers for which they may act as agent. Unless otherwise indicated in a prospectus supplement, an agent will be acting on a best efforts basis and a dealer will purchase securities as a principal, and may then resell the securities at varying prices to be determined by the dealer.

Any compensation paid to underwriters, dealers or agents in connection with the offering of the securities, and any discounts, concessions or commissions allowed by underwriters to participating dealers, will be provided in the applicable prospectus supplement. Underwriters, dealers and agents participating in the distribution of the securities may be deemed to be underwriters within the meaning of the Securities Act of 1933, and any discounts and commissions received by them and any profit realized by them on resale of the securities may be deemed to be underwriting discounts and commissions. We and the selling stockholders may each or both enter into agreements to indemnify underwriters, dealers and agents against civil liabilities, including liabilities under the Securities Act of 1933, or to contribute to payments they may be required to make in respect thereof and to reimburse those persons for certain expenses.

To facilitate the offering of securities, certain persons participating in the offering may engage in transactions that stabilize, maintain or otherwise affect the price of the securities. This may include over-allotments or short sales of the securities, which involve the sale by persons participating in the offering of more securities than were sold to them. In these circumstances, these persons would cover such over-allotments or short positions by making purchases in the open market or by exercising their option, if any, to purchase additional securities from the selling stockholders. In addition, these persons may stabilize or maintain the price of the securities by bidding for or purchasing securities in the open market or by imposing penalty bids, whereby selling concessions allowed to dealers participating in the offering may be reclaimed if securities sold by them are repurchased in connection with stabilization transactions. The effect of these transactions may be to stabilize or maintain the market price of the securities at a level above that which might otherwise prevail in the open market. None of the persons participating in any such offering will be obligated to engage in these transactions and these transactions, if commenced, may be discontinued at any time.

If indicated in the applicable prospectus supplement, underwriters or other persons acting as agents may be authorized to solicit offers by institutions or other suitable purchasers to purchase the securities at the public offering price set forth in the prospectus supplement, pursuant to delayed delivery contracts providing for payment and delivery on the date or dates stated in the prospectus supplement. These purchasers may include, among others, commercial and savings banks, insurance companies, pension funds, investment companies and educational and charitable institutions. Delayed delivery contracts will be subject to the condition that the purchase of the securities covered by the delayed delivery contracts will not at the time of delivery be prohibited under the laws of any jurisdiction in the United States to which the purchaser is subject. The underwriters and agents will not have any responsibility with respect to the validity or performance of these contracts.

The underwriters, dealers and agents may engage in transactions with us, or perform services for us, in the ordinary course of business for which they receive compensation.

Item 15. Indemnification of Directors and Officers.

Section 145 of the General Corporation Law of the State of Delaware provides as follows:

(a) A corporation shall have power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person's conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which the person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that the person's conduct was unlawful.

(b) A corporation shall have power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or

was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation and except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall

determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

(c) To the extent that a present or former director or officer of a corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in subsections (a) and (b) of this section, or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys fees) actually and reasonably incurred by such person in connection therewith.

(d) Any indemnification under subsections (a) and (b) of this section (unless ordered by a court) shall be made by the corporation only as authorized in the specific case upon a determination that indemnification of the present or former director, officer, employee or agent is proper in the circumstances because the person has met the applicable standard of conduct set forth in subsections (a) and (b) of this section. Such determination shall be made, with respect to a person who is a director or officer at the time of such determination, (1) by a majority vote of the directors who are not parties to such action, suit or proceeding, even though less than a quorum, or (2) by a committee of such directors designated by majority vote of such directors, even though less than a quorum, or (3) if there are no such directors, or if such directors so direct, by independent legal counsel in a written opinion, or (4) by the stockholders.

(e) Expenses (including attorneys fees) incurred by an officer or director in defending any civil, criminal, administrative or investigative action, suit or proceeding may be paid by the corporation in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it shall ultimately be determined that such person is not entitled to be indemnified by the corporation as authorized in this section. Such expenses (including attorneys fees) incurred by former directors and officers or other employees and agents may be so paid upon such terms and conditions, if any, as the corporation deems appropriate.

(f) The indemnification and advancement of expenses provided by, or granted pursuant to, the other subsections of this section shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under any by-law, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in such person's official capacity and as to action in another capacity while holding such office.

(g) A corporation shall have power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against such person and incurred by such person in any such capacity, or arising out of such person's status as such, whether or not the corporation would have the power to indemnify such person against such liability under this section.

(h) For purposes of this section, references to the corporation shall include, in addition to the resulting corporation, any constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify its directors, officers, and employees or agents, so that any person who is or was a director, officer, employee or agent of such constituent corporation, or is or was serving at the request of such constituent corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, shall stand in the same position under this section with respect to the resulting or surviving corporation as such person would have with respect to such constituent corporation if its separate existence had continued.

(i) For purposes of this section, references to other enterprises shall include employee benefit plans; references to fines shall include any excise taxes assessed on a person with respect to any employee benefit plan; and references to serving at the request of the corporation shall include any service as a director, officer,

employee or agent of the corporation which imposes duties on, or involves services by, such director, officer, employee, or agent with respect to an employee benefit plan, its participants or beneficiaries; and a person who acted in good faith and in a manner such person reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan shall be deemed to have acted in a manner not opposed to the best interests of the corporation as referred to in this section.

(j) The indemnification and advancement of expense proved by, or granted pursuant to, Section 145 of the Delaware General Corporation Law shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

Reference is made to the Registrant's Amended and Restated Certificate of Incorporation and By-laws which require the Company to indemnify the persons whom it may indemnify under Section 145 of the Delaware General Corporation Law. In addition, as permitted by Section 145 of the Delaware General Corporation Law, the Company's Amended and Restated Certificate of Incorporation includes a provision that eliminates the personal liability of its directors, to the fullest extent permitted by Delaware law, for monetary damages for breach of fiduciary duty as a director. This provision does not affect the availability of equitable remedies such as injunctive relief or rescission. Further, such limitation of liability also does not affect a director's standard of conduct or responsibilities under any other laws, including the Federal securities laws.

The Registrant also carries liability insurance covering officers and directors.

Item 17. Undertakings

The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total U.S. dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

provided, however, that paragraphs (i), (ii) and (iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Securities and Exchange Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934, as amended, that are incorporated by reference in this registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, as amended, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933, as amended, to any purchaser:

(i) Each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933, as amended, shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof; *provided, however*, that

no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the Registrant under the Securities Act of 1933, as amended, to any purchaser in the initial distribution of the securities, the undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

(6) The undersigned Registrant hereby undertakes, for purposes of determining any liability under the Securities Act of 1933, as amended, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934, as amended (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934, as amended), that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933, as amended, may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933, as amended, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of a Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933, as amended, and will be governed by the final adjudication of such issue.
