NARRATIVE

As disclosed in the Current Report on Form 8-K filed by Provectus Biopharmaceuticals, Inc. (the Company) with the Commission on December 28, 2016 (the Form 8-K), on December 27, 2016, the Company's Board of Directors unanimously voted to terminate Peter R. Culpepper, effective immediately, from all positions he held with the Company and each of its subsidiaries, including Interim Chief Executive Officer and Chief Operating Officer of the Company, for cause, in accordance with the terms of the Amended and Restated Executive Employment Agreement entered into by Peter R. Culpepper and the Company on April 28, 2014 (the Culpepper Employment Agreement) based on the results of the investigation conducted by the Special Committee of the Board of Directors regarding improper travel expense advances and reimbursements to Mr. Culpepper. As a result of Mr. Culpepper's termination, the Company currently has only two full-time employees, our President and our Chief Technology Officer, and an independent contractor, John R. Glass, our Interim Chief Financial Officer, who has only been with the Company since April 2016. Prior to Mr. Culpepper's termination, Mr. Culpepper played an integral role in the preparation and filing of the Company's periodic reports required to be filed with the Commission. As a result, the Company cannot, without unreasonable effort or expense, file its Form 10-K on or prior to the prescribed due date of March 16, 2017. The Company currently anticipates that its Form 10-K for the year ended December 31, 2016 will be filed as soon as practicable and no later than fifteen days calendar days following its prescribed due date.

The decrease of approximately \$13,000,000 was due primarily to approximately \$22,000,000 of cash used in operating activities during 2016, partially offset by approximately \$9,000,000 of cash provided by financing activities during 2016.
