**PART III NARRATIVE**

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

The Quarterly Report on Form 10-Q of Titan Energy, LLC (the Company) for the quarter ended June 30, 2017 could not be filed with the Securities and Exchange Commission within the prescribed time period without unreasonable effort or expense because the Company needs additional time to complete its financial statements and related disclosures as it relates to the presentation of discontinued operations resulting from the Company's recent divestiture activities. The Company anticipates filing its Form 10-Q no later than five calendar days following the prescribed due date, in accordance with Rule 12b-25 of the Securities Exchange Act of 1934.

If the answer is no, identify report(s). Yes No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

As a result of the Company's application of fresh start accounting following its emergence from chapter 11 (the Plan Effective Date), the Company's assets and liabilities were recorded at their estimated fair values. Accordingly, the Company's financial condition, results of operations, and cash flows on and after the Plan Effective Date may not be comparable to its financial condition, results of operations, and cash flows prior to the Plan Effective Date. In addition, the Company's financial statements will reflect discontinued operations, as discussed above.
