Item 1.01 Entry into a Material Definitive Agreement

Amendment to Revolving Credit Facility

On September 28, 2017, Jacobs Engineering Group Inc., a Delaware corporation (the Company or Jacobs), entered into a Second Amendment to Amended and Restated Credit Agreement (the Amendment) among the Company, the designated borrowers specified therein, the lenders party thereto and Bank of America, N.A., as administrative agent, which Amendment amends the Amended and Restated Credit Agreement dated as of February 7, 2014.

The Amendment provides for, among other things, an amendment to certain financial definitions used in the Amended and Restated Credit Agreement. The amendments are effective upon the consummation of the merger (the Merger) of a wholly-owned subsidiary of the Company with and into CH2M HILL Companies, Ltd. (CH2M), as previously disclosed in the Company s Current Report on Form 8-K dated August 2, 2017.

The foregoing summary of the Amendment does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Amendment, which is attached hereto as Exhibit 10.1 and incorporated herein by reference. The Amended and Restated Credit Agreement has been previously filed with, and is described in, the Company s Current Reports on Form 8-K dated February 11, 2014 and March 4, 2015.

Term Loan Facility

On September 28, 2017, the Company entered into a \$1,500,000,000 unsecured delayed-draw term loan facility (the New Credit Facility) with a syndicate of financial institutions as lenders and letter of credit issuers and BNP Paribas as administrative agent, TD Bank, N.A. and U.S. Bank National Association as co-documentation agent, BNP Paribas Securities Corp., The Bank of Nova Scotia and Wells Fargo Securities, LLC as joint book runners, and as joint arrangers.

Subject to certain terms and conditions set forth therein, loans under the New Credit Facility may be incurred on the day the Merger is consummated in order to pay cash consideration for the Merger, and to pay fees and expenses related to the Merger and the New Credit Facility.

The New Credit Facility has a three year maturity from the date of initial funding and permits the Company to borrow in U.S. dollars at a base rate or a eurocurrency rate. Depending on the Company s consolidated leverage ratio, borrowings under the New Credit Facility will bear interest at either a eurocurrency rate plus a margin of between 1.00% and 1.50% or a base rate plus a margin of between 0.00% and 0.50%. In addition, prior to the date the Merger is consummated, the Company must pay a ticking fee of between 0.10% and 0.25% of unused commitments under the New Credit Facility.

The New Credit Facility contains affirmative, negative and financial covenants customary for financings of this type, including, among other things, limitations on certain other indebtedness, investments, liens, mergers, asset sales and transactions with affiliates. In addition, the New Credit Facility contains customary events of default.

The foregoing summary of the New Credit Facility does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the New Credit Facility, which is attached hereto as Exhibit 10.2 and incorporated herein by reference.
