On October 23, 2017, Cisco Systems, Inc. ( *Cisco* ) announced its entry into a definitive agreement for Cisco to acquire BroadSoft, Inc. ( *BroadSoft* ). BroadSoft is a leader in cloud calling and contact center solutions.

Under the terms of the agreement, Cisco will pay \$55 per share, in cash, in exchange for each share of BroadSoft, or an aggregate purchase price of approximately \$1.9 billion net of cash, assuming fully diluted shares including conversion of debt. The acquisition has been approved by the board of directors of each company.

The acquisition is expected to close during the first quarter of calendar year 2018, subject to customary closing conditions and regulatory review.

Prior to the completion of the transaction, Cisco and BroadSoft will continue to operate as separate companies. Upon completion of the transaction, BroadSoft employees will join Cisco's Unified Communications Technology Group led by Vice President and General Manager Tom Puorro, under the Applications Group led by Rowan Trollope.

On October 23, 2017, Cisco and BroadSoft issued a press release relating to the transaction. A copy of the press release is attached hereto as Exhibit 99.1.

Statements regarding future events are based on the parties' current expectations and are necessarily subject to associated risks related to, among other things, obtaining BroadSoft's stockholder and regulatory approval of the acquisition or that other conditions to the closing of the transaction may not be satisfied, the potential impact on the business of BroadSoft due to the uncertainty about the acquisition, the occurrence of any event, change or other circumstances that could give rise to the termination of the definitive agreement, the outcome of any legal proceedings related to the transaction, general economic conditions, the retention of employees of BroadSoft and the ability of Cisco to successfully integrate BroadSoft's market opportunities, technology, personnel and operations and to achieve expected benefits. Therefore, actual results may differ materially and adversely from those expressed in any forward-looking statements. For information regarding other related risks, see the Risk Factors section of Cisco's most recent report on Form 10-K filed with the SEC on September 7, 2017. Cisco undertakes no obligation to revise or update any forward-looking statements for any reason.
