Item 15. Indemnification of Directors and Officers.***Indemnification of the Directors and Officers of Exterran Corporation and EES Finance Corp.***

Exterran Corporation, EES Finance Corp. are corporations organized under the laws of the State of Delaware. Exterran Energy Solutions, L.P. is a limited partnership organized under the laws of the State of Delaware.

Section 102(b)(7) of the Delaware General Corporation Law (the "DGCL") enables a corporation incorporated in the State of Delaware to eliminate or limit, through provisions in its original or amended certificate of incorporation, the personal liability of a director for violations of the director's fiduciary duties, except (i) for any breach of the director's duty of loyalty to the corporation or its shareholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) any liability imposed pursuant to Section 174 of the DGCL (providing for liability of directors for unlawful payment of dividends or unlawful stock purchases or redemptions) or (iv) for any transaction from which a director derived an improper personal benefit. The certificates of incorporation of Exterran Corporation and EES Finance Corp. provide that no director shall be personally liable to the corporation or its stockholders for violations of the director's fiduciary duties, except to the extent that a director's liability may not be limited under Section 102(b)(7) of the DGCL.

Edgar Filing: Exterran Corp - Form S-3ASR

Section 145 of the DGCL provides that a corporation incorporated in the State of Delaware may indemnify any person or persons, including officers and directors, who are, or are threatened to be made, parties to any threatened, pending or completed legal action, suit or proceeding, whether civil, criminal, administrative, or investigative (other than an action by or in the right of such corporation), by reason of the fact that such person is or was an officer, director, employee or agent of such corporation, or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation or enterprise. The indemnity may

II-1

Table of Contents

include expenses (including attorneys' fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided such officer, director, employee, or agent acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the corporation's best interests and, for criminal proceedings, had no reasonable cause to believe that the challenged conduct was unlawful. A corporation incorporated in the State of Delaware may indemnify officers and directors in an action by or in the right of the corporation under the same conditions, except that no indemnification is permitted without judicial approval if the officer or director is adjudged to be liable to the corporation. Where an officer or director is successful on the merits or otherwise in the defense of any action referred to above, the corporation must provide indemnification against the expenses that such officer or director actually and reasonably incurred.

The bylaws of Exterran Corporation and EES Finance Corp. each provide for indemnification of their respective directors and officers to the fullest extent permitted by applicable law.

Exterran Corporation has also entered into agreements with each of its directors and officers that contain provisions that may in some respects be broader than the specific indemnification provisions contained in the DGCL. These indemnification agreements may require Exterran Corporation, among other things, to indemnify directors and officers against certain liabilities that may arise by reason of their status or service as directors or officers, as applicable, and to advance their expenses incurred as a result of any proceeding against them as to which they could be indemnified.

Section 145(g) of the DGCL authorizes a corporation to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation as such at any other enterprise against any liability asserted against and incurred by such person in such capacity, or arising out of such person's status as such, whether or not the corporation would have the power to indemnify such person against such liability under the DGCL. Consistent with the DGCL, Exterran Corporation has purchased insurance on behalf of its present and former directors and officers against any liability asserted against or incurred by them in such capacity or arising out of their status as such.

Indemnification of the General Partner of Exterran Energy Solutions, L.P.

Exterran Energy Solutions, L.P. is a limited partnership organized under the laws of the State of Delaware.

Section 17-108 of the Delaware Revised Uniform Limited Partnership Act (DE RULPA) provides that, subject to any standards and restrictions contained in its partnership agreement, a limited partnership has the power to indemnify and hold harmless any partner or other person from and against any and all claims and demands whatsoever. However, Section 17-1101 of DE RULPA prohibits a partnership from limiting or eliminating liability of any partner or other person for any act or omission that constitutes a bad faith violation of the implied contractual covenant of good faith and fair dealing.

Consistent with these provisions, the amended and restated agreement of limited partnership of Exterran Energy Solutions, L.P. provides that Exterran Energy Solutions, L.P. will indemnify the each general partner and limited partner, and each of their equity holders, members, directors, officers, employees, agents and affiliates against any claims or liabilities (including legal fees and other expenses reasonably incurred) arising out of or in connection with the activities of Exterran Energy Solutions, L.P. or any action taken or omitted to be taken by or on behalf of Exterran Energy Solutions, L.P., other than (i) actions resulting or arising from, or relating to, the gross negligence, willful misconduct or bad faith of any such indemnified person, or a knowing and material violation of the terms for the amended and restated agreement of limited partnership, (ii) matters where indemnity is prohibited under federal securities laws, DE RULPA or any other applicable law, or (iii) as to any such indemnified person's share of any losses

or expenses of Exterran Energy Solutions, L.P.

Item 17. Undertakings.

Each of the undersigned registrants hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the "Securities Act");
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the

aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission (the "SEC") pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

II-3

Table of Contents

provided, however, that paragraphs (i), (ii) and (iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by such registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) That, for the purpose of determining liability under the Securities Act to any purchaser:
 - (i) Each prospectus filed by such registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
 - (ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.
- (5) That, for the purpose of determining liability of such registrant under the Securities Act to any purchaser in the initial distribution of the securities in a primary offering of securities of such registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the

Edgar Filing: Exterran Corp - Form S-3ASR

following communications, such registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of such registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of such registrant or used or referred to by such registrant;
- (iii) The portion of any other free writing prospectus relating to the offering containing material information about such registrant or its securities provided by or on behalf of such registrant; and
- (iv) Any other communication that is an offer in the offering made by such registrant to the purchaser.

II-4

Table of Contents

- (6) For purposes of determining any liability under the Securities Act, each filing of such registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of such registrant pursuant to the foregoing provisions, or otherwise, such registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by such registrant of expenses incurred or paid by a director, officer or controlling person of such registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, such registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
