## **FORWARD-LOOKING STATEMENTS**

This report includes forward-looking statements within the meaning of the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements are not historical facts, but instead represent only our beliefs regarding future events, many of which, by their nature, are inherently uncertain and outside our control. It is possible that our actual results and financial condition may differ, possibly materially, from the anticipated results indicated in these forward-looking statements. For a discussion of some of the risks and important factors that could affect our future results and financial condition, see the risk factors in our most recent Annual Report on Form 10-K, as amended from time to time by our Quarterly Reports on Form 10-Q.

Forward-looking statements include statements regarding the estimated effects of the sale of common stock of Worldpay, Inc. on our earnings and capital ratios for the second quarter of 2018. These forward-looking statements consist of preliminary estimates, are based on currently available information and are subject to change, possibly materially, as we complete our second quarter 2018 financial statements.

**Item 8.01 Other Events.**

On June 27, 2018, Fifth Third completed the sale of 5 million shares of Class A common stock of Worldpay, Inc. (formerly Vantiv, Inc.), a Delaware Corporation ( Worldpay ) in a transaction exempt from registration pursuant to Rule 144 under the Securities Act of 1933. Fifth Third had previously received these Class A shares in exchange for Class B Units of Vantiv Holding, LLC ( Class B Units ).

During the second quarter, Fifth Third expects to recognize a pre-tax gain of approximately \$200 million (approximately \$154 million after tax) related to the sale. The sale is also expected to add approximately 15 basis points to Fifth Third's Common Equity Tier 1 ratio. As a result of the sale, Fifth Third beneficially owns approximately 3.3% of Worldpay's equity through its ownership of approximately 10.3 million Class B Units.
