This Amendment No. 6 amends and supplements the Schedule 13D filed on behalf of the Reporting Persons identified below on October 02, 2018. The amendment is being filed pursuant to Rule 13d-2(a) under the Exchange Act solely to report a greater than one percent change in beneficial ownership from that previously reported.

Item 1. Security and Issuer.

This statement relates to the shares of common stock of Methanex Corp, a British Columbia corporation (the Issuer). The address of the principal executive offices is:

1800 Waterfront Centre, 200 Burrard Street, Vancouver, BC, V6C 3M1, Canada

Item 2. Identity and Background.

- (a) This Schedule 13D is being filed by M&G Investment Management Limited, a company incorporated under the laws of England and Wales, M&G Global Dividend Fund, an Open-Ended Investment Company, with variable capital, incorporated under the laws of England and Wales and M&G (Lux) Investment Funds 1, a Société d'Investissement à Capital Variable, incorporated under the laws of Luxembourg, (Dividend Fund , Lux Investment Funds together with M&G Investment Management, the Reporting Persons).
- (b) The address of the principal office of M&G Investment Management Limited and the Dividend Fund is Governor's House, Laurence Pountney Hill, London, EC4R 0HH. The address of Lux Investment Funds is 16, Boulevard Royal, Luxembourg, L-2449, Luxembourg.
- (c) The principal business of M&G Investment Management Limited, the Dividend Fund and the Lux Investment Funds is investing in securities.
- (d) None of the reporting persons have, during the last 5 years, been convicted in a criminal proceeding (excluding traffic violations of similar misdemeanours).
- (e) None of the Reporting Persons have, during the last five years, been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceedings was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source or Amount of Funds or Other Consideration.

The funds for the purchase of the Shares came from the investment capital of M&G Investment Management Limited.

Item 4. Purpose of Transaction.

The Reporting Persons have been supportive shareholders since 2007 but have become repeatedly frustrated with the market valuation of the Issuer, which the Reporting Persons believe does not reflect the Issuer's intrinsic value.

The Reporting Persons are supportive of the current progressive dividend policy of the Issuer, but given the current share price is significantly below the replacement cost of its assets (estimated by the Issuer to be US\$1,100 per tonne (source : Methanex Investor Presentation May 2018), the Reporting Persons' view is that :

any and all surplus capital outside the proposed modest capital expenditures targeted towards the issuer's Chilean assets should be solely directed towards share buybacks until the share price appreciates beyond the replacement cost of the Issuer's assets which based on the company's own disclosure equates to as much as double the current share price;

that every share purchased at a discount to the replacement cost of the Issuer's assets accretes significant value to all shareholders equally; and

there should be no cash retained on the balance sheet beyond what is required to maintain the existing portfolio of assets to a high standard (which the Reporting Persons estimate conservatively to be a maximum of \$200m).

Page 6 of 10 Pages

If, as a result of these actions over the medium term, the share price still does not reflect at least the Issuer's replacement cost of its assets then the Issuer should undertake a strategic review to either high grade the portfolio by selling assets that can be realised at a price materially above the value implied by the Issuer's current equity value and use the proceeds to buy back shares or sell the whole business in order to realise its value.

The Reporting Persons note that the Issuer has in the past undertaken significant share buybacks at valuations below replacement cost, resulting in significant subsequent value accretion for shareholders. With this experience and history in mind, the Reporting Persons would reiterate this to be the only sensible strategy for the Issuer in the short term.

Item 5. Interest in Securities of the Issuer.

- (a) M&G Investment Management Limited (MAGIM) beneficially owns 12,704,246 shares of Common Stock, which represents approximately 16.27% of 78,053,368 outstanding shares of Common Stock of Methanex, as published by the company on October 23, 2018.
- (b) M&G Investment Management Limited (MAGIM) has sole voting and investment discretion with respect to the shares.
