Item 5.04. Temporary Suspension of Trading Under Registrant's Employee Benefit Plans.

On December 7, 2018, Vectren Corporation (the Company) received a notice from the administrator of the Vectren Corporation Retirement Savings Plan (the Plan). The notice stated that the Plan will be entering a blackout period with respect to the common stock of the Company (the Common Stock) due to the pending merger (the Merger) of the Company with a subsidiary of CenterPoint Energy, Inc. The notice stated that, shortly prior to closing of the Merger, (a) new investments in the Common Stock will be closed and (b) there will be a limited blackout period (not expected to last for more than three business days) during which transactions in the Common Stock in the Plan will not be permitted. The blackout period is expected to commence shortly prior to the closing of the Merger. The Company is unable to determine the closing date of the Merger and it is therefore unable to determine the exact dates for the blackout period.

Because the blackout period under the Plan is not expected to last more than three consecutive business days, the Company does not expect a blackout period as defined in Rule 104 of Regulation BTR to occur. However, if the blackout period under the Plan were to last for a period of more than three consecutive business days, a blackout period would arise under Section 306 of the Sarbanes-Oxley Act of 2002 and Rule 104 of Regulation BTR. During any such blackout period, directors and executive officers of the Company would be prohibited from purchasing, selling or otherwise acquiring or transferring, directly or indirectly, any equity security of the Company acquired in connection with their employment as an officer or services as a director.

As a result, the Company is voluntarily filing this report to disclose that, on December 14, 2018, the Company sent a notice to its directors and executive officers notifying them of the blackout period under the Plan and certain trading prohibitions that they would be subject to during such blackout period if and only if a blackout period actually arises pursuant to Section 306 of the Sarbanes-Oxley Act of 2002 and Rule 104 of Regulation BTR.

During the blackout period and for a period of two years after the ending date of the blackout period, holders of the Company's common stock and other interested parties may obtain, without charge, the actual beginning and ending dates of the blackout period by sending a written request to Vectren Corporation, Attention: Human Resources, One Vectren Square, 211 N.W. Riverside Drive, Evansville, Indiana, 47708 or by calling (812) 491-4000.

A copy of the notice that was sent by the Company to its directors and executive officers is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

Item 9.01. Financial Statements and Exhibits.
