**Item 1.01 Entry into a Material Definitive Agreement.**

On February 25, 2019, National General Holdings Corp. (the Company) entered into a \$340 million credit agreement (the Credit Agreement), among JPMorgan Chase Bank, N.A., as Administrative Agent, KeyBank National Association and Fifth Third Bank as Co-Syndication Agents, and Associated Bank, National Association and The Bank of Nova Scotia, as Co-Documentation Agents, and the various lending institutions party thereto. The credit facility is a revolving credit facility with a letter of credit sublimit of \$150 million and an expansion feature not to exceed \$50 million. Proceeds of borrowings under the Credit Agreement may be used for working capital, acquisitions and general corporate purposes.

The Credit Agreement contains certain restrictive covenants customary for facilities of this type (subject to negotiated exceptions and baskets), including restrictions on indebtedness, liens, acquisitions and investments, restricted payments and dispositions. There are also financial covenants that require the Company to maintain a minimum consolidated net worth, a maximum consolidated leverage ratio, a minimum risk-based capital and a minimum rating. The Credit Agreement also provides for customary events of default, with grace periods where customary, including failure to pay principal when due, failure to pay interest or fees within three business days after becoming due, failure to comply with covenants, breaches of representations and warranties, default under certain other indebtedness, certain insolvency or receivership events affecting the Company and its subsidiaries, the occurrence of certain material judgments, or a change in control of the Company. Upon the occurrence and during the continuation of an event of default, the administrative agent, upon the request of the requisite percentage of the lenders, may terminate the obligations of the lenders to make loans and to issue letters of credit under the Credit Agreement, declare the Company's obligations under the Credit Agreement to become immediately due and payable and/or exercise any and all remedies and other rights under the Credit Agreement. The Credit Agreement has a maturity date of February 24, 2023.

Borrowings under the Credit Agreement bear interest at either the Alternate Base Rate or the LIBO rate. ABR borrowings (which are borrowings bearing interest at a rate determined by reference to the Alternate Base Rate) under the Credit Agreement will bear interest at (x) the greatest of (a) the prime rate in effect on such day, (b) the federal funds effective rate on such day plus 0.5 percent or (c) the adjusted LIBO rate for a one-month interest period on such day plus 1 percent. Eurodollar borrowings under the Credit Agreement will bear interest at the adjusted LIBO rate for the interest period in effect. Fees payable by the Company under the Credit Agreement include a letter of credit participation fee (the margin applicable to Eurodollar borrowings), a letter of credit fronting fee with respect to each letter of credit (.125%) and a commitment fee on the available commitments of the lenders (a range of .175% to .25% based on the Company's consolidated leverage ratio).

Certain of the lenders and their affiliates have provided, from time to time, and may continue to provide, investment banking, commercial banking, financial and other services to the Company, including letters of credit, depository and account processing services, for which the Company has paid and intends to pay customary fees.

The foregoing description of the Credit Agreement is qualified in its entirety by reference to the full text of the Credit Agreement, which is filed as Exhibit 10.1 to this Form 8-K and incorporated herein by reference.

**Item 1.02 Termination of a Material Definitive Agreement.**

All of the commitments to extend credit under that certain Credit Agreement, dated as of January 25, 2016, by and between the Company, the lenders party thereto and JPMorgan Chase Bank, N.A., as administrative agent, were terminated and repaid pursuant to the terms of the Credit Agreement. The information contained in Item 1.01 of this Current Report on Form 8-K is incorporated by reference into this Item 1.02.

**Item 2.03 Creation of a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement of a Registrant.**
