## Explanation of Responses:

\* If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).

\*\* Intentional misstatements or omissions of facts constitute Federal Criminal Violations. *See* 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

(1) Includes 12,750 shares of restricted stock which vest on 11/1/2011.

The price reported in Column 4 is a weighted average price. These shares were sold in multiple transactions in prices ranging from \$35.42 to \$35.59, inclusive. The reporting person undertakes to provide to Johnson Controls, any security holder of Johnson Controls, or the staff of the Securities and Exchange Commission, upon request, full information regarding the number of shares sold at each separate price within the range set forth in footnote (2) to this Form 4.

(3) The number of underlying securities is based on the stock fund balance on October 29, 2010. The actual number of shares issuable upon the distribution date is not determinable since the stock fund is a unitized account consisting of 96% company stock and 4% money market fund. The stock account balance reflected in this report is based on an October 29, 2010, stock fund price of \$35.12 per share.

(4) Each share of phantom stock is the economic equivalent of one share of Johnson Controls common stock.

(5) The phantom stock balance includes an award of 14,500 restricted stock units granted on November 1, 2010, which vest as follows: 7,250 on November 1, 2012, and 7,250 on November 1, 2014. The restricted stock units were awarded under the Johnson Controls Executive Deferred Compensation Plan. The units are to be settled 100% in cash upon the reporting person's termination from the issuer, subject to vesting provisions.

(6) The phantom stock units representing dividends which relate to restricted stock awards that were not deferred will vest when the non-deferred restricted shares vest, and will be paid in cash to the reporting person. Phantom stock units representing dividends which relate to vested deferred awards are payable in cash following the reporting person's retirement from the issuer and may be transferred into an alternative investment account. Vesting continues when the reporting person retires from the issuer.

(7) Each share of phantom stock is the economic equivalent of one share of Johnson Controls common stock. Shares of phantom stock are payable in cash following the reporting person's termination of employment with the company and may be transferred by the reporting person into an alternative investment account at any time.

(8) The phantom stock units were accrued under the Johnson Controls Retirement Restoration Plan. The units are payable in cash following the reporting person's retirement from the issuer, and may be transferred by the reporting person into an alternative investment account.

(9) Fifty percent of the options become exercisable two years after the grant date; the remaining 50%, three years after grant date.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
