FreeSeas Inc. (the “**Company**”), announced today that on March 2, 2016, the Company received notice from the Listing Qualifications Staff of The NASDAQ Stock Market LLC (the “**Staff**”) indicating that unless the Company timely requests a hearing before the Nasdaq Listing Qualifications Panel (the “**Panel**”), its securities would be subject to delisting from The Nasdaq Capital Market based upon its non-compliance with the minimum bid price requirement, as set forth in Nasdaq Listing Rule 5550(a)(2), and concerns raised by the Staff, pursuant to the Staff’s discretionary authority under Nasdaq Listing Rule 5101, regarding the Company’s ability to remedy the bid price deficiency in light of dilution that may occur from financing transactions.

The Company intends to timely request a hearing before the Panel, at which hearing it will present its plan to regain and sustain compliance with the bid price requirement and otherwise address the Staff’s concerns in connection therewith. The Company’s request for a hearing will stay any delisting action and the Company’s common stock will continue to trade on The Nasdaq Capital Market pending the issuance of the Panel’s decision following the hearing and the expiration of any extension granted by the Panel.

On February 8, 2016, the Company issued a press release relating to the notice received from the Staff. A copy of the press release that discusses these matters is filed as Exhibit 99.01 to, and incorporated by reference in, this report.

The following exhibit is filed herewith:
