**QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS
AND THE 2019 ANNUAL MEETING OF SHAREHOLDERS**

Why am I receiving these materials?

The Board of Directors of Sino-Global Shipping America Ltd., or our Board of Directors, is providing these proxy materials to you in connection with our 2019 annual meeting of common shareholders, which will take place on Friday, June 7, 2019. Our common shareholders are invited to attend the annual meeting and are entitled to and requested to vote on the proposals described in the attached proxy statement.

What information is contained in the attached proxy statement?

The information included in the attached proxy statement relates to the proposals to be voted on at the annual meeting, the voting process, information including compensation concerning directors and our most highly paid executive officers, and certain other required information.

What am I voting on at the annual meeting?

You will be voting on the following proposals:

- (1) To elect one Class III nominee named in the attached proxy statement to serve on the Board of Directors until the 2022 annual meeting of shareholders or until his successor is duly elected and qualified;
- (2) To ratify the appointment of Friedman LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2019;
- (3) To vote on an advisory, nonbinding resolution to approve the compensation of the Company's named executive officers as disclosed in this proxy statement pursuant to the compensation disclosure rules of the Securities and Exchange Commission; and

(4) To transact any other business properly coming before the meeting.

How does the Board of Directors recommend I vote?

Our Board of Directors unanimously recommends that you vote your shares of common stock:

(1) **“FOR”** the Class III nominee named in the attached proxy statement to serve on the Board of Directors;

(2) **“FOR”** the ratification of the appointment of Friedman LLP as the Company’s independent registered public accounting firm for the fiscal year ending June 30, 2019; and

(3) **“FOR”** an advisory, nonbinding resolution to approve the compensation of the Company’s named executive officers.

What shares can I vote?

You may vote shares of our common stock owned by you as of the close of business on April 8, 2019 (the “Record Date”). Each share of common stock is entitled to one vote. As of April 8, 2019, we had 15,245,703 shares of common stock outstanding.

How do I vote before the meeting?

If you are a registered shareholder, meaning that you hold your shares in certificate form, you have three voting options:

(1) **By Internet**, which we encourage if you have Internet access, at the address shown on your proxy card;

(2) **By telephone**, using any touch-tone telephone to transmit your voting instructions by calling the number specified on your proxy card; or

(3) **By mail**, by completing, signing and returning your proxy card.

If you hold your shares through an account with a bank or broker, your ability to vote by the Internet depends on their voting procedures. Please follow the directions that your bank or broker provides.

May I vote at the annual meeting?

If you are a registered shareholder, you may vote your shares owned by you as of April 8, 2019, at the annual meeting if you attend in person. If you hold your shares through an account with a bank or broker, please follow the directions provided to you by your bank or broker. If you wish to vote in person at the meeting, please contact your bank or broker to learn the procedures necessary to allow you to vote your shares in person. Even if you plan to attend the meeting, we encourage you to vote your shares by proxy. You may vote by proxy through the Internet, by telephone or by mail.

Can I change my mind after I return my proxy?

You may change your vote at any time before the polls close at the conclusion of voting at the meeting. You may do this by (1) signing another proxy card with a later date and returning it to us before the meeting, (2) voting again over the Internet prior to 1:00 a.m., New York time, on June 7, 2019, (3) voting again via the telephone prior to 1:00 a.m., New York time, on June 7, 2019, or (4) voting at the meeting if you are a registered shareholder or have obtained a legal proxy from your bank or broker.

What if I return my proxy card but do not provide voting instructions?

Proxies that are signed and returned but do not contain instructions will be voted in favor of all proposals and in accordance with the best judgment of the named proxies on any other matters properly brought before the meeting.

What does it mean if I receive more than one proxy card or instruction form?

It indicates that your shares are registered differently and are in more than one account. To ensure that all shares are voted, please either vote each account by telephone or on the Internet, or sign and return all proxy cards. We encourage you to register all your accounts in the same name and address. Those holding shares through a bank or broker should contact your bank or broker and request consolidation.

Will my shares be voted if I do not provide my proxy or instruction form?

If you are a registered shareholder and do not provide a proxy, you must attend the meeting in order to vote your shares. If you hold shares through an account with a bank or broker, your shares may be voted even if you do not provide voting instructions on your instruction form. Brokerage firms have the authority to vote shares for which their customers do not provide voting instructions on certain routine matters. The ratification of Friedman LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2019, is considered a routine matter for which brokerage firms may vote without specific instructions. The other matters are not considered routine matters for which brokerage firms may vote without specific instructions. When a proposal is not a routine matter and the brokerage firm has not received voting instructions from the beneficial owner of the shares with respect to that proposal, the brokerage firm cannot vote the shares on that proposal. Shares that a broker is not authorized to vote are counted as "broker non-votes."

How can I attend the meeting?

The meeting is open to all holders of our common stock as of April 8, 2019.

May shareholders ask questions at the annual meeting?

Yes. Representatives of the Company will answer questions of general interest at the end of the meeting.

How many votes must be present to hold the annual meeting?

In order for us to conduct our annual meeting, at least one-third (1/3) of our issued and outstanding shares of common stock as of April 8, 2019, must be present in person or by proxy at the annual meeting. This is referred to as a quorum. Abstentions and broker non-votes will be counted for purposes of establishing a quorum at the meeting. Your shares are counted as present at the meeting if you attend the meeting and vote in person or if you properly return a proxy by Internet, telephone or mail.

Where can I find a copy of the proxy materials?

A copy of the proxy materials is available online at <http://www.edocumentview.com/SGSA>.

How many votes are needed to approve the Company's proposals?

Proposal 1. Given there is only one nominee this year, more than a majority of the votes cast at the meeting be voted **"For"** the nominee is required for the election of the director. Shares not voted will have no impact on the election of director. The proxy given will be voted **"For"** the nominee for director unless a properly executed proxy card is marked **"Withhold"** as to the nominee for director.

Proposal 2. The ratification of the appointment of Friedman LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2019, requires that a majority of the votes cast at the meeting be voted **"For"** the proposal, excluding properly executed proxy card marked **"Abstain,"** which will not be voted or counted for purposes other than quorum.

Proposal 3. The advisory vote to approve executive officer compensation is advisory in nature and not binding on our Company. A vote **"For"** the proposal by a majority of the votes cast at the meeting would be considered an advisory approval of the proposed executive officer compensation. If a majority of shares do not vote in favor of the proposal, the Compensation Committee and Board of Directors will carefully consider the outcome when making future compensation decisions.

CERTAIN OTHER BOARD INFORMATION

Involvement in Certain Legal Proceedings

To the best of our knowledge, none of our directors or executive officers has been convicted in a criminal proceeding, excluding traffic violations or similar misdemeanors, or has been a party to any judicial or administrative proceeding during the past ten years that resulted in a judgment, decree or final order enjoining the person from future violations of, or prohibiting activities subject to, federal or state securities laws, or a finding of any violation of federal or state securities or commodities laws, any laws respecting financial institutions or insurance companies, any law or regulation prohibiting mail or wire fraud in connection with any business entity or been subject to any disciplinary sanctions or orders imposed by a stock, commodities or derivatives exchange or other self-regulatory organization, except for matters that were dismissed without sanction or settlement. None of our directors, director nominees or executive officers has been involved in any transactions with us or any of our directors, executive officers, affiliates or associates which are required to be disclosed pursuant to the rules and regulations of the SEC.

Board Leadership Structure

Mr. Lei Cao currently holds both the positions of Chief Executive Officer and Chairman of the Board. These two positions have not been consolidated into one position; Mr. Cao simply holds both positions at this time. The Board of Directors believes that Mr. Cao's service as both Chief Executive Officer and Chairman of the Board is in the best interests of the Company and its shareholders. Mr. Cao possesses detailed and in-depth knowledge of the issues, opportunities and challenges facing the Company and its business and is thus best positioned to develop agendas that ensure that the Board's time and attention are focused on the most critical matters. His combined role enables decisive leadership, ensures clear accountability, and enhances the Company's ability to communicate its message and strategy clearly and consistently to the Company's shareholders, employees, customers, vendors and suppliers.

We do not have a lead independent director because of the foregoing reasons and also because we believe our independent directors are encouraged to freely voice their opinions on a relatively small company board. We believe this leadership structure is appropriate because we are a smaller reporting company; as such, we deem it appropriate to be able to benefit from the guidance of Mr. Cao as both our Chief Executive Officer and Chairman of the Board.

Risk Oversight

Our Board of Directors plays a significant role in our risk oversight. The Board of Directors makes all relevant Company decisions. As such, it is important for us to have our Chief Executive Officer serve on the Board as he plays a key role in the risk oversight of the Company. As a smaller reporting company with a small board of directors, we believe it is appropriate to have the involvement and input of all of our directors in risk oversight matters.

For additional information regarding, among other related items, our Board of Directors, Corporate Governance, the Compensation Committee, the Audit Committee and the Corporate Governance Committee and compensation of our named executive officers please see the section titled “BOARD OF DIRECTORS, CORPORATE GOVERNANCE AND OTHER RELATED INFORMATION.”

**WE RECOMMEND THAT YOU VOTE FOR THE ELECTION
OF THE CLASS III NOMINEE TO THE BOARD OF DIRECTORS.**

PROPOSAL 2

RATIFICATION OF THE APPOINTMENT OF FRIEDMAN LLP (ITEM 2 ON THE PROXY CARD)

What am I voting on?

A proposal to ratify the appointment of Friedman LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2019. The Audit Committee of the Board of Directors has appointed Friedman LLP to serve as the Company's fiscal year 2019 independent registered public accounting firm. Although the Company's governing documents do not require the submission of this matter to shareholders, the Board of Directors considers it desirable primarily as a matter of good corporate governance that the appointment of Friedman LLP be ratified by shareholders.

What services does Friedman LLP provide?

Audit services provided by Friedman LLP for fiscal year 2018 included the examination of the consolidated financial statements of the Company and services related to periodic filings made with the SEC. In addition, Friedman LLP provided certain services relating to the Company's quarterly reports.

Will a representative of Friedman LLP be present at the meeting?

One or more representatives of Friedman LLP will be present at the meeting. The representatives will have an opportunity to make a statement if they desire and will be available to respond to questions from shareholders.

What if this proposal is not approved?

If the shareholders do not ratify the appointment, our Audit Committee will reconsider whether or not to retain Friedman LLP. Even if the appointment is ratified, the Audit Committee, at its discretion, may change the appointment at any time during the year if the Audit Committee determines that such a change would be in our best interests and the best interest of our shareholders.

What vote is required to ratify this proposal?

This Proposal 2 requires the affirmative vote of a majority of the shares present or represented by proxy and voting at the Annual Meeting with quorum.

**WE RECOMMEND THAT YOU VOTE FOR THE RATIFICATION OF FRIEDMAN LLP
AS THE COMPANY'S FISCAL YEAR 2019 INDEPENDENT REGISTERED PUBLIC
ACCOUNTING FIRM.**

PROPOSAL 3

ADVISORY VOTE TO APPROVE NAMED EXECUTIVE OFFICER COMPENSATION (ITEM 3 ON THE PROXY CARD)

What am I voting on?

We are asking our shareholders to approve, on an advisory basis, the compensation of the Company's Named Executive Officers for 2018 as disclosed in the Proxy Statement pursuant to the requirements of Item 402 of Regulation S-K. This advisory vote, which is sometimes referred to as a "say on pay" vote is required by Section 14A of the Securities and Exchange Act of 1934, as amended (the "Exchange Act").

Is this vote binding on our Company?

As an advisory vote, this proposal is not binding upon our Company, the Board or the Compensation Committee and will not be construed as overruling a decision by our Company, the Board or the Compensation Committee or creating or implying any additional fiduciary duty for our Company, the Board or the Compensation Committee. However, the Compensation Committee and the Board value the opinions expressed by shareholders in their vote on this proposal and will continue to consider the outcome of the vote when making future compensation decisions regarding named executive officers.

How often will shareholders vote on named executive officer compensation?

Our current policy is to provide shareholders with an opportunity to approve the compensation of the named executive officers every year at the annual meeting of shareholders. It is expected that the next such vote will occur at the fiscal year 2020 Annual Meeting of Shareholders.

What vote is required to approve this proposal?

Approval of this Proposal 3 requires the affirmative vote of a majority of the shares present or represented by proxy and voting at an Annual Meeting with quorum.

What are shareholders being asked to approve?

The Board of Directors is requesting your non-binding approval of the following resolution:

Resolved, that the shareholders approve, in a nonbinding vote, the compensation of the Company's Named Executive Officers, as disclosed in this proxy statement.

What if this proposal is not approved?

Pursuant to Section 14A of the Exchange Act, this vote is advisory only, and accordingly, is not binding on the Company or on our Board of Directors. Although the vote is non-binding, the Compensation Committee and the Board of Directors will carefully consider the outcome of the vote when making future compensation decisions.

WE RECOMMEND THAT YOU VOTE IN FAVOR OF THE NONBINDING ADVISORY RESOLUTION APPROVING NAMED EXECUTIVE OFFICER COMPENSATION.

BOARD OF DIRECTORS, CORPORATE GOVERNANCE AND OTHER RELATED INFORMATION

What if a nominee is unwilling or unable to serve?

Each of the nominees listed in the Proxy Statement has agreed to serve as a director, if elected. If for some unforeseen reason a nominee becomes unwilling or unable to serve, proxies will be voted for a substitute nominee selected by the Board of Directors.

How are directors compensated?

Non-employee directors are entitled to receive \$5,000 per quarter. From time to time we may issue securities to our directors as well in compensation for services, but the amount and frequency of such grants is not set. In addition, non-employee directors are entitled to receive compensation for their actual travel expenses for each Board of Directors meeting attended.

How does the Board determine which directors are independent?

The Board of Directors reviews the independence of each director yearly. During this review, the Board of Directors considers transactions and relationships between each director (and his or her immediate family and affiliates) and the Company and its management to determine whether any such relationships or transactions are inconsistent with a determination that the director is independent in light of applicable law, listing standards and the Company's director independence standards. The Company believes that it maintains a majority of independent directors who are deemed to be independent under the definition of independence provided by NASDAQ Listing Rule 5605(a)(2).

What role does the Corporate Governance Committee play in selecting nominees to the Board of Directors?

Two of the primary purposes of the Board's Corporate Governance Committee are (i) to develop and implement policies and procedures that are intended to ensure that the Board of Directors will be appropriately constituted and organized to meet its fiduciary obligations to the Company and its shareholders and (ii) to identify individuals qualified to become members of the Board of Directors and to recommend to the Board of Directors the director nominees for the annual meeting of shareholders. The Corporate Governance Committee is also responsible for

considering candidates for membership on the Board of Directors submitted by eligible shareholders. The Corporate Governance Committee's charter is available on the Company's website at www.sino-global.net and in print upon request. The Corporate Governance Committee of the Company's Board of Directors was the only entity or person to nominate and/or recommend any of the director nominees.

Are the members of the Corporate Governance Committee independent?

Yes. All members of the Corporate Governance Committee have been determined to be independent by the Board of Directors.

How does the Corporate Governance Committee identify and evaluate nominees for director?

The Corporate Governance Committee considers candidates for nomination to the Board of Directors from a number of sources. Current members of the Board of Directors are considered for re-election unless they have notified the Company that they do not wish to stand for re-election. The Corporate Governance Committee also considers candidates recommended by current members of the Board of Directors, members of management or eligible shareholders. From time to time the Board may engage a firm to assist in identifying potential candidates, although the Company did not engage such a firm to identify any of the nominees for director proposed for election at the meeting.

The Corporate Governance Committee evaluates all candidates for director, regardless of the person or firm recommending such candidate, on the basis of the length and quality of their business experience, the applicability of such candidate's experience to the Company and its business, the skills and perspectives such candidate would bring to the Board of Directors and the personality or "fit" of such candidate with existing members of the Board of Directors and management. The Corporate Governance Committee does not have a specific policy in place with regard to the consideration of diversity when identifying director nominees; however, the corporate governance committee does consider diversity of opinion and experience when nominating directors.

What are the Corporate Governance Committee's policies and procedures for considering director candidates recommended by shareholders?

The Corporate Governance Committee will consider all candidates recommended by eligible shareholders. An eligible shareholder is a shareholder (or group of shareholders) who owns at least 5% of the Company's outstanding shares and who has held such shares for at least one year as of the date of the recommendation. A shareholder wishing to recommend a candidate must submit the following documents to the Secretary of the Company at Sino-Global Shipping America, Ltd, 1044 Northern Boulevard, Suite 305, Roslyn, New York 11576-1514:

a recommendation that identifies the name and address of the shareholder and the person to be nominated;

documentation establishing that the shareholder making the recommendation is an eligible shareholder;

the written consent of the candidate to serve as a director of the Company, if elected;

a description of all arrangements between the shareholders and such nominee pursuant to which the nomination is to be made; and
