independent auditors. The decision to change auditors was approved by the Audit Committee of the Registrant's Board of Directors.

BDO-SA, audited the Registrant's financials statements for the fiscal year ended June 30, 2004. BDO-SA's auditor's report for the year ended June 30, 2004 contained a separate paragraph stating, "The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 14 to the financial statements, the Company has suffered losses from operations and has negative working capital. These conditions raise substantial doubt about its ability to continue as a going concern. Management's plans in regard to these matters are also described in Note 14. The financial statements do not include any adjustments that might result from the outcome of this uncertainty." Except as so noted, BDO-SA's report for this period did not contain an adverse opinion or disclaimer of opinion, nor was it qualified or modified as to uncertainty, audit scope or accounting principles.

In connection with the audit of the period ended June 30, 2004, there were no disagreements or reportable events between the Registrant and BDO-SA on any matters of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to the satisfaction of BDO-SA, would have caused them to make a reference to the subject matter of the disagreements or reportable events in connection with their reports, through the date of this report.

The Registrant has provided BDO-SA with a copy of the foregoing disclosures. A letter from BDO-SA addressed to the Securities & Exchange Commission is included as Exhibit 16.1 to this Current Report on Form 8-K and states that BDO-SA agrees with such disclosure.

BDO-SA audited the financial statements for the years ended June 30, 2003 and 2004 for IRCA (Proprietary) Limited ("IRCA"), a South African company, in which the Registrant, through its wholly owned subsidiary, Danlas Limited, a British Virgin Islands company, owns 51% of the issued and outstanding shares of IRCA. The Registrant understands that BDO-SA will continue to serve as IRCA's independent auditor.
