Item 2.05 Costs Associated with Exit or Disposal Activities.

On October 20, 2006, PepsiCo, Inc. announced that it is consolidating the manufacturing network at its Frito-Lay North America ("FLNA") division from 34 sites to 32 sites, and rationalizing other assets, to increase manufacturing productivity and supply chain efficiencies. As a result, FLNA will be closing two of its older plants, located in Lubbock, Texas and Honolulu, Hawaii.

Timing of the plant closures will vary by location over the next several weeks, and is expected to be largely complete by the end of this year. A total of 387 jobs will be eliminated at the Lubbock and Honolulu facilities.

As a result of this action, PepsiCo, Inc. expects to incur a pre-tax charge of approximately \$66 million, comprised of approximately \$43 million of asset impairments, \$12 million of severance and other employee costs and \$11 million of other costs. The employee and other costs portion will be paid in cash in the fourth quarter of 2006 and during 2007.

The information in this Item 2.05 contains certain forward-looking statements based on our current expectations and projections about future events. Our actual results could differ materially from those anticipated in any forward-looking statements, but we undertake no obligation to update any such statements. Please see our filings with the Securities and Exchange Commission, including our most recent Annual Report on Form 10-K, for a discussion of specific risks that may affect our performance.
