BlackRock Announces Additional Details Related to Proposed Reorganizations of Certain BlackRock California
Tax-Exempt Closed-End Funds

New York, December 28, 2009 – BlackRock Advisors, LLC announced, at a special meeting held today, that the proposed reorganization (the “Reorganization”) of BlackRock California Investment Quality Municipal Trust Inc. (NYSE Amex:RAA) into BlackRock California Municipal Income Trust (NYSE:BFZ) failed to receive sufficient RAA common shareholder votes required to approve the Reorganization. Consequent to today’s announcement, the Reorganization will not occur, and RAA will continue to be managed according to its investment guidelines.

The announcement made today with respect to RAA will not affect the reorganization of each of BlackRock California Municipal Income Trust II (NYSE Amex:BCL), BlackRock California Insured Municipal Income Trust (NYSE:BCK) and BlackRock California Municipal Bond Trust (NYSE:BZA) into BFZ, as announced on November 30, 2009. It is currently expected that these reorganizations will be concluded on or about January 29, 2010, subject to all regulatory requirements and customary closing conditions being satisfied. Each of these reorganizations will occur based on the relative net asset values of BCL, BCK, BZA and BFZ.

This communication is not intended to, and shall not, constitute an offer to purchase or sell shares of any of the BlackRock funds. Investors should consider the investment objectives, risks, charges and expenses of their fund(s) carefully and consider in its entirety the Joint Proxy Statement/Prospectus relating to the reorganizations which contains important information regarding the investment objectives and policies, risks, charges, expenses and other important information about BFZ as the combined fund.
