Pursuant to rules adopted by the Securities and Exchange Commission (the “SEC”), we have elected to provide access to our proxy materials via the Internet. Accordingly, we have sent our stockholders a Notice of Internet Availability of Proxy Materials (the “Notice”) containing instructions on how to access our 2015 proxy statement and our annual report on Form 10-K for 2014 online. Stockholders who have received the Notice will not be sent a printed copy of our proxy materials in the mail unless they request to receive a printed copy.

If you attend the Annual Meeting and vote by ballot, your proxy will be revoked automatically and only your vote at the Annual Meeting will be counted. If your shares are held in the name of a bank, broker, or other holder of record, you must obtain a proxy, executed in your favor, from the holder of record in order to be able to vote in person at the Annual Meeting.

Please note: If you hold your shares in the name of a broker, bank or other nominee, your nominee may determine to vote your shares at its own discretion, absent instructions from you. However, due to voting rules that may prevent your bank or broker from voting your uninstructed shares on a discretionary basis in the election of directors and other non-routine matters, it is important that you cast your vote. Accordingly, please provide appropriate voting instructions to your broker or bank to ensure your vote will count.

VOTING AND RELATED MATTERS

Voting Procedures

As a stockholder of BioLife Solutions, you have a right to vote on certain business matters affecting us. The proposals that will be presented at the Annual Meeting and upon which you are being asked to vote are discussed below in the “Proposals” section. Each share of BioLife Solutions common stock you owned as of the Record Date entitles you to one vote on each proposal presented at the Annual Meeting.

Methods of Voting

You may vote over the Internet, by mail or in person at the Annual Meeting. Please be aware that if you vote over the Internet, you may incur costs such as Internet access charges for which you will be responsible.

Voting over the Internet. You can vote via the Internet. The website address for Internet voting is provided on the Notice of Internet Availability of Proxy Materials and on the proxy card. You will need to use the control number appearing on our proxy card to vote via the Internet. You can use the Internet to transmit your voting instructions up until 11:59 p.m. Eastern Daylight Time on May 3, 2015. Internet voting is available 24 hours a day. If you vote via the Internet, you do not need to return a proxy card.

Voting by Mail. If you received a printed proxy card, you can vote by marking, dating and signing it, and returning it in the postage-paid envelope provided. Please promptly mail your proxy card to ensure that it is received prior to the closing of the polls at the Annual Meeting.

Voting in Person at the Meeting. If you attend the Annual Meeting and plan to vote in person, we will provide you with a ballot at the Annual Meeting. If your shares are registered directly in your name, you are considered the stockholder of record and you have the right to vote in person at the Annual Meeting. If your shares are held in the name of your broker or other nominee, you are considered the beneficial owner of shares held in street name. As a beneficial owner, if you wish to vote at the Annual Meeting, you will need to bring to the Annual Meeting a legal proxy from your broker or other nominee authorizing you to vote those shares.

Revoking Your Proxy

You may revoke your proxy at any time before it is voted at the Annual Meeting. To do this, you must:

enter a new vote over the Internet, or by signing and returning a replacement proxy card;

provide written notice of the revocation to our Corporate Secretary at our principal executive office, 3303 Monte Villa Parkway, Suite 310, Bothell, Washington 98021; or

attend the Annual Meeting and vote in person.

Quorum and Voting Requirements

Stockholders of record at the close of business on March 13, 2015, are entitled to receive notice and vote at the meeting. On the Record Date, there were 12,104,958 issued and outstanding shares of our Common Stock. Each holder of Common Stock voting at the meeting, either in person or by proxy, may cast one vote per share of Common

Stock held on the Record Date on all matters to be voted on at the meeting. Stockholders may not cumulate votes in the election of directors.

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of Common Stock entitled to vote constitutes a quorum for the transaction of business at the meeting. Assuming that a quorum is present:

- (1) a plurality of the shares present in person or represented by proxy at the meeting and entitled to vote on the election of directors will be required to elect Board nominees;
- (2) the amended and restated 2013 performance incentive plan will be approved if approved by a majority of the votes properly cast at the meeting on this proposal;
- (3) the ratification of the appointment of Peterson Sullivan LLP as our independent registered public accounting firm for 2015 will be approved if approved by a majority of the votes cast at the meeting on this proposal.

Votes cast by proxy or in person at the meeting will be tabulated by the election inspectors appointed for the meeting and who will determine whether a quorum is present. The election inspectors will treat abstentions and broker non-votes (i.e., shares held by a broker or nominee that are represented at the Annual Meeting, but with respect to which such broker or nominee is not instructed to vote on a particular proposal and does not have discretionary voting power) as shares that are present for purposes of determining the presence of a quorum. With regard to Proposal One, broker non-votes and votes marked “withheld” will not be counted towards the tabulations of votes cast on such proposal presented to the stockholders, will not have the effect of negative votes and will not affect the outcome of the election of the directors. With regard to Proposals Two and Three, abstentions will be counted towards the tabulations of votes cast on such proposal presented to the stockholders and will have the same effect as negative votes, whereas broker non-votes will not be counted for purposes of determining whether such proposal has been approved and will not have the effect of negative votes.

If your shares are held by a bank or broker in street name, it is important that you cast your vote if you want it to count in the election of directors and other non-routine matters as determined by the New York Stock Exchange (the “NYSE”). The ability of brokers to vote your shares for you without instructions from you is governed by Rule 452 of the New York Stock Exchange, which regulates the behavior of brokers who are “member organizations” of the NYSE (without regard to what exchange the shares are traded on). Voting rules may prevent your bank or broker from voting your uninstructed shares on a discretionary basis in the election of directors and other non-routine matters. Accordingly, if your shares are held by a bank or broker in street name and you do not instruct your bank or broker how to vote in the election of directors or any other non-routine matters, no votes will be cast on your behalf.

Voting of Proxies

When a proxy is properly executed and returned, the shares it represents will be voted at the meeting as directed. If no specification is indicated, the shares will be voted:

- (1) “for” the election of each Board nominee set forth in this proxy statement unless the authority to vote for such directors is withheld;
- (2) “for” the amended and restated 2013 performance incentive plan;
- (3) “for” the ratification of the Audit Committee's appointment of Peterson Sullivan LLP as our independent registered public accounting firm for 2015; and
- (4) at the discretion of your proxies on any other matter that may be properly brought before the meeting.

Voting Results

Voting results will be announced at the Annual Meeting and published in a Current Report on Form 8-K that will be filed with the SEC within four business days after the Annual Meeting.

Householding of Proxy Materials

Some banks, brokers and other nominee record holders may be participating in the practice of “householding” proxy materials and annual reports. This means that only one copy of the proxy materials may have been sent to multiple stockholders in your household. This practice is designed to reduce our printing and postage costs. However, if you are residing at such an address and wish to receive a separate annual report on Form 10-K or proxy statement in the future, you may telephone our Secretary at (425) 402-1400 or write to her at BioLife Solutions, Inc., 3303 Monte Villa

Parkway, Suite 310, Bothell, Washington 98021. If you are receiving multiple copies of our annual report on Form 10-K and proxy statement, you may request householding by contacting our Secretary in the same manner.

Proxy Solicitation

We will bear the cost of this solicitation. In addition, we may reimburse brokerage firms and other persons representing beneficial owners of shares for reasonable expenses incurred in forwarding solicitation materials to such beneficial owners. Proxies also may be solicited by our directors, officers or employees, personally, by telephone, facsimile, Internet or other means, without additional compensation. We may retain a proxy solicitor to assist in the distribution of proxies and proxy solicitation materials, and in the solicitation of proxies. Generally, the fee for such services is approximately \$15,000 plus expenses. If we do elect to retain a proxy solicitor, we will pay the proxy solicitor reasonable and customary fees. Except as described above, we do not presently intend to solicit proxies other than by mail.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Stockholders to be held on May 4, 2015: The notice of annual meeting of stockholders, this proxy statement, and our annual report on Form 10-K for 2014 are available at www.proxyvote.com.

BOARD OF DIRECTORS

Overview

Our Bylaws provide that the size of our Board is to be determined from time to time by resolution of the Board but shall consist of at least three members. Our Board presently consists of five members. Pursuant to our bylaws, the Board has voted to increase the size of the Board from five members to six members. Our Board has determined four of our directors and nominees – Messrs. Cohen, Hinson, Schick and Stewart – to be independent under the rules of the NASDAQ Stock Market, after taking into consideration, among other things, those transactions described under “Certain Transactions”. Mr. Cohen serves as Chairman of the Board. The Board does not have a lead director; however, recognizing that the Board is composed almost entirely of outside directors, in addition to the Board’s strong committee system (as described more fully below), we believe this leadership structure is appropriate for the Company and allows the Board to maintain effective oversight of management.

At each annual meeting of stockholders, members of our Board are elected to serve until the next annual meeting and until their successors are duly elected and qualified. If the nominees named in this proxy statement are elected, the Board will consist of six persons.

Committees of the Board of Directors

The Board has established an Audit Committee, a Compensation Committee, and a Nominating and Governance Committee. Each committee operates pursuant to a written charter that may be viewed on our website at www.biolifesolutions.com. The inclusion of our web site address in this proxy statement does not include or incorporate by reference the information on our web site into this proxy statement.

The following table sets forth the current composition of the three standing committees of our Board:

Name	Board	Audit	Compensation	Nominating and Governance
Mr. Rice	X			
Mr. Cohen	Chair	X	X	X
Mr. Hinson	X		X	Chair
Mr. Schick (financial expert)	X	Chair		
Mr. Stewart	X	X	Chair	

Audit Committee. Our Audit Committee’s role includes the oversight of our financial, accounting and reporting processes; our system of internal accounting and financial controls; and our compliance with related legal, regulatory and ethical requirements. The Audit Committee oversees the appointment, compensation, engagement, retention, termination and services of our independent registered public accounting firm, including conducting a review of its independence; reviewing and approving the planned scope of our annual audit; overseeing our independent registered public accounting firm’s audit work; reviewing and pre-approving any audit and non-audit services that may be performed by our independent registered public accounting firm; reviewing with management and our independent registered public accounting firm the adequacy of our internal financial and disclosure controls; reviewing our critical accounting policies and the application of accounting principles; and monitoring the rotation of partners of our independent registered public accounting firm on our audit engagement team as required by regulation.

In addition, the Audit Committee’s role includes meeting to review our annual audited financial statements and quarterly financial statements with management and our independent registered public accounting firm. The Audit

Committee has the authority to obtain independent advice and assistance from internal or external legal, accounting and other advisors, at the Company's expense.

The Board has determined that all members of our Audit Committee meet the independence and financial literacy standards of the NASDAQ Stock Market and applicable SEC rules. The Board of Directors has determined that Mr. Schick is an "audit committee financial expert" as defined by the rules of the SEC.

Please see the section entitled "Report of the Audit Committee of the Board of Directors" and "Proposal Three: Ratification of Appointment of Independent Registered Public Accounting Firm" for further matters related to the Audit Committee.

Compensation Committee. The purpose of the Compensation Committee is to provide guidance to management and to assist the Board in the discharge of its fiduciary responsibilities relating to the compensation of executive officers, the organizational structure, succession, retention and training policies and review and oversight of benefit programs. Our Compensation Committee is responsible for reviewing the recommendations of our Chief Executive Officer and Chief Financial Officer, making recommendations to the Board, regarding the compensation of our executive officers, and ensuring that the total compensation paid to the executive officers is reasonable and competitive, and does not promote excessive risk taking. In making its recommendation to the Board, the Compensation Committee considers the results of the most recent stockholder advisory vote on executive compensation. The Chief Executive Officer may not be present during voting or deliberation on his compensation. The Compensation Committee is also responsible for reviewing and making recommendations to the Board regarding director and committee member compensation. In addition, the Compensation Committee approves and has oversight over our bonus plans for executive officers and/or stock based compensation plans and oversight of our overall compensation plans and benefit programs, including approval and oversight of grants.

In discharge of its duties related to administration of executive bonus plans, the Compensation Committee may, subject to the terms of each plan, delegate authority to management for the day-to-day non-material administration of such plans. Further, the Compensation Committee may, subject to the terms of each plan, delegate authority to management to make grants to non-executive officers under stock-based compensation plans.

The Compensation Committee has the authority to obtain independent advice and assistance from internal or external legal, accounting and other advisors, at the Company's expense. The Compensation Committee may select, or receive advice from, a compensation consultant, legal counsel or other adviser to the Committee, other than in-house legal counsel, only after taking into consideration the six factors outlined in Rule 10C-1 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The Compensation Committee engaged Radford, an Aon Hewitt company and independent compensation consultant ("Radford"), to assist it in: (i) an assessment of the Company's executive compensation program; (ii) developing a peer group of companies for compensation comparison purposes; (iii) completing a market assessment of director and executive officer compensation; (iv) evaluating the Company's equity-based compensation plan; and (v) recommending the amount and form of director and executive officer compensation. Radford reported to and was accountable to the Compensation Committee. Radford did not provide any services to us in the year ended December 31, 2014 beyond its engagement as an advisor to the Compensation Committee. After review and consultation with Radford, the Compensation Committee determined that Radford is independent, and there is no conflict of interest resulting from retaining Radford. In reaching this conclusion, the Compensation Committee considered the factors set forth in Rule 10C-1 of the Exchange Act and NASDAQ listing standards.

The members of the Compensation Committee are independent directors within the meaning of the listing standards of the NASDAQ Stock Market.

Nominating and Governance Committee. Our Nominating and Governance Committee's primary purpose is to evaluate candidates for membership on our Board and make recommendations to our Board regarding candidates; make recommendations with respect to the composition of our Board and its committees; provide guidance to our human resources, legal, and finance departments relating to director orientation programs; recommend corporate governance principles applicable to the Company; manage periodic review, discussion and evaluation of the performance of our Board, its committees and its members and oversee and monitor compliance with our Code of Business Conduct and Ethics. The Nominating and Governance Committee has the authority to obtain independent advice and assistance from internal or external legal, accounting and other advisors, at the Company's expense.

All members of our Nominating and Governance Committee are independent under the listing standards of the NASDAQ Stock Market.

The Nominating and Governance Committee will consider candidates recommended by stockholders in accordance with the procedures set forth in our Bylaws, and prior to the date it recommends a slate of director nominees to the Board. Pursuant to the Nominating and Governance Committee Charter, there is no difference in the manner in which a nominee recommended by a stockholder or otherwise is evaluated.

In carrying out its function to nominate candidates for election to our Board, the Nominating and Governance Committee considers the Board's mix of skills, experience, character, commitment and diversity—diversity being broadly construed to mean a variety of opinions, perspectives and backgrounds, such as gender, race and ethnicity differences, as well as other differentiating characteristics, all in the context of the requirements and needs of our Board at that point in time. In reviewing potential candidates, the Committee will also consider all relationships between any proposed nominee and any of our stockholders, competitors, customers, suppliers or other persons with a relationship to the Company. The Nominating and Governance Committee believes that each candidate should be an individual who has demonstrated exceptional ability and judgment, who are willing and able to make a sufficient time commitment to the Company, and who shall be most effective, in conjunction with the other nominees to the Board, in collectively serving the long term interests of the stockholders.

The Nominating and Governance Committee's methods for identifying candidates for election to our Board include the solicitation of ideas for possible candidates from a number of sources, including from members of our Board, our executive officers, individuals who our executive officers or Board members believe would be aware of candidates who would add value to our Board and through other research. The Nominating and Governance Committee may, from time to time, retain, for a fee, one or more third-party search firms to identify suitable candidates. The Nominating and Governance Committee will consider all candidates identified through the processes described above, and will evaluate each candidate, including incumbents, based on the same criteria.

The Nominating and Governance Committee does not have a formal policy with respect to diversity; however, the Board and the Nominating and Governance Committee believe that it is essential that the Board members represent diverse viewpoints.

Director nominee Thomas Girschweiler was identified by the Nominating and Governance Committee due to his past service as a director, experience in corporate financing activities and his status as a significant shareholder.

The Board held a total of five meetings during 2014. Our Audit Committee held four meetings in 2014, our Compensation Committee held three meetings in 2014 and our Nominating and Governance Committee held one meeting during 2014. We believe in sound corporate governance practices and have always encouraged our employees, including officers and directors to conduct business in an honest and ethical manner. Additionally, it has always been our policy to comply with all applicable laws and provide accurate and timely disclosure.

Accordingly, the Board has adopted a formal written code of ethics for all employees. The Board has adopted an additional corporate code of ethics for its Chief Executive Officer, Chief Financial Officer and other senior financial officers, which is intended to be a "code of ethics" as defined by applicable SEC rules. The code of ethics is designed to deter wrongdoing and promote honest and ethical conduct and compliance with applicable laws and regulations. These codes also incorporate what we expect from our executives so as to enable us to provide accurate and timely disclosure in our filings with the SEC and other public communications. Any amendments made to the Code of Ethics will be available on our website.

Employment Agreements

On February 19, 2015, we entered into new employment agreements with (i) Michael Rice, our President and Chief Executive Officer, (ii) Dr. Aby J. Mathew, Ph.D., our Senior Vice President and Chief Technology Officer, and (iii) Joseph Annicchiarico, our Chief Operating Officer. None of the Employment Agreements is for a definite time period, but rather, each will continue until terminated in accordance with its terms.

The employment agreement with Michael Rice, our President and Chief Executive Officer, provides for a base salary of \$400,000 per year and the potential for an annual incentive bonus in the sole discretion of the Board. On February 19, 2015, the Board established Mr. Rice's bonus eligibility for 2015 at \$125,000. If Mr. Rice's employment is terminated without "Cause" (other than by reason of death or disability) or he resigns for "Good Reason," he will be entitled to a lump sum payment equal to 12 months' salary and a prorated portion of the current year's target bonus

amount; provided that if Mr. Rice's employment is terminated without "Cause" upon or within 90 days following a "Change in Control," Mr. Rice is entitled to a lump sum payment equal to 24 months' salary, a prorated portion of the current year's target bonus amount and an amount equal to the cost of 24 months' medical insurance premiums at a monthly amount equal to the amount of COBRA coverage in effect as of the termination date, plus a tax gross-up amount with respect to such premiums.

The employment agreement with Dr. Aby J. Mathew, Ph.D., our Senior Vice President and Chief Technology Officer, provides for a base salary of \$345,000 per year. If Dr. Mathew's employment is terminated without "Cause" (other than by reason of death or disability), including upon or within 90 days of a "Change in Control," or if he resigns for "Good Reason," he will be entitled to a lump sum payment equal to 12 months' salary.

The employment agreement with Joseph Annicchiarico, our Chief Operating Officer, provides for a salary of \$285,000 per year. If Mr. Annicchiarico's employment is terminated without "Cause" (other than by reason of death or disability) or if he resigns for "Good Reason," he will be entitled to a lump sum payment equal to three months' salary; provided that if Mr. Annicchiarico's employment is terminated without "Cause" upon or within 90 days following a "Change in Control," Mr. Annicchiarico is entitled to a lump sum payment equal to 12 months' salary.

For purposes of each of these employment agreements, a “Change in Control” means (i) the consummation of a merger or consolidation of the Company with or into another entity, (ii) the dissolution, liquidation or winding up of the Company or (iii) the sale of all or substantially all of the Company’s assets. The foregoing notwithstanding, a merger or consolidation of the Company shall not constitute a “Change in Control” if immediately after such merger or consolidation a majority of the voting power of the capital stock of the continuing or surviving entity, or any direct or indirect parent corporation of such continuing or surviving entity, will be owned by the persons who were the Company’s stockholders immediately prior to such merger or consolidation in substantially the same proportions as their ownership of the voting power of the Company’s capital stock immediately prior to such merger or consolidation.

Under each employment agreement, “Cause” means the Company’s belief that any of the following has occurred: (i) any breach of the employment agreement by the executive officer; (ii) any failure to perform assigned job responsibilities that continues unremedied for a period of 10 days after written notice to the executive officer by the Company; (iii) the executive officer’s malfeasance or misconduct in connection with the executive officer’s duties under the employment agreement or any act or omission of the executive officer which is materially injurious to the financial condition or business reputation of the Company or any of its subsidiaries or affiliates, (iv) commission of a felony or misdemeanor or failure to contest prosecution for a felony or misdemeanor; (v) the Company’s reasonable belief that the executive officer engaged in a violation of any statute, rule or regulation, any of which in the judgment of the Company is harmful to the business or to Company’s reputation; (vi) the Company’s reasonable belief that the executive officer engaged in unethical practices, dishonesty or disloyalty; or (vii) any reason that would constitute “cause” under the laws the State of Washington.

Under each employment agreement, “Good Reason” for the executive officer to terminate his or her employment means the following: (i) the Company’s material breach of the terms of the employment agreement or any other written agreement between the executive officer and Company; (ii) the assignment to the executive officer of any duties that are substantially inconsistent with or materially diminish the executive officer’s position prior to execution of the employment agreement; (iii) a material reduction of the executive officer’s salary, other than as a result of a general salary reduction affecting substantially all Company employees; (iv) any failure by the Company to obtain the assumption of the employment agreement by any successor or assign of the Company; or (v) a requirement that the executive officer be based at any office or location more than 50 miles from the executive officer’s primary work location prior to the effective date of the employment agreement.

Each of the employment agreements contains a covenant of the executive officer not to compete with the Company or solicit the Company’s employees, customers or suppliers for a period of one year after the date of termination.

CERTAIN TRANSACTIONS

Since January 1, 2013, there has not been, nor has there been proposed, any transaction, arrangement or relationship or series of similar transactions, arrangements or relationships, including those involving indebtedness not in the ordinary course of business, to which we or our subsidiaries were or are a party, or in which we or our subsidiaries were or are a participant, in which the amount involved exceeded or exceeds the lesser of \$120,000 or 1% of the average of our total assets at year-end for the last two completed fiscal years and in which any of our directors, nominees for director, executive officers, beneficial owners of more than 5% of any class of our voting securities, or any member of the immediate family of any of the foregoing persons, had or will have a direct or indirect material interest, other than as described above under the headings “Executive Compensation” and “Board of Directors—Director Compensation” and other than the transactions described below. Each of the transactions described below was reviewed and approved or ratified by the Audit Committee of the Board. It is anticipated that any future transactions between us and our officers, directors, principal stockholders and affiliates will be on terms no less favorable to us than could be obtained from unaffiliated third parties. In accordance with our Audit Committee’s charter, all such transactions will be reviewed and approved by our Audit Committee and a majority of the independent and disinterested members of the Board.

Facility Agreements

On January 11, 2008, we entered into the facility agreements with each of Thomas Girschweiler, an affiliate and nominee for director of the Company, and Walter Villiger, an affiliate of the Company, pursuant to which each noteholder extended to the Company a secured convertible multi-draw term loan facility of \$2,500,000, which facility (a) incorporated (i) a refinancing of then existing indebtedness of the Company to the Investor, and accrued interest thereon, in the aggregate amount of \$1,431,563.30, (ii) a then current advance of \$300,000, and (iii) a commitment to advance to us, from time to time, additional amounts up to a maximum of \$768,436.70, (b) bears interest at the rate of 7% per annum on the principal balance outstanding from time to time, (c) is evidenced by a secured convertible multi-draw term loan, which was due and payable, together with accrued interest thereon, the earlier of (i) January 11, 2010, or (ii) a certain events of default, and (d) is secured by all of our assets.

In May and July 2008, we received \$1,000,000 in total from the noteholders pursuant to the facility agreements. On October 20, 2008, the amounts available under each of the facility agreements was increased by \$2,000,000 to \$4,500,000 (an aggregate of \$9,000,000), and, on October 24, 2008, we received \$600,000 in total from the noteholders pursuant to the amended facility agreements. In 2009, we received an additional \$2,825,000 in total from the noteholders pursuant to the amended facility agreements. In December 2009, the noteholders extended the repayment date to January 11, 2011. On November 16, 2010, the amount available under each of the facility agreements was increased by \$250,000 to \$4,750,000 (an aggregate of \$9,500,000) and the noteholders granted an extension of the repayment date to January 11, 2013. In 2010, we received \$1,145,000 in total from the noteholders pursuant to the amended facility agreements. In 2011, we received \$1,095,000 in total from the noteholders pursuant to the amended facility agreements. In August 2011 we entered into an amendment to each of the facility agreements pursuant to which the amount of each facility agreement was increased to \$5,250,000. The multi-draw term loan notes previously delivered to each of the noteholders also was amended to reflect the changes to the facility agreements. In consideration of such amendments, we issued to each of the noteholders a five-year warrant to purchase 1,000,000 shares of our common stock at a price of \$0.063 per share, which share amount and price was adjusted to 71,429 and \$0.88, to reflect the reverse stock split effective January 29, 2014. On May 30, 2012, the amounts available under each of the facility agreements were increased to \$5,750,000 (an aggregate of \$11,500,000) and the noteholders granted an extension of the repayment date to January 11, 2016. The multi-draw term loan notes previously delivered to each of the noteholders also was amended to reflect the changes to the facility agreements. In consideration of such amendments, we issued to each of the noteholders a five-year warrant to purchase 1,000,000 shares, at a price of \$0.08 per share, which share amount and price was adjusted to 71,429 and \$1.12 respectively, to reflect the reverse stock

split effective January 29, 2014.

On December 16, 2013, we entered into note conversion agreements with the noteholders. Pursuant to the note conversion agreements, we agreed to issue units pursuant to a private placement on substantially similar terms as the offering to each of the noteholders in exchange for the conversion of the \$10.6 million principal amount outstanding under the promissory notes and accrued and unpaid interest of approximately \$3.7 million through March 25, 2014.

On February 11, 2014, Mr. Girschweiler transferred to Taurus4757 GmbH, an entity wholly-owned by Mr. Girschweiler, and Mr. Villiger transferred to WAVI Holding AG, an entity wholly-owned by Mr. Villiger, pursuant to an assignment and amendment agreement between the Company and each respective noteholder and transferee, all of their rights and obligations under the noteholder's respective note, the facility agreement and respective note conversion agreement (collectively, we refer to these documents as the note documents. The noteholders have advised us that the transfers were effected for tax structuring purposes. The assignment and amendment agreements did not change the noteholders' beneficial ownership of the notes and the other note documents, nor did they affect the terms of conversion set forth in the note conversion agreements.

On March 25, 2014, pursuant to the note conversion agreements, we issued 3,321,405 shares and 3,321,405 warrants to the noteholders in exchange for the notes, all unpaid interest and the release of all security interests. In addition, on March 25, 2014, the facility agreements were terminated.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors, certain officers and holders of 10% or more of any class of our stock to report to the SEC, by a specified date, initial reports of ownership and reports of changes in ownership of our stock and other equity securities. Based solely on a review of the copies of these reports furnished to the Company and written representation from the reporting persons, the Company believes that during the 2014 fiscal year, Walter Villiger filed two Form 4s late relating to 12 late reported transactions, WAVI Holding AG filed one Form 4 late relating to five late reported transactions and failed to file Form 4s relating to seven other transactions, and Taurus4757 GmbH failed to file one Form 4 relating to one transaction.

PROPOSAL NO. 2 – APPROVAL OF AMENDED & RESTATED 2013 PERFORMANCE INCENTIVE PLAN

Overview

Our Board has approved the amendment and restatement of our 2013 Performance Incentive Plan (as amended, the “Plan”), which is our primary plan for providing equity incentive compensation to our eligible employees, directors and consultants. We are amending the Plan to: (i) increase the number of our shares of common stock subject to the Plan to 3,100,000, plus any shares of common stock underlying any option granted pursuant to an equity compensation plan other than the Plan that was outstanding on June 20, 2013, being the date our stockholders approved the original Plan (the “Original Approval Date”), that was subsequently terminated or expired; (ii) increase the aggregate number of shares of common stock with respect to which options may be granted to any officer or employee

during a calendar year to 400,000; (iii) prohibit the cash buyout of underwater options by the Plan administrator without approval of the Company's stockholders; and (iv) make clerical updates to reflect the effect of our January 29, 2014 reverse stock split.

By increasing the maximum number of shares of common stock under the Plan, we believe we will have the flexibility to continue to provide equity incentives under the Plan in amounts we determine to be appropriate. Lack of available equity under the Plan will severely limit our ability to attract, retain and motivate individuals integral to achieving our business objectives. We are proposing to prohibit the Plan administrator from effecting a cash buyout of underwater options without stockholder approval in order to conform to current best practices.

We propose to increase the maximum number of shares of common stock authorized for issuance under the 2013 Plan by 3,058,928 shares, subject to stockholder approval of the Plan. As of March 24, 2015, and excluding the requested share increase and options granted to our executive officers and directors that are subject to stockholder approval of this Proposal No. 2, as described under “New Plan Benefits” below, approximately 41,072 shares of common stock remain available for future grants of awards under the Plan, calculated as follows:

Shares authorized for issuance under the Plan as of the Original Approval Date, plus	142,857
Shares that became available pursuant to termination or expiration between the Original Approval Date and March 24, 2015 of options granted under any of our other equity compensation plans and outstanding on the Original Approval Date, minus	14,642
Shares subject to awards granted under the Plan between June 20, 2013 and March 24, 2015	(116,427)
Shares remaining available for future grant under the Plan as of March 24, 2015	41,072

If stockholders approve the proposed amended and restated Plan, the total number of shares available for new grants under the Plan would be approximately 3.1 million shares of common stock. After accounting for the options granted to our executive officers and directors that are subject to stockholder approval of this Proposal No. 2, if stockholders approve the amended and restated Plan, approximately 1,904,119 shares of common stock will be available for new grants under the Plan.

Description of the Amended & Restated 2013 Performance Incentive Plan

The following is a summary of the principal features of the Plan. This summary is qualified in its entirety by reference to the full text of the Plan, which is attached as Appendix A to this Proxy Statement.

Purposes of the Plan. The purposes of the Plan are to enhance the ability of the Company and any parent or subsidiary corporation of the Company whether now existing or hereafter created or acquired (an “Affiliated Company”) to attract and retain the services of officers, qualified employees, directors and outside consultants and service providers to the Company, upon whose judgment, initiative and efforts the successful conduct and development of the Company’s businesses largely depends, and to provide additional incentives to such persons to devote their utmost effort and skill to the advancement and betterment of the Company, by providing them an opportunity to participate in the ownership of the Company and thereby have an interest in the success and increased value of the Company that coincides with the financial interests of the Company’s stockholders.

Shares Reserved for Issuance. Following stockholder approval of the amended and restated Plan, we will be authorized to issue up to an aggregate of 3,100,000 shares of common stock pursuant to options or restricted share awards granted under the Plan, plus any shares of common stock that have or do become available pursuant to termination or expiration of options granted under any of our other equity compensation plans and outstanding on the Original Approval Date; provided that not more than 3,100,000 shares of common stock may be issued pursuant to options that are designated “incentive stock options.” As of March 24, 2015, under the Plan as currently approved, after taking into effect our reverse stock split by the ratio of 1 for 14, effective January 29, 2014, we are authorized to issue up to 157,499 common shares pursuant to options or restricted share awards granted under the Plan, including 142,857 shares of common stock authorized under the Plan and 14,642 shares of common stock pursuant to options granted under any of our other equity compensation plans which subsequently terminated or expired in accordance with its

terms.

19

In the event that all or any portion of any shares issued upon exercise of an option granted or offered under the Plan can no longer under any circumstances be exercised or purchased due to the forfeiture or cancellation of all or any portion of such option, the shares of common stock allocable to the unexercised portion of such option, will become available for grant or issuance under the Plan.

In the event that restricted shares offered under the Plan are reacquired by the Company, for any reason, the shares so reacquired will become available for grant or issuance under the Plan.

In the event that all or any portion of any shares issued upon exercise of an option granted or offered under the Plan are reacquired by the Company for any reason other than the cancellation or forfeiture of all or any portion of such option, the shares of common stock allocable to the reacquired portion of such option, will not become available for grant or issuance under the Plan.

Additionally, the number of shares available for issuance under the Plan will be subject to adjustment in the event of a recapitalization, stock split, combination of shares, reclassification, stock dividend, or other similar change in the capital structure of the Company.

Administration. The Plan is to be administered by an “Administrator,” which, under the Plan, shall be either the Board of Directors or a committee appointed by the Board of Directors, or the Chief Executive Officer of the Company in the circumstances described below. Subject to the provisions of the Plan, the Administrator has full authority to implement, administer and make all determinations necessary under the Plan.

The Board of Directors or a committee appointed by the Board of Directors may delegate to the Chief Executive Officer of the Company the authority to (i) designate new employees of the Company or an Affiliated Company who are not officers of the Company to be the recipient of options or restricted share awards, and (ii) determine the number of shares of common stock to be subject to such options or restricted share awards; provided, however, that the resolutions of Board of Directors regarding such delegation of authority or an employee compensation program approved by the Board of Directors or committee appointed by the Board of Directors shall specify the maximum number of shares of common stock that may be subject to any option or restricted share award granted by the Chief Executive Officer depending upon the employee group of such new employee. The Chief Executive Officer, however, may not grant options to himself, or any other officer of the Company.

Subject to applicable law, the Board of Directors may from time to time alter, amend, suspend or terminate the Plan in such respects as the Board of Directors may deem advisable; provided, however, that no such alteration, amendment, suspension or termination shall be made that would substantially affect or impair the rights of any person under any outstanding option or restricted share award without his or her consent. Unless previously terminated by the Board of Directors, the Plan will terminate on April 25, 2023.

Eligibility. The Plan provides that awards may be granted to employees, officers, directors, consultants, independent contractors and advisors of the Company or an Affiliated Company, as may be determined by the Administrator. In no event may any officer or employee be granted options under the Plan for more than 400,000 shares of our common stock in any one calendar year. However, in connection with his or her initial service to the Company, an officer or employee may be eligible to be granted options for up to 400,000 shares of our common stock during the calendar year which includes such individual’s initial service to the Company.

The actual number of individuals who will receive awards under the Plan cannot be determined in advance because the Administrator has discretion to select the participants. Nevertheless, as of March 24, 2015, 10 officers and directors of the Company and approximately 33 other employees of the Company would be eligible to participate in the Plan.

Terms of Options. As discussed above, the Administrator determines many of the terms and conditions of awards granted under the Plan, including whether an option will be an “incentive stock option” (ISO) or a “non-qualified stock option” (NQSO). Each option is evidenced by an agreement in such form as the Administrator approves and is subject to the following conditions (as described in further detail in the Plan):

Vesting and Exercisability: Options become vested and exercisable within such periods and subject to such conditions as determined by the Administrator and as set forth in the related stock option agreement, provided that options must expire no later than ten years from the date of grant (five years with respect to an ISO granted to an optionee who owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or an Affiliated Company (a “10% Stockholder”)).

Exercise Price: The exercise price of options shall not be less than the fair market value of a share of common stock at the time the option is granted. The exercise price of any ISO granted to a 10% Stockholder shall not be less than 110% of the fair market value of a share of common stock at the time of grant, subject to limited exception. The Administrator may not reprice any outstanding options, either through an adjustment to the exercise price or through the cancellation of an option and regrant of a new option. Further, at any time when the exercise price of an option is above the fair market value of a share of common stock, the Administrator may not cancel that option in exchange for a cash payment without the approval of the Company's stockholders.

Method of Exercise: Payment of the exercise price may be made, in the discretion of the Administrator and subject to any legal restrictions, in cash, by check, by delivery of shares of our common stock, by waiver of compensation due or accrued to the optionee for services rendered, or any combination of the foregoing methods of payment or any other consideration or method of payment as shall be permitted by the Administrator and applicable law.

Termination of Service: Options cease vesting on the date of termination of service or the death or disability of the optionee, unless specified as otherwise in individual employment agreements. Options granted under the Plan generally expire three months after the termination of the optionee's service, except in the case of death or disability, in which case the awards generally may be exercised up to 12 months following the date of death or termination of service due to disability. However, if the optionee is terminated for cause (e.g., for committing an alleged criminal act or intentional tort against the Company), the Administrator may cause the optionee's options to expire upon termination. In addition, if a blackout applies to the optionee on the last trading day during the three-month post-termination exercise period, the option will generally be exercisable until the tenth day following the expiration of the blackout.

Cancellation and Rescission: Any unexpired, unpaid or deferred options may be cancelled, rescinded, suspended, withheld or otherwise limited or restricted by the Administrator at any time, unless otherwise specified in the related stock option agreement, if the optionee is not in compliance with all applicable provisions of the related stock option agreement and the Plan, or if the optionee engages in any: (i) unauthorized disclosure to anyone outside the Company, or unauthorized use in other than the Company's business, of any confidential information or material relating to the Company's business, acquired by the optionee either during or after employment with the Company; (ii) failure or refusal to promptly disclose and assign to the Company all right, title and interest in any invention or idea made or conceived by the optionee during employment with the Company that relates in any manner to the actual or anticipated business, research or development work of the Company; or (iii) activity that results in termination of the optionee's employment for cause.

Change in Control: The Administrator has the discretion to provide in each award agreement for (i) the vesting of options to accelerate automatically upon a change in control of the Company (as defined in the Plan) and (ii) the assumption of awards by the acquiring or successor entity (or parent thereof) or replacement by such entity with new options or other incentives upon a change in control of the Company (as defined in the Plan). In the past, the Company has granted, and in the future the Company intends to grant, award agreements which provide for such acceleration of vesting and/or assumption of awards. In addition, the Administrator may at its discretion provide for other vesting arrangements in option agreements.

Additional Restrictions. No ISOs may be granted to an optionee under the Plan if the aggregate fair market value (determined at the time of grant) of the common stock, with respect to which ISOs first become exercisable by such optionee in any calendar year under any equity compensation plan of the Company or an Affiliated Company, exceeds \$100,000. Options are nontransferable, other than by will or the laws of descent and distribution or in any manner permitted by the Administrator that is not prohibited by applicable law; provided, however, that no option shall be assignable or transferable in exchange for consideration.

Terms of Restricted Stock Awards. Each restricted share award is evidenced by a restricted stock purchase agreement in such form as the Administrator approves and is subject to the following conditions (as described in further detail in the Plan):

Vesting. Shares subject to a restricted share award may become vested over time or upon completion of performance goals set out in advance.

Purchase Price. Each restricted stock purchase agreement states the purchase price, which may not be less than the minimum lawful amount under applicable state law. Payment of the purchase price, if any, may be made, in the discretion of the Administrator and subject to any legal restrictions, in cash, by check, by delivery of shares of our common stock, by waiver of compensation due or accrued to the participant for services rendered, or any combination of the foregoing methods of payment or any other consideration or method of payment as shall be permitted by the Administrator and applicable corporate law. Without limiting the generality of the foregoing, the Administrator may determine to issue restricted shares as consideration for continued employment or the achievement of specified performance goals or objectives.

Termination of Service. Restricted share awards shall vest in accordance with the terms of a stock purchase agreement, which shall specify the date or dates, the performance goal(s) or objectives that must be achieved, and any other conditions on which the restricted share awards shall vest. Such agreement may provide, in the discretion of the Administrator, that we shall have the right, exercisable at the discretion of the Administrator, to repurchase, at the original purchase price, any restricted shares that have not vested as of the date of termination of the recipient's employment, service as a director or service provider status.

Change of Control. In the event of a change in control of the Company (as defined in the Plan), restricted share awards will generally be treated in the same manner as options under the Plan, as described under "Terms of Options", "Change in Control" above.

Additional Restrictions. Restricted shares are nontransferable except as specifically provided in the restricted stock purchase agreement and in certain limited circumstances provided in the Plan.

New Plan Benefits

On February 19, 2015, the Board approved, subject to stockholder approval of the Plan, the grant of the option awards described in the table below. As of March 23, 2015, the last reported sale price of our common shares on NASDAQ was \$1.69. Each option may be exercised for one common share until the 10-year anniversary of the grant date. No portion of these option awards that are subject to stockholder approval will be granted until such stockholder approval has been obtained.

Summary of Federal Income Tax Consequences of the Plan

The following is a brief summary of certain federal income tax consequences of participation in the Plan. The summary should not be relied upon as being a complete statement of all possible federal income tax consequences. Federal tax laws are complex and subject to change. Participation in the 2013 Plan may also have consequences under state and local tax laws which vary from the federal tax consequences described below. For such reasons, we recommend that each participant consult his or her personal tax advisor to determine the specific tax consequences applicable to him or her.

Incentive Stock Options. No taxable income will be recognized by an optionee under the 2013 Plan upon either the grant or the exercise of an ISO. Instead, a taxable event will occur upon the sale or other disposition of the shares acquired upon exercise of an ISO, and the tax treatment of the gain or loss realized will depend upon how long the shares were held before their sale or disposition. If a sale or other disposition of the shares received upon the exercise of an ISO occurs more than (i) one year after the date of exercise of the option and (ii) two years after the date of grant of the option, the holder will recognize long-term capital gain or loss at the time of sale equal to the full amount of the difference between the proceeds realized and the exercise price paid. However, a sale, exchange, gift or other transfer of legal title of such stock (other than certain transfers upon the optionee's death) before the expiration of either of the one-year or two-year periods described above will constitute a "disqualifying disposition." A disqualifying disposition involving a sale or exchange will result in ordinary income to the optionee in an amount equal to the lesser of (i) the fair market value of the stock on the date of exercise minus the exercise price or (ii) the amount realized on disposition minus the exercise price. If the amount realized in a disqualifying disposition exceeds the fair market value of the stock on the date of exercise, the gain realized in excess of the amount taxed as ordinary income as indicated above will be taxed as capital gain. A disqualifying disposition as a result of a gift will result in ordinary income to the optionee in an amount equal to the difference between the exercise price and the fair market value of the stock on the date of exercise. Any loss realized upon a disqualifying disposition will be treated as a capital loss. Capital gains and losses resulting from disqualifying dispositions will be treated as long-term or short-term depending upon whether the shares were held for more or less than the applicable statutory holding period (which currently is more than one year for long-term capital gains). We will be entitled to a tax deduction in an amount equal to the ordinary income recognized by the optionee as a result of a disposition of the shares received upon exercise of an ISO.

The exercise of an ISO may result in an "adjustment" for purposes of the "alternative minimum tax." Alternative minimum tax is imposed on an individual's income only if the amount of the alternative minimum tax exceeds the individual's regular tax for the year. For purposes of computing alternative minimum tax, the excess of the fair market value on the date of exercise of the shares received on exercise of an ISO over the exercise price paid is included in alternative minimum taxable income in the year the option is exercised. An optionee who is subject to alternative minimum tax in the year of exercise of an ISO may claim as a credit against the optionee's regular tax liability in future years the amount of alternative minimum tax paid which is attributable to the exercise of the ISO. This credit is available in the first year following the year of exercise in which the optionee has regular tax liability.

Non-qualified Stock Options. No taxable income is recognized by an optionee upon the grant of a NQSO. Upon exercise, however, the optionee will recognize ordinary income in the amount by which the fair market value of the shares purchased, on the date of exercise, exceeds the exercise price paid for such shares. The income recognized by the optionee who is an employee will be subject to income tax withholding by the Company out of the optionee's current compensation. If such compensation is insufficient to pay the taxes due, the optionee will be required to make a direct payment to us for the balance of the tax withholding obligation. We will be entitled to a tax deduction equal to the amount of ordinary income recognized by the optionee, provided that certain reporting requirements are satisfied. If the exercise price of a NQSO is paid by the optionee in cash, the tax basis of the shares acquired will be equal to the cash paid plus the amount of income recognized by the optionee as a result of such exercise. If the exercise price is paid by delivering shares of our common stock already owned by the optionee or by a combination of

cash and already-owned shares, there will be no current taxable gain or loss recognized by the optionee on the already-owned shares exchanged (however, the optionee will nevertheless recognize ordinary income to the extent that the fair market value of the shares purchased on the date of exercise exceeds the price paid, as described above). The new shares received by the optionee, up to the number of the old shares exchanged, will have the same tax basis and holding period as the optionee's basis and holding period in the old shares. The balance of the new shares received will have a tax basis equal to any cash paid by the optionee plus the amount of income recognized by the optionee as a result of such exercise, and will have a holding period commencing with the date of exercise. Upon the sale or disposition of shares acquired pursuant to the exercise of a NQSO, the difference between the proceeds realized and the optionee's basis in the shares will be a capital gain or loss and will be treated as long-term capital gain or loss if the shares have been held for more than the applicable statutory holding period (which is currently more than one year for long-term capital gains).

Restricted Shares. If no Section 83(b) election is made and repurchase rights are retained by the Company, a taxable event will occur on each date the participant's ownership rights vest (e.g., when our repurchase rights expire) as to the number of shares that vest on that date, and the holding period for capital gain purposes will not commence until the date the shares vest. The participant will recognize ordinary income on each date shares vest in an amount equal to the excess of the fair market value of such shares on that date over the amount paid for such shares. Any income recognized by a participant who is an employee will be subject to income tax withholding by us out of the participant's current compensation. If such compensation is insufficient to cover the amount to be withheld, the participant will be required to make a direct payment to us for the balance of the tax withholding obligation. We are entitled to a tax deduction in an amount equal to the ordinary income recognized by the participant. The participant's basis in the shares will be equal to the purchase price, if any, increased by the amount of ordinary income recognized.

If a Section 83(b) election is made within 30 days after the date of transfer, or if no repurchase rights are retained by us, then the participant will recognize ordinary income on the date of purchase in an amount equal to the excess of the fair market value of such shares on the date of purchase over the purchase price paid for such shares.

Tax Withholding. Under the 2013 Plan, we have the power to withhold, or require a participant to remit to us, an amount sufficient to satisfy federal, state, local or foreign withholding tax requirements with respect to any options exercised or restricted shares granted under the 2013 Plan. To the extent permissible under applicable tax, securities, and other laws, the Administrator may, in its sole discretion, permit a participant to satisfy an obligation to pay any tax to any governmental entity in respect of any option or restricted shares up to an amount determined on the basis of the lowest marginal tax rate applicable to such participant, in whole or in part, by (i) directing us to apply shares of common stock to which the participant is entitled as a result of the exercise of an option or as a result of the lapse of restrictions on restricted shares, or (ii) delivering to us shares of common stock owned by the participant.

Any shares subject to an Option granted during a calendar year to an Employee that can no longer under any circumstances be exercised or purchased for any reason under the Plan shall continue to count against the applicable limitations set forth above for such Employee during such calendar year.

ARTICLE 4

GRANTING OF AWARDS

4.1 Shares Subject to the Plan. The shares of stock available as a basis for Awards shall be Common Stock. Such shares may be issued from either previously authorized but unissued shares or treasury shares, subject to adjustment as to the number and kind of shares pursuant to Section 4.2 hereof. Subject to the foregoing, a total of 3,100,000 shares of Common Stock may be issued under the Plan. Notwithstanding the limitation described in the preceding sentence, if an option granted pursuant to an equity compensation plan of the Company other than the Plan is outstanding as of the Original Approved Date and such option subsequently terminates or expires in accordance with its terms, the shares of Common Stock underlying such option which remain unexercised and unissued at the time of such termination or expiration, shall become available for grant or issuance under the Plan, subject to adjustment pursuant to Section 4.2 hereof, provided, however, that in no event will there be available greater than 3,100,000 shares of Common Stock for purposes of the issuance of Incentive Options under the Plan, subject to adjustment pursuant to Section 4.2 hereof.

(a) Cancelled or Forfeited Awards other than Restricted Shares. For purposes of the limitation set forth in this Section 4.1, if all or any portion of any Award, other than Restricted Shares, granted or offered under the Plan can no longer under any circumstances be exercised or purchased due to the forfeiture or cancellation of all or any portion of such Award, then the shares of Common Stock allocable to such unexercised or forfeited portions of such Award shall not count against such limitation and shall again become available for grant or issuance under the Plan.

(b) Non-Replenishment of Reacquired Shares; Awards other than Restricted Shares for Reasons other than Cancellation or Forfeiture of Award. For purposes of the limitation set forth in this Section 4.1, any shares of Common Stock subject to an Award, other than Restricted Shares, and which are reacquired by the Company for any reason other than the cancellation or forfeiture of such Award as described in Section 4.1(a) shall count against such limitation. The Company shall hold all such shares of Common Stock that it reacquires as treasury shares, which shall not again become available for grant or issuance under the Plan.

(c) Replenishment of Reacquired Shares; Awards of Restricted Shares. For purposes of the limitation set forth in this Section 4.1, any shares of Common Stock that were initially the subject of a Stock Purchase Agreement, and which are reacquired by the Company for any reason, shall not count against such limitation and shall again become available for grant or issuance under the Plan.

4.2 Changes in Capital Structure. In the event that the outstanding shares of Common Stock are hereafter increased or decreased or changed into or exchanged for a different number or kind of shares or other securities of the Company by reason of a recapitalization, stock split, reverse stock split, combination of shares, reclassification, stock dividend, or other similar change in the capital structure of the Company, then appropriate adjustments shall be made by the Administrator to the aggregate number and kind of shares issuable thereafter under this Plan, the number and kind of shares and the price per share subject to outstanding Award Agreements and the limit on the number of shares under

Sections 3.3 and 3.4 above, all in order to preserve, as nearly as practical, but not to increase, the benefits to Participants. All references to shares of Common Stock herein give effect to the Company's reverse stock split by the ratio of 1 for 14, effective January 29, 2014.

4.3 Award Agreement. Each Award shall be evidenced by an Award Agreement. Award Agreements evidencing Incentive Options shall contain such terms and conditions as may be necessary to meet the applicable provisions of Section 422 of the Code.

4.4 Rule 16b-3 Covered Persons. Notwithstanding any other provision of the Plan, the Plan and any Award granted or awarded to a Rule 16b-3 Covered Person shall be subject to any additional limitations set forth in any applicable exemptive rule under Section 16 of the Exchange Act (including Rule 16b-3 under the Exchange Act) that are requirements for the application of such exemptive rule. To the extent permitted by applicable law, the Plan and Awards granted or awarded hereunder shall be deemed amended to the extent necessary to conform to such applicable exemptive rule(s).

ARTICLE 5

OPTIONS

5.1 Option Agreement. Each Option granted pursuant to this Plan shall be evidenced by an Option Agreement that shall specify the number of shares subject thereto, the Exercise Price per share, and whether the Option is an Incentive Option or Nonqualified Option. As soon as is practical following the grant of an Option, an Option Agreement shall be duly executed and delivered by or on behalf of the Company to the Optionee to whom such Option was granted. Each Option Agreement shall be in such form and contain such additional terms and conditions, not inconsistent with the provisions of this Plan, as the Administrator shall, from time to time, deem desirable, including, without limitation, the imposition of any rights of first refusal and resale obligations upon any shares of Common Stock acquired pursuant to an Option Agreement. Each Option Agreement may be different from each other Option Agreement.

5.2 Exercise Price. The Exercise Price per share of Common Stock covered by each Option shall be determined by the Administrator, subject to the following: (a) the Exercise Price of an Option shall not be less than 100% of Fair Market Value on the date the Option is granted and (b) if the person to whom an Incentive Option is granted is a 10% Stockholder on the date of grant, the Exercise Price shall not be less than 110% of Fair Market Value on the date the Option is granted. However, an Incentive Option may be granted with an Exercise Price lower than that set forth in clause (b) of the preceding sentence if such Incentive Option is granted pursuant to an assumption or substitution for another option in a manner satisfying the provisions of Section 424 of the Code.

5.3 Payment of Exercise Price. Payment of the Exercise Price shall be made upon exercise of an Option and may be made, in the discretion of the Administrator, subject to any legal restrictions, by: (a) cash; (b) check; (c) the surrender of shares of Common Stock acquired pursuant to the exercise of an Option (provided that shares acquired pursuant to the exercise of Options must have been held by the Optionee for the requisite period necessary to avoid a charge to the Company's earnings for financial reporting purposes), which surrendered shares shall be valued at Fair Market Value as of the date of such exercise; (d) the waiver of compensation due or accrued to the Optionee for services rendered; (e) a "same day sale" commitment from the Optionee and a FINRA Dealer whereby the Optionee irrevocably elects to exercise the Option and to sell a portion of the shares so purchased to pay for the Exercise Price and whereby the FINRA Dealer irrevocably commits upon receipt of such shares to forward the Exercise Price directly to the Company; or (f) any combination of the foregoing methods of payment or any other consideration or method of payment as shall be permitted by applicable law, including the Sarbanes-Oxley Act of 2002, as amended. Any shares of Common Stock received by the Company in payment of the Exercise Price shall be held by the Company as treasury shares and shall not be made available for grant or issuance under the Plan.

5.4 Term and Termination of Options. The term and provisions for termination of each Option shall be as fixed by the Administrator, but no Option may be exercisable more than ten (10) years after the date it is granted. An Incentive

Option granted to a person who is a 10% Stockholder on the date of grant shall not be exercisable more than five (5) years after the date it is granted.

5.5 Vesting and Exercise of Options. Each Option shall vest and become exercisable in one or more installments at such time or times and subject to such conditions, including without limitation the achievement of specified performance goal(s) or objectives, as shall be determined by the Administrator.

5.6 Annual Limit on Incentive Options. To the extent required for “incentive stock option” treatment under Section 422 of the Code, the aggregate Fair Market Value (determined as of the time of grant) of the Common Stock, with respect to which Incentive Options granted under this Plan and any other plan of the Company or any Affiliated Company become exercisable for the first time by an Optionee during any calendar year, shall not exceed \$100,000.

5.7 Nontransferability of Options. Except as otherwise provided by the Administrator in an Option Agreement and as permissible under applicable law, no Option shall be assignable or transferable except by will or the laws of descent and distribution, and during the life of the Optionee shall be exercisable only by such Optionee unless it has been disposed of with the consent of the Administrator (which consent may be withheld in the Administrator’s sole and absolute discretion) pursuant to a DRO. Notwithstanding the foregoing, no Option shall be assignable or transferable in exchange for consideration.

5.8 Rights as Stockholder. An Optionee or permitted transferee of an Option shall have no rights or privileges as a stockholder with respect to any shares covered by an Option until such Option has been duly exercised and certificates representing shares purchased upon such exercise have been issued to such person.

ARTICLE 6

RESTRICTED SHARES

6.1 Issuance and Sale of Restricted Shares. The Administrator shall have the right to grant Restricted Shares subject to such terms, restrictions and conditions as the Administrator may determine at the time of grant (“Restricted Share Awards”). Such conditions shall include the Purchase Price to be paid by the grantee for such an Award, if any (but not less than the minimum lawful amount under applicable state law). Such conditions may also include, but are not limited to, continued employment or the achievement of specified performance goal(s) or objectives.

6.2 Stock Purchase Agreements. A Participant shall have no rights with respect to the Restricted Shares covered by a Stock Purchase Agreement until the Participant has paid the full Purchase Price (if applicable) to the Company in the manner set forth in Section 6.3 hereof and has executed and delivered to the Company the Stock Purchase Agreement. Each Stock Purchase Agreement shall be in such form, and shall set forth the Purchase Price and such other terms, conditions and restrictions of the Restricted Shares, not inconsistent with the provisions of this Plan, as the Administrator shall, from time to time, deem desirable. Each Stock Purchase Agreement may be different from each other Stock Purchase Agreement.

6.3 Payment of Purchase Price. Subject to any legal restrictions, payment of the Purchase Price, if any, may be made, in the discretion of the Administrator, by: (a) cash; (b) check; (c) the surrender of shares of Common Stock owned by the Participant that have been held by the Participant for the requisite period necessary to avoid a charge to the Company’s earnings for financial reporting purposes, which surrendered shares shall be valued at Fair Market Value as of the date of such acceptance; (d) the waiver of compensation due or accrued to the Participant for services rendered; or (e) any combination of the foregoing methods of payment or any other consideration or method of payment as shall be permitted by applicable corporate law, including the Sarbanes-Oxley Act of 2002, as amended.

6.4 Rights as a Stockholder. Upon complying with the provisions of Section 6.2 hereof, a Participant shall have the rights of a stockholder with respect to the Restricted Shares purchased pursuant to a Stock Purchase Agreement, including voting and dividend rights, subject to the terms, restrictions and conditions as are set forth in such Stock

Purchase Agreement. Unless the Administrator shall determine otherwise, certificates evidencing Restricted Shares shall remain in the possession of the Company until such shares have vested in accordance with the terms of the Stock Purchase Agreement.

6.5 Restrictions. Restricted Shares may not be sold, assigned, transferred, pledged or otherwise encumbered or disposed of except as specifically provided in the Stock Purchase Agreement. In the event of termination of a Participant's employment, service as a director of the Company or Service Provider status for any reason whatsoever (including death or disability), the Stock Purchase Agreement may provide, in the discretion of the Administrator, that the Company shall have the right, exercisable at the discretion of the Administrator, to repurchase, at the original Purchase Price, any Restricted Shares which have not vested as of the date of termination. Notwithstanding the foregoing, Restricted Share Awards may be transferred, with the consent of the Administrator, pursuant to a DRO (which consent may be withheld in the Administrator's sole and absolute discretion).

6.6 Vesting of Restricted Shares. Subject to Section 6.5 above, the Stock Purchase Agreement shall specify the date or dates, the performance goal(s) or objectives that must be achieved, and any other conditions on which the Restricted Shares may vest.

ARTICLE 7

ADMINISTRATION OF THE PLAN

7.1 Administrator. Authority to control and manage the operation and administration of the Plan shall be vested in the Board, which may delegate such responsibilities in whole or in part to one or more Committees. Members of the Committee may be appointed from time to time by, and shall serve at the pleasure of, the Board. Without limiting the foregoing, the Board may limit the composition of the Committee to those persons necessary to comply with the requirements of Section 162(m) of the Code and the regulations promulgated thereunder, and Section 16 of the Exchange Act and Rule 16b-3 under the Exchange Act. The Board (or the Committee, as applicable) may delegate to the Chief Executive Officer of the Company the authority to (i) designate new Employees who are not officers of the Company to be the recipient of Incentive Options, Nonqualified Options or Restricted Shares, and (ii) determine the number of shares of Common Stock to be subject to such Incentive Options, Nonqualified Options or Restricted Shares; provided, however, that the Board resolutions regarding such delegation of authority or an employee compensation program approved by the Board or Committee shall specify the maximum number of shares of Common Stock that may be subject to any Incentive Option, Nonqualified Option or Restricted Shares granted by the Chief Executive Officer depending upon the employee group of such new Employee; and provided, further, that the Chief Executive Officer may not grant Options to himself, or any other officer of the Company. As used herein, the term "Administrator" means the Board or, with respect to any matter as to which responsibility has been delegated to the Committee or the Chief Executive Officer, the term Administrator shall mean the Committee or the Chief Executive Officer, as the case may be.

7.2 Powers of the Administrator. In addition to any other powers or authority conferred upon the Administrator elsewhere in the Plan or by law, the Administrator shall have full power and authority: (a) to determine the persons to whom, and the time or times at which, Awards shall be granted, the number of shares to be represented by each Option, the number of Restricted Shares to be offered, and the consideration to be received by the Company upon the exercise of or sale of such Awards; (b) to interpret the Plan; (c) to create, amend or rescind rules and regulations relating to the Plan; (d) to determine the terms, conditions and restrictions contained in, and the form of, Award Agreements; (e) to determine the identity or capacity of any persons who may be entitled to exercise a Participant's rights under any Award Agreement under the Plan; (f) to correct any defect or supply any omission or reconcile any inconsistency in the Plan or in any Award Agreement; (g) to accelerate the vesting of any Award or release or waive any repurchase rights of the Company with respect to any Award; (h) to extend the exercise date of any Award or acceptance date of any Award; (i) to provide for rights of first refusal and/or repurchase rights; (j) to amend outstanding Award Agreements to provide for, among other things, any change or modification which the Administrator could have included in the original Award Agreement or in furtherance of the powers provided for herein; and (k) to make all other determinations necessary or advisable for the administration of the Plan, but only to

the extent not contrary to the express provisions of the Plan. Any action, decision, interpretation or determination made in good faith by the Administrator in the exercise of its authority conferred upon it under the Plan shall be final and binding on the Company and all Participants. In making any determination or in taking or not taking any action under the Plan, the Administrator may obtain and rely upon the advice of experts, including advisors to the Company.

7.3 Limitation on Liability. No Employee of the Company or member of the Board or Committee shall be subject to any liability with respect to duties under the Plan unless the person acts fraudulently or in bad faith. To the extent permitted by law, the Company shall indemnify each member of the Board or Committee, and any Employee of the Company with duties under the Plan, who was or is a party, or is threatened to be made a party, to any threatened, pending or completed proceeding, whether civil, criminal, administrative or investigative, by reason of such person's conduct in the performance of duties under the Plan.

ARTICLE 8

CHANGE IN CONTROL

8.1 Change in Control. In order to preserve a Participant's rights in the event of a Change in Control of the Company:

(a) The Administrator shall have the discretion to provide in each Award Agreement the terms and conditions that relate to (i) vesting of such Award in the event of a Change in Control, and (ii) assumption of such Awards or issuance of comparable securities under an incentive program in the event of a Change in Control. The aforementioned terms and conditions may vary in each Award Agreement.

(b) If the terms of an outstanding Option Agreement provide for accelerated vesting in the event of a Change in Control, or to the extent that an Option is vested and not yet exercised, the Administrator in its discretion may provide, in connection with the Change in Control transaction, for the purchase or exchange of each Option for an amount of cash or other property having a value equal to the difference (or "spread") between: (x) the value of the cash or other property that the Participant would have received pursuant to the Change in Control transaction in exchange for the shares issuable upon exercise of the Option had the Option been exercised immediately prior to the Change in Control, and (y) the Exercise Price of the Option.

(c) Outstanding Options shall terminate and cease to be exercisable upon consummation of a Change in Control except to the extent that the Options are assumed by the successor entity (or parent thereof) pursuant to the terms of the Change in Control transaction.

(d) The Administrator shall cause written notice of a proposed Change in Control transaction to be given to Participants not less than fifteen (15) days prior to the anticipated effective date of the proposed transaction.

ARTICLE 9

AMENDMENT AND TERMINATION OF THE PLAN

9.1 Amendments. Subject to applicable law, including Nasdaq stockholder approval requirements, the Board may from time to time alter, amend, suspend or terminate the Plan in such respects as the Board may deem advisable. No such alteration, amendment, suspension or termination shall be made which shall substantially affect or impair the rights of any Participant under an outstanding Award Agreement without such Participant's consent. The Board may alter or amend the Plan to comply with requirements under the Code relating to Incentive Options or other types of options which give Optionees more favorable tax treatment than that applicable to Options granted under this Plan as of the date of its adoption. Upon any such alteration or amendment, any outstanding Option granted hereunder may, if the Administrator so determines and if permitted by applicable law, be subject to the more favorable tax treatment afforded to an Optionee pursuant to such terms and conditions.

9.2 Plan Termination. Unless the Plan shall theretofore have been terminated, the Plan shall terminate on the tenth (10th) anniversary of the earlier of the Original Effective Date and the Original Approved Date and no Awards may be granted under the Plan thereafter, but Award Agreements then outstanding shall continue in effect in accordance with their respective terms.

ARTICLE 10

CANCELLATION & RESCISSION

10.1 Non-Competition. Unless an Option Agreement specifies otherwise, the Administrator may cancel, rescind, suspend, withhold or otherwise limit or restrict any unexpired, unpaid or deferred Options at any time if the Participant is not in compliance with all applicable provisions of the Option Agreement and the Plan or if the Participant engages in any "Adverse Activity." For purposes of this Section 10.1, "Adverse Activity" shall include: (i) the disclosure to anyone outside the Company, or the use in other than the Company's business, without prior written authorization from the Company, of any confidential information or material relating to the business of the Company, acquired by the Participant either during or after employment with the Company; (ii) the failure or refusal to disclose promptly and to assign to the Company all right, title and interest in any invention or idea, patentable or not, made or conceived by the Participant during employment by the Company, relating in any manner to the actual or anticipated business, research or development work of the Company; or (iii) activity that results in termination of the Participant's employment for Cause.

10.2 Agreement Upon Exercise. Upon exercise, payment or delivery pursuant to an Option Agreement, the Participant shall certify in a manner acceptable to the Company that he or she is in compliance with the terms and conditions of the Plan. In the event a Participant fails to comply with the provisions of clauses (i) through (iii) of Section 10.1 hereof prior to, or during the six (6) months after, any exercise, payment or delivery pursuant to an Option Agreement, such exercise, payment or delivery may be rescinded within two years thereafter. In the event of any such rescission, the Participant shall pay to the Company the amount of any gain realized or payment received as a result of the exercise, payment or delivery, in such manner and on such terms and conditions as may be required, and the Company shall be entitled to set-off against the amount of any such gain any amount owed to the Participant by the Company.

ARTICLE 11

TAX WITHHOLDING

11.1 Withholding. The Company shall have the power to withhold, or require a Participant to remit to the Company in cash, an amount sufficient to satisfy any applicable federal, state, local or foreign tax withholding requirements with respect to any Options exercised, any Restricted Shares issued, or any other Award issued under the Plan. To the extent permissible under applicable tax, securities and other laws, the Administrator may, in its sole discretion and upon such terms and conditions as it may deem appropriate, permit a Participant to satisfy his or her obligation to pay any such tax, in whole or in part, in an amount determined on the basis of the lowest rate of withholding applicable to such Participant, by (a) directing the Company to apply shares of Common Stock to which the Participant is entitled as a result of the exercise of an Award or as a result of the purchase of or lapse of restrictions on an Award, or (b) delivering to the Company shares of Common Stock owned by the Participant. The shares of Common Stock so applied or delivered in satisfaction of the Participant's tax withholding obligation shall be valued at their Fair Market Value as of the date of withholding based on the minimum statutory withholding rates for income tax and payroll tax purposes that are applicable to such supplemental taxable income.

11.2 Shares Withheld to Satisfy Withholding; Restricted Shares. Any shares of Common Stock received by the Company pursuant to Section 11.1 above with respect to Restricted Shares above shall not count against the applicable limits set forth in Article 4 hereof and shall again become available for grant or issuance under the Plan.

11.3 Shares Withheld to Satisfy Withholding; Awards other than Restricted Shares. Any shares of Common Stock received by the Company pursuant to Section 11.1 above with respect to Awards other than Restricted Shares shall be held by the Company as treasury shares and shall count against the applicable limits set forth in Article 4 hereof and shall not again become available for grant or issuance under the Plan.

ARTICLE 12

MISCELLANEOUS

12.1 Repricings and Buyouts Not Permitted. Notwithstanding anything herein to the contrary, the Administrator shall not have the authority to cause the repricing of any outstanding Options either through an adjustment to the Exercise Price or through the cancellation of an Option and regrant of a new Option or other Award in exchange for the cancelled Option (a "Repricing"), unless such Repricing is approved by a majority of the Company's stockholders entitled to vote on such matter. Notwithstanding anything herein to the contrary, the Administrator shall not, at any time when the Exercise Price of an Option is above the Fair Market Value of one share of Common Stock, have the power to cancel any such Option in exchange for a cash payment without the approval of a majority of the Company's stockholders entitled to vote on such matter.

12.2 Benefits Not Alienable. For so long as it is subject to any restrictions pursuant to this Plan or an Award Agreement, no Award or interest or right therein or part thereof shall be liable for the debts, contracts, or engagements of the Participant or his or her successors in interest or shall be subject to disposition by transfer, alienation, anticipation, pledge, encumbrance, assignment, or any other means whether such disposition be voluntary or involuntary or by operation of law, by judgment, levy, attachment, garnishment, or any other legal or equitable proceedings (including bankruptcy), and any attempted disposition thereof shall be null and void and of no effect; provided, however, that nothing in this Plan shall prevent transfers by will or the applicable laws of descent and distribution or assignments pursuant to a DRO entered by a court of competent jurisdiction.

12.3 No Enlargement of Employee Rights. This Plan is strictly a voluntary undertaking on the part of the Company and shall not be deemed to constitute a contract between the Company and any Participant to be consideration for, or an inducement to, or a condition of, the employment of any Participant. Nothing contained in the Plan shall be deemed to give the right to any Participant to be retained as an employee of the Company or any Affiliated Company or to interfere with the right of the Company or any Affiliated Company to discharge any Participant at any time.

12.4 Application of Funds. The proceeds received by the Company from the sale of Common Stock pursuant to Award Agreements, except as otherwise provided herein, will be used for general corporate purposes.

12.5 Annual Reports. During the term of this Plan, the Company will furnish to each Participant who does not otherwise receive such materials, copies of all reports, proxy statements and other communications that the Company distributes generally to its stockholders.

12.6 Applicable Law. The validity, construction, interpretation and effect of this Plan and all Award Agreements hereunder shall be governed by and determined in accordance with the laws of the State of Washington except for matters of corporate law, in which case the provisions of the Delaware General Corporation Law shall govern.
