Block, Edelstein, Weintraub and Zarriello. Applied Digital currently owns 55.2% of our outstanding common stock. As a result, we are a controlled company within the meaning of the corporate governance standards of the American Stock Exchange (AMEX). We have not elected to take advantage of the controlled company exemption as permitted under Section 801(a) of the AMEX Company Guide. All of the directors on our Compensation Committee are independent, a majority of the members of our Board of Directors are independent and we have an Independent Director Committee.

Code of Conduct and Corporate Ethics Policy Statement

The Board of Directors approved our Code of Conduct and Corporate Ethics Policy Statement. Board of Directors and Committees

The Board of Directors held 10 meetings, including 7 regularly scheduled meetings and 3 special meetings, during the year ended December 31, 2006. Each director attended at least 90% or more of the aggregate number of meetings held by the Board of Directors and the committees on which he served. It is the policy of the Board of Directors of Digital Angel to encourage its members to attend Digital Angel's Annual Meeting of Stockholders. All members of the Board of Directors were present at Digital Angel's 2006 Annual Meeting of Stockholders.

AUDIT COMMITTEE REPORT

The Audit Committee monitors the accounting and financial reporting process of Digital Angel to assist the Board of Directors of Digital Angel. Management has primary responsibility for Digital Angel's financial statements, financial reporting processes and internal control over financial reporting. The independent auditors are responsible for performing an independent audit of Digital Angel's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and evaluating the effectiveness of internal controls and issuing a report thereon. The Audit Committee's responsibility is to select the independent auditors and monitor and oversee the accounting and financial reporting processes of Digital Angel, including Digital Angel's internal controls over financial reporting, and the audits of the financial statements of Digital Angel.

During the course of 2006 and the first quarter of 2007, the Audit Committee regularly met and held discussions with management and the independent auditors. In the discussions related to Digital Angel's consolidated financial statements for fiscal year 2006, management represented to the Audit Committee that such consolidated financial statements were prepared in accordance with U. S. generally accepted accounting principles. The Audit Committee reviewed and discussed with management and the independent auditors the audited consolidated financial statements for fiscal year 2006, management's annual report on internal control over financial reporting, the results of the independent auditor's testing and evaluation of Digital Angel's internal control over financial reporting and the independent auditor's attestation report regarding management's assessment of internal control over financial reporting. In fulfilling its responsibilities, the Audit Committee discussed with the independent auditors the matters that are required to be discussed by Statement on Auditing Standards No. 61 (as amended) (Communication with Audit Committees). In addition, the Audit Committee received from the independent auditors the written disclosures and letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent auditors that firm's independence. In connection with this discussion, the Audit Committee also considered whether the provision of services by the independent auditors not related to the audit of Digital Angel's financial statements for fiscal year 2006 is compatible with maintaining the independent auditors' independence. The Audit Committee's policy is that it must approve any audit or permitted non-audit service proposed to be performed by its independent auditors in advance of the performance of such service. Based upon the Audit Committee's discussions with management and the independent auditors and the Audit Committee's review of the representations of management and the report and letter of the independent auditors provided to the Audit Committee, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements for the year ended December 31, 2006 be included in Digital Angel's Annual Report on Form 10-K, for filing with the SEC.

See the portion of this proxy statement titled "Information about Corporate Governance, the Board of Directors and Committees" beginning on page 5 for information on the Audit Committee's meetings in 2006.

Narrative Disclosure to Summary Compensation Table and Grants of Plan-Based Awards Table*Employment Agreements*

We do not have a formal written employment agreement with Kevin N. McGrath, our President and Chief Executive Officer. On December 2, 2004, we entered into a Change of Control Agreement with Mr. McGrath. Upon a change of control (as defined in the agreement), Mr. McGrath would be entitled to receive three times his base salary and three times his average bonus paid to him for the three full years immediately prior to the change of control. In addition, all unvested stock options will immediately vest in full. Further, we will continue to pay any lease payments on any vehicle then used by Mr. McGrath.

Effective as of April 1, 2002, we entered into an employment agreement with Mr. James P. Santelli, our former Vice President, Finance and Chief Financial Officer. The agreement provided that we pay Mr. Santelli an initial base salary of \$175,000 per year and that he was entitled to participate in any of our benefit and deferred compensation plans or programs as are from time to time available to our officers. The agreement contained confidentiality, non-compete and

assignment of invention clauses. The agreement also provided that if the Board of Directors terminated Mr. Santelli's employment with us because of his willful and material misconduct or because he has breached the agreement in any material respect, or if Mr. Santelli terminated his employment other than for "Good Reason" (as that term is defined in the agreement), he would be entitled to salary and benefits accrued through the date of termination of employment. If Mr. Santelli died or became disabled (as disabled is determined under the agreement), if we terminated his employment for reasons other than his misconduct or his breach of the agreement, or if he terminated his employment for Good Reason, we were required to pay him his accrued compensation and benefits for the remaining term of the agreement, including any extensions. The employment agreement provided that upon a change of control, Mr. Santelli may terminate his employment at any time within one year after the change of control upon 15 days' notice. Upon such termination, he would be entitled to a severance payment equal to the base amount as defined in Section 280G(b)(3) of the Internal Revenue Code minus \$1.00. Upon a change of control, all unvested stock options held by Mr. Santelli would immediately vest in full.

Table of Contents

Effective January 2, 2007, Mr. Santelli resigned as our Vice President, Finance and Chief Financial Officer. Mr. Santelli continued his employment with us until January 31, 2007, when he retired in order to effect a smooth transition to Mr. Hoyer, the new Chief Financial Officer. We agreed to pay Mr. Santelli a retirement package which includes payment of an amount equal to \$222,083, which is the sum of 13 months of his base salary plus \$50,000, which is equal to the larger of either his 2005 or 2006 bonus, plus continued healthcare benefits in the amount of \$4,944.

Effective as of February 28, 2005, we entered into an employment agreement with Mr. Lasse Nordfjeld, our President of the Animal Applications Group. The agreement has an initial term of one year which automatically renews for successive one-year terms on each anniversary date of the agreement, which is added at the end of the then existing term, unless either party notifies the other at least 90 days prior to such an anniversary date. The agreement provides that we will pay Mr. Nordfjeld a base salary of 1,200,000 Danish Kroner per year (\$201,600 in United States Dollars, translated at a rate for 2006 of 0.168), a performance based annual bonus up to 50% of his base salary and a one time option to purchase 150,000 shares of our common stock, and that he is entitled to participate in any of the benefit plans or programs as are from time to time available to officers of DSD Holding A/S, our wholly-owned subsidiary. The agreement contains confidentiality, non-compete and assignment of invention clauses. The agreement also provides that if our Board of Directors terminates Mr. Nordfjeld's employment with us because of his willful and material misconduct or because he has breached the agreement in any material respect, or if Mr. Nordfjeld terminates his employment other than for Good Reason (as that term is defined in the agreement), he is entitled to salary, bonus and benefits accrued through the date of termination of employment. If Mr. Nordfjeld dies, his estate is entitled to his salary, bonus and benefits accrued through the last day of the month in which his death occurs. If Mr. Nordfjeld becomes disabled (as determined under the agreement), Mr. Nordfjeld is entitled to salary, bonus and benefits accrued through 90 days after notice of termination. If we terminate his employment for reasons other than his misconduct or his breach of the agreement, or if he terminates his employment for Good Reason, then we must pay him his accrued compensation, salary and benefits for the remaining term of the agreement, including any extensions. The employment agreement provides that upon a change of control, Mr. Nordfjeld may terminate his employment at any time within one year after the change of control upon 15 days' notice. Upon such termination, we must pay to Mr. Nordfjeld a severance payment equal to his accrued compensation, salary and benefits for the remaining term of the agreement, including any extensions. Upon a change of control, all outstanding stock options held by Mr. Nordfjeld would become fully exercisable.

We have an employment agreement with David M. Cairnie effective April 13, 1993. The initial term of the agreement was one year until terminated by either party giving six months' notice or payment in lieu of such notice expiring on or at any time one year after the effective date of the agreement. The agreement provides that we will pay Mr. Cairnie an initial base salary of £75,000 per year, or a higher rate as to which the parties may from time to time agree. The agreement also provides for a bonus based on the achievement of profits, as defined in the agreement. In addition, under the agreement, we will provide an automobile to Mr. Cairnie. The agreement includes a 6 month non-compete provision.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We have an eleven-year Distribution and Licensing Agreement dated March 4, 2002, amended December 28, 2005, with VeriChip Corporation, or VeriChip, an affiliated, majority-owned subsidiary of Applied Digital, covering the manufacturing, purchasing and distribution of our implantable microchip and the maintenance of the VeriChip Registry by us. The agreement contains, among other things, minimum purchase requirements in order to maintain exclusivity. Under the agreement, VeriChip is required to purchase \$875,000, \$1,750,000 and \$2,500,000 for each of 2007, 2008 and 2009, respectively, and \$3,750,000 for 2010 and each year thereafter. The agreement continues until March 2013 and, as long as VeriChip continues to meet the minimum purchase requirements, will automatically renew annually under its terms. The agreement includes a license for the use of our technology in VeriChip's identified markets. Under the agreement, we are the sole manufacturer and supplier to VeriChip. Revenue recognized under the agreement was \$0.4 million for 2006.

Policy for Related Party Transactions

Our Board of Directors has adopted a written policy for related party transactions. This policy establishes procedures to ensure that all related party transactions are prudently and properly evaluated, authorized, executed, and disclosed in accordance with all applicable legal and contractual requirements. For purposes of the policy, a related party transaction means any transaction between us and any of our affiliates (other than transactions available to all employees generally) that involve more than \$10,000 when aggregated with all similar transactions, and includes any related party transactions as defined in Item 404 of Regulation S-K. For purposes of the policy, affiliates include:

- our directors;

- our executive officers;

- nominees for election of directors; and

- stockholders who own 5% of our voting securities.

Affiliates include members of the immediate family of the above persons and entities in which any of the above persons is employed or is an affiliate.

Under the policy, every related party transaction must be approved or ratified by the Independent Director Committee. The Independent Director Committee will only approve those proposed related party transactions that comply with all applicable legal and contractual requirements and that the Independent Director Committee reasonably believes to be in the best interests of our company. In approving a proposed related party transaction, the Independent Director Committee will consider:

- the interest of the affiliate in the proposed transaction;

- how the proposed transaction compares to a comparable arm's length transaction with a person who is not an affiliate of our company;

- whether the transaction is to be effected at fair market value; and

- whether any terms of the transaction are not ordinary and customary for commercial transactions of the type.

All related person transactions shall be disclosed in our applicable SEC filings as required under SEC rules.

PROPOSAL 2
APPROVAL OF THE ADOPTION OF THE AMENDED AND
RESTATED CERTIFICATE OF INCORPORATION

Proposal

On March 20, 2007, our Board approved an amendment to our Restated Certificate of Incorporation to amend and restate the Restated Certificate of Incorporation. Our Restated Certificate of Incorporation was originally adopted on December 1, 1981 and has been amended several times since its adoption. The proposed Amended and Restated Certificate of Incorporation combines all of the amendments into one document, deletes certain provisions that are no longer necessary and incorporates more recent provisions of the Delaware General Corporation Law. A copy of the proposed Amended and Restated Certificate of Incorporation, in substantially the form to be filed with the Secretary of State of Delaware, is attached hereto as part of Exhibit A, and incorporated herein by reference. All stockholders are urged to carefully review the attached Exhibit. If Proposal 2 is approved, the amendments will become effective upon filing the Amended and Restated Certificate of Incorporation with the Delaware Secretary of State.

Summary of Proposed Changes to the Certificate of Incorporation

The following is a summary of the principal changes that the proposed Amended and Restated Certificate of Incorporation makes to the Restated Certificate of Incorporation.

66.6% Vote Requirement

The Amended and Restated Certificate of Incorporation deletes Article Ninth, which requires that at least 66.6% of the issued and outstanding shares approve the following:

The issuance of our common stock, including options or warrants, for non-cash consideration or for less than fair market value. Fair market value means the average of the daily market price of our common stock during the ten consecutive trading days before the date of purchase; or

Certain bankruptcy events, if at the time of the event:

Applied Digital has implemented a bankruptcy event, or

Applied Digital is in default under its obligations for borrowed money, including the credit agreement with IBM Credit Corporation.

As discussed below, Article Ninth was required to be included by IBM Credit Corporation as part of a financing arrangement between Applied Digital and IBM in 2002. The financing has been paid in full and this provision is no longer necessary. Therefore, our Board believes that deleting Article Ninth is in the best interests of our stockholders so that we have the flexibility to pay one or more monthly payments of principal and interest under our 10.25% senior secured debentures in shares of our common stock, as described below. Further, our Board believes that it is in our best interests that we have the flexibility to issue shares of common stock for non-cash consideration or less than fair market value, as needs may arise in connection with financing activities, without further stockholder action unless required by applicable law, regulation, listing requirements or our Amended and Restated Certificate of Incorporation. The rules of the American Stock Exchange would require that a majority of the votes cast by our stockholders approve the issuance of 20% of our outstanding shares at less than market value. The Board also believes that the 66.6% vote requirement can limit stockholders' ability to effect change, in that such a requirement essentially provides a veto to a large minority of stockholders. Except as described below, we currently have no agreements, understandings or plans for the issuance of shares of our common stock at less than fair market value.

Table of Contents

Article Ninth was originally adopted by stockholders in connection with the merger that resulted in our acquisition of Digital Angel Technology Corporation, Timely Technology Corp. and an 85.0% interest in Signature Industries Limited. The merger was completed on March 27, 2002. The merger agreement required that the stock of these three companies and the assets of Digital Angel Technology Corporation, all of which were pledged by Applied Digital as security for substantial indebtedness to IBM Credit Corporation, be delivered to us at the closing of the merger free and clear of all liens, security interests and mortgages. As part of a major restructuring of its lending relationship with Applied Digital and as one of the conditions to releasing its security interest in the stock of these transferred companies and the assets of Digital Angel Technology Corporation, IBM Credit Corporation required that article Ninth be included in the Restated Certificate of Amendment. In approving the adoption of Article Ninth, the Board determined that the benefits to Digital Angel Corporation of the merger, which could not have occurred without the consent of IBM Credit Corporation and the release of its security interest substantially outweighed the restrictions being imposed by IBM Credit Corporation as a condition of giving its consent to the merger and releasing its security interests.

On February 6, 2007, we entered into a securities purchase agreement, pursuant to which we sold a 10.25% senior secured debenture in the original principal amount of \$6,000,000 and a five-year warrant to purchase 699,600 shares of our common stock for an aggregate purchase price of \$6,000,000. The debenture matures on February 6, 2010, but we may, at our option, prepay the debenture in cash at any time by paying a premium of 2% of the outstanding principal amount of the debenture. We are obligated to make monthly payments of principal plus accrued but unpaid interest (including default interest, if any) beginning on September 4, 2007.

Upon satisfaction of certain conditions set forth in the debenture, including approval by our stockholders of the deletion of Article Ninth, and the availability of an effective registration statement covering the resale of shares by the holders, we may, at our option, elect to pay one or more monthly payments of principal and interest with shares of our common stock in lieu of cash. Our decision to make a monthly payment with cash or with shares of our common stock, or a combination of both, will be determined on a monthly basis. Currently, we anticipate making monthly payments with cash. If we elect to make a monthly payment with shares of our common stock, the shares will be valued at an 8% discount to the then current market price of a share of our common stock, which would be prohibited by Article Ninth.

Before we can exercise our option and make any monthly payment due under the debenture with our shares, we must satisfy several conditions on and immediately preceding the payment date, including (i) no event of default has occurred and is continuing, (ii) the payment would not exceed the 4.99% beneficial ownership restriction or the 19.99% issuance cap and (iii) holders of 66.6% of our outstanding common stock have approved the amendment to our Restated Certificate of Incorporation removing Article Ninth before we can issue common stock for cash consideration less than fair market value.

Dilution to Stockholders. The issuance of additional shares of our common stock at a discount may, among other things, have a dilutive effect on earnings per share and on stockholders' equity and voting rights. If we elect to issue shares as payment for amounts due under the debenture, the shares will be issued at an 8% discount to the then current market price of the shares. If 100% of the shares issuable under the debenture, based on approximately 2,438,189 shares issued, it would approximately equal 5% of our outstanding shares as of March 15, 2007 and 4.7% of our outstanding shares held by non-affiliates.

Director Liability

The current Delaware General Corporation Law allows a corporation to limit the personal liability of directors for monetary damages for breach of fiduciary duties except for liability (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the Delaware General Corporation Law, or (iv) for any transaction from which the director derived an improper personal benefit. Accordingly, the proposed Amended and Restated Certificate of Incorporation includes new Article Eighth which limits the personal liability of directors to the extent permissible under the Delaware General Corporation Law.

Table of Contents

The Board believes it is in our best interest of our company and our stockholders to limit the liability of directors for breach of their fiduciary duties to the fullest extent permissible under the Delaware General Corporation Law in response to the increasing hazard of unfounded litigation directed against directors, such litigation's related expense, and in order to continue to attract and retain qualified directors.

Capital Stock

Article Fourth provides that we have the authority to issue 96,000,000 million shares of capital stock, consisting of 95,000,000 shares of common stock and 1,000,000 shares of preferred stock. Article Fourth further provides that the Board of Directors is authorized to provide for the issuance of preferred stock in one or more series and to establish the number of shares to be included in each series and to fix the designations, powers, preferences and rights of the shares of each series and the qualifications, limitations or restrictions of the series. The Amended and Restated Certificate of Incorporation deletes the following paragraphs from Article Fourth:

Dividends on outstanding shares of preferred stock shall be paid or declared and set apart for payment before any dividends are paid or declared and set apart for payment on shares of the common stock for the same dividend period. If upon any voluntary or involuntary liquidation, dissolution or winding up of the Corporation, the assets available for distribution to holders of shares of preferred stock of all series shall be insufficient to pay such holders the full preferential amount to which they are entitled, then such assets shall be distributed ratably among the shares of preferred stock in accordance with the respective preferential amounts (including unpaid cumulative dividends, if any) payable with respect thereto.

Our Board believes that deleting these provisions from Article Fourth is in the best interests of our company and our stockholders so that the Board has the maximum flexibility in establishing the designations, powers, preferences and rights of the shares of preferred stock that it is authorized to issue in the relevant certificate of designation for the series of preferred stock, rather than in the Certificate of Incorporation.

Election of Directors by Written Ballot

The proposed Amended and Restated Certificate of Incorporation includes Article Tenth, which provides that the election of directors need not be by written ballot, unless our by-laws provide otherwise. This article conforms to current Delaware law to provide us with greater flexibility in utilizing, at our election, efficient and cost-effective alternatives to voting by written ballot.

Vote Required

The affirmative vote of the holders of not less than 66.6% of the issued and outstanding shares of the common stock is required for the approval of the adoption of the Amended and Restated Certificate of Incorporation. You may vote in favor or against the proposal or you may abstain. Brokers that do not receive instructions are not entitled to vote those shares with respect to this proposal. Broker non-votes and abstentions will have the effect of a negative vote.

Recommendation of the Board of Directors

PROPOSAL 3
APPROVAL AND ADOPTION OF THE DIGITAL ANGEL CORPORATION
2007 EQUITY PARTICIPATION PLAN

Proposal

On March 20, 2007, the Board of Directors, subject to shareholder approval, approved the Digital Angel Corporation 2007 Equity Participation Plan (the 2007 Plan).

Summary of Plan

The following summary of the material features of the 2007 Plan, is qualified in its entirety by reference to the full text of the 2007 Plan, which is attached as Annex B.

Purpose, participants, effective date and duration. We adopted the 2007 Plan effective March 20, 2007. The purpose of the 2007 Plan is to encourage employees, directors and consultants of our company and our subsidiaries, who render services of special importance to the management, operation or development of us or our subsidiaries, and who have contributed or may be expected to contribute materially to the success of, us or our subsidiaries (the

Participants), to continue their association with us and our subsidiaries by providing them with an opportunity to acquire or increase their ownership in our company. We believe this will create a stronger incentive for them to expend maximum effort for the growth and success of our company and our subsidiaries.

Shares subject to the 2007 Plan. The maximum number of shares of our common stock for which Awards may be granted under the 2007 Plan is 1,500,000.

In the event of any change in the number or kind of common stock outstanding pursuant to a reorganization, subdivision, consolidation, recapitalization, exchange of shares, stock dividend or split or combination of shares, appropriate adjustments will be made (1) to the number of shares subject to outstanding options, (2) in the exercise price per share of outstanding options and (3) in the kind of shares which may be issued under the 2007 Plan.

Types of Awards. Awards under the 2007 Plan may consist of any of incentive stock options, non-qualified stock options, restricted stock and other awards that are valued in whole or in part by reference to, or otherwise based on, the common stock approved by the Compensation Committee; provided, however, that in no case may the number of shares with respect to which incentive stock options (ISOs) may be granted exceed 1,500,000 shares. Shares subject to options or awards, which are forfeited, settled for cash or otherwise terminate, are surrendered to pay for option exercises, expire unexercised or are canceled without delivery of shares, will again become available for grant under the 2007 Plan.

Administration. The 2007 Plan is administered by the Compensation Committee, which must consist solely of at least two directors who are both non-employee directors within the meaning of Rule 16b-3 under the Exchange Act and outside directors within the meaning of Section 162(m) of the Internal Revenue Code.

Subject to the terms of the 2007 Plan, the Compensation Committee has authority to: (1) select the persons to whom Awards shall be granted; (2) determine the type, number or value and the terms and conditions of Awards granted to each such person, including the price per share to be paid upon exercise of any option and the period within which each such option may be exercised; and (3) interpret the 2007 Plan and prescribe rules and regulations for the administration thereof.

Eligibility for Participation. Full and part-time employees, consultants, independent contractors, officers and directors (or employees, officers, or directors of any of our current or future subsidiaries) are eligible to receive grants under the 2007 Plan (Participants). As of March 15, 2007, we had 335 employees (including five executive officers) and five non-employee directors. The grant of Awards under the 2007 Plan is discretionary and we cannot now determine the number of Awards to be granted in the future to any particular person or group.

Table of Contents

Options, Term and Exercise Price. Unless otherwise determined by the Compensation Committee, the exercise price of the common stock subject to an option is the fair market value of the stock on the date the option is granted. However, ISOs granted to a person who owns more than 10% of our voting power are required to have an exercise price of not less than 110% of the fair market value of the common stock on the grant date. On March 15, 2007, the closing price per share of our common stock was \$1.95 per share.

The Compensation Committee determines the option exercise period for each option, not to exceed ten years from the grant date, except that ISOs granted to a person who owns more than 10% of our voting power are required to have an exercise period of not greater than five years.

Transferability of Options. In general, options are not transferable, except by will or the laws of descent or distribution. However, the 2007 Plan permits a grantee to transfer nonqualified stock options to family members or entities (including trusts) established for the benefit of the grantee or the grantee's family members; provided that the transferred option must continue to be subject to the same terms and conditions as were applicable to the option immediately before the transfer and any other transfer allowed by applicable securities laws.

Awards under the 2007 Plan. The 2007 Plan provides that the Compensation Committee may grant or issue stock options, restricted stock, stock appreciation rights and other equity based instruments approved by the Compensation Committee or any combination thereof to any eligible employee, consultant, independent contractor, officer, or director. Each such award will be set forth in a separate agreement with the person receiving the award and will indicate the type, terms and conditions of the award. The maximum number of shares of common stock that may be subject to options granted to an employee covered by the Internal Revenue Code Section 162(m) during any calendar year is 500,000.

Nonqualified Stock Options, (NQSOs), will provide for the right to purchase common stock at a specified price and usually will vest in one or more installments after the grant date, subject to the participant's continued employment with us; provided, that the Compensation Committee may modify any of these terms, in its discretion, at the time of the grant. NQSOs may be granted for any term specified by the Compensation Committee.

Incentive Stock Options will be designed to comply with certain restrictions contained in the Internal Revenue Code. Among such restrictions, ISOs (i) must have an exercise price not less than the fair market value of a share of common stock on the grant date; (ii) may only be granted to employees; (iii) must expire within a specified period of time following the optionee's termination of employment; and (iv) must be exercised within ten years after the grant date, but may be subsequently modified to disqualify them for treatment as ISOs.

Restricted stock may be issued to participants and made subject to such restrictions as may be determined by the Compensation Committee. Restricted stock shall be forfeited if the conditions or restrictions are not met. In general, restricted stock may not be sold, or otherwise transferred, until restrictions are removed or expire. Holders of restricted stock, unlike recipients of options, will have voting rights and will receive dividends prior to the time when the restrictions lapse.

Other awards that are valued in whole or in part by reference to, or otherwise based on, the common stock may also be granted to participants as may be determined by the Compensation Committee. These awards include, but are not limited to, dividend equivalent awards, deferred stock awards, stock payment awards and stock appreciation rights.

Amendment and Termination of the 2007 Plan. The Board of Directors may amend or terminate the 2007 Plan at any time, provided that shareholder approval is required for any amendment that requires shareholder approval in accordance with the regulations issued under Section 16 of the Securities Exchange Act of 1934 and any amendment that would impair the rights of a grantee requires the grantee's consent. The 2007 Plan will terminate on March 19, 2017 unless terminated earlier by the Board of Directors. Awards granted prior to March 20, 2017 may extend beyond that date.

Table of Contents

Adjustment Provisions. If there is any change in the common stock as a result of a stock dividend, recapitalization, stock split, or combination or exchange of the common stock, or a merger, reorganization or consolidation of Digital Angel or any other change in the capital structure made without the receipt of consideration, then unless such event results in the termination of all outstanding grants under the 2007 Plan, the number of and class of shares available for grants and the number and class of such shares covered by outstanding grants, and the price per share or the applicable market value of such grants, will be proportionately adjusted by the Compensation Committee to reflect any increase or decrease in the number or kind of issued shares of common stock.

Change in Control of Digital Angel. Unless otherwise determined by the Board of Directors in the event of a change in control, options granted under the 2007 Plan will fully vest and become immediately exercisable and the restrictions on any restricted stock grants will lapse.

Federal Income Tax Consequences. Set forth below is a general description of the federal income tax consequences relating to grants under the 2007 Plan.

Non-Qualified Stock Options. There are no federal income tax consequences to grantees or to Digital Angel upon the grant of an NQSO under the 2007 Plan. Upon the exercise of NQSOs, grantees will recognize ordinary compensation income in an amount equal to the excess of the fair market value of the shares at the time of exercise over the exercise price of the NQSO, and we generally will be entitled to a corresponding federal income tax deduction. Upon the sale of shares acquired by exercise of an NQSO, a grantee will have a capital gain or loss in an amount equal to the difference between the amount realized upon the sale and the grantee's adjusted tax basis in the shares (the exercise price plus the amount of ordinary income recognized by the grantee at the time of exercise of the NQSO).

Incentive Stock Options. Grantees will not be subject to federal income taxation upon the grant or exercise of ISOs granted under the 2007 Plan, and we will not be entitled to a federal income tax deduction by reason of such grant or exercise. However, the amount by which the fair market value of the shares at the time of exercise exceeds the exercise price of the ISO (or the grantee's other tax basis in the shares) is an item of tax preference subject to the alternative minimum tax applicable to the person exercising the ISO. A sale of shares acquired by exercise of an ISO that occurs at least one year after the exercise or two years after the grant of the ISO generally will result in the recognition of long-term capital gain or loss in the amount of the difference between the amount realized on the sale and the exercise price of the ISO (or the grantee's other tax basis in the shares), and we will not be entitled to any tax deduction in connection with the sale.

Generally, if the sale occurs within one year from the date of exercise of the ISO or within two years from the grant date (a disqualifying disposition) and is a transaction in which the amount realized is less than the fair market value of the common stock at the date of exercise, the grantee will recognize ordinary compensation income equal to the lesser of (i) the excess of the fair market value of the shares on the date of exercise over the exercise price (or the grantee's other tax basis in the shares), or (ii) the excess of the amount realized on the sale of the shares over the exercise price (or the grantee's other tax basis in the shares). Any amount realized on a disqualifying disposition in excess of the amount treated as ordinary compensation income (or any loss realized) will be a long-term or a short-term capital gain (or loss), depending upon the length of time the shares were held. We generally will be entitled to a tax deduction on a disqualifying disposition corresponding to the ordinary compensation income recognized by the grantee.

Restricted Stock. A grantee normally will not recognize taxable income upon the award of a restricted stock grant, and we will not be entitled to a deduction, until such stock is transferable by the grantee or no longer subject to a substantial risk of forfeiture for federal tax purposes, whichever occurs earlier. When the common stock is either transferable or is no longer subject to a substantial risk of forfeiture, the grantee will recognize ordinary compensation income in an amount equal to the fair market value of the common stock at that time and we will be entitled to a deduction in the same amount. A grantee may, however, elect to recognize ordinary compensation income in the year the restricted stock grant is awarded in an amount equal to the fair market value of the common stock at that time, determined without regard to the restrictions. In this event, we will be entitled to a deduction in the same year. Any gain or loss recognized by the grantee upon subsequent disposition of the common stock will be capital gain or loss. If, after making the election, any common stock subject to a restricted stock grant is forfeited, or if the market value declines during the restriction period, the grantee will not be entitled to any tax deduction or tax refund.

A copy of any qualifying communications that relates to our accounting and auditing practices shall also be sent directly to the Chairman of the Audit Committee, whether or not it was directed to such person.

Multiple Stockholders Sharing the Same Address. Regulations regarding the delivery of copies of proxy materials and annual reports to stockholders permit us, banks, brokerage firms and other nominees to send one annual report and proxy statement to multiple stockholders who share the same address under certain circumstances, unless contrary instructions are received from stockholders. This practice is known as householding. Stockholders who hold their shares through a bank, broker or other nominee may have consented to reducing the number of copies of materials delivered to their address. In the event that a stockholder wishes to request delivery of a single copy of annual reports or proxy statements or to revoke a householding consent previously provided to a bank, broker or other nominee, the stockholder must contact the bank, broker or other nominee, as applicable, to revoke such consent. In any event, if a stockholder wishes to receive a separate proxy statement for the 2007 Annual Meeting of Stockholders or a 2006 Annual Report, the stockholder may receive printed copies by contacting Digital Angel Corporation, Investor Relations, 1690 S. Congress Ave., Suite 201, Delray Beach, FL 33445 by mail or by calling Allison Tomek at (561) 805-8000.

Any stockholders of record sharing an address who now receive multiple copies of our annual reports and proxy statements and who wish to receive only one copy of these materials per household in the future should also contact Digital Angel Corporation, Investor Relations, by mail or telephone as instructed above. Any stockholders sharing an address whose shares of common stock are held by a bank, broker or other nominee who now receive multiple copies of our annual reports and proxy statements, and who wish to receive only one copy of these materials per household, should contact the bank, broker or other nominee to request that only one set of these materials be delivered in the future.

Stockholder Proposals for 2008 Annual Meeting. Stockholder proposals should be sent to Digital Angel at the address set forth in the Notice of Annual Meeting of Stockholders. The deadline for submission of stockholder proposals, pursuant to Rule 14a-8 of the Securities Exchange Act of 1934, for inclusion in our proxy statement for the 2008 Annual Meeting of Stockholders is December ____, 2007. Additionally, Digital Angel must receive notice of any stockholder proposal to be submitted at the 2008 Annual Meeting of Stockholders (but not required to be included in our proxy statement) by ____, 2008, or such proposal will be considered untimely pursuant to Rule 14a-4 and 14a-5(e) under the Exchange Act and the persons named in the proxies solicited by management may exercise discretionary voting authority with respect to such proposal.

A SAR granted independent of an Option shall become exercisable, be transferable and shall lapse in accordance with a vesting schedule, transferability and lapse rules established by the Committee. Notwithstanding the above, a SAR shall not be exercisable by a person subject to Section 16(b) of the Exchange Act for at least six (6) months following the date the SAR is granted.

(c) Failure to Exercise. If on the last day of the Option period (or in the case of a SAR independent of an Option, the SAR period established by the Committee), the Fair Market Value of the Stock exceeds the Exercise Price, the Participant has not exercised the Option or SAR, and neither the Option nor the SAR has lapsed, such SAR shall be deemed to have been exercised by the Participant on such last day and the Company shall make the appropriate payment therefor.

(d) Payment. The amount of additional compensation which may be received pursuant to the award of one SAR is the excess, if any, of the Fair Market Value of one share of Common Stock on the Appreciation Date over the Exercise Price, in the case of a SAR granted in connection with an Option, or the Fair Market Value of one (1) share of Common Stock on the date the SAR is granted, in the case of a SAR granted independent of an Option. The Company shall pay such excess in cash, in shares of Common Stock valued at Fair Market Value, or any combination thereof, as determined by the Committee. Fractional shares shall be settled in cash.

(e) **Designation of Appreciation Date**. A Participant may designate an Appreciation Date at such time or times as may be determined by the Committee at the time of grant by filing an irrevocable written notice with the Committee or its designee, specifying the number of SARs to which the Appreciation Date relates, and the date on which such SARs were awarded. Such time or times determined by the Committee may take into account any applicable window periods required by Rule 16b-3 under the Exchange Act.

(f) **Expiration**. Except as otherwise provided in the case of SARs granted in connection with Options, the SARs shall expire on a date designated by the Committee which is not later than ten (10) years after the date on which the SAR was awarded.

10. OTHER STOCK-BASED AWARDS

Awards of shares of Common Stock, stock appreciation rights, phantom stock and other awards that are valued in whole or in part by reference to, or otherwise based on, Common Stock, may also be made, from time to time, to Eligible Individuals as may be selected by the Committee. Such awards may be made alone or in addition to or in connection with any Option, Restricted Stock Unit or any other award granted hereunder. The Committee may determine the terms and conditions of any such award. Each award shall be evidenced by an agreement between the Eligible Individual and the Company which shall specify the number of shares of Common Stock subject to the award, any consideration therefor, any vesting or performance requirements and such other terms and conditions as the Committee shall determine.

11. RECAPITALIZATION, CHANGE IN CONTROL AND OTHER CORPORATE EVENTS

(a) **Recapitalization**. If the outstanding shares of Common Stock are increased or decreased or changed into or exchanged for a different number or kind of shares or other securities of the Company by reason of any recapitalization, or reclassification, stock split, reverse split, combination of shares, exchange of shares, stock dividend or other distribution payable in capital stock of the Company or other increase or decrease in such shares effected without receipt of consideration by the Company occurring after the Effective Date, a corresponding appropriate and proportionate adjustment shall be made by the Committee (i) in the aggregate number and kind of shares of Common Stock available under the Plan, (ii) in the number and kind of shares of Common Stock issuable upon exercise or vesting of an outstanding Award or upon termination of the Restriction Period applicable to a Restricted Stock Unit granted under the Plan, and (iii) in the Exercise Price per share of outstanding Options granted under the Plan.

(b) **Reorganization**. Unless otherwise provided in an Award Agreement, in the event of a Reorganization of the Company, the Committee may, in its sole and absolute discretion, provide on a case-by-case basis that some or all outstanding Awards shall become immediately exercisable, vested or entitled to payment. In the event of a Reorganization of the Company the Committee may, in its sole and absolute discretion, provide on a case-by-case basis that Options shall terminate upon the Reorganization, provided however, that Optionee shall have the right, immediately prior to the occurrence of such Reorganization and during such reasonable period as the Committee in its sole discretion shall determine and designate, to exercise any vested Option in whole or in part. In the event that the Committee does not terminate an Option upon a Reorganization of the Company then each outstanding Option shall upon exercise thereafter entitle the holder thereof to such number of shares of Common Stock or other securities or property to which a holder of shares of Common Stock would have been entitled to upon such Reorganization.

(c) **Change in Control**.

(i) In the event of a Change in Control, notwithstanding any vesting schedule provided for hereunder or by the Committee with respect to any Award, such Award shall become immediately vested and, to the extent applicable, exercisable for such period of time specified in the Award Agreement with respect to one hundred percent (100%) of the shares subject to such Award.

(ii) In the event of a Change in Control, all incomplete Award Periods in effect on the date the Change in Control occurs shall end on the date of such change, and the Committee shall, (i) determine the extent to which Performance Criteria with respect to each such Award Period have been met based upon such audited or unaudited financial information then available as it deems relevant, (ii) cause to be paid to each Participant partial or full Awards with respect to Performance Criteria for each such Award Period based upon the Committee's determination of the degree of attainment of Performance Criteria, and (iii) cause all previously deferred Awards to be settled in full as soon as possible.

(iii) The obligations of the Company under the Plan shall be binding upon any successor corporation or organization resulting from the merger, consolidation or other reorganization of the Company, or upon any successor corporation or organization succeeding to substantially all of the assets and business of the Company. The Company agrees that it will make appropriate provisions for the preservation of Participant's rights under the Plan in any agreement or plan which it may enter into or adopt to effect any such merger, consolidation, reorganization or transfer of assets.

(iv) Change in Status of a Subsidiary. Unless otherwise provided in an Award Agreement, in the event that a subsidiary of the Company ceases to be a subsidiary whose financial statements are consolidated with the financial statements of the Company in accordance with generally accepted accounting principles, the Committee may, in its sole and absolute discretion, on a case-by-case basis (i) provide that some or all outstanding Awards held by a Participant employed by or performing service for such subsidiary may become immediately exercisable, vested or entitled to payment or (ii) treat the Award as terminated, in which case the Participant shall no longer be entitled to exercise or payment of the Award in accordance with the Plan, but only if such Participant is not employed by the Company or any subsidiary immediately after such event.

(v) Adjustments. Adjustments under this Section 11 related to stock or securities of the Company shall be made by the Committee whose determination in that respect shall be final, binding, and conclusive. No fractional shares of Common Stock or units of other securities shall be issued pursuant to any such adjustment, and any fractions resulting from any such adjustment shall be eliminated in each case by rounding downward to the nearest whole share or unit.

(vi) No Limitations. The grant of an Award pursuant to the Plan shall not affect or limit in any way the right or power of the Company to make adjustments, reclassifications, reorganizations or changes of its capital or business structure or to merge, consolidate, dissolve or liquidate, or to sell or transfer all or any part of its business or assets.

12. REQUIREMENTS OF LAW

(a) Violations of Law. The Company shall not be required to sell or issue any shares of Common Stock under any Award if the sale or issuance of such shares would constitute a violation by the individual holding the Award, the Participant or the Company of any provisions of any law or regulation of any governmental authority, including without limitation any federal or state securities laws or regulations. Any determination in this connection by the Committee shall be final, binding, and conclusive. The Company shall not be obligated to take any affirmative action in order to cause the exercisability or vesting of an Option, the exercise of an Option or the issuance of shares pursuant to the exercise of an Option or expiration of a Restriction Period to comply with any law or regulation of any governmental authority.

(b) Registration. At the time of any exercise of any Option or receipt of Common Stock pursuant to an Award, the Company may, if it shall determine it necessary or desirable for any reason, require the Participant (or Participant's heirs, legatees or legal representative, as the case may be), as a condition to the exercise or grant thereof, to deliver to the Company a written representation of present intention to hold the shares for their own account as an investment and not with a view to, or for sale in connection with, the distribution of such shares, except in compliance with applicable federal and state securities laws with respect thereto. In the event such representation is required to be delivered, an appropriate legend may be placed upon each certificate delivered to the Participant (or Participant's heirs, legatees or legal representative, as the case may be) upon his or her exercise of part or all of the Option or receipt of Common Stock and a stop transfer order may be placed with the transfer agent. Each Award shall also be subject to the requirement that, if at any time the Company determines, in its discretion, that the listing, registration or qualification of the shares subject to the Award upon any securities exchange or under any state or federal law, or the consent or approval of any governmental regulatory body is necessary or desirable as a condition of, or in connection with, the issuance or purchase of the shares thereunder, the Option may not be exercised in whole or in part and the

Common Stock may not be issued unless such listing, registration, qualification, consent or approval shall have been effected or obtained free of any conditions not acceptable to the Company in its sole discretion.

(c) Withholding. The Committee may make such provisions and take such steps as it may deem necessary or appropriate for the withholding of any taxes that the Company is required by any law or regulation of any governmental authority, whether federal, state or local, domestic or foreign, to withhold in connection with the exercise of any Option or the grant of Common Stock pursuant to an Award, including, but not limited to: (i) the withholding of delivery of shares of Common Stock until the holder reimburses the Company for the amount the Company is required to withhold with respect to such taxes, (ii) the canceling of any number of shares of Common Stock issuable in an amount sufficient to reimburse the Company for the amount it is required to so withhold, (iii) withholding the amount due from any such person's wages or compensation due to such person, or (iv) requiring the Participant to pay the Company cash in the amount the Company is required to withhold with respect to such taxes.

(d) Section 16 Persons. Notwithstanding any other provision of the Plan, the Plan, and any Award granted or awarded to any individual who is then subject to Section 16 of the Exchange Act, shall be subject to any additional limitations set forth in any applicable exemptive rule under Section 16 of the Exchange Act (including any amendment to Rule 16b-3 of the Exchange Act) that are requirements for the application of such exemptive rule. To the extent permitted by applicable law, the Plan and Awards granted or awarded hereunder shall be deemed amended to the extent necessary to conform to such applicable exemptive rule.

(e) Governing Law. This Plan shall be governed by, and construed and enforced in accordance with, the laws of the State of Delaware.

The Committee may, at any time and from time to time, amend, suspend or terminate the Plan as to any shares of Common Stock as to which Awards have not been granted; *provided, however*, that the approval by a majority of the votes present and entitled to vote at a duly held meeting of the shareholders of the Company at which a quorum representing a majority of all outstanding voting stock is, either in person or by proxy, present and voting on the amendment, or by written consent in accordance with applicable state law and the Articles of Incorporation and Bylaws of the Company shall be required for (i) any amendment that changes the requirements as to Eligible Individuals to receive Awards under the Plan, (ii) any amendment that increases the maximum number of shares of Common Stock in the aggregate that may be subject to Awards that are granted under the Plan (except as permitted under Section 11 hereof), or (iii) any amendment, if approval of such amendment is necessary to comply with federal or state law (including without limitation Section 162(m) of the Code and Rule 16b-3 under the Exchange Act) or with the rules of any stock exchange or automated quotation system on which the Common Stock may be listed or traded. Except as permitted under Section 11 hereof, no amendment, suspension or termination of the Plan shall, without the consent of the holder of an Award, alter or impair rights or obligations under any Award theretofore granted under the Plan.

14. PROVISIONS APPLICABLE TO COVERED EMPLOYEES

(a) Awards. Notwithstanding anything in the Plan to the contrary, the Committee may grant any Award to a Covered Employee. The Committee, in its discretion, may determine whether an Award is to qualify as performance-based compensation as described in Section 162(m)(4)(C) of the Code. To the extent necessary to comply with the performance-based compensation requirements of Section 162(m)(4)(C) of the Code, with respect to any Award granted pursuant to the Plan which may be granted to one or more Covered Employees, no later than ninety (90) days following the commencement of any fiscal year in question or any other designated fiscal period or period of service (or such other time as may be required or permitted by Section 162(m) of the Code, the Committee shall, in writing, (i) designate one or more Covered Employees, (ii) select the Performance Criteria applicable to the fiscal year or other designated fiscal period or period of service, (iii) establish the various performance targets, in terms of an objective formula or standard, and amounts of such Awards, as applicable, which may be earned for such fiscal year or other designated fiscal period or period of service and (iv) specify the relationship between Performance Criteria and the performance targets and the amounts of such Awards, as applicable, to be earned by each Covered Employee for such fiscal year or other designated fiscal period or period of service. Following the completion of each fiscal year or other designated fiscal period or period of service, the Committee shall certify in writing whether the applicable performance targets have been achieved for such fiscal year or other designated fiscal period or period of service. In

determining the amount earned by a Covered Employee, the Committee shall have the right to reduce (but not to increase) the amount payable at a given level of performance to take into account additional factors that the Committee may deem relevant to the assessment of individual or corporate performance for the fiscal year or other designated fiscal period or period of service.

17. THE COMPANY S RIGHT TO PURCHASE OPTION STOCK AND VESTED SHARES

The Company shall have the right to repurchase any Award Shares issued pursuant to an Award Agreement following the termination of the employment or service of the holder of the Award Shares with the Company for any reason. 18. DISCLAIMER OF RIGHTS

No provision in the Plan, any Award granted or any Award Agreement entered into pursuant to the Plan shall be construed to confer upon any individual the right to remain in the employ of the Company or to interfere in any way with the right and authority of the Company either to increase or decrease the compensation of any individual, including any Participant, at any time, or to terminate any employment or other relationship between any individual and the Company.
