ADDITIONAL INFORMATION

MEETINGS OF THE BOARD OF DIRECTORS AND COMMITTEES OF THE BOARD

Our Board of Directors has two standing committees: the Audit and Finance Committee and the Stock Option and Compensation Committee.

Audit Committee

The Audit Committee of the Board of Directors that is currently comprised of Mr. Gerdes and Dr. Chandler, Jr., oversee the accounting and reporting processes of Alliance HealthCard and the audits of our financial statements. Mr. Gerdes is independent as defined in Rule 4200 of the Marketplace Rules of the National Association of Securities Dealers, Inc. The Board of Directors has determined that Mr. Gerdes is an audit committee financial expert as defined in Item 401(h)(2) of Regulation S-K. The Report of the Audit Committee appears below. The Audit Committee Charter is posted in the Investors Relations section of our website, www.alliancehealthcard.com. The Audit Committee held two meetings during the fiscal year ended September 30, 2007.

Stock Option and Compensation Committee

The Stock Option and Compensation Committee (the Compensation Committee) that is comprised of Mr. Gerdes and Dr. Chandler, Jr., acts as administrator of our stock option, stock incentive and stock purchase plans and makes recommendations concerning the establishment of additional employee benefit plans and compensation of our executive officers and directors. Mr. Gerdes is independent defined in Rule 4200 of the Marketplace Rules of the National Association of Securities Dealers, Inc. The Report of the Compensation Committee appears below. The Stock Option and Compensation Committee Charter is posted in the Investors section of our website, www.alliancehealthcard.com. The Compensation Committee held two meetings during the fiscal year ended September 30, 2007.

Lack of Nominating Committee

We do not have a standing nominating committee. We have not held a shareholders meeting since 2006 for the election of directors. A majority of our outstanding common stock shares are held by two of members of our Board of Directors and therefore exercise voting control. Our Board of Directors performs the functions that are generally performed by a nominating committee.

Shareholder Nominations for Directors

A shareholder desiring to recommend a candidate for election to our board of directors at any annual meeting at which one or more directors will be elected must submit a written proposal of his, her or its recommendation of the candidate to our Corporate Secretary at our principal executive offices at 900 36th Avenue, Suite 105, Norman, Oklahoma 73072. The proposal must be received at our principal executive office not later than 120 calendar days before the date that our proxy statement or information was released to shareholders in connection with the previous year's annual meeting. However, if we did not hold an annual meeting during the previous year, or if the date of the current year's annual meeting has been changed by more than 30 days from the date of the previous year's meeting, then the deadline is a reasonable time before we begin to print and mail our proxy materials. For the 2009 annual meeting, we have established this date as April 22, 2009. The proposal must set forth certain information concerning the proposing shareholder and the nominee, including the nominee's name and address, a representation that the proposing shareholder is entitled to vote at the meeting and intends to appear in person or by proxy at the meeting to nominate the person specified in the notice, a description of all arrangements or understandings between the proposing shareholder and the nominee and any other person pursuant to which the nomination is to be made by the proposing shareholder, the other information that would be required to be included in a proxy statement soliciting proxies for the election of the nominee and the consent of the nominee to serve as a director if elected. The nomination of any person not made in compliance with the foregoing procedure may not be recognized by our Board of Directors or any nominating committee.

In considering individuals for nomination as directors, our Board typically solicits recommendations from our current directors [and may engage third-party advisors to assist in the identification and evaluation of candidates]. The Board has not established specific minimum qualities or skills that the Board believes are necessary for one or more directors to possess. Instead, in evaluating potential candidates and incumbent directors for reelection, the board considers numerous factors, including judgment, skill, independence, integrity, experience with business and other organizations of comparable size, the interplay of the candidate's experience with other board members, experience as an officer or director of another publicly-held company, understanding of management trends in general or in our industry, expertise in financial accounting and corporate finance, ability to bring diversity to the member group, community or civic service, knowledge or expertise not currently on the Board, shareholder perception, and to the extent that the candidate would be a desirable addition to the Board and any committee of the Board. No particular weight is given to one factor over another on a general basis, but rather the factors are weighted in relationship to the perceived needs of our Board at the time of nominee selection. Our Board will evaluate candidates recommended or properly proposed by our shareholders on the same basis as our Board evaluates other candidates.

Meetings

The Board of Directors held three meetings during the fiscal year ended September 30, 2007. During the fiscal year ended September 30, 2007, each Director attended more than 75% of the total number of meetings of the Board of Directors and committees on which he served.

COMMUNICATIONS WITH THE BOARD

While the Board of Directors does not have a formal process for stockholders to send communications to the Board of Directors, each member of the Board of Directors is receptive to receiving communications from our stockholders. Stockholders may send communications to the attention of any Director at our office address.

CODE OF BUSINESS CONDUCT AND ETHICS POLICY

Our Board of Directors adopted a Code of Business Conduct and Ethics Policy (the Code of Ethics) on November 1, 2004. The Code of Ethics applies to our directors, officers and employees and must be acknowledged in writing by our Chief Executive Officer and Chief Financial Officer. The Code of Ethics is posted in the Investors Relations section of our website, www.alliancehealthcard.com.

In addition to the review and pre-approval processes described above, in 2007 and beyond, as provided for in the Audit Committee Charter referred to below, the Committee pre-approved and intends to continue pre-approving all audit and non-audit services to be provided by the independent auditors by delegating to the Chairman of the Audit Committee the authority to pre-approve any audit or non-audit services to be performed by the independent auditors, provided that any such approvals are presented to the Audit Committee at its next scheduled meeting.

The Audit Committee has considered whether the provision of the services described under the captions Audit-Related Fees, Tax Fees, and All Other Fees by Murrell, Hall, McIntosh & Co., PLLP are compatible with maintaining the principal accountant's independence and determined that the independence of Murrell, Hall, McIntosh & Co., PLLP was not and is not impaired by the provision of said services.

COMPENSATION DISCUSSION AND ANALYSIS

Overall Philosophy

Our Executive Compensation program is designed to attract, motivate and retain qualified executives, reward outstanding performance and results and align management's incentives with the interests of our stockholders. We believe that our Executive Officers should be motivated by our performance as well as their individual performance. To accomplish these objectives, our executive compensation program includes three underlying components: base salary, short-term cash incentives and long-term equity-based incentives. The following sections describe the process of setting executive compensation, the compensation elements, how these elements are determined, why we choose to pay each element and how each element relates to our overall compensation philosophy.

Base Salary Program

Our base salary program is based on a philosophy of providing base pay levels that are competitive with similarly situated companies in the healthcare industry. We periodically review our executive pay levels to assure consistencies with the external market. Annual salary adjustments are based on several factors including the general level of market salary increases, individual performance and long-term value to us, competitive base salary levels and our overall financial and operating results.

Long-Term Incentives

Long-term incentives consist of equity-based compensation such as stock options or restricted stock awards that vest over a period of time. We believe this vesting period motivates our executive officers to focus their efforts on our long-term goals and aligns the executives' interests with those of our stockholders because the ultimate value of the equity-based compensation is linked directly to the price of our stock.

We rely primarily on stock options to provide long-term incentive compensation because of the favorable tax treatment of stock options to employees. Stock options typically have a 10-year term before expiration and are generally exercisable 33% per year on the grant date anniversary. Executives must be employed by us at the time of vesting in order to exercise the options. The exercise price of the options is based on the closing stock price on the date of grant.

Employment Contracts and Termination of Employment, and Change-in-Control Arrangements

In conjunction with our merger-acquisition of BMS Holding Company, we entered into employment agreements with Danny C. Wright, Brett Wimberley and Susan Matthews on March 1, 2007 and with Robert D. Garces and Thomas W. Kiser on January 1, 2007.

Pursuant to the employment agreement with Danny C. Wright, he agreed to serve as the President and Chief Executive Officer of our subsidiary, AHC Benefit Marketing Acquisition, Inc. The term of the agreement commenced on March 1, 2007 and continues through February 28, 2010. The term of the agreement will automatically be extended for additional one-year terms, unless either notice of termination is given not less than to the other on or before December 1 in the year of termination, commencing March 1, 2010. We agreed to pay to Mr. Wright a base annualized salary of \$200,000. In addition to the base salary, Mr. Wright is eligible to be considered for annual bonuses to be determined by our Board of Directors.

Pursuant to the employment agreement with Brett Wimberley, he agreed to serve as the Chief Operating Officer of our subsidiary, AHC Benefit Marketing Acquisition, Inc. The term of the agreement commenced on March 1, 2007 and continues through February 28, 2010. The term of the agreement will automatically be extended for additional one-year terms, unless either notice of termination is given not less than to the other on or before December 1 in the year of termination, commencing March 1, 2010. We agreed to pay to Mr. Wimberley a base annualized salary of \$175,000. In addition to the base salary, Mr. Wimberley is eligible to be considered for annual bonuses to be determined by our Board of Directors.

Pursuant to the employment agreement with Susan Matthews, she agreed to serve as the Executive Vice President of our subsidiary, AHC Benefit Marketing Acquisition, Inc. The term of the agreement commenced on March 1, 2007 and continues through February 28, 2010. The term of the agreement will automatically be extended for additional one-year terms, unless either notice of termination is given not less than to the other on or before December 1 in the year of termination, commencing March 1, 2010. We agreed to pay to Ms. Matthews a base annualized salary of \$175,000. In addition to the base salary, Ms. Matthews is eligible to be considered for annual bonuses to be determined by our Board of Directors.

Pursuant to the employment agreement with Robert D. Garces, he agreed to serve as one of our executive officers. The term of the agreement commenced on January 1, 2007 and continues through December 31, 2008. We agreed to pay to Mr. Garces a base annualized salary of \$155,000, or other amount as Mr. Garces and us may agree. In addition to base salary, Mr. Garces is eligible to be considered for annual bonuses to be determined by our Board of Directors.

Pursuant to the employment agreement with Thomas W. Kiser, he agreed to serve as one of our executive officers. The term of the agreement commenced on January 1, 2007 and continues through December 31, 2008. We agreed to pay to Mr. Kiser a base annualized salary of \$135,000, or other amount as Mr. Kiser and us may agree. In addition to base salary, Mr. Kiser is eligible to be considered for annual bonuses to be determined by our Board of Directors.

We do not maintain any key-man insurance covering the death or disability of any of our executive officers.

Retirement Plans

We offer each employee, including our executive officers, the opportunity to participate in our 401(k) plan.

Employees may contribute up to the maximum allowed by the Internal Revenue Service. The Company may elect to match a portion of their contributions. Effective August 1, 2007, we announced to our employees that we would match 50% of the first 6% of employee's compensation contributed to the plan.

Perquisites

Other than the compensation elements described above, we do not provide any other benefits to our executive officers that would qualify as a perquisite for purposes of this Compensation Discussion and Analysis.

Equity Compensation Plans

2000 Stock Option Plan. For the benefit of our employees, directors and consultants, we have adopted the Alliance HealthCard, Inc. 2000 Stock Option Plan (the "stock option plan" or the "plan"). The plan provides for the issuance of options intended to qualify as incentive stock options for federal income tax purposes as well as options that do not qualify as incentive stock options, to our employees and non-employees, including employees who also serve as our directors. Qualification of the grant of options under the plan as incentive stock options for federal income tax purposes is not a condition of the grant and failure to so qualify does not affect the ability to exercise the stock options. The number of shares of common stock authorized and reserved for issuance under the plan is 2,806,691. As of September 30, 2007, options exercisable for the purchase of 1,701,396 common stock shares had been granted under the plan.

Our board of directors administers and interprets the plan (unless delegated to a committee) and has authority to grant options to all eligible participants and determine the types of options granted, the terms, restrictions and conditions of the options at the time of grant.

The exercise price of qualifying incentive stock options may not be less than the fair market value of our common stock on the date of grant of the option. The exercise price of options other than those qualifying as incentive stock options may be granted at less than the fair market value of common stock on the date of the grant. Upon the exercise of an option, the exercise price must be paid in full, in cash, in our common stock (at the fair market value thereof) or a combination thereof as permitted under the terms of the agreement evidencing the option. Options qualifying as incentive stock options are exercisable only by an optionee during the period ending three months after the optionee cease to be our employee, a director or non-employee service provider. However, in the event of death or disability of the optionee, the incentive stock options are exercisable for one year following death or disability and in the event of the retirement of the optionee, the Board of Directors may designate an additional period for exercise. In any event options may not be exercised beyond the expiration date of the options. Options may be granted to our key management employees, directors, key professional employees or key professional non-employee service providers. Options granted non-employee directors do not qualify as incentive stock options. No option may be granted after December 31, 2010. Options are not transferable except by will or by the laws of descent and distribution.

Accounting and Tax Considerations

The Company adopted Statement of Financial Accounting Standard (SFAS) No. 123R, *Share-Based Payment*, effective January 1, 2006. As such, the fair value of options calculated in accordance with the Black-Scholes valuation model is expensed as compensation cost over the period of service related to the options (typically the vesting period). As part of its role, the Compensation Committee reviews and considers the deductibility of executive compensation under Section 162(m) of the Internal Revenue Code, which provides that we may not deduct compensation of more than \$1,000,000 that is paid to certain individuals, unless the compensation is performance-based. We have no individuals with non-performance based compensation paid in excess of the Internal Revenue Code Section 162(m) tax deduction limit.

During 2007 our directors were not granted any stock options and did not receive any compensation.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION IN COMPENSATION DECISIONS

The Stock Option and Compensation Committee of the Board of Directors for 2007 was comprised of Messrs. Larry Gerdes (Chairman) and Howard C. Chandler, Jr. None of the members of the Stock Option and Compensation Committee served as one of our officers or employees during the fiscal year ended September 30, 2007. No interlocking relationship exists between members of our Board of Directors or Compensation Committee and members of the board of directors or compensation committee of any other company.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Our Code of Business Conduct and Ethics Policy (Code of Ethics) addresses any conflicts of interests on the part of any employee that might cast doubt on an employee's ability to act objectively when representing us. In addition to setting guidelines, the Code of ethics provides that each potential conflict of interest will be reviewed and the final decision as to the existence of a conflict made by our chief executive officer. Our Code of Business Conduct is posted in the Investor Relations/Governance/Governance section of our website www.alliancehealthcard.com.

Contained below is a description of transactions we entered into with our officers, directors and shareholders that beneficially own more than 5% of our common stock during the year ended September 30, 2007 and since that date. These transactions will continue in effect and may result in conflicts of interest between us and these individuals. Although our officers and directors have fiduciary duties to us and our shareholders, there can be no assurance that conflicts of interest will always be resolved in favor of us and our shareholders.

Merger-Acquisition of BMS Holding Company

On February 28, 2007, we completed the merger-acquisition of BMS Holding Company. The shareholders of BMS Holding Company were Danny C. Wright, Brett Wimberley and Susan Matthews. In completion of this merger-acquisition, we issued 4,000,000 common stock shares to each of Messrs. Wright and Wimberley and 2,000,000 common stock shares to Ms. Matthews. Furthermore, we issued promissory notes to each of Messrs. Wright and Wimberley and Ms. Matthews in the original principal amounts of \$2,858,800, \$2,858,800, and \$1,429,400, respectively (the Original Notes). Because BMS Holding Company was deemed to have acquired us for financial reporting purposes (not for legal purposes), the principal and interest payments on the Original Notes are deemed dividend distributions to Messrs. Wright and Wimberley and Ms. Matthews. During the year ended September 30, 2007, Messrs. Wright and Wimberley and Ms. Matthews were paid interest and principal under the Original Notes of \$488,953, \$488,953, and \$244,476, respectively. Messrs. Wright and Wimberley are directors and executive officers of our company, and Ms. Matthews is an executive officer of our company.

On January 10, 2008, pursuant to an agreement among Messrs. Wright and Wimberley, Ms. Matthews and us, the Original Notes were cancelled, and we issued new replacement promissory notes to Messrs. Wright and Wimberley and Ms. Matthews in the original principal amount of \$2,045,271, \$2,045,271, and \$1,022,635, respectively (the New Notes). The principal amounts of the New Notes are equal to the outstanding balances, reduced by \$247,073, respectively owed to the holders of the Original Notes at the time the Original Notes were cancelled. The cancellation of the Original Notes and the issuance of the New Notes were approved by the disinterested members of our Board of Directors.

The New Notes differ from the Original Notes in two material respects. First, the Original Notes contained provisions contemplating a reduction in the outstanding principal balance if we do not achieve certain adjusted EBITDA levels (as defined in the notes) in our fiscal years ending September 30, 2007, 2008 and 2009. These adjusted EBITDA levels have been retained, but the 12-month measurement periods have been deferred by one year each to the fiscal years ending September 30, 2008, 2009, and converted to quarterly reviews thereafter. We believe these deferrals more appropriately tie the payment obligations under the New Notes to our performance, which was one of the primary purposes of the principal reduction provisions of the Original Notes. Second, the Original Notes did not contain any provision for the repayment of amounts by the holders of the Original Notes resulting from our failure to achieve sufficient adjusted EBITDA levels during the 12 months ending September 30, 2010 and reduction of principal below the remaining outstanding principal balance of the Original Notes. Under the New Notes the holders will receive reduced payments after the 2009 fiscal year-end adjustment in the event the adjusted EBITDA thresholds are not met in the fiscal quarters relating to those payments. Finally, the New Notes modify the definition used to calculate the adjusted EBITDA to give our Board of Directors the ability to exclude, in its discretion, certain infrequent expenses incurred other than in the ordinary course of our business. This change was made to more closely align our interests with that of those note holders by removing, subject to approval by our disinterested directors, the potential negative financial impact of expenses or losses that may be incurred at the initiation of a long-term project. In conjunction with our merger-acquisition of BMS Holding Company, on February 28, 2007 we granted John Simonelli, one of our nominee directors, stock options exercisable for the purchase of 50,000 of our common stock shares for \$1.10 per share on or before March 1, 2017. The exercise price of the options exceeded the last report sale price of our common stock shares on the grant date. These stock options were granted to Mr. Simonelli for his advisory services provided to BMS Holding Company in conjunction with our merger-acquisition of BMS Holding Company.

Officer and Director Liability and Indemnification

As provided by the Georgia Business Corporation Code, each of our directors and officers is not liable to us or our shareholders for any action taken as a director or officer, or any failure to take any action, if the director or officer performed his or her duties in compliance with the Georgia Business Corporation Code. A director is required to discharge his or her duties as a director, including those duties as a member of a committee or as an officer in a manner he or she believes in good faith and to be in our best interests, and with the care an ordinarily prudent person in a like position would exercise under similar circumstances. In discharging his or her duties a director or officer is entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by:

One or more of our officers or employees whom the director reasonably believes to be reliable and competent in the matters presented;

Legal counsel, public accountants, investment bankers, or other persons as to matters the director reasonably believes are within the person's professional or expert competence; or

A committee of our Board of Directors of which he is not a member if the director reasonably believes the committee merits confidence.

However, neither a director nor an officer is entitled to rely on the foregoing if the director or officer has knowledge concerning the matter in question that makes reliance unwarranted.

The provisions of the Georgia Business Corporation Code do not eliminate liability of a director or an executive officer for violations of federal securities laws, nor do they limit our rights or our stockholders' rights, in appropriate circumstances, to seek equitable remedies including injunctive or other forms of non-monetary relief. These remedies may not be effective in all cases.

The Georgia Business Corporation Code requires us to indemnify all of our directors, officers, employees and agents. Under these provisions, when an individual in his or her capacity as an officer or a director is made or threatened to be made a party to any suit or proceeding, the individual may be indemnified if he or she acted in good faith. These indemnification provisions are not exclusive of any other rights to which the individual may be entitled. Insofar as indemnification for liabilities arising under the Georgia Business Corporation Code or otherwise may be permitted to our directors and officers, we have been advised that in the opinion of the U.S. Securities and Exchange Commission the indemnification is against public policy and is, therefore, unenforceable.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Our Code of Business Conduct and Ethics Policy (Code of Ethics) addresses any conflicts of interests on the part of any employee that might cast doubt on an employee's ability to act objectively when representing us. In addition to setting guidelines, the Code of ethics provides that each potential conflict of interest will be reviewed and the final decision as to the existence of a conflict made by our chief executive officer.

PROPOSALS BY STOCKHOLDERS

Proposals by stockholders intended to be presented at the 2009 Alliance HealthCard annual meeting (to be held in the Spring of 2009) must be forwarded in writing and received at the principal executive office of Alliance HealthCard no later than January 1, 2009 and directed to the attention of the Secretary for consideration for inclusion in Alliance HealthCard's proxy statement for the annual meeting of stockholders to be held in 2009. Any stockholder proposal must comply in all respects with the rules and regulations of the U.S. Securities and Exchange Commission.

In connection with our Annual Meeting of Stockholders to be held in 2009, if we do not receive notice of a matter or proposal to be considered by January 1, 2009, then the persons appointed by the Board of Directors to act as the proxies for that Annual Meeting (named in the form of proxy) will be allowed to use their discretionary voting authority with respect to any such matter or proposal at the Annual Meeting, if such matter or proposal is properly raised at the Annual Meeting and put to a vote.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our directors, executive officers and persons who own more than 10% of our outstanding common stock to file with the U.S. Securities and Exchange Commission reports of changes in ownership of our common stock held by them. Officers, Directors and greater than 10% stockholders are also required to furnish us with copies of all forms they file under this regulation.

The rules of the U.S. Securities and Exchange Commission require us to disclose late filings of stock transaction reports by our executive officers and directors. During the fiscal year ended September 30, 2007, to our knowledge, based solely on a review of the copies of the reports furnished to us and representations that no other reports were required, all Section 16(a) filing requirements applicable to our directors, officers and greater than 10% stockholders were complied with during the fiscal year ended September 30, 2007.

Although it is not our obligation to make filings pursuant to Section 16 of the Securities Exchange Act of 1934, we have adopted a policy requiring all Section 16 reporting persons to report to our Chief Financial Officer all trading activity in our common stock on the day of any trade to facilitate the timely filing of the reports of such trading activity with the U.S. Securities and Exchange Commission.

HOUSEHOLDING INFORMATION

Unless we have received contrary instructions, we may send a single copy of this notice and information statement to any household at which two or more shareholders reside if we believe the stockholders are members of the same family. This process, known as householding, reduces the volume of duplicate information received at any one household and helps to reduce our expenses. However, if stockholders prefer to receive multiple sets of our disclosure documents at the same address this year or in future years, the stockholders should follow the instructions described below. Similarly, if an address is shared with another stockholder and together both of the stockholders would like to receive only a single set of our disclosure documents, the stockholders should follow these instructions:

If the shares are registered in the name of the stockholder, the stockholder should contact us at our offices at 3500 Parkway Lane, Suite 720, Norcross, Georgia 30092, to inform us of their request. If a bank, broker or other nominee holds the shares, the stockholder should contact the bank, broker or other nominee directly.
