Item 8.01 Other Events.

On March 6, 2015, the Company's Board of Directors authorized an extension of its existing stock repurchase program (the "Repurchase Program"). The Repurchase Program provides for the repurchase of up to \$25,000 of the Company's common stock per month at current market prices at the time of purchase or in privately negotiated transactions. The timing and actual number of shares repurchased under the Repurchase Program will depend on a variety of factors including price, certain negative covenants set forth in the Company's agreements with its lender, as well as corporate and regulatory requirements, and other business and market conditions. The Company may suspend or discontinue the Repurchase Program at any time, and may thereafter reinstitute purchases, all without prior announcement.

To date, the Company has purchase an aggregate total of approximately 120,000 shares of its common stock under the Repurchase Program. A copy of the press release announcing the extension of the Repurchase Program is attached to this Current Report on Form 8-K as Exhibit 99.1.
