Item 1.01 Entry into a Material Definitive Agreement.

On January 4, 2017, Castlight Health, Inc. (“Castlight” or the “Company”) entered into an Agreement and Plan of Merger and Reorganization (the “Merger Agreement”) with Neptune Acquisition Subsidiary, Inc., a Delaware corporation and wholly owned subsidiary of Castlight (“Merger Sub”), Jiff, Inc., a Delaware corporation (“Jiff”) and Fortis Advisors LLC, as the Stockholders’ Agent, pursuant to which Merger Sub will merge with and into Jiff with Jiff surviving the merger as a wholly owned subsidiary of Castlight (the “Merger”).

Subject to the terms and conditions set forth in the Merger Agreement, upon the consummation of the Merger, all outstanding capital stock and vested options of Jiff will be exchanged for an aggregate of approximately 27,000,000 shares, and options exercisable to purchase shares, of Castlight Class B Common Stock, subject to certain adjustments as set forth in the Merger Agreement, and the right to receive up to 4,000,000 shares of Castlight Class B Common Stock upon the achievement by the Jiff business of certain milestones in 2017. Former Jiff equityholders will receive an aggregate of 1,000,000 shares of Castlight Common Stock if the Jiff business achieves at least \$25 million in revenue in 2017 and an aggregate of 3,000,000 shares of Castlight Common Stock if the Jiff business achieves at least \$25 million in net new bookings during 2017. All options for Jiff common stock and Jiff restricted stock units held by Jiff employees who become continuing employees of the combined company will be converted into options to purchase Castlight Class B Common Stock and Castlight restricted stock units, respectively.

The Merger Agreement contains customary representations, warranties and covenants by Castlight, the Merger Sub and Jiff and is subject to certain closing conditions, including, among other things, approval by the stockholders of Castlight of the issuance of Castlight Class B Common Stock in connection with the Merger. Pursuant to the Merger Agreement, following the closing of the Merger (the “Closing”), certain securityholders of Jiff have agreed to indemnify Castlight for any losses related to certain matters, including, among other things, failures of Jiff’s representations and warranties in the Merger Agreement to be true and correct, failure by Jiff to comply with its covenants in the Merger Agreement, and other specified matters. As partial security for such indemnification obligations, the parties have agreed to deposit 2,700,000 shares of Castlight Class B Common Stock in a separate escrow fund for a period of 12 months after Closing.

Upon the Closing, the Board of Directors (“Board”) of Castlight will include two members designated by Jiff. In connection with the Merger Agreement, certain stockholders of Castlight holding approximately 44.2% of the voting power of Castlight (collectively, the “Designated Equityholders”) have entered into a support agreement with Jiff (the “Support Agreement”). The Support Agreement places certain restrictions on the transfer of the shares of common stock of Castlight (and options exercisable therefor) held by the Designated Equityholders and includes covenants regarding the voting of such shares, including an agreement to vote in favor of the issuance of shares of Castlight Class B Common Stock and related matters and against competing acquisition proposals. Additionally, certain stockholders of Jiff holding approximately: (a) 68.0% of Jiff common stock, Jiff preferred stock and Jiff starter stock, voting together as a single voting class), (b) 22.5% of the outstanding shares of Jiff common stock, and (c) 68.7% of the outstanding shares of Jiff preferred stock and starter stock (voting together as a single class) (collectively, the “Jiff Designated Equityholders”) have entered into a support agreement with Castlight (the “Stockholder Agreement”). The Stockholder Agreement places certain restrictions on the transfer of the capital stock of Jiff (and options exercisable therefor) held by the Jiff Designated Equityholders and includes covenants regarding the voting of such shares, including an agreement to vote in favor of the Merger and the adoption of the Merger Agreement and related matters and against competing acquisition proposals.

Also in connection with the Merger Agreement, the Designated Equityholders, the Jiff Designated Equityholders and certain officers of Castlight each entered into a Lock-up Agreement with Castlight pursuant to which such parties have agreed, except in limited circumstances, not to sell or transfer, or engage in swap or similar transactions with respect to, shares of Castlight’s capital stock, including, as applicable, shares received in connection with the Merger, for a period ending on the earlier of (a) 90 days following the Closing or (b) July 2, 2017.

The preceding summary is qualified in its entirety by reference to the Merger Agreement and the forms of Support Agreement, Stockholder Agreement and Lock-up Agreement, which are filed as Exhibits 2.1, 10.1, 10.2 and 10.3, respectively, and incorporated herein by reference. The Merger Agreement has been attached as an exhibit to this Current Report on Form 8-K to provide investors and securityholders with information regarding its terms. It is not intended to provide any other factual information about Castlight or Jiff or to modify or supplement any factual disclosures about Castlight in its public reports filed with the Securities and Exchange Commission (“SEC”). The Merger Agreement includes representations, warranties and covenants of Castlight and Jiff made solely for the purpose of the Merger Agreement and solely for the benefit of the other parties thereto in connection with the negotiated terms of the Merger Agreement. Investors should not rely on the representations, warranties and covenants in the Merger Agreement or any descriptions thereof as characterizations of the actual state of facts or conditions of Castlight or Jiff, or any of their respective subsidiaries or affiliates. Moreover, certain of those representations and warranties may not be accurate or complete as of any specified date, may be subject to a contractual standard of materiality different from those generally applicable to SEC filings or may have been used for purposes of allocating risk among the parties to the Merger Agreement, rather than establishing matters of fact.
