<p>Please note that for Registered Share meetings in Germany there is now a requirement that any shareholder who holds an aggregate total of 3 per cent or more of the outstanding share capital must register under their beneficial owner details before the appropriate deadline to be able to vote. Failure to comply with the declaration requirements as stipulated in section 21 of the Securities Trade Act (WpHG) may prevent the shareholder from voting at the general meetings. Therefore, your custodian may request that we register beneficial owner data for all voted accounts to the respective sub custodian. If you require further information with regard to whether such BO registration will be conducted for your custodians accounts, please contact your CSR for more information. Please note the following link: https://materials.proxyvote.com/Approved/99999Z/19840101/NPS_160726.PDF</p>	Non-Voting	
<p>The sub custodians have also advised that voted shares are not blocked for trading purposes i.e. they are only unavailable for settlement. In order to deliver/settle a voted position before the deregistration date a voting instruction cancellation and de-registration request needs to be sent to your CSR or Custodian. Failure to de-register the shares before settlement date could result in the settlement being delayed. This is a general meeting for registered shares. For German registered shares, the shares have to be registered within the company's shareholder book. Depending on the processing of the local sub custodian if a client wishes to withdraw its voting instruction due to intentions to trade/lend their stock, a Take No Action vote must be received by the vote deadline as displayed on ProxyEdge to facilitate de-registration of shares from the company's shareholder book. Any Take No Action votes received after the vote deadline will only be forwarded and processed on a best effort basis.
