Item 2 of the Initial Statement is hereby supplemented as follows:

The information required by subparagraphs (a), (c) and (f) of this Item with respect to the directors and executive officers of the Reporting Persons is set forth on Schedule 1 attached hereto and is incorporated herein by reference.

**Item 3. Source and Amount of Funds or Other Consideration**

Item 3 of the Initial Statement is hereby supplemented as follows:

On October 22, 2014, the Issuer entered into the Contribution, Conveyance and Assumption Agreement (the "Contribution Agreement") with the Phillips 66 Partners GP LLC (the "General Partner"), P66 Company and Phillips 66 Pipeline LLC ("P66 Pipeline"). The total consideration for the Transaction was \$340 million, which included \$28 million in cash; the issuance of 1,066,412 common units of the Partnership ("Common Units") to P66 Company; the issuance of 21,764 general partner units of the Partnership (the "General Partner Units") to the General Partner to maintain its 2% general partner interest in the Partnership; and the assumption by the Partnership of a five-year, \$244 million note payable to a subsidiary of P66 Company. The Common Units were issued to P66 Company on December 1, 2014 as part of the closing of the Transaction.

Any actions the Reporting Persons might undertake will be dependent upon the Reporting Persons' review of numerous factors, including, among other things, the price levels of the Common Units; general market and economic conditions; ongoing evaluation of the Issuer's business, financial condition, operations and prospects; the relative attractiveness of alternative business and investment opportunities; and other future developments.

Except as set forth above, the Reporting Persons and Related Persons have no present plans or proposals that would result in or relate to any of the transactions described in subparagraphs (a) through (j) of Item 4 of Schedule 13D.
