eGAIN CORPORATION

Sunnyvale, California 94089

PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of eGain Corporation, a Delaware corporation, referred to as eGain or the Company, of proxies in the accompanying form to be used at the Annual Meeting of Stockholders of eGain, or the Annual Meeting, to be held at eGain Corporation – 1252 Borregas Avenue, Sunnyvale, CA 94089, on November 27, 2018 at 1:00 P.M., Pacific Time, and any postponement or adjournment thereof. The shares represented by the proxies received in response to this solicitation and not properly revoked will be voted at the Annual Meeting in accordance with the instructions therein. A stockholder who has given a proxy may revoke it at any time before it is exercised by filing with the Secretary of eGain a written revocation or a duly executed proxy bearing a later date or by voting in person at the Annual Meeting. On the matters coming before the Annual Meeting for which a choice has been specified by a stockholder by means of the ballot on the proxy, the shares will be voted accordingly. If no choice is specified, the shares will be voted in accordance with the recommendations of the Board of Directors set forth below.

The Board of Directors recommends that you vote:

“FOR” the election of each of the nominated directors;

“FOR” approval, on a non-binding advisory basis, of the compensation of our executive officers; and

“FOR” the ratification of BPM LLP, as eGain’s Independent Registered Public Accounting Firm.

Stockholders of record at the close of business on September 28, 2018, or the Record Date, are entitled to vote at the Annual Meeting. As of the close of business on the Record Date, eGain had 27,868,123 shares of Common Stock, \$0.001 par value, or the Common Stock, outstanding. The presence in person or by proxy of the holders of a majority

of eGain's outstanding shares of Common Stock constitutes a quorum for the transaction of business at the Annual Meeting. Each holder of Common Stock is entitled to one vote for each share held as of the Record Date.

Directors are elected by a plurality vote. The five nominees for director who receive the most votes cast in their favor will be elected to serve as a director. Other proposals submitted for stockholder approval at the Annual Meeting will be decided by the affirmative vote of the majority of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote on such proposal. Abstentions with respect to any proposal are treated as shares present or represented and entitled to vote on that proposal and thus have the same effect as negative votes. If a broker which is the record holder of shares indicates on a proxy that it does not have discretionary authority to vote on a particular proposal as to such shares, or if shares are not voted in other circumstances in which proxy authority is defective or has been withheld with respect to a particular proposal, these non-voted shares will be counted for quorum purposes but are not deemed to be present or represented for purposes of determining whether stockholder approval of that proposal has been obtained.

The expense of printing, mailing proxy materials and solicitation of proxies will be borne by eGain. eGain will reimburse brokerage firms and others for their reasonable expenses in forwarding solicitation materials to beneficial owners of eGain's Common Stock. No additional compensation will be paid to such persons for such solicitation.

This Proxy Statement, the accompanying form of proxy and the 2018 Annual Report, including our consolidated financial statements, are being mailed to stockholders on or about October 19, 2018.

IMPORTANT

Please mark, sign and date the enclosed proxy and return it at your earliest convenience in the enclosed postage-paid return envelope so that, whether you intend to be present at the Annual Meeting or not, your shares can be voted. This will not limit your rights to attend or vote at the Annual Meeting.

Director Independence

Our Board of Directors has determined that, except for Mr. Roy, each individual who currently serves as a member of our Board of Directors is an "independent director" within the meaning of the rules of The Nasdaq Stock Market and the Securities and Exchange Commission. Mr. Roy is not considered independent as he is employed by eGain as its Chief Executive Officer.

Board Leadership

The Board of Directors does not have a policy regarding the separation of the roles of Chief Executive Officer and Chairman of the Board, as the Board of Directors believes it is in the best interests of eGain and its stockholders to evaluate such roles from time to time based on the composition of the Board of Directors and on the input from our independent directors. The Board of Directors has determined that having eGain's Chief Executive Officer serve as Chairman of the Board is in the best interests of the Company's stockholders at this time. This structure makes the best use of the Chief Executive Officer's extensive knowledge of the Company and its industry, as well as fosters greater communication between the Company's management and the Board of Directors.

The Board of Directors also recognized the importance of strong independent board leadership. For that reason, on September 1, 2017, the Board of Directors established the position and responsibilities of Lead Independent Director. Effective September 1, 2017, the Board of Directors elected Mr. Shockley to serve as Lead Independent Director. Responsibilities of the Lead Independent Director include presiding over board meetings in the absence of the Chairman of the Board, serving as a liaison between the Chairman of the Board and the independent directors, acting as a liaison to shareholders under appropriate circumstances, and performing such other functions and responsibilities as requested by the Board of Directors from time to time.

Board of Directors - Risk Oversight

Companies, including eGain, face a variety of risks, including credit risk, liquidity risk, currency exchange risk and operational risk. For a detailed discussion of these risks, we encourage you to review our 2018 Annual Report. Our Board of Directors believes an effective risk management system will timely identify the material risks that eGain faces and communicate necessary information with respect to material risks to senior executives. As appropriate, our Board of Directors or its relevant committees have in the past and will in the future implement risk management strategies consistent with the Company's risk profile and integrate risk management into the Company's decision-making.

Our Board of Directors retains ultimate oversight over the Company's risk management. Our Audit Committee takes an active role in overseeing company-wide risk management and discusses risk management processes with our Board of Directors. The Compensation Committee also oversees the Company's compensation policies and practices to ensure that the Company's compensation policies and practices do not motivate imprudent risk taking. In addition, our Board of Directors encourages management to promote a corporate culture that incorporates risk management into the Company's corporate strategy and day-to-day business operations. Our Board of Directors, with the input of the Company's executive officers, assesses likely areas of future risk for the Company on an on-going basis.

Board Meetings and Committees

Our Board of Directors held seven regular meetings during fiscal year 2018. Each director attended or participated in 75% or more of the meetings of our Board of Directors and of the committees on which such director served during fiscal year 2018. Four directors attended the 2017 annual meeting of stockholders in person or by phone. While we do not have a formal policy on attendance at the Annual Meeting, eGain encourages each of the members of its Board of Directors to attend the Company's Annual Meeting of Stockholders.

Our Board of Directors has appointed a Compensation Committee, a Stock Option Committee, a Nominating and Corporate Governance Committee and an Audit Committee.

The members of the Compensation Committee for fiscal year 2018 were independent directors Dr. Phiroz Darukhanavala and Brett Shockley. The Compensation Committee held two meetings during fiscal year 2018. The Compensation Committee's functions are to assist in the implementation of, and provide recommendations with respect to, general and specific compensation policies and practices of eGain. The Compensation Committee operates under the Compensation Committee Charter adopted by our Board of Directors. The charter is available at the Company's website at: http://hd.egain.com/wp-content/uploads/2012/11/egain_compensation_charter.pdf.

The members of the Stock Option Committee for the fiscal year 2018 were Ashutosh Roy and Gunjan Sinha. The Stock Option Committee met or took action by written consent on 14 occasions during fiscal year 2018. The Stock Option Committee's functions are to grant options to eGain's employees and other service providers, consistent with eGain's compensation policies and practices.

The members of the Nominating and Corporate Governance Committee for fiscal year 2018 were independent directors Gunjan Sinha, Christine Russell and Brett Shockley. The Nominating and Corporate Governance Committee held one meeting during fiscal year 2018. The Nominating and Corporate Governance Committee's primary functions are to seek and recommend to our Board of Directors qualified candidates for election to our Board of Directors and to oversee matters of corporate governance, including the evaluation of our Board of Directors' performance and processes as well as the assignment and rotation of members on the committees established by the Board of Directors. The Nominating and Corporate Governance Committee operates under the Nominating and Corporate Governance Committee Charter adopted by our Board of Directors. The charter is available at the Company's website at: http://hd.egain.com/wp_content/uploads/2012/11/egain_nor

The members of the Audit Committee for fiscal year 2018 were independent directors Christine Russell, Brett Shockley and Dr. Phiroz Darukhanavala. Christine Russell is currently the "audit committee financial expert" as defined by the rules of the Securities and Exchange Commission and an "independent director" under the rules of The Nasdaq Stock Market. The Audit Committee held four meetings during fiscal year 2018. The Audit Committee's functions are to review the scope of the annual

audit, monitor the Independent Registered Public Accounting Firm's relationship with eGain, advise and assist the Board of Directors in evaluating the Independent Registered Public Accounting Firm's examination, supervise eGain's financial and accounting organization and financial reporting, and nominate, for approval of the Board of Directors, the Independent Registered Public Accounting Firm whose duty it is to audit the financial statements of eGain for the fiscal year for which it is appointed. The Audit Committee operates under the Audit Committee Charter adopted by our Board of Directors. The charter is available at the Company's website at: http://hd.egain.com/wp-content/uploads/2012/11/egain_audit_charter.pdf.

Stockholder Communications with the Board of Directors

If you wish to communicate with the Board of Directors, you may send your communications in writing to: Secretary, eGain Corporation, 1252 Borregas Avenue, Sunnyvale, California 94089. You must include your name and address in the written communication and indicate whether or not you are a stockholder of the Company. The Secretary will review any communications received from a stockholder, and all material communications from stockholders will be forwarded to the appropriate director or directors or committee of the Board of Directors based on the subject matter.

Code of Ethics

Our Board of Directors approved a code of ethics applicable to the Board of Directors, senior management including financial officers, and all other employees. The Code of Ethics and Business Conduct, or the Code of Ethics, includes standards intended to deter wrongdoing and promote honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships; full, fair, accurate, timely and understandable disclosure in reports filed with the Securities and Exchange Commission; compliance with laws; prompt internal reporting of violations of the Code of Ethics; and accountability for the adherence to the Code of Ethics. The Code of Ethics is available on the Company's website at http://hd.egain.com/wp-content/uploads/corporate/egain_code_ethics.pdf. Copies of the Code of Ethics are also available in print upon written request to: Secretary, eGain Corporation, 1252 Borregas Avenue, Sunnyvale, California 94089.

Director Qualifications

The Nominating and Corporate Governance Committee periodically reviews with our Board of Directors the appropriate skills and characteristics required of members of the Board of Directors given the current composition of the Board of Directors. Although we have no formal diversity policy for members of our Board of Directors, the Board of Directors and the Nominating and Corporate Governance Committee believe that our Board of Directors should be comprised of individuals who have a diversity of backgrounds, leadership qualities, a record of success in their arena of activity and who can make substantial contributions to the operations of the Board of Directors. The

assessment of Board of Directors candidates includes, but is not limited to, consideration of relevant industry experience, relevant financial experience, general business experience and compliance with independence and other qualifications necessary to comply with any applicable corporate and securities laws and the rules and regulations thereunder. Specific consideration shall also be given to: contributions valuable to the business community; personal qualities of leadership, character, and judgment whether the candidate possesses and maintains throughout his or her service on the Board of Directors, a reputation in the community at large, of integrity, competence and adherence to the highest ethical standards; relevant knowledge and diversity of background and experience in such things as business, software development, manufacturing, technology, finance and accounting, marketing, international business, government and the like; or whether the candidate is free of conflicts and has the time required for preparation, participation and attendance at all meetings. Other than the foregoing, there are no stated minimum criteria for director nominees. The Nominating and Corporate Governance Committee does, however, believe it is appropriate for at least one, and preferably multiple, members of the Board of Directors to meet the criteria for an “audit committee financial expert” as defined by Securities and Exchange Commission rules, and that a majority of the members of the Board of Directors meet the definition of “independent director” under the rules of The Nasdaq Stock Market. The Nominating and Corporate Governance Committee also believes it is appropriate for certain members of management to serve on the Board of Directors. When evaluating a candidate for the Board of Directors, the Nominating and Corporate Governance Committee does not assign specific weight to any of these factors nor does it believe that all of the criteria necessarily apply to every candidate. A director’s qualifications in light of the above-mentioned criteria are considered at least each time the director is nominated or re-nominated for Board of Directors membership.

Identifying and Evaluating Director Nominees

The Nominating and Corporate Governance Committee considers candidates for Board of Directors membership suggested by members of the Board of Directors and management of eGain. The Nominating and Corporate Governance Committee will consider persons recommended by eGain's stockholders in the same manner as a nominee recommended by members of the Board of Directors or management. A stockholder who wishes to suggest a prospective nominee for the Board of Directors should notify eGain's Secretary or any member of the Nominating and Corporate Governance Committee in writing with any supporting material the stockholder considers appropriate. After completing the evaluation and review, the Nominating and Corporate Governance Committee makes a recommendation to our full Board of Directors as to the person who should be nominated to the Board of Directors, and our Board of Directors considers the nominee after evaluating the recommendation and report of the Nominating and Corporate Governance Committee. Each director candidate recommended for election at this year's Annual Meeting is an existing director, seeking re-election to the Board of Directors.

In addition, our Bylaws contain provisions that address the process by which a stockholder may nominate an individual to stand for election to our Board of Directors at our annual meeting of stockholders. In order to nominate a candidate for director, a stockholder must give timely notice in writing to eGain's Secretary and otherwise comply with the provisions of our Bylaws. To be timely, our Bylaws provide that we must have received the stockholder's notice not less than 120 days prior to any meeting called for the election of directors; however, if we have not given 100 days' notice, we must have received the stockholder's notice not later than the close of business on the 7th day following the day on which notice was given. Information required by the Bylaws to be in the notice includes (a) the name, age, business address and, if known, residence address of each nominee proposed in such notice, (b) the principal occupation or employment of each such nominee, (c) the number of shares of our common stock which are beneficially owned by each such nominee and by the nominating stockholder, and (d) any other information concerning the nominee that must be disclosed of nominees in proxy solicitations regulated by Regulation 14A of the Securities Exchange Act of 1934, as amended.

Stockholder nominations must be made in accordance with the procedures outlined in, and include the information required by, our Bylaws and must be addressed to: Secretary, eGain Corporation, 1252 Borregas Avenue, Sunnyvale, California 94089. You can obtain a copy of our Bylaws by writing to the Secretary at this address.

Compensation Discussion and Analysis

Company Philosophy on Compensation

The Compensation Committee of our Board of Directors is responsible for providing oversight and determining our executive compensation programs. To that end, our Compensation Committee reviews corporate performance relevant to the

compensation of our executive officers and works with management to establish our executive compensation programs. The general philosophy of our executive compensation program is to:

- encourage creation of stockholder value and achievement of strategic corporate objectives by providing management with long-term incentives through equity ownership by management;
- provide a competitive total compensation package that enables us to attract and retain, on a long-term basis, high caliber personnel;
- provide a total compensation opportunity that is competitive with companies in our industry, taking into account relative company size, performance and geographic location, as well as individual responsibilities and performance;
- provide fair and internally consistent compensation; and
- other relevant considerations such as rewarding extraordinary performance.

Our executive compensation program is designed to reward team accomplishments while promoting individual accountability. The combination of incentives is designed to balance annual operating objectives and eGain's earnings' performance with longer-term stockholder value creation.

Establishing Compensation

Recommendations for executive compensation are made by our Compensation Committee and approved by the independent members of our Board of Directors. The Compensation Committee may not delegate its authority in these matters to other persons. Our Compensation Committee typically reviews our executive officers' compensation, including our named executive officers, on an annual basis. Our Compensation Committee determines the appropriate levels of compensation to recommend based primarily on:

- competitive benchmarking consistent with our recruiting and retention goals;
- internal consistency and fairness; and
- other relevant considerations such as rewarding extraordinary performance.

In addition, our Compensation Committee evaluated the results of the most recent stockholder advisory vote on executive compensation, where stockholder voting on the proposal strongly supported such executive compensation. To assist in the process of establishing executive compensation, our Compensation Committee reviews publicly available compensation information from a group of peer companies located in the Silicon Valley. Our Compensation Committee recommends compensation for our Chief Executive Officer, which was increased effective September 1, 2017, from \$24 per annum at his request beginning October 2003 through fiscal year 2017, to \$250,000, as further discussed below. With respect to our other named executive officers, our Compensation Committee reviews compensation that is recommended by our Chief Executive Officer.

Compensation Components

Our executive compensation program generally consists of three primary components: base salary, annual non-equity incentives and stock option awards. These primary compensation components are described in more detail below.

Executive officers are also eligible to participate in all of our respective local employee benefits plans, such as medical insurance, life and disability insurance and our 401(k) retirement plan, in each case on the same basis as other employees.

We view the three primary components of executive compensation as related, but we do not believe that compensation should be derived entirely from one component, or that significant compensation from one component should necessarily reduce compensation from other components. Our Compensation Committee has not adopted a formal or informal policy for allocating compensation between long-term and current compensation or between cash and non-cash compensation.

Base Salary

We provide our named executive officers with a base salary to compensate them for services rendered during the fiscal year. We establish base salaries for our executives based on the scope of their responsibilities and experience and take into account

competitive market compensation paid by companies in our peer group commensurate for similar responsibilities and positions. We believe that executive base salaries should be targeted to be within the range of salaries for similar positions at comparable companies, which is in line with our compensation philosophy, in order to best attract, retain and motivate our executives. In reviewing compensation of our peer companies, our Compensation Committee takes into account the annual revenues and market size of these companies and other relevant factors it deems appropriate. Our Compensation Committee attempts to establish compensation, particularly base salary, in the same comparable range that our revenues and market size fall when compared to these peer companies. In some cases, our executive compensation may rise above this range due to certain circumstances, such as a strong retention need or an extraordinary performance.

We attempt to review base salaries annually and adjust base salaries from time to time to ensure that our compensation programs remain competitive with market levels.

The base salary for each of our named executive officers as of June 30, 2018 was as follows:

Name	Base Salary (\$)
Ashutosh Roy	250,000
Eric Smit	250,000
Promod Narang	250,000
Todd Woodstra	200,000

On September 19, 2017, the Board of Directors approved an increase in Mr. Roy's base salary from \$24 to \$250,000 annually, effective as of September 1, 2017.

On August 31, 2018, our Compensation Committee approved an increase in the base salary of our three executive officers excluding Mr. Roy, (i) from \$250,000 to \$275,000 for Mr. Smit, our Chief Financial Officer, (ii) from \$250,000 to \$275,000 for Mr. Narang, Senior Vice President of Products and Engineering and (iii) from \$200,000 to \$210,000 for Mr. Woodstra, Senior Vice President of Global Sales, in each case effective as of September 1, 2018.

Annual Non-Equity Incentive Plan Compensation

Currently, most eGain employees participate in either a non-equity incentive plan tied primarily to revenue or bookings metrics or, in the case of sales representatives and managers, a commission plan tied primarily to revenue and bookings metrics. The plans are designed to provide awards to employees as an incentive to contribute to eGain's

continued growth.

Amounts paid to our named executive officers pursuant to our non-equity incentive plan are contingent upon the attainment of certain performance targets established by our Compensation Committee and Board of Directors and are made in accordance with our executive compensation strategy. For fiscal year 2018, 100% of the target for each executive officer was tied to company performance. The performance targets may include:

- financial metrics, such as new cloud and license bookings, annualized contract value, revenues, operating income, cash flow, cash balances, days sales outstanding; and
- business operational metrics, such as customer satisfaction, customer retention, operational efficiencies, product delivery and product quality.

Amounts paid to our named executive officers pursuant to our commission plan are contingent upon the attainment of certain sales targets established by our Compensation Committee and Board of Directors and are made in accordance with our executive compensation strategy. The sales targets include financial metrics such as license revenue, new hosting bookings and professional services invoiced.

Stock Option Awards

We believe the use of stock-based awards for our named executive officers is a strong compensation tool that encourages officers to act in a manner that leads to long-term company success. We believe this type of compensation aligns our executive

officers' performance with the interests of our long-term investors by rewarding our officers through equity appreciation. The stock-based incentive program for the entire Company, including executive officers, currently consists of stock option grants only, but we may introduce different types of equity awards or instruments to remain competitive in the compensation we pay our employees.

Our Stock Option Committee approves grants of proposed stock options awards and administers our stock option plans consistent with the compensation policies and practices as set by our Compensation Committee. Proposed stock option awards to our executive officers are presented to our entire Board of Directors for consideration. The Stock Option Committee normally grants options to executive officers upon the hiring of an executive officer, as part of an annual review, and as special circumstances arise. The exercise price of our stock option awards is based on the closing price of our Common Stock on The Nasdaq Stock Market on the date such stock option award is approved. Except with respect to new hire grants, proposals for significant stock option awards to our executive officers are not considered during our established "blackout period," which commences 20 days prior to the end of each fiscal quarter and ends the trading day following the announcement of earnings for such fiscal quarter. Except for such proposed stock option awards to our executive officers, we intend to grant options in accordance with the foregoing procedures without regard to the timing of the release of material non-public information, such as an earnings announcement.

Other Supplemental Benefits

In addition to the compensation opportunities we describe above, we also provide our named executive officers and other employees with benefits, such as medical insurance, life and disability insurance and our 401(k) retirement plan, in each case on the same basis as other employees.

Effective July 1, 2014, the Company began contributing 50% of employee contributions up to a maximum of 6% of the total employee salary contributions.

Defined Pension Plan

None of our named executive officers participate in or have account balances in qualified or non-qualified defined benefit plans sponsored by us. We do not offer such qualified or non-qualified defined benefit plans to our executives because we believe that such defined benefit plans are not typical for similar companies in both our industry and geographic region. We may elect to adopt qualified or non-qualified defined benefit plans if our Compensation Committee and Board of Directors determine that doing so is in our best interests.

Change of Control Benefits

On November 2, 2015, the Board of Directors approved a form of change of control and severance agreement and authorized the Company to enter into that standard form agreement with several of the Company's employees and executive officers, including named executive officers Eric Smit and Promod Narang, but not including, at this time, Ashutosh Roy or Todd Woodstra.

The form of change of control and severance agreement has an initial term of one year, which term automatically renews for additional one-year periods unless either party provides written notice of non-renewal at least 60 days prior to the date of automatic renewal and which term extends for one year from a "change of control," as defined in the agreement. Pursuant to the agreement, if the individual is terminated by us without "cause" (as defined in the agreement), or terminates his or her employment for "good reason" (as defined in the agreement), each during a period not within two months prior to and ending 12 months following a change of control, or the "change of control period" (as defined in the agreement), he or she is entitled to six months of salary continuation from the termination date plus 50% of the individual's target bonus in the year of termination and six months of accelerated vesting of any outstanding equity awards.

The receipt of the above-described benefits is subject to the individual executing a release of certain claims against us. Further, in either of the above situations the individual will also be reimbursed (or receive payments in lieu of such reimbursements) if he or she elects and pays to continue health insurance under the Consolidated Omnibus Budget Reconciliation Act of 1985, or COBRA, for any premiums paid for continued health benefits for the individual and his or her eligible dependents until

the earlier of (i) six months following the termination date or (ii) the date upon which the executive and his or her eligible dependents become covered under similar plans.

The following table provides hypothetical amounts of cash severance payments related to salary, non-equity incentive plan compensation, equity incentive plan compensation and all other compensation had a change in control of our Company occurred on June 30, 2018, with a price per share equal to \$15.10, the closing market price as of June 29, 2018, and the employment of the following officers was terminated without cause or the officers resign for good reason within the first twelve months following a change in control (based on salary and other compensation arrangements as of June 30, 2018):

Name and principal position	Salary (\$ (1))	Non-equity incentive plan compensation (\$ (2))	Equity incentive plan compensation (\$ (3))	All other compensation (\$ (4))	Total (\$)
Eric Smit	125,000	37,500	23,705	1,522	187,727
Promod Narang	125,000	37,500	24,665	1,273	188,438

- (1) Represents 50% of each of the officer's salary as of June 30, 2018.
- (2) Represents 50% of the hypothetical non-equity incentive plan compensation amount that would be subject to approval by our Compensation Committee and Board of Directors relating to fiscal year 2019.
- (3) Represents estimated stock-based compensation expense of options outstanding as of June 30, 2018 that hypothetically would have vested over a term of six months after June 30, 2018 had the employment of each of the named executive officers continued.
- (4) Represents payroll benefits that hypothetically would have been provided for a term of six months after June 30, 2018 had the employment of each of the named executive officers continued.

Change in control provisions were not in effect for Messrs. Roy and Woodstra as of June 30, 2018.

Non-qualified Deferred Compensation

None of our named executive officers participate in or have account balances in non-qualified defined contribution plans or other deferred compensation plans maintained by us. To date, we have not had a significant reason to offer such non-qualified defined contribution plans or other deferred compensation plans. We may elect to provide our officers and other employees with non-qualified defined contribution or deferred compensation benefits if our Compensation Committee and Board of Directors determine that doing so is in our best interests.

Section 162(m) Treatment Regarding Performance-Based Equity Awards

Under Section 162(m) of the Internal Revenue Code of 1986, as amended, we may not receive a federal income tax deduction for compensation paid to our Chief Executive Officer, Chief Financial Officer or up to three additional executive officers whose total compensation is required to be reported in our Proxy Statement to the extent that any of these persons receives more than \$1,000,000 in compensation in the taxable year. We intend to preserve the deductibility of compensation payable to our executives, although deductibility will be only one of the many factors considered in determining appropriate levels or modes of compensation.

PROPOSAL 2

Non-binding Advisory Vote on executive compensation

In accordance with the requirements of Section 14A of the Securities Exchange Act of 1934 (which was added by the Dodd-Frank Wall Street Reform and Consumer Protection Act and the related rules of the SEC), we are asking stockholders to approve, on an advisory basis, the compensation of our executive officers as described in the Compensation Discussion and Analysis section, accompanying compensation tables and narrative disclosure set forth in this Proxy Statement. This vote is not intended to address any specific item of compensation or the compensation of any particular executive officer, but rather the overall compensation of our executive officers as well as the philosophy and objectives of our executive compensation programs. We are seeking an advisory vote on executive compensation every three years until the next required stockholder vote on the frequency of stockholder votes on executive compensation.

As described in the Compensation Discussion and Analysis, our executive compensation program is designed to reward team accomplishments while promoting individual accountability. Our compensation takes into account competitive practices and internal consistency and fairness. Please read the Compensation Discussion and Analysis for additional details about our executive compensation programs, including information about the compensation of our executive officers in fiscal year 2018.

Our Board of Directors asks that you indicate your support of the compensation of our executive officers as disclosed in the Compensation Discussion and Analysis section of this Proxy Statement. Accordingly, we ask our stockholders to vote “For” the following resolution at the Annual Meeting:

“RESOLVED, that the Company’s stockholders approve, on a non-binding advisory basis, the compensation of the executive officers, as disclosed in the Company’s Proxy Statement for the 2018 Annual Meeting pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, compensation tables and narrative discussions.”

Although the vote is non-binding, our Board of Directors and the Compensation Committee will review the voting results. To the extent there is any significant negative vote on this proposal, we would attempt to consult directly with stockholders to better understand the concerns that influenced the vote. Our Board of Directors and the Compensation Committee would consider constructive feedback obtained through this process in making future decisions about executive compensation programs.

Required Vote

This vote, which is commonly referred to as the “say-on-pay vote,” is not binding on the Company, our Compensation Committee or our Board of Directors, however we value the opinions of our stockholders, and the Compensation Committee will take into account the result of the vote on this proposal when determining future executive compensation.

Our Board of Directors recommends a vote “FOR” this proposal.

PROPOSAL 3

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Upon the recommendation of the Audit Committee, the Board of Directors has appointed the firm of BPM LLP, or BPM, as eGain's Independent Registered Public Accounting Firm for the fiscal year ending June 30, 2019, subject to ratification by the stockholders. BPM audited eGain's consolidated financial statements for the fiscal year ended June 30, 2018. Representatives of BPM are expected to be present at the Annual Meeting. They will have an opportunity to make a statement, if they desire to do so, and will be available to respond to appropriate questions.

Principal Accounting Fees and Services

The aggregate fees for professional services by BPM the Company's Independent Registered Public Accounting Firm in fiscal year 2018 and fiscal year 2017 for these various services to the Company and its subsidiaries were as follows:

Audit Fees

The aggregate audit fees and expenses billed by BPM for professional services rendered for the audit of the Company's annual consolidated financial statements and the effectiveness of the Company's internal control over financial reporting, reviews of the Company's unaudited condensed consolidated financial statements included in the Company's Quarterly Reports on Form 10-Q and services that were provided in connection with statutory and regulatory filings, including Current Reports on Form 8-K, were approximately \$557,000 for fiscal year 2018 and \$446,000 for fiscal year 2017.

Audit-Related Fees

No fees for audit-related services were incurred in fiscal years 2018 and 2017.

Tax Fees

There were \$0 and \$35,000 of fees for tax transfer pricing services completed in fiscal year 2018 and 2017.

All Other Fees

There were no other fees billed to the Company by BPM for the fiscal years 2018 and 2017 other than those reported in the categories above.

Policy on Pre-Approval of Retention of Independent Registered Public Accounting Firm

The engagement of BPM for non-audit accounting and tax services performed for the Company is limited to those circumstances where these services are considered integral to the audit services that it provides or in which there is another compelling rationale for using its services. Pursuant to the Sarbanes-Oxley Act of 2002, all audit and permitted non-audit services for which the Company engages BPM require pre-approval by the Audit Committee. The Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by the Company's Independent Registered Public Accounting Firm. The percentage of Audit Fees, Audit-Related Fees, Tax Fees and All Other Fees, out of all fees paid to BPM and all as approved by the Audit Committee in accordance with the policy, was 100% for fiscal year 2018.

Required Vote

Ratification will require the affirmative vote of a majority of the shares present and voting at the Annual Meeting in person or by proxy. In the event ratification is not provided, the Board of Directors will review its future selection of eGain's Independent Registered Public Accounting Firm but will not be required to select a different Independent Registered Public Accounting Firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a

different Independent Registered Public Accounting Firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of our company and our stockholders.

Our Board of Directors recommends a vote “FOR” ratification of BPM LLP as eGain’s Independent Registered Public Accounting Firm.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The following report of the Audit Committee does not constitute soliciting material and shall not be deemed filed or incorporated by reference into any other filing by eGain under the Securities Act of 1933 or the Securities Exchange Act of 1934.

The Audit Committee of the Board of Directors, or the Audit Committee, operates under a written charter adopted by the Board of Directors. The current members of the Audit Committee are Christine Russell, Brett Shockley and Dr. Phiroz Darukhanavala, each of whom meets the independence standards established by The Nasdaq Stock Market.

The Audit Committee performs the following activities:

- oversees eGain's financial reporting process on behalf of the Board of Directors; and
- provides independent, objective oversight of eGain's accounting functions and internal controls.

The Audit Committee reviewed and discussed the audited consolidated financial statements contained in the 2018 Annual Report with eGain's management and its Independent Registered Public Accounting Firm. Management is responsible for the consolidated financial statements and the reporting process, including the system of internal controls. The Independent Registered Public Accounting Firm is responsible for expressing an opinion on the material conformity of those consolidated financial statements with accounting principles generally acceptable in the United States.

The Audit Committee met privately with the Independent Registered Public Accounting Firm, and discussed issues deemed significant by the Independent Registered Public Accounting Firm, including those required by Public Company Accounting Oversight Board, or PCAOB, Auditing Standards No. 1301, Communications with Audit Committees, about the quality (and not merely the acceptability) of the Company's accounting principles, the reasonableness of significant estimates, judgments and the transparency of disclosures in the Company's consolidated financial statements. In addition, the Audit Committee discussed with the Independent Registered Public Accounting Firm their independence from eGain and its management, including the matters in the written disclosures required by the applicable requirements of the PCAOB. The Audit Committee also considered BPM's provision of non-audit services to eGain and determined that such provision of such services was compatible with maintaining the independence of BPM. BPM has provided the Audit Committee the written disclosures and the letter required by the applicable requirements of the PCAOB.

In reliance on the reviews and discussions outlined above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the 2018 Annual Report, for filing with the

Securities and Exchange Commission.
