Item 15. Indemnification of Directors and Officers

The charter and bylaws of Omega provide for indemnification of directors and officers to the fullest extent permitted by Maryland law.

Section 2-418 of the General Corporation Law of the State of Maryland generally permits indemnification of any director or officer with respect to any proceedings unless it is established that: (a) the act or omission of the director or officer was material to the matter giving rise to the proceeding and was either (i) committed in bad faith or (ii) the

result of active and deliberate dishonesty; (b) the director or officer actually received an improper personal benefit in money, property or services; or (c) in the case of a criminal proceeding, the director or officer had reasonable cause to believe that the act or omission was unlawful. The indemnity may include judgments, penalties, fines, settlements, and reasonable expenses actually incurred by the director or officer in connection with the proceedings. However, a corporation may not indemnify a director or officer who shall have been adjudged to be liable to the corporation, or who instituted a proceeding against the corporation (unless such proceeding was brought to enforce the indemnification provisions of Section 2-418, or the charter, bylaws, a resolution of the board of directors of the corporation or an agreement approved by the board of directors). In addition, a director may not be indemnified under Section 2-418 in respect of any proceeding charging improper personal benefit to the director, whether or not involving action in the director's official capacity, in which the director was adjudged to be liable on the basis that personal benefit was improperly received. The termination of any proceeding by judgment, order or settlement does not create a presumption that the director or officer did not meet the requisite standard of conduct required for permitted indemnification. The termination of any proceeding by conviction, or plea of nolo contendere or its equivalent, or an entry of an order of probation prior to judgment, creates a rebuttable presumption that the director or officer did not meet that standard of conduct. A director or officer who has been successful on the merits or otherwise, in the defense of any proceeding referred to above shall be indemnified against any reasonable expenses incurred by the director or officer in connection with the proceeding. As noted below, the SEC may limit the corporation's obligation to provide this indemnification.

Omega has also entered into indemnity agreements with the officers and directors of the registrant that provide that the registrant will, subject to certain conditions, pay on behalf of the indemnified party any amount which the indemnified party is or becomes legally obligated to pay because of any act or omission or neglect or breach of duty, including any actual or alleged error or misstatement or misleading statement, which the indemnified party commits or suffers while acting in the capacity as an officer or director of the registrant. Once an initial determination is made by the registrant that a director or officer did not act in bad faith or for personal benefit, the indemnification provisions contained in the charter, bylaws, and indemnity agreements would require the registrant to advance any reasonable expenses incurred by the director or officer, and to pay the costs, judgments, and penalties determined against a director or officer in a proceeding brought against them.

Insofar as indemnification for liabilities arising under the Securities Act is permitted to directors and officers of Omega pursuant to the above-described provisions, Omega understands that the SEC is of the opinion that such indemnification contravenes federal public policy as expressed in said act and therefore is unenforceable.

Item 16. Exhibits

The exhibits to this registration statement are listed in the Exhibit Index that immediately precedes such exhibits and is hereby incorporated by reference.

Item 17. Undertakings

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information in this registration statement. Notwithstanding the foregoing, any increase or decrease in

volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii), and (a)(1)(iii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act to any purchaser:

(i) If the registrant is relying on Rule 430B:

(A) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(6) That, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(7) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
