ITEM 4. DESCRIPTION OF SECURITIES.

Not applicable.

ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL.

The legality of the securities offered pursuant to this Registration Statement will be passed upon for the Registrant by Gary S. Cullen, Esq., Vice President, Deputy General Counsel and Assistant Secretary of the Registrant.

ITEM 6. INDEMNIFICATION OF OFFICERS AND DIRECTORS.

As authorized by Section 102(b)(7) of the Delaware General Corporation Law (the "DGCL"), the Registrant's Certificate of Incorporation eliminates to the fullest extent permitted by Delaware law the personal liability of its directors to the Registrant or its stockholders for monetary damages for any breach of fiduciary duty as a director.

The Registrant's Bylaws provide that each person who was or is made a party or is threatened to be made a party to or is involved in any threatened, pending or completed action, suit or proceeding by reason of the fact that he or she is or was a director, officer, employee or agent of the Registrant or of another enterprise, serving as such at the request of the Registrant, shall be indemnified and held harmless by the Registrant to the fullest extent permitted by the DGCL; provided, however, that except as to actions to enforce indemnification rights, the Registrant shall indemnify any such person seeking indemnification in connection with an action, suit or proceeding (or part thereof) initiated by such person only if the action, suit or proceeding (or part thereof) was authorized by the Board of Directors of the Registrant. When indemnification is authorized by the Registrant's Bylaws, the director, officer, employee or agent shall be indemnified for expenses, liabilities and losses (including attorneys' fees, judgments, fines, ERISA excise taxes or penalties and amounts paid or to be paid in settlement) reasonably incurred by him or her in connection therewith. The Registrant's Bylaws also provide that expenses incurred by an officer or director (acting in his or her capacity as such) in defending a proceeding shall be paid by the Registrant in advance of final disposition of the proceeding; provided, however, that if required by the DGCL, the officer or director shall deliver to the Registrant an undertaking by the officer or director to repay such expenses if it is ultimately determined that he or she is not entitled to be indemnified by the Registrant. The Registrant's Bylaws also provide that in other circumstances, expenses may be advanced upon such terms and conditions as the Board of Directors deems appropriate.

Edgar Filing: Con-way Inc. - Form S-8

The Registrant's Bylaws further provide that the right to indemnification granted thereunder shall be a contract right for the benefit of the Registrant's directors, officers, employees and agents. The Registrant's Bylaws also authorize actions against the Registrant to enforce the indemnification rights provided by the Bylaws, subject to the Registrant's right to assert a defense in any such action that the claimant has not met the standards of conduct that make it permissible under the DGCL for the Registrant to indemnify the claimant for the amount claimed, and the Registrant shall bear the burden of proving any such a defense.

Under Section 145 of the DGCL, a corporation may provide indemnification to directors, officers, employees and agents against judgements, penalties, fines, settlements and reasonable expenses (including attorneys' fees) incurred in the defense or settlement of a derivative action, provided there is a determination by a majority vote of a quorum of disinterested directors, a committee of directors, independent legal counsel, or a majority vote of stockholders that a person seeking indemnification acted in good faith and in a manner reasonably believed to be in or not opposed to the best interests of the corporation, and, in the case of a criminal proceeding, with no reasonable cause to believe his or her conduct was unlawful. However, Section 145 also states that no indemnification may be actions where such person is adjudged liable to the corporation, unless, and made in derivative only to the extent, that a court determines upon application that such person is fairly and reasonably entitled to indemnity for such expenses which the court deems proper. Section 145 of the DGCL also permits indemnification of expenses which the court deems proper and provides that indemnification of expenses actually and reasonably incurred shall be provided when the individual being indemnified has successfully defended the action on the merits or otherwise in any action, suit or proceeding. The indemnification rights provided by statute in Delaware are not deemed to be exclusive of any other rights to which those seeking indemnification may be entitled under any bylaw, agreement or otherwise.

The Registrant's Bylaws also authorize the Registrant to purchase and maintain insurance to protect itself and any person who is or was the director, officer, employee or agent against any liability, expense or loss incurred by or asserted against such persons, whether or not the Registrant would have the power to indemnify any such person against such liability, expense or loss under applicable law or the Registrant's Bylaws. The Registrant presently maintains a directors' and officers' liability insurance policy which insures directors and officers of the Registrant and those of certain of its subsidiaries.

- 23.2 Consent of Independent Public Accountants (Exhibit 23.2)
- 24 Powers of Attorney (set forth on the signature pages to this Registration Statement)

ITEM 9. UNDERTAKINGS.

The undersigned Registrant hereby undertakes:

- (a) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (a)(i) and (a)(ii) do not apply if the registration statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

- (b) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

Edgar Filing: Con-way Inc. - Form S-8

The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

Gentlemen:

At your request, I have examined the Registration Statement on Form S-8 executed by you on September 20, 2009 and to be filed with the Securities and Exchange Commission on or about November 3, 2009 in connection with the registration under the Securities Act of 1933, as amended, of Common Stock issuable pursuant to the Con-way Retirement Savings Plan, Con-way 401(k) Plan, Con-way Personal Savings Plan and Employee Stock Purchase Plan (the "Plans").

As your counsel in connection with the Registration Statement, I have examined the proceedings taken by you in connection with the authorization of the issuance of shares of Common Stock under the Plans (the "Plan Shares") and such documents as I have deemed necessary to render this opinion.

Based upon the foregoing, it is my opinion that the Plan Shares (to the extent such shares constitute original issuance securities), when issued and outstanding pursuant to the terms of the Plans, will be validly issued, fully paid and nonassessable shares of Common Stock.

I consent to the use of this opinion as an exhibit to the Registration Statement.

Very truly yours,
