Item 4. Description of Securities

The class of securities to be offered under this Registration Statement is registered under Section 12 of the Exchange Act.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

The Maryland General Corporation Law authorizes Maryland corporations to limit the liability of directors and officers to the corporation or its stockholders for money damages, except: (a) to the extent that it is proved that the person actually received an improper benefit or profit in money, property or services, for the amount of the benefit or profit in money, property or services actually received; (b) to the extent that a judgment or other final adjudication adverse to the person is entered in a proceeding based on a finding in the proceeding that the person's action, or failure to act, was the result of active and deliberate dishonesty and was material to the cause of action adjudicated in the proceeding; or (c) with respect to certain other actions not applicable to the Registrant.

The Maryland General Corporation Law also provides for permissive and mandatory indemnification by a Maryland corporation of its directors and officers that are made party to any proceeding by reason of service in that capacity. Under those provisions, indemnification is mandated for the reasonable expenses incurred by a director or officer in connection with such a proceeding if: (a) the director or officer has been successful, on the merits or otherwise, in the defense of the proceeding or in the defense of any claim, issue or matter in the proceeding; or (b) upon application by the officer or director, a court of appropriate jurisdiction determines that such indemnification is appropriate and orders that it be made. Indemnification is permitted for such expenses and for any judgments, penalties, fines or settlements actually incurred by a director or officer in connection with the proceeding unless: (a) the corporation's charter or bylaws, or a resolution of the corporation's board of directors or a board-approved agreement of the corporation otherwise provides; (b) it is established that (i) the act or omission of the director or officer was material to the matter giving rise to the proceeding and was committed in bad faith or was the result of active and deliberate dishonesty, (ii) the director or officer actually received an improper personal benefit in money, property or services, or (iii) in the case of any criminal proceeding, the director or officer had reasonable cause to believe his or her act or omission was unlawful; or (c) the proceeding is one that was brought by the director or officer against the corporation (other than a proceeding brought to enforce indemnification) unless the corporation's charter or bylaws, or a resolution of the corporation's board of directors or a board-approved agreement of the corporation otherwise provides.

The Maryland General Corporation Law also permits Maryland corporations to advance payments of reasonable expenses incurred by a director or officer in such a proceeding (other than one described in clause (c) of the preceding sentence) if the corporation has received a written affirmation by the director or officer of his or her good faith belief that the standard of conduct necessary for permissive indemnification has been satisfied and the corporation has received a written undertaking by or on behalf of the director or officer to repay the advanced amount if it is ultimately determined that that standard of conduct has not been met. The Maryland General Corporation Law also permits Maryland corporations to purchase and maintain insurance on behalf of directors or officers against any liability asserted against or incurred by them arising out of their positions, irrespective of whether the corporation would have the power to indemnify them for such liabilities.

Article NINTH, section (8) of our Articles of Incorporation provides that, to the full extent permitted by the laws of Maryland, we shall indemnify any person that (a) is serving as a director or officer of Eaton Vance Corp., (b) any person that has served as an officer or director of Eaton Vance Corp., and (c) any person who at our request is serving or has served as a director, officer, trustee, partner, employee, agent or other representative of another corporation, joint stock company, syndicate, association, firm, trust, partnership or other entity, against all liabilities and expenses, including without limitation attorneys' fees and judgments, penalties, fines and amounts paid in settlement, reasonably incurred by such person in connection with any threatened, pending or completed action, suit, or other proceeding, whether civil, criminal, administrative, investigative or legislative, in which such person may be involved or with which such person may be threatened by reason of serving or having served in such position.

Indemnification requires a determination made in accordance with applicable statutory standards by the Board of Directors or by independent legal counsel (who may be regular counsel to the Registrant) or by the holders of not less than a majority of the total number of shares of our Common Stock then outstanding.

Article NINTH, section (8) of our Articles of Incorporation provides that the indemnification right provided therein is not exclusive of and will not otherwise affect any other rights to which such person may be entitled (whether under any law, by-law, agreement, director vote, stockholder vote or otherwise), shall inure to the benefit

of such person's heirs, executors, administrators and personal representatives, and shall continue as to a person who has ceased to serve in such position.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) to reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement.

Provided, however, that (A) paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if this Registration Statement if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as

expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
