ITEM 10. DIRECTORS, EXECUTIVE OFFICERS AND CORPORATE GOVERNANCE

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act and related rules of the SEC require our directors and officers, and persons who own more than 10% of a registered class of our equity securities, to file initial reports of ownership and reports of changes in ownership with the SEC. As with many public companies, we provide assistance to our directors and executive officers in making their Section 16(a) filings pursuant to powers of attorney granted by our insiders. To our knowledge, based solely on our review of the copies of Section 16(a) reports received by us with respect to 2018, including those reports that we have filed on behalf of our directors and executive officers pursuant to powers of attorney, or written representations from certain reporting persons, we believe that all filing requirements applicable to our directors, officers and persons who own more than 10% of a registered class of our equity securities have been satisfied on a timely basis.

As our Chief Executive Officer, Mr. Breen provides valuable insight to our Board on our day-to-day operations and finances. In addition, we believe that Mr. Breen's professional experience and thought leadership in advertising and agency services, a core part of the company's business, provide valuable insight to the Board on these industries and our strategic initiatives.

We also believe he offers us extensive knowledge of financial instruments, financial and economic trends and accounting expertise from serving as president of SIPCO, Inc. and on the audit committee of First Financial Bankshares. Mr. Copeland, a certified public accountant and a chartered financial analyst, would qualify as a financial expert for our audit committee if independent.

John H. "Jack" Griffin, Jr. has served as a director of Harte Hanks since July 2018 and Vice Chairman since April 2019. He was a member of the Harte Hanks Office of the Chief Executive Officer (the "Office of the CEO") from August 2018 to January 2019. Mr. Griffin has served as Managing Director at Oaklins DeSilva+Phillips, an advisory firm in New York City focused on mid-market M&A transactions, valuations and restructurings for firms in media, marketing services, information, education and health care communications, since 2016. We believe that Mr. Griffin's qualifications for our Board include his proven success as both an operator of and advisor to companies undergoing restructuring and reengineering solutions, along with his demonstrated record achieving and exceeding financial targets in demanding private and public company environments. In addition, the experience Mr. Griffin gained as a member of the Office of the CEO will enable him to provide the Board with additional insight into the Company's operations, strategic initiatives and personnel.

Melvin L. Keating has served as a director of Harte Hanks since July 2017. He was a member of Harte Hanks Office of the CEO from August 2018 to January 2019. We believe Mr. Tobia's qualifications for our Board include his extensive financial experience and his executive and management experience.

Committees and Meetings of the Board of Directors

Board Committees

Our Board of Directors has established an Audit Committee, a Compensation Committee and Nominating and Corporate Governance Committee, which have the composition and responsibilities described below. Each committee operates under a charter that has been approved by the Board of Directors and current copies of these charters are posted on our website, <http://investors.hartehanks.com/corporate-governance>. The information on our website is not incorporated by reference and is not part of this Form 10-K/A. There have been no material changes to the procedures by which stockholders may recommend individuals for consideration by the Nominating and Corporate Governance Committee as potential nominees for director since such procedures were last described in our proxy statement, filed with the SEC on July 13, 2018 (the "2018 Proxy Statement").

Audit Committee

We have a separately-designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Exchange Act. Our Audit Committee is composed of Melvin L. Keating, Maureen E. O'Connell and Evan Behrens. All are non-employee members of our Board of Directors. Mr. Keating is the Audit Committee Chair. Ms. O'Connell is considered an "audit committee financial expert," as currently defined under the SEC and NYSE rules.

Our Board of Directors has determined that Mr. Keating, Ms. O'Connell and Mr. Behrens are independent within the meaning of the applicable SEC rules and the listing standards of the NYSE as such requirements apply.

The primary function of the Audit Committee is to assist the Board in fulfilling its oversight of (1) the integrity of our financial statements, including the financial reporting process and systems of internal controls regarding finance, accounting, and legal compliance, (2) the qualifications and independence of our independent auditors, (3) the performance of our internal audit function and independent auditors, and (4) our compliance with legal and regulatory requirements.

Compensation Committee

Our Compensation Committee is composed of Melvin L. Keating, Maureen E. O'Connell and Jack Griffin, Jr. Ms. O'Connell is our Compensation Committee Chair.

The primary functions of the Compensation Committee are to (1) review and approve corporate goals and objectives relevant to Chief Executive Officer compensation, evaluate the Chief Executive Officer's performance in light of those goals and objectives, and together with the other independent directors (as directed by the Board), determine and approve the Chief Executive Officer's compensation level based on this evaluation, (2) review and recommend to the Board (as directed by the Board) non-Chief Executive Officer compensation, incentive-compensation plans and equity-based plans, and (3) to the extent such disclosure is required, review and discuss with management the company's "Compensation Discussion and Analysis" and produce a committee report on executive compensation as required by the SEC to be included in our annual proxy statement or Annual Report on Form 10-K filed with the SEC.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee is composed of Alfred V. Tobia, Jr. and Jack Griffin, and Evan Behrens. Mr. Tobia is our Nominating and Corporate Governance Committee Chair.

The primary functions of the Governance Committee are to (1) develop, recommend to the Board, implement and maintain our company's corporate governance principles and policies, (2) identify, screen and recruit, consistent with criteria approved by the Board, qualified individuals to become Board members, (3) recommend that the Board select the director nominees for the next annual meeting of stockholders, (4) assist the Board in determining the appropriate size, function, operation and composition of the Board and its committees, and (5) oversee the evaluation of the Board and management. The Nominating and Corporate Governance Committee considers nominations from its stockholders made pursuant to Section 1.3 of our bylaws. The applicable procedures from Section 1.3 of our bylaws include, but are not limited to, those last described in the 2018 Proxy Statement. Stockholders wishing to submit nomination recommendations to the Nominating and Corporate Governance Committee should review Section 2.10 of our bylaws in their entirety as the director nomination process described therein is incomplete.

Board Meetings and Attendance

There were 11 meetings held by the Board of Directors for the fiscal year ended December 31, 2018. The Audit Committee had 8 meetings, the Compensation Committee had 5 meetings and the Nominating and Corporate Governance Committee had 3 meetings in the fiscal year ended December 31, 2018. Although the Company does not have a formal policy regarding director attendance at the annual meeting of stockholders, all directors are encouraged to attend. During the fiscal year ended December 31, 2018, all current directors attended at least 75% of the Board and applicable committee meetings held.

Board Role in Risk Oversight

Our Board is responsible for overseeing the risk management process. The Board focuses on our general risk management strategy and the most significant risks we face and ensures that appropriate risk mitigation strategies are implemented by management. The Board is also apprised of particular risk management matters in connection with its general oversight and approval of corporate matters.

In performing the risk management process, the Board reviews with management (1) our policies with respect to risk assessment and management of risks that may be material to us, (2) our system of disclosure controls and system of internal controls over financial reporting, and (3) our compliance with legal and regulatory requirements. The Board also reviews major legislative and regulatory developments that could materially impact our contingent liabilities and risks. Our other Board committees also consider and address risk as they perform their respective committee responsibilities. For example, our Compensation Committee evaluates the risks associated with our compensation plans and policies, and our Audit Committee monitors risks relating to our financial controls and reporting. All committees report to the full Board as appropriate, including when a matter rises to the level of a material or enterprise level risk. The leadership structure of our Board described under the section heading “Board Leadership Structure” in the 2018 Proxy Statement also ensures that management is properly overseen by independent directors.

Management is responsible for day-to-day risk management. Our finance, treasury, general counsel and internal audit functions serve as the primary monitoring and testing groups for company-wide policies and procedures and manage the day-to-day oversight of the risk management strategy for our ongoing business. This oversight includes identifying, evaluating and addressing potential risks that may exist at the enterprise, strategic, financial and operational levels, as well as compliance and reporting.

We believe the division of risk management responsibilities described above is an effective approach for addressing the risks facing the company and that our Board leadership structure supports this approach.

Stockholder Communications with the Board of Directors

Stockholders may send communications to our Board, including any individual director or the directors as a group, by mailing such communications to Harte Hanks, Inc., Attn: Corporate Secretary, 9601 McAllister Freeway, Suite 610, San Antonio, Texas 78216. Such correspondence shall be addressed to the Board or any individual director by either name or title.

All communications received as set forth in the preceding paragraph will be opened by our Corporate Secretary or the secretary’s designee for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service, or patently offensive material will be forwarded promptly to the addressee. In the case of communications to our Board or any individual director, our Corporate Secretary will make sufficient copies of the contents to send to each director to which the envelope is addressed.

Code of Business Conduct and Ethics

We have established a corporate compliance program as part of our commitment to responsible business practices in all of the communities in which we operate. The Board has adopted a Business Conduct Policy that applies to all of our directors, officers and employees, which promotes the fair, ethical, honest and lawful conduct in our business relationships with employees, customers, suppliers, competitors, government representatives, and all other business associates. In addition, we have adopted a Code of Ethics applicable to our Chief Executive Officer and all of our senior financial officers. The Business Conduct Policy and Code of Ethics form the foundation of a compliance program that includes policies and procedures covering a variety of specific areas of professional conduct, including compliance with laws, conflicts of interest, confidentiality, public corporate disclosures, insider trading, trade practices, protection and proper use of company assets, intellectual property, financial accounting, employment practices, health, safety and environment, and political contributions and payments. The Business Conduct Policy forbids employees and directors from engaging in hedging activities with respect to our securities.

Both our Business Conduct Policy and our Code of Ethics are available on our website at www.hartehanks.com, under the “Corporate Governance” subsection of our “Investors” section. In accordance with NYSE and SEC rules, we intend to disclose any future amendments to our Code of Ethics, or waivers from our Code of Ethics for our Chief Executive Officer, Chief Financial Officer and Controller, by posting such information on our website (www.hartehanks.com) within the time period required by applicable SEC and NYSE rules.

ITEM 11. EXECUTIVE COMPENSATION

Our Compensation Committee generally reviews our executive officers’ overall compensation packages on an annual basis or more frequently as it deems warranted. We provide our executives with an annual base salary as a fixed, stable form of compensation and an annual cash bonus opportunity to create additional performance incentives. We also from time to time grant our executives equity-based awards to provide an additional incentive to grow our business and further link their interests with those of our stockholders. We have also historically allowed our executive officers to elect to receive up to 30% of annual incentive plan (AIP) payments in the form of restricted stock vesting on the first anniversary of the grant, with executive officers receiving 125% of the value of the forgone cash bonus in shares of restricted stock.

As a “smaller reporting company” (as such term is defined under applicable securities laws), we are required to disclose the compensation for our principal executive officer and our two other most highly compensated executive officers serving as of the last day of the applicable fiscal year. In certain cases, disclosure may also be required for individuals who served as executive

officers for a portion of the fiscal year but were not serving as executive officers at the end of the year. As a smaller reporting company, we are not required to include compensation discussions and analysis in this 10-K/A or our proxy statement.

For the fiscal year ended December 31, 2018, the named executive officers were:

• John C. Biro, our former Chief Financial Officer and Executive Vice President and a former member of the temporary Office of the CEO (serving as the Company's principal executive officer from August 2018 to January 2019);

Executive Employment and Severance Agreements

In 2018 we had four types of severance arrangements with our named executive officers, each addressing or intended to address different employment and/or termination circumstances:

- our executive severance policy (the “Executive Severance Policy”);
- our “change in control” severance agreement (the “CIC Agreements”);
- a severance agreement with Mr. Harrison (the “Severance Agreement”); and

an employment agreement with our former Chief Executive Officer Karen Puckett (the “CEO Agreement”). Effective January 1, 2019, the Board determined that all severance agreements with executive officers going forward would be as determined by the Board in its discretion.

Executive Severance Policy

In January 2015, we adopted an Executive Severance Policy applicable to corporate officers and certain other executive employees designated by the Compensation Committee. The Executive Severance Policy applies only for executives in circumstances when they do not have a specific agreement that determines their rights to severance, such as the CIC Agreements, Severance Agreement or CEO Agreement. The Executive Severance Policy provides a participating executive whose employment is terminated without “cause,” (i) severance payments equal to such executive’s then-current base salary for the one-year severance period and (ii) subject to certain conditions, up to a year of contributions toward health care coverage. In exchange, executives are required to deliver a full release to the company and adhere to non-competition and non-solicitation covenants. The Executive Severance Policy does not provide any acceleration of vesting for equity awards in the event of an executive’s termination. The Executive Severance Policy can be amended upon six months’ notice by the Compensation Committee, and it terminates immediately prior to a change of control of the company.

CIC Agreements

The CIC Agreements are designed to allow us to attract and retain key talent by providing defined compensation in the event of a change in control. The payout levels and other terms of the CIC agreements are based on the Compensation Committee’s review of publicly available market data regarding severance agreements and prior iterations of these agreements. Our current form of CIC Agreement has been accepted by all of our officers. The CIC Agreements provide that if, after a change in control, an executive (i) is terminated other than for “cause” (as defined in the agreement), death or disability or (ii) elects to terminate his employment for “good reason,” then such executive is entitled to severance compensation and a cash payment sufficient to cover health insurance premiums for a period of 24 months. The amount of severance compensation is the sum of (A) the executive’s annual base salary in effect immediately prior to the change in control or termination date, whichever is larger, plus (B) the executive’s target-level bonus or incentive compensation, multiplied by 1.0 for vice presidents, 2.0 for senior vice presidents and executive vice presidents, and 3.0 for the Chief Executive Officer. The foregoing severance multiples were reduced by 0.5 for levels below Chief Executive Officer as a result of changes made in the form of CIC Agreement in 2015, but incumbent officers retained their earlier-awarded higher multiples. With respect to equity awards, the CIC Agreements provide that so long as such awards are assumed or replaced with equivalent awards by the acquirer, there will be no “single-trigger” acceleration.

Severance Agreements

The Severance Agreements provide that if an officer is terminated other than (i) by reason of such officer’s death or disability, or (i) for cause, then:

- we shall pay such officer a lump sum cash payment equal to 1.5 times such officer’s then-current annual base salary;
- for a period of up to 18 months, the company will reimburse such officer for healthcare coverage as then elected to the extent such costs exceed his or her employee contribution prior to the termination date; and
- all outstanding, unvested shares of time vesting restricted common stock held by such officer shall automatically become fully vested.

Annual Incentive Plan

We provide an annual incentive opportunity for executive officers to drive company and, where appropriate, business line performance on a year-over-year basis. This annual short-term cash incentive opportunity provides an incentive for our executives to manage our businesses to achieve targeted financial results. Actual annual incentive compensation awards for our executive officers are determined based on achievement against the Compensation Committee’s previously established financial performance goals, as certified by the Compensation Committee, typically at its regular February meeting. Our 2018 AIP for executives was administered under the 2013 Plan. There was no payment made under this plan in 2018.

Equity Incentive Plan

14

From time to time, the Company grants equity incentive awards to our named executive officers and other selected employees. Such awards are granted under, and are subject to, the terms of the Company's Amended and Restated 2013 Omnibus Incentive Plan, which amendment and restatement was approved by our stockholders at our last Annual Meeting. The 2013 Plan is administered by our Board of Directors, or a committee thereof. The administrator has authority to interpret the plan provisions and make all required determinations under the 2013 Plan (including making appropriate adjustments to reflect stock splits and similar events). Employees, directors and consultants of the Company and its subsidiaries are eligible for award grants under the 2013 Plan. Awards of stock options, stock appreciation rights, restricted stock, restricted stock units and other awards may be granted under the plan.

Separation Agreements

As noted above, Ms. Puckett's employment with the Company terminated effective August 28, 2018. In connection with her departure, the Company and Ms. Puckett entered into a separation agreement that provided for her to receive a cash severance payment of \$485,000, payable over 12 months, reimbursement for the employer portion of continuation coverage premiums under the Consolidated Omnibus Budget Reconciliation Act until the earlier of the 18-month anniversary of her separation date and the date that she becomes eligible for welfare benefit coverage with a new employer or service recipient, and up to \$10,000 in attorneys' fees incurred in connection with such separation agreement. The separation agreement also includes Ms. Puckett's release of claims and certain other covenants in favor of the Company.

In connection with his departure, Mr. Grillo and the Company entered into a separation agreement that provides for him to receive 70 days of salary continuation and also contains, among other terms, a release of claims against the Company, non-disparagement obligations, confidentiality and non-solicitation covenants.

On August 17, 2018, the Company executed a Termination and Release with Carlos M. Alvarado (the "Termination Agreement"), the former Vice President - Finance and Controller, subject to the Company's Executive Severance Policy. The Termination Agreement provided that Mr. Alvarado, in exchange for executing a release against the Company and a comprehensive list of related entities and individuals, received severance payments in an amount equal to 12 months (the "Severance Period") of his then-current base salary, less applicable tax deductions and withholdings, and he was eligible to elect health continuation coverage through the Severance Period paying only that portion he would have paid as an active employee. All other benefits and payments were extinguished.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE

Policies and Procedures Regarding Related Party Transactions

Our common stock is listed on the NYSE. As required under the listing standards of the NYSE, a majority of the members of the Board must qualify as “independent” as affirmatively determined by the Board. Our Board has affirmatively determined that the following five directors are independent within the meaning of the applicable NYSE listing standards: Messrs. Behrens, Griffin, Keating and Tobia, and Ms. O’Connell.

Additionally, our Board reviews related party transactions for potential conflict of interest issues. Questionnaires are used on an annual basis (or when a new director is added) to gather input to assist the Nominating and Corporate Governance Committee and the Board in their determinations of the independence of the non-employee directors. Based on the foregoing and on such other due consideration and diligence as it deemed appropriate, the Nominating and Corporate Governance Committee presented its 2018 findings to the Board on the independence of each of its non-employee directors, in each case in accordance with applicable federal securities laws and the rules of the NYSE. The Board determined that, other than in their capacity as directors, none of Messrs. Behrens, Griffin, Keating, and Tobia and Ms. O’Connell had a material relationship with Harte Hanks, either directly or as a partner, stockholder or officer of an organization that has a relationship with Harte Hanks. The Board further determined that (i) each of Messrs. Behrens, Griffin, Keating, and Tobia and Ms. O’Connell is otherwise independent under applicable NYSE listing standards for purposes of serving on the Board, the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee, (ii) each of Messrs. Behrens, Griffin, Keating, and Tobia and Ms. O’Connell satisfied the additional audit committee independence standards under Rule 10A-3 of the SEC and (iii) for purposes of serving on the Audit Committee, each of Messrs. Breen, Griffin, Keating, Reidy and Tobia and Ms. O’Connell are financially literate (with Mr. Keating and Ms. O’Connell qualifying as an “audit committee financial experts” as such term is defined in the applicable SEC rules).

When assessing the materiality of a director’s relationship with us, if any, the Board considers all known relevant facts and circumstances, not merely from the director’s standpoint, but from that of the persons or organizations with which the director has an affiliation, the frequency or regularity of the services, whether the services are being carried out at arm’s length in the ordinary course of business and whether the services are being provided substantially on the same terms to us as those prevailing at the time from unrelated parties for comparable transactions. Material relationships can include commercial, banking, industrial, consulting, legal, accounting, charitable and familial relationships. Though he was subsequently disqualified from independence after re-evaluation, in making its initial independence determinations in early 2017, the Board considered the following matters with respect to Mr. Copeland, and determined that they did not constitute material relationships with Harte Hanks or otherwise impair his independence as a director or a member any of its committees, including the Audit Committee:

As disclosed in the 2018 Proxy Statement, in accordance with SEC rules, Mr. Copeland has reported, but disclaimed, “beneficial ownership” of approximately 7.1% of the outstanding shares of our common stock that are owned by (1) various trusts for which Mr. Copeland serves as trustee or co-trustee, (2) a limited partnership of which he is an officer of the general partner, and (3) the Shelton Family Foundation, of which he is one of nine directors and an employee. Based on the nature of Mr. Copeland’s role with these entities, his absence of any pecuniary interest in these shares and his disclaimer of any beneficial ownership in these shares, this matter is not deemed to constitute a material relationship with Harte Hanks.

As disclosed in “Note C- Long-Term Debt” in the 2018 10-K, the Company’s Texas Capital Credit Facility is secured by HHS Guaranty, LLC, an entity formed to provide credit support for the Company by certain members of the Shelton family (descendants of one of the Company’s founders). Pursuant to the Amended and Restated Fee, Reimbursement and Indemnity Agreement, dated January 9, 2018, between HHS Guaranty, LLC and the Company, HHS Guarantee, LLC has the right to appoint one representative director to the Board of Directors. Currently, David L. Copeland serves as the HHS Guaranty, LLC representative on the Board of Directors.
