PROXY STATEMENT

GENERAL INFORMATION

This proxy statement and the accompanying proxy card or voting instruction form are being furnished in connection with the solicitation of proxies by and on behalf of the board of directors (the "Board of Directors") of Valhi, Inc., a Delaware corporation ("Valhi"), for use at the 2004 Annual Meeting of Stockholders of Valhi to be held on Tuesday, May 25, 2004 and at any adjournment or postponement thereof (the "Meeting"). The accompanying Notice of Annual Meeting of Stockholders (the "Notice") sets forth the time, place and purposes of the Meeting. The Notice, this proxy statement, the accompanying proxy card or voting instruction form and Valhi's Annual Report to Stockholders, which includes Valhi's Annual Report on Form 10-K for the fiscal year ended December 31, 2003, are first being mailed to the holders of Valhi's common stock, par value \$0.01 per share ("Valhi Common Stock"), on or about April 23, 2004. Edgar Filing: VALHI INC /DE/ - Form DEF 14A

QUORUM, VOTING RIGHTS AND PROXY SOLICITATION

The record date set by the Board of Directors for the determination of stockholders entitled to notice of and to vote at the Meeting was the close of business on March 29, 2004 (the "Record Date"). As of the Record Date, there were 119,466,878 shares of Valhi Common Stock issued and outstanding. Each share of Valhi Common Stock entitles its holder to one vote on all matters to be acted on at the Meeting. The presence, in person or by proxy, of the holders of a majority of the shares of Valhi Common Stock entitled to vote at the Meeting is necessary to constitute a quorum for the conduct of business at the Meeting. Shares of Valhi Common Stock that are voted to abstain from any business coming before the Meeting and broker/nominee non-votes will be counted as being in attendance at the Meeting for purposes of determining whether a quorum is present.

If a quorum is present, a plurality of the affirmative votes of the outstanding shares of Valhi Common Stock represented and entitled to be voted at the Meeting is necessary to elect each director of Valhi. The accompanying proxy card or voting instruction form provides space for a stockholder to withhold authority to vote for any of the nominees of the Board of Directors. Neither shares as to which the authority to vote on the election of directors has been withheld nor broker/nominee non-votes will be counted as affirmative votes to elect director nominees to the Board of Directors. However, since director nominees need only receive the vote of a plurality of the shares represented and entitled to vote at the Meeting, a vote withheld from a particular nominee will not affect the election of such nominee.

Except as applicable laws may otherwise provide, if a quorum is present, the approval of any other matter that may properly come before the Meeting will require the affirmative vote of a majority of the shares represented and entitled to vote at the Meeting. Shares of Valhi Common Stock that are voted to abstain from any other business coming before the Meeting and broker/nominee non-votes will not be counted as votes for or against any such other matter.

Unless otherwise specified, the agents designated in the proxy card or voting instruction form will vote the shares represented by a proxy at the Meeting "FOR" the election of the nominees for director and, to the extent allowed by the federal securities laws, in the discretion of the agents on any other matter that may properly come before the Meeting.

Computershare Investor Services, L.L.C. or its successor ("Computershare"), the transfer agent and registrar for Valhi Common Stock as of the Record Date, has been appointed by the Board of Directors to ascertain the number of shares represented, receive proxies and ballots, tabulate the vote and serve as inspector of election at the Meeting. All proxies, ballots and voting instructions delivered to Computershare that identify the vote of a particular stockholder shall be kept confidential by Computershare in accordance with the terms of Valhi's bylaws. Each holder of record of Valhi Common Stock giving the proxy enclosed with this proxy statement may revoke it at any time prior to the voting of such stock at the Meeting by delivering to Computershare a written revocation of the proxy, delivering to Computershare a duly executed proxy bearing a later date or by voting in person at the Meeting. Attendance by a stockholder at the Meeting will not in itself constitute the revocation of such stockholder's proxy.

The Board of Directors is making this proxy solicitation. Valhi will pay all expenses related to the solicitation, including charges for preparing, printing, assembling and distributing all materials delivered to stockholders. In addition to the solicitation by mail, directors, officers and regular employees of Valhi may solicit proxies by telephone or in person for which such

Edgar Filing: VALHI INC /DE/ - Form DEF 14A

persons will receive no additional compensation. Valhi has retained Georgeson Shareholder Communications, Inc. to aid in the distribution of this proxy statement and related materials at a cost Valhi estimates at \$1,100. Upon request, Valhi will reimburse banking institutions, brokerage firms, custodians, trustees, nominees and fiduciaries for their reasonable out-of-pocket expenses incurred in distributing proxy materials and voting instructions to the beneficial owners of Valhi Common Stock that such entities hold of record.

CONTROLLED COMPANY

Valhi Group, Inc. ("VGI"), National City Lines, Inc. ("National") and Contran Corporation ("Contran") directly held approximately 77.6%, 9.1% and 3.1%, respectively, of the outstanding shares of Valhi Common Stock as of the Record Date. Together VGI, National and Contran directly hold approximately 89.8% of the outstanding shares of Valhi Common Stock as of the Record Date. VGI and National are related to Contran, a diversified holding company. Harold C. Simmons may be deemed to control VGI, National and Contran.

VGI, National and Contran each have indicated their intention to have their shares of Valhi Common Stock represented at the Meeting and voted "FOR" the election of each of the nominees for director of the Board of Directors. If VGI alone attends the Meeting in person or by proxy and votes as indicated, the Meeting will have a quorum present and the stockholders will elect all the nominees for the Board of Directors.

Because of the Valhi Common Stock ownership of VGI, National and Contran, Valhi is considered a controlled company under the listing standards of the New York Stock Exchange (the "NYSE"). Pursuant to the listing standards, a controlled company may choose not to have a majority of independent directors, independent compensation, nominating or corporate governance committees or charters for these committees. Valhi has chosen not to have a majority of independent directors or an independent nominating or corporate governance committee. The Board of Directors believes that the full Board of Directors best represents the interests of all of Valhi's stockholders and that it is appropriate for all matters that would be considered by a nominating or corporate governance committee to be considered and acted upon by the full Board of Directors. Applying the requirements of the NYSE listing standards, the Board of Directors has determined that three of its directors are independent and have no material relationship with Valhi. While the members of Valhi's management development and compensation committee (the "MD&C Committee") currently satisfy the independence requirements of the NYSE listing standards, Valhi has chosen not to satisfy all of the NYSE listing standards for a compensation committee. See "Meetings and Committees of the Board of Directors" for more information on the committees of the Board of Directors. See also "Stockholder Proposals for the 2005 Annual Meeting" for a description of Valhi's policies and procedures for stockholder nominations of directors.

ELECTION OF DIRECTORS

The bylaws of Valhi provide that the Board of Directors shall consist of one or more members as determined by the Board of Directors or the stockholders. The Board of Directors has currently set the number of directors at seven. The directors elected at the Meeting will hold office until the 2005 Annual Meeting of Stockholders and until their successors are duly elected and qualified or their earlier removal, resignation or death.

All of the nominees are currently directors of Valhi whose terms will expire at the Meeting. All of the nominees have agreed to serve if elected. If any nominee is not available for election at the Meeting, all shares represented

Edgar Filing: VALHI INC /DE/ - Form DEF 14A

by a proxy will be voted "FOR" an alternate nominee to be selected by the Board of Directors, unless the stockholder executing such proxy withholds authority to vote for such nominee. MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

The Board of Directors held three meetings and took action by written consent in lieu of meetings on five occasions in 2003. Each director participated in all of such meetings and of the meetings of the committees on which they served at the time they served. It is Valhi's policy that each director attend its annual meeting of stockholders, which is generally held immediately before the annual meeting of the Board of Directors. All current members of the Board of Directors attended Valhi's 2003 annual stockholders meeting.

The Board of Directors has established and delegated authority to the following three standing committees.

Audit Committee. The audit committee assists the Board of Directors' oversight responsibilities relating to the financial accounting and reporting processes and auditing processes of Valhi. The responsibilities of the audit committee are more specifically set forth in the audit committee charter attached as Appendix A to this proxy statement. Applying the requirements of the NYSE listing standards and Securities and Exchange Commission ("SEC") regulations, as applicable, the Board of Directors has determined that

- each member of the audit committee is financially literate and independent and has no material relationship with Valhi; and
- Mr. Norman S. Edelcup is the "audit committee financial expert."

No member of the audit committee serves on more than three public company audit committees. For further information on the role of the audit committee, see "Audit Committee Report." The current members of the audit committee are Norman S. Edelcup (chairman), Dr. Thomas E. Barry and W. Hayden McIlroy. The audit committee held eight meetings and took action by written consent on one occasion in 2003.

Management Development and Compensation Committee. The principal responsibilities of the MD&C Committee are to review, approve and administer grants of stock options and other awards under the Valhi, Inc. 1997 Long-Term Incentive Plan (the "1997 Plan"), to review and administer

Edgar Filing: VALHI INC /DE/ - Form DEF 14A

the Valhi, Inc. 1987 Stock Option--Stock Appreciation Rights Plan, as amended (the "1987 Plan"), and to review and administer such other compensation matters as the Board of Directors may direct from time to time. The Board of Directors has determined that each member of the MD&C Committee is independent by applying the requirements of the NYSE listing standards. For further information on the role of the MD&C Committee, see "Report on Executive Compensation." The current members of the MD&C Committee are Norman S. Edelcup (chairman) and Dr. Thomas E. Barry. The MD&C Committee held one meeting and took action by written consent on one occasion in 2003.

Executive Committee. The principal responsibilities of the executive committee are to take such actions as are required to manage Valhi, within the limits provided by Delaware statutes and the Board of Directors. The current members of the executive committee are Harold C. Simmons (chairman), Glenn R. Simmons and Steven L. Watson. The executive committee did not hold any meetings in 2003.

The Board of Directors is expected to elect the members of the standing committees at the Board of Directors annual meeting immediately following the Meeting. The Board of Directors has previously established, and from time to time may establish, other committees to assist it in the discharge of its responsibilities.

of the outstanding common stock of Southwest.

Substantially all of Contran's outstanding voting stock is held by trusts established for the benefit of certain children and grandchildren of Harold C. Simmons (the "Trusts"), of which Mr. Simmons is the sole trustee, or is held by Mr. Simmons or persons or other entities related to Mr. Simmons. Mr. Simmons, however, disclaims beneficial ownership of any Contran shares that the Trusts hold.

The Harold Simmons Foundation, Inc. (the "Foundation") directly holds approximately 0.9% of the outstanding shares of Valhi Common Stock. The Foundation is a tax-exempt foundation organized for charitable purposes. Harold C. Simmons is the chairman of the board of the Foundation. Mr. Simmons, however, disclaims beneficial ownership of any shares of Valhi Common Stock the Foundation holds.

The Contran Deferred Compensation Trust No. 2 (the "CDCT No. 2") directly holds approximately 0.4% of the outstanding shares of Valhi Common Stock. Contran established the CDCT No. 2 as an irrevocable "rabbi trust" to assist Contran in meeting certain deferred compensation obligations that it owes to Harold C. Simmons. If the CDCT No. 2 assets are insufficient to satisfy such obligations, Contran must satisfy the balance of such obligations. Pursuant to the terms of the CDCT No. 2, Contran retains the power to vote the shares held by the CDCT No. 2, retains dispositive power over such shares and may be deemed the indirect beneficial owner of such shares. Mr. Simmons, however, disclaims such beneficial ownership of the shares beneficially owned, directly or indirectly, by the CDCT No. 2, except to the extent of his interest as a beneficiary of the CDCT No. 2.

The Combined Master Retirement Trust (the "CMRT") directly holds approximately 0.1% of the outstanding shares of Valhi Common Stock. Valhi established the CMRT to permit the collective investment by master trusts that maintain assets of certain employee benefit plans Valhi and related companies adopt. Harold C. Simmons is the sole trustee of the CMRT and a member of the trust investment committee for the CMRT. J. Walter Tucker, Jr. is also a member of the trust investment committee for the CMRT. The Board of Directors selects the trustee and members of the trust investment committee for the CMRT. The Valhi executive officers are participants in one or more of the employee benefit plans that invest through the CMRT. Each of such persons disclaims beneficial ownership of all of the shares of Valhi Common Stock the CMRT holds, except to the extent of his or her individual vested beneficial interest, if any, in the assets the CMRT holds.

COMPENSATION OF DIRECTORS AND EXECUTIVE OFFICERS AND OTHER INFORMATION

Compensation of Directors. Directors of Valhi who are not employees of Valhi or its affiliates are entitled to receive compensation for their services as directors. Current directors who received such compensation in 2003 were Dr. Thomas E. Barry, Norman S. Edelcup, W. Hayden McIlroy and J. Walter Tucker, Jr. (collectively, the "Nonmanagement Directors").

Prior to May 19, 2003, Nonmanagement Directors received quarterly retainers of \$3,750, plus a fee of \$1,000 per day for attendance at meetings and at a daily rate (\$125 per hour) for other services rendered on behalf of the Board of Directors or its committees. Nonmanagement Directors also received quarterly retainers of \$250 for each committee on which they served. In February 2003, each of the Nonmanagement Directors also received under the 1997 Plan 1,000 shares of Valhi Common Stock and stock options exercisable for 2,000 shares of Valhi Common Stock. These stock options have an exercise price equal to the closing sales price of Valhi Common Stock on the date of grant, have a term of 10 years and fully vest on the first anniversary of the date of grant. Mr. McIlroy was not a director of Valhi prior to May 19, 2003, and, therefore, did not receive this compensation.

Beginning on May 19, 2003, Nonmanagement Directors received quarterly retainers of \$5,000 plus a fee of \$1,000 per day for attendance at meetings and at a daily rate (\$125 per hour) for other services rendered on behalf of the Board of Directors or its committees. Nonmanagement Directors also received quarterly retainers of \$500 for each committee on which they served. After May 19, 2003, if any Nonmanagement Director dies while serving on the Board of Directors, his or her designated beneficiary or estate will be entitled to receive a death benefit equal to the amount of the annual retainer then in effect.

Throughout the year, Valhi reimbursed its Nonmanagement Directors for reasonable expenses incurred in attending meetings and in the performance of other services rendered on behalf of the Board of Directors or its committees.

On May 19, 2003, the MD&C Committee also changed the equity compensation paid to the Nonmanagement Directors. The MD&C Committee terminated the annual grant of stock options to the Nonmanagement Directors but authorized a grant of shares of Valhi Common Stock to each Nonmanagement Director on the date of each annual stockholders meeting as determined by the following formula based on the closing price of a share of Valhi Common Stock on the date of grant.

Range of Closing Price Per Share on the Date of Grant	Shares of Common Stock to Be Granted
Under \$5.00	2,000
\$5.00 to \$9.99	1,500
\$10.00 to \$20.00	1,000
Over \$20.00	500

In May 2003, the MD&C Committee authorized a grant of shares of Valhi Common Stock only to Mr. McIlroy since his election to the Board of Directors was

subsequent to the February 2003 grants of stock and stock options to the Nonmanagement Directors. As a result of the \$9.72 per share closing price of Valhi Common Stock on May 21, 2003, Mr. McIlroy received a grant of 1,500 shares Valhi Common Stock.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Edgar Filing: VALHI INC /DE/ - Form DEF 14A

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires Valhi's executive officers, directors and persons who own more than 10% of a registered class of Valhi's equity securities to file reports of ownership with the SEC, the NYSE and Valhi. Based solely on the review of the copies of such forms and representations by certain reporting persons received, Valhi believes that for 2003 its executive officers, directors and 10% stockholders complied with all applicable filing requirements under section 16(a).

REPORT ON EXECUTIVE COMPENSATION

During 2003, Valhi's Nonmanagement Directors and the MD&C Committee administered matters regarding the compensation of Valhi's executive officers. Such individuals in their respective capacities submit this report, as set forth below.

The Board of Directors, with directors other than the Nonmanagement Directors abstaining, considered and approved the terms of the 2003 Contran/Valhi ISA, pursuant to which Contran provided certain services to Valhi, including the services of Mr. Harold C. Simmons and all of Valhi's other executive officers. The amount of the fee Valhi pays under the Contran/Valhi ISA with respect to each of its executive officers and others who provide services to Valhi pursuant to the Contran/Valhi ISA represents, in the view of the Board of Directors, the reasonable equivalent of "compensation" for such services.

In considering the fee Valhi pays under the Contran/Valhi ISA, the Nonmanagement Directors considered the overall fee charged under the Contran/Valhi ISA for the services provided Valhi. No specific formulas, guidelines or comparable positions were considered in determining the amount of such fee, nor was there any specific relationship between Valhi's current or future performance and the level of such fee.

The MD&C Committee administers matters regarding the stock-based compensation of Valhi's executive officers. With regard to stock-based compensation (e.g. stock bonuses, stock options, restricted stock or stock appreciation rights, among other types of stock-based compensation), Valhi's management makes recommendations, as modified or approved by the chairman of the board in his reasonable business judgment, to the MD&C Committee and it determines whether to grant the recommended stock-based compensation. Consistent with management's recommendation and the MD&C Committee's determination in 2003, the MD&C Committee did not grant any stock-based compensation and currently does not anticipate granting stock-based compensation to anyone other than annual grants of stock to the Nonmanagement Directors for their services as directors.

Section 162(m) of the Code generally disallows a tax deduction to public companies for compensation over \$1.0 million paid to the company's chief executive officer and four other most highly compensated executive officers. It is Valhi's general policy to structure the performance-based portion of the compensation of its executive officers in a manner that enhances Valhi's ability to deduct fully such compensation.

The following individuals in the capacities indicated submit the foregoing report.

CERTAIN RELATIONSHIPS AND TRANSACTIONS

Relationships with Related Parties. As set forth under "Security Ownership," Harold C. Simmons, through Contran, may be deemed to control Valhi. Valhi and other entities that may be deemed to be controlled by or affiliated with Mr. Simmons sometimes engage in (a) intercorporate transactions such as guarantees, management and expense sharing arrangements, shared fee arrangements, tax sharing agreements, joint ventures, partnerships, loans, options, advances of funds on open account and sales, leases and exchanges of assets, including securities issued by both related and unrelated parties and (b) common investment and acquisition strategies, business combinations, reorganizations, recapitalizations, securities repurchases and purchases and sales (and other acquisitions and dispositions) of subsidiaries, divisions or other business units, which transactions have involved both related and unrelated parties and have included transactions that resulted in the acquisition by one related party of an equity interest in another related party. Valhi continuously considers, reviews and evaluates and understands that Contran and related entities consider, review and evaluate transactions of the type described above. Depending upon the business, tax and other objectives then relevant, it is possible that Valhi might be a party to one or more of such transactions in the future. In connection with these activities Valhi may consider issuing additional equity securities or incurring additional indebtedness. Valhi's acquisition activities have in the past and may in the future include participation in the acquisition or restructuring activities conducted by other companies that may be deemed to be controlled by Mr. Simmons. It is the policy of Valhi to engage in transactions with related parties on terms, in the opinion of Valhi, no less favorable to Valhi than could be obtained from unrelated parties.

Certain directors or executive officers of Contran, CompX, Keystone, Kronos Worldwide, NL or TIMET also serve as directors or executive officers of Valhi. Such relationships may lead to possible conflicts of interest. These possible conflicts may arise from the duties of loyalty owed by persons acting as corporate fiduciaries to two or more companies under circumstances in which such companies may have adverse interests. No specific procedures are in place that govern the treatment of transactions among Valhi and its related entities, although such entities may implement specific procedures as appropriate for particular transactions. In addition, under applicable principles of law, in the absence of stockholder ratification or approval by directors who may be deemed disinterested, transactions involving contracts among companies under common control must be fair to all companies involved. Furthermore, directors owe fiduciary duties of good faith and fair dealing to all stockholders of the companies for which they serve.

Intercorporate Services Agreements. Valhi and certain related companies have entered into ISAs. The parties to each ISA, in exchange for agreed upon fees and reimbursements of costs, agree to render certain services to the other, which services may include executive officer services rendered to one party by employees of the other. The services rendered under the ISAs may include executive, management, financial, internal audit, accounting, tax, legal, insurance, risk management, treasury, aviation, human resources, technical, consulting, administrative, office, occupancy and other services as required from time to time in the ordinary course of the recipient's business. The fees paid pursuant to the ISAs are generally based upon the estimated percentage of time individual employees, including executive officers, devote to certain matters on behalf of the recipient of the services and the employer's cost in providing such services. Each of the ISAs in their current form has an initial term that expires on December 31, 2004 and thereafter automatically extends on a

Edgar Filing: VALHI INC /DE/ - Form DEF 14A

quarter-to-quarter basis, generally subject to the termination by either party pursuant to a written notice delivered 30 days prior to the start of the next quarter.

Under the Contran/Valhi ISA, Valhi paid Contran fees of approximately \$4.3 million for services rendered under this ISA in 2003. Valhi anticipates paying Contran \$4.1 million for services rendered under the Contran/Valhi ISA in 2004.

Under the ISA between Contran and NL, NL paid Contran net fees of approximately \$2.0 million for services rendered in 2003, which represented approximately \$2.3 million for services Contran rendered to NL less approximately \$0.3 million for certain administrative support services NL rendered to Contran. NL also paid directors fees and expenses directly to Messrs. Glenn and Harold Simmons and Mr. Watson for their services as NL directors. NL anticipates paying Contran approximately \$3.6 million for services rendered under the Contran/NL ISA in 2004.

-21-

Under the ISA between Contran and Tremont, Tremont paid Contran fees of approximately \$0.5 million for services rendered under this ISA in 2003. Under the ISA between Contran and TIMET, TIMET paid Contran approximately \$0.3 million under this ISA for 2003. Under the ISA between TIMET and Tremont, Tremont paid TIMET approximately \$0.2 million under this ISA for 2003. In 2003, Tremont paid director fees and expenses directly to Messrs. Glenn and Harold Simmons and Mr. Watson for their services as Tremont directors and TIMET paid director fees and expenses directly to Messrs. Glenn Simmons and Mr. Watson for their services as TIMET directors. In 2004, Contran, Tremont and TIMET entered into a joint ISA covering, among other things, the provision of services by Contran to TIMET and the provision of services by TIMET to Tremont. Under this ISA, in 2004, TIMET expects to pay Contran approximately \$1.2 million, representing the net cost of the Contran services to TIMET of \$1.3 million less approximately \$0.1 million for the TIMET services to be provided to Tremont and certain occupancy and related TIMET services to be provided to Contran, and Tremont expects to pay Contran for the TIMET services to Tremont.

Under the ISA between Contran and CompX, CompX paid Contran fees of approximately \$2.1 million for services rendered under this ISA in 2003. In addition, CompX paid Valhi approximately \$18,000 in rent for 2003 for use of a portion of Valhi's corporate office space as CompX's principal offices. CompX also paid director fees and expenses directly to Messrs. Glenn Simmons and Watson for their services as CompX directors. CompX anticipates paying Contran approximately \$2.3 million for services rendered under the Contran/CompX ISA in 2004.

Under the ISA between Contran and Waste Control Specialists LLC, an indirect subsidiary of Valhi ("WCS"), WCS paid Contran fees of approximately \$0.7 million for such services rendered in 2003. WCS anticipates paying Contran approximately \$1.0 million for services rendered under the Contran/WCS ISA in 2004.

Under the ISA between Contran and Medite Corporation, an indirect wholly owned subsidiary of Valhi ("Medite"), Medite paid Contran fees of approximately \$0.2 million for such services rendered in 2003. Medite anticipates paying Contran approximately \$0.2 million for services rendered under the Contran/Medite ISA in 2004.

Effective November 6, 2003, Kronos Worldwide entered into an ISA with Contran, which ISA was amended as of January 1, 2004. Kronos Worldwide expects to pay Contran \$4.4 million for its services under this ISA in 2004. Kronos Worldwide also pays director fees and expenses directly to Messrs. Glenn and

Edgar Filing: VALHI INC /DE/ - Form DEF 14A

Harold Simmons and Mr. Watson for their services as Kronos Worldwide directors.

Loans Between Related Parties. In 2001, a wholly owned subsidiary of NL Environmental Management Services, Inc. ("EMS"), a majority-owned subsidiary of NL, loaned \$20 million to one of the Trusts, the Harold C. Simmons Family Trust No. 2 ("Family Trust No. 2"), under a \$25 million revolving credit agreement. Special independent committees of NL's and EMS' boards of directors approved the loan. The loan bears interest at the prime rate (4.00% at December 31, 2003), is due on demand with sixty days notice and is collateralized by 13,749 shares, or approximately 35%, of Contran's outstanding Class A voting common stock and 5,000 shares, or 100%, of Contran's Series E Cumulative preferred stock, both of which are owned by the Family Trust No. 2. The value of this collateral is dependent in part on the value of Valhi as Contran's interest in Valhi is one of Contran's more substantial assets. At December 31, 2003, the outstanding loan balance under the revolving credit agreement was \$14.0 million.

From time to time, other loans and advances are made between Valhi and various related parties pursuant to term and demand notes. These loans and advances are entered into principally for cash management purposes. When Valhi loans funds to related parties, the lender is generally able to earn a higher rate of return on the loan than the lender would earn if the funds were invested in other instruments. While certain of such loans may be of a lesser credit quality than cash equivalent instruments otherwise available to Valhi, Valhi believes that it has evaluated the credit risks involved, and that those risks are reasonable and reflected in the terms of the applicable loans. When Valhi borrows from related parties, it is generally able to pay a lower rate of interest than it would pay if it borrowed from other parties. Interest income on all such cash management loans to related parties was approximately \$0.7 million in 2003. Interest expense on all such cash management loans from related parties was approximately \$0.2 million in 2003.

Insurance Matters. Contran and Valhi participate in a combined risk management program. Pursuant to the program, Contran and certain of its subsidiaries and affiliates, including Valhi and certain of its subsidiaries and affiliates, purchase certain of their insurance policies as a group, with the costs of the jointly owned policies being apportioned among the participating companies. Tall Pines Insurance Company ("Tall Pines"), Valmont and EWI RE, Inc. ("EWI") provide for or broker these insurance policies. Tall Pines and Valmont are captive insurance companies wholly owned by Valhi, and EWI is a reinsurance brokerage firm wholly owned by NL. A son-in-law of Harold C. Simmons serves as EWI's chairman of the board and chief marketing officer and is compensated as an employee of EWI. Consistent with insurance industry practices, Tall Pines, Valmont and EWI receive commissions from insurance and reinsurance underwriters for the policies that they provide or broker.

-22-

With respect to certain of such jointly owned insurance policies, it is possible that unusually large losses incurred by one or more insureds during a given policy period could leave the other participating companies without adequate coverage under that policy for the balance of the policy period. As a result, Contran and certain of its subsidiaries or affiliates, including Valhi and certain of its subsidiaries or affiliates, have entered into a loss sharing agreement under which any uninsured loss is shared by those entities who have submitted claims under the relevant policy. Valhi believes the benefits in the form of reduced premiums and broader coverage associated with the group coverage for such policies justify the risks associated with the potential for any uninsured loss.

During 2003, Contran and its related parties paid premiums of approximately \$16.7 million for policies Tall Pines or Valmont provided or EWI brokered,

Edgar Filing: VALHI INC /DE/ - Form DEF 14A

including approximately \$14.5 million Valhi and its subsidiaries paid. These amounts principally included payments for reinsurance and insurance premiums paid to unrelated third parties, but also included commissions paid to Tall Pines, Valmont and EWI. In Valhi's opinion, the amounts that Valhi and its subsidiaries paid for these insurance policies and the allocation among Valhi and its affiliates of relative insurance premiums are reasonable and at least as favorable to those they could have obtained through unrelated insurance companies or brokers. Valhi expects that these relationships with Tall Pines, Valmont and EWI will continue in 2004.

Federal and State Income Tax Matters. Valhi and its qualifying subsidiaries are members of Contran's consolidated U.S. federal tax group and Valhi and its qualifying subsidiaries are also part of consolidated tax returns filed by Contran in certain U.S. state jurisdictions (collectively, the "Contran Tax Group"). The policy for intercompany allocations of income taxes provides that subsidiaries included in the Contran Tax Group compute their provision for U.S. income taxes on a separate company basis using the tax elections made by Contran. Generally, subsidiaries make payments to, or receive payments from, Contran in the amount they would have paid to, or received from, the U.S. Internal Revenue Service or applicable state taxing authorities had they not been members of the Contran Tax Group. Refunds are limited to amounts previously paid to Contran. In 2003, Valhi paid Contran a net \$1.5 million under this policy.

AUDIT COMMITTEE REPORT

The audit committee of the Board of Directors of Valhi is comprised of

Edgar Filing: VALHI INC /DE/ - Form DEF 14A

three directors and operates under a written charter adopted by the Board of Directors. All members of the audit committee meet the independence standards established by the Board of Directors and the NYSE and promulgated by the SEC under the Sarbanes-Oxley Act of 2002. The Board of Directors adopted revisions to the audit committee's charter in February 2004. The revised audit committee charter is included as Appendix A to this proxy statement. Upon request, Valhi will furnish a copy of the audit committee charter without charge. Such requests should be addressed to: Corporate Secretary, Valhi, Inc., Three Lincoln Center, 5430 LBJ Freeway, Suite 1700, Dallas, Texas 75240-2697.

Valhi's management is responsible for preparing Valhi's consolidated financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP"). Valhi's independent auditor is responsible for auditing Valhi's consolidated financial statements in accordance with auditing standards generally accepted in the United States of America and for expressing an opinion on the conformity of Valhi's financial statements with GAAP. The audit committee assists the Board of Directors in fulfilling its responsibility to oversee management's implementation of Valhi's financial reporting process. In its oversight role, the audit committee reviewed and discussed the audited financial statements with management and with PricewaterhouseCoopers LLP ("PwC"), Valhi's independent auditor for 2003.

The audit committee met privately with PwC and discussed any issues deemed significant by the independent auditor, including the required matters to be discussed by Statement of Auditing Standards No. 61, Communication with Audit Committee, as amended. PwC has provided to the audit committee written disclosures and the letter required by Independence Standards Board No. 1, Independence Discussions with Audit Committees, and the audit committee discussed with PwC that firm's independence. The audit committee also concluded that PwC's provision of non-audit services to Valhi and its affiliates is compatible with PwC's independence.

Based upon the foregoing considerations, the audit committee recommended to the Board of Directors that Valhi's audited financial statements be included in its Annual Report on Form 10-K for 2003.

Members of the audit committee of the Board of Directors respectfully submit the foregoing report.

Representatives of PwC are not expected to attend the Meeting.

(6) Includes fees paid by Tremont.

(7) Valhi accounts for its interest in TIMET by the equity method.

Preapproval Policies and Procedures. Valhi's audit committee has adopted a preapproval policy, a copy of which is attached as Appendix B to this proxy statement. As of May 6, 2003, the audit committee became responsible for preapproving every engagement of PwC to perform audit or nonaudit services on behalf of Valhi or any of its subsidiaries other than Valhi's publicly held subsidiaries and their respective subsidiaries. Since May 6, 2003, Valhi's audit committee preapproved all of such services. Each of CompX, NL, Kronos Worldwide and TIMET has their own audit committee that has adopted a preapproval policy similar to Valhi's policy.

OTHER MATTERS

The Board of Directors knows of no other business that will be presented for consideration at the Meeting. If any other matters properly come before the Meeting, the persons designated as agents in the enclosed proxy card or voting instruction form will vote on such matters in accordance with their reasonable judgment.

STOCKHOLDER PROPOSALS AND DIRECTOR NOMINATIONS FOR THE 2005 ANNUAL MEETING

Stockholders may submit proposals on matters appropriate for stockholder action at Valhi's annual stockholders meetings, consistent with rules adopted by the SEC. Valhi must receive such proposals not later than December 24, 2004 to be considered for inclusion in the proxy statement and form of proxy card relating to the Annual Meeting of Stockholders in 2005. Valhi's bylaws require that the proposal must set forth a brief description of the proposal, the name and address of the proposing stockholder as they appear on Valhi's books, the number of shares of Valhi Common Stock the stockholder holds and any material interest the stockholder has in the proposal.

The Board of Directors will consider the director nominee recommendations of Valhi stockholders. Valhi's bylaws require that a nomination set forth the name and address of the nominating stockholder, a representation that the stockholder will be a stockholder of record entitled to vote at the annual stockholders meeting and intends to appear in person or by proxy at the meeting to nominate the nominee, a description of all arrangements or understandings between the stockholder and the nominee (or other persons pursuant to which the nomination is to be made), such other information regarding the nominee as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC and the consent of the nominee to serve as a Valhi director if elected.

The Board of Directors has no specific minimum qualifications for director candidates. The Board of Directors will consider a potential director nominee's ability to satisfy the need, if any, for any required expertise on the Board of Directors or one of its committees. Historically, Valhi's management has recommended director nominees to the Board of Directors. Because under the NYSE listing standards Valhi may be deemed to be a controlled company, the Board of Directors believes that it is appropriate that Valhi not have any additional policies or procedures with regard to the consideration of director candidates recommended by its stockholders.

For proposals or director nominations to be brought at the 2005 Annual Meeting of Stockholders but not included in the proxy statement for such meeting, Valhi's bylaws require that the proposal or nomination must be delivered or mailed to the principal executive offices of Valhi in most cases no later than March 9, 2005. Proposals and nominations should be addressed to: Corporate Secretary, Valhi, Inc., Three Lincoln Centre, 5430 LBJ Freeway, Suite

Edgar Filing: VALHI INC /DE/ - Form DEF 14A

COMMUNICATIONS WITH THE BOARD OF DIRECTORS

Stockholders who wish to communicate with the Board of Directors may do so through the following procedures. Stockholder communications not involving complaints or concerns regarding accounting, internal accounting controls and auditing matters related to Valhi ("Accounting Complaints or Concerns") may be sent to Valhi's corporate secretary at Valhi, Inc., Three Lincoln Centre, 5430 LBJ Freeway, Suite 1700, Dallas, Texas 75240-2697. Stockholder communications that relate to matters that are within the scope of the responsibilities of the Board of Directors and its committees, or summaries of such communications, will be forwarded to the chairman of the audit committee.

Accounting Complaints or Concerns, which may be made anonymously, should be sent to Valhi's general counsel with a copy to Valhi's chief financial officer at the same address as the corporate secretary. Accounting Complaints or Concerns will be forwarded to the chairman of the audit committee. Valhi will keep Accounting Complaints or Concerns confidential and anonymous, to the extent feasible, subject to applicable law. Information contained in an Accounting Complaint or Concern may be summarized, abstracted and aggregated for purposes of analysis and investigation.

ADDITIONAL COPIES

Pursuant to an SEC rule concerning the delivery of annual reports and proxy statements, a single set of these documents may be sent to any household at which two or more stockholders reside if they appear to be members of the same family. Each stockholder continues to receive a separate proxy card. This procedure, referred to as householding, reduces the volume of duplicate information stockholders receive and reduces mailing and printing expenses. A number of brokerage firms have instituted householding. Certain beneficial stockholders who share a single address may have received a notice that only one annual report and proxy statement would be sent to that address unless a stockholder at that address gave contrary instructions. If, at any time, a stockholder who holds shares through a broker no longer wishes to participate in householding and would prefer to receive a separate proxy statement and related materials, or if such stockholder currently receives multiple copies of the proxy statement and related materials at his or her address and would like to request householding of Valhi communications, the stockholder should notify his or her broker. Additionally, Valhi will promptly deliver a separate copy of Valhi's 2003 annual report or this proxy statement to any stockholder at a shared address to which a single copy of such documents was delivered, upon the written or oral request of the stockholder.

To obtain copies of Valhi's 2003 annual report or this proxy statement without charge, please mail your request to A. Andrew R. Louis, Corporate Secretary, at Valhi, Inc., Three Lincoln Centre, 5430 LBJ Freeway, Suite 1700, Dallas, Texas 75240-2697, or call him at 972.233.1700.

AUDIT COMMITTEE CHARTER

ADOPTED FEBRUARY 26, 2004

ARTICLE I.
PURPOSE

The audit committee assists the board of directors' oversight responsibilities relating to the financial accounting and reporting processes and auditing processes of the corporation. The audit committee shall assist in the oversight of:

- the integrity of the corporation's financial statements;
- the corporation's compliance with legal and regulatory requirements;
- the independent auditor's qualifications and independence; and
- the performance of the corporation's internal audit function and independent auditor.

ARTICLE II.
RELATIONSHIP WITH MANAGEMENT AND THE INDEPENDENT AUDITOR

Management is responsible for preparing the corporation's financial statements. The corporation's independent auditor is responsible for auditing the financial statements. The activities of the audit committee are in no way designed to supersede or alter these traditional responsibilities. The corporation's independent auditor and management have more time, knowledge and detailed information about the corporation than do the audit committee members. Accordingly, the audit committee's role does not provide any special assurances with regard to the corporation's financial statements. Each member of the audit committee, in the performance of such member's duties, will be entitled to rely in good faith upon the information, opinions, reports or statements presented to the audit committee by any of the corporation's officers or employees or by any other person as to matters such member reasonably believes are within such other person's professional or expert competence and who has been selected with reasonable care by or on behalf of the corporation.

ARTICLE III.
AUTHORITY AND RESOURCES

The audit committee shall have the authority and resources necessary or appropriate to discharge its responsibilities. The audit committee shall be provided with full access to all books, records, facilities and personnel of the corporation in carrying out its duties. The audit committee shall have the sole authority with regard to the independent auditor as set forth in Article V, and

Edgar Filing: VALHI INC /DE/ - Form DEF 14A

the authority to engage independent counsel and other advisors, as it determines is necessary to carry out its duties. The corporation shall provide appropriate funding, as the audit committee determines is necessary or appropriate in carrying out its duties, for the committee to engage and compensate the independent auditor or legal counsel or other advisors to the committee, and to pay the committee's ordinary administrative expenses.

A-1

ARTICLE IV. COMPOSITION AND MEETINGS

The board of directors shall set the number of directors comprising the audit committee from time to time, which number shall not be less than three. The board of directors shall designate a chairperson of the audit committee. The number of directors comprising the audit committee and the qualifications, which members will all be financially literate with at least one being an audit committee financial expert, and independence of each member of the audit committee shall at all times satisfy all applicable requirements, regulations or laws, including, without limitation, the rules of any exchange or national securities association on which the corporation's securities trade. Simultaneous service on more than three non-affiliated public company audit committees requires a special determination by the board of directors and, if required, disclosure in the annual proxy statement. The board of directors shall determine, in its business judgment, whether the members of the audit committee satisfy all such requirements, regulations or laws.

The audit committee shall meet at least quarterly and as circumstances dictate. Regular meetings of the audit committee may be held with or without prior notice at such time and at such place as shall from time to time be determined by the chairperson of the audit committee, any of the corporation's executive officers or the secretary of the corporation. Special meetings of the audit committee may be called by or at the request of any member of the audit committee, any of the corporation's executive officers, the secretary of the corporation or the independent auditor, in each case on at least twenty-four hours notice to each member.

A majority of the audit committee members shall constitute a quorum for the transaction of the audit committee's business. The audit committee shall act upon the vote of a majority of its members at a duly called meeting at which a quorum is present. Any action of the audit committee may be taken by a written instrument signed by all of the members of the audit committee. Meetings of the audit committee may be held at such place or places as the audit committee shall determine or as may be specified or fixed in the respective notice or waiver of notice for a meeting. Members of the audit committee may participate in audit committee proceedings by means of conference telephone or similar communications equipment by means of which all persons participating in the proceedings can hear each other, and such participation shall constitute presence in person at such proceedings.

ADOPTED FEBRUARY 26, 2004

Section 1. -- Statement of Principles

The Audit Committee is required, subject to any de-minimus exceptions permitted by applicable law or regulation, to preapprove the audit and non-audit services performed by the independent auditor in order to assure that the provision of such services do not impair the auditors' independence.
