Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On February 21, 2019, the Compensation & Human Resources Committee (the “Committee”) of the Board of Directors of First Commonwealth Financial Corporation (the “Company”) approved an Annual Incentive Plan for 2019 (“AIP”) and a Long-Term Incentive Plan for 2019 through 2021 and awards under the AIP and LTIP to the Company’s named executive officers (“NEOs”). The awards under the AIP and LTIP are subject to the Company’s Amended and Restated Incentive Compensation Plan (the “Plan”).

Annual Incentive Plan

Under the AIP, each NEO has the opportunity to earn a cash award equal to a percentage of his or her base salary subject to the attainment of corporate performance goals and, in the case of risk management executives, an individual performance component, for the 2019 fiscal year.

The performance goals under the AIP and their weightings are as follows:

Measure	CEO & Other Participant Risk Management Participant Weightings ¹	
	Weightings	
Core ROA	25%	15%
Core EPS	50%	40%
Core Efficiency Ratio	25%	15%
Individual performance component	N/A	30%

¹ Risk Management participants includes the Chief Credit Officer, Chief Risk Officer and Chief Audit Executive.

The AIP establishes “threshold,” “target” and “superior” levels of performance for each goal and a target award opportunity that is expressed as a percentage of the participant’s base salary. Performance at the threshold level would result in a payout equal to 25% of the target award; performance at the target level would result in a payout equal to 100% of the target award; and performance at the superior level would result in a payout equal to 150% of the target award. Payout percentages are interpolated if actual corporate performance for a goal falls between threshold and target or between target and superior levels.

The following table sets forth the estimated target award for each NEO under the AIP based on current salaries:

Officer	Target Award
T. Michael Price	55 %
James R. Reske	40 %
Jane Grebenc	40 %
Brian G. Karrip	40 %
Norman J. Montgomery	35 %

Long-Term Incentive Plan

Under the LTIP, each participating executive was awarded time-based and performance-based restricted stock units. The time-based units will vest on February 21, 2022, subject to continued service by the executive through the vesting date. The performance-based units are subject to vesting based on the attainment of the following equally-weighted corporate performance goals: (1) core return on tangible common equity compared to peers (“Relative ROTCE”), and (2) total return to shareholders compared to peers (“Relative TRS”).

The time-based restricted stock units and target performance-based restricted stock unit awards for each NEO under the LTIP are as follows:

Officer	Time-Based Restricted Stock Units	Target Performance-Based Restricted Stock Units
T. Michael Price	10,600	10,600
James R. Reske	5,800	5,800
Jane Grebenc	7,400	7,400
Brian G. Karrip	5,450	5,450
Norman J. Montgomery	4,250	4,250

For the Relative ROTCE and Relative TRS performance goals, the LTIP establishes “threshold,” “target” and “superior” levels of performance for each goal. Performance at the threshold level would result in a payout equal to 40% of the target share award; performance at the target level would result in a payout equal to 100% of the target share award; and performance at the superior level would result in a payout equal to 200% of the target share award. Awards are interpolated if actual corporate performance for a goal falls between threshold and target or between target and superior levels.

Unless otherwise determined by the Committee, all awards under the LTIP are forfeited if a NEO separates from service (as defined in the Plan) prior to December 31, 2021.

Restricted Stock Award

On February 21, 2019, the Committee approved an award of 15,000 shares of restricted stock to Brian G. Karrip, Executive Vice President and Chief Credit Officer, subject to the terms and conditions of a Restricted Stock Agreement to be entered into between the Company and Mr. Karrip. The shares of restricted stock will vest in a single installment on the third anniversary of the grant date provided that Mr. Karrip remains an employee through such date. If Mr. Karrip's employment is terminated (i) by the Company for Cause (as defined in the Restricted Stock Agreement) or (ii) by Mr. Karrip for any reason, any shares which have not as of the termination of Mr. Karrip's employment become nonforfeitable will be forfeited. If a Change in Control (as defined in the Plan) occurs while Mr. Karrip is an employee, then any shares which have not become nonforfeitable will immediately and automatically become nonforfeitable as of the date of the Change in Control.
