PROXY STATEMENT
ANNUAL MEETING OF THE STOCKHOLDERS
OF PERINI CORPORATION

This statement is furnished in connection with the solicitation of proxies by the Board of Directors of PERINI CORPORATION (hereinafter called the Company) to be used at the annual meeting of the stockholders (the Annual Meeting) of the Company to be held at the Crowne Plaza, Hawthorne Ballroom, 1360 Worcester Road (Route 9 East), Natick, Massachusetts, on Thursday, May 15, 2003, at 9:00 a.m., and at any adjournment or adjournments thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. A WHITE proxy card is being sent to holders of the Company's Common Stock, \$1.00 par value (the Common Stock). If the accompanying WHITE form of proxy is executed and returned, it may nevertheless be revoked at any time insofar as it has not been exercised either by notice to the Secretary of the Company, by the subsequent execution and delivery of another Proxy, or by voting in person at the Annual Meeting. A BLUE Instruction Card is being sent to holders of the Company's \$21.25 Convertible Exchangeable Preferred Stock (the Preferred Stock). If the accompanying BLUE Instruction Card is executed and returned, it may nevertheless be revoked at any time up until 5:00 p.m. on May 14, 2003 either by filing a written revocation or a duly executed Instruction Card bearing a later date. It is anticipated that the Proxy Statement and the enclosed Proxy or Instruction Card, as applicable, will be mailed to the stockholders of record on or about April 16, 2003.

The Board of Directors has fixed the close of business on March 19, 2003, as the record date for the determination of the stockholders entitled to vote at the Annual Meeting. As of March 19, 2003, the Company had outstanding 22,664,135 shares of Common Stock. Each share is entitled to one vote.

The terms of the Company's Preferred Stock provide that as a result of dividends on the Preferred Stock being in arrears for at least six quarters, the holders of the Preferred Stock are entitled, voting as a separate class, to elect two (2) Directors (the Preferred Directors) to the Company's Board of Directors, to hold office until the earlier of (i) the date upon which their elected term expires and until their successors are chosen and qualified or (ii) until all dividends in arrears on the Preferred Stock have been paid or declared and funds therefor set apart for payment. As of March 19, 2003, the Company had outstanding 99,990 shares of Preferred Stock. Each share is entitled to one vote. Fleet National Bank, formerly Bank Boston, N.A., as the Depository for the Preferred Stock (the Depository), is the holder of all of the issued and outstanding Preferred Stock. The terms of the Deposit Agreement by and among the Company, the Depository and the holders of Depository Shares representing the Preferred Stock provide that the holders of Depository Shares are entitled to instruct the Depository to vote the shares of Preferred Stock represented by their respective Depository Shares. Each Depository Share represents ownership of 1/10th of a share of Preferred Stock. Therefore, as of March 19, 2003, there were outstanding 999,900 Depository Shares. The holders of Depository Shares should forward their Instruction Cards to the Depository instructing the Depository how to vote the Preferred Stock.

STOCKHOLDER VOTES REQUIRED

Common Stock

The presence, in person or by proxy, of at least a majority in interest of the total number of outstanding shares of Common Stock is necessary to constitute a quorum for transaction of business at the Annual Meeting. Abstentions and broker non-votes will be counted as present for determining the presence or absence of a quorum for the transaction of business at the Annual Meeting. A broker non-vote is a proxy from a broker or other nominee indicating that such person has not received instructions from the beneficial owner or other person entitled to vote the shares on a particular matter with respect to which the broker or other nominee does not have discretionary voting power.

A quorum being present, the affirmative vote of a plurality of the votes cast at the Annual Meeting is necessary to elect each of the nominees for director. The affirmative vote of a majority of the votes cast at the Annual Meeting by holders of the Company's Common Stock is required to ratify the selection of Deloitte & Touche LLP as auditors for the fiscal year ending December 31, 2003. Abstentions and broker non-votes will not be counted as voting at the Annual Meeting and, therefore, will not have an effect on the election of Directors or ratification of auditors.

Preferred Stock

Assuming a quorum is present, the Depository will vote the number of shares of the Preferred Stock for a Nominee represented by the number of Depository Shares instructed to be voted for that Nominee. Under the terms of the Deposit Agreement, in the absence of specific instructions from a holder of Depository Shares, the Depository will abstain from voting to the extent of the Preferred Stock represented by the Depository Shares of such holder of Depository Shares. The two Preferred Director nominees for whom the greatest number of shares of Preferred Stock is voted by the Depository will be elected as the Preferred Directors.

A holder of Depository Shares may revoke an Instruction Card given with respect to the Election of Preferred Directors by filing with the Depository no later than 5:00 p.m. on Wednesday, May 14, 2003, a written revocation or a duly executed Instruction Card bearing a later date than the previous Instruction Card.

STOCKHOLDER PROPOSALS FOR 2004 ANNUAL MEETING

Any proposal of a stockholder intended to be presented at the Company's 2004 Annual Meeting of Stockholders must be received by the Company for inclusion in the proxy statement and form of proxy for that meeting no later than December 17, 2003. In addition, stockholder proposals and director nominations must comply with the requirements of the Company's By-Laws.

1A. and 2A.

ELECTION OF DIRECTORS AND PREFERRED DIRECTORS

Common Stock Nominees

In accordance with the Company's By-Laws and Massachusetts law, the Board of Directors is divided into three approximately equal classes, with each Director serving for a term of three years. As a consequence, the term of only one class of Directors expires each year, and their successors are elected for terms of three years. As of March 31, 2003, the Board of Directors is comprised of 10 members; 8 Directors (as follows) and 2 Preferred Directors:

- Class I: Robert Band, Wayne L. Berman and Michael R. Klein are the three nominees for election as Directors at this Annual Meeting to serve until the 2006 Annual Meeting of Stockholders and until their successors are chosen and qualified.
- Class II: Robert A. Kennedy and Ronald N. Tutor were elected as Directors at the 2003 Annual Meeting to serve until the 2004 Annual Meeting of Stockholders and until their successors are chosen and qualified.
- Class III: Peter Arkley and Raymond R. Oneglia were elected as Directors at the 2002 Annual Meeting to serve until the 2005 Annual Meeting of Stockholders and until their successors are chosen and qualified. James A. Cummings was appointed as a Class III Director on March 12, 2003 by the Company's Board of Directors to serve until the 2005 Annual Meeting of Stockholders and until his successor is chosen and qualified.

The Nominating Committee of the Board of Directors of the Company has nominated Robert Band, Wayne L. Berman and Michael R. Klein for election as Class I Directors. Unless otherwise noted thereon, proxies solicited hereby will be voted for the election of Messrs. Band, Berman and Klein as Directors to hold office until the 2006 Annual Meeting of Stockholders and until their successors are chosen and qualified. The Board of Directors does not contemplate that any nominee will be unable to serve as a Director for any reason but, if that should occur prior to the meeting, the proxy holders will select another person in his place and stead. Information regarding these nominees for election as Directors, as well as each Director whose term is not scheduled to expire until the 2004 or 2005 Annual Meeting of Stockholders, is set forth in "Ownership of Common Stock by Directors, Officers and Preferred Stock Nominees" on pages 5 through 9.

The Board recommends a vote FOR the election of each of the Class I nominees for election as Directors.

Preferred Stock Nominees

The terms of the Company's Preferred Stock provide that as a result of dividends on the Preferred Stock being in arrears for at least six quarters, the holders of the Preferred Stock are entitled, voting as a separate class, to elect two (2) Directors (the "Preferred Directors") to the Company's Board of Directors, to hold office until the earlier of (i) the date upon which their elected term expires and until their successors are chosen and qualified or (ii) until all dividends in arrears on the Preferred Stock have been paid or declared and funds therefor set apart for payment. Since the dividend on the Preferred Stock had not been paid since December 1995, the holders of the Preferred Stock elected two Preferred Directors at each of the last five Annual Meetings of Stockholders. The Company has not paid any dividends on the Preferred Stock throughout 2002 and 2003 to date. Accordingly, the holders of the Preferred Stock, voting as a separate class, remain entitled to elect two (2) Preferred Directors to the Company's Board of Directors.

Preferred Stock
Nominees:

Frederick Doppelt and Asher B. Edelman are the two nominees for election as Preferred Directors at this Annual Meeting to serve until the earlier of (i) the 2004 Annual Meeting of Stockholders and until their successors are chosen and qualified or (ii) until all dividends in arrears on the Preferred Stock have been paid or declared and funds therefor set apart for payment.

Instruction Cards solicited hereby will be voted by the Depositary for the Preferred Directors to hold office until the earlier of (i) the 2004 Annual Meeting of Stockholders and until their successors are chosen and qualified or (ii) until all dividends in arrears on the Preferred Stock have been paid or declared and funds therefor set apart for payment. The Board of Directors does not contemplate that either nominee will be unable to serve as a Preferred Director for any reason but, if that should occur prior to the meeting, the Depositary will select another person in his place and stead. Information regarding these nominees for election as Directors is set forth in "Ownership of Common Stock by Directors, Officers and Preferred Stock Nominees" on pages 5 through 9.

THE AUDIT COMMITTEE REPORT

Pursuant to rules adopted by the SEC designed to improve disclosures related to the functioning of corporate audit committees and to enhance the reliability and credibility of financial statements of public companies, the Audit Committee of the Company's Board of Directors submits the following report.

The primary duties and responsibilities of the Audit Committee (the "Committee"), which met nine times during the past fiscal year, are to oversee that management:

1. Maintains the integrity of the Company's internal controls, financial systems and financial statements;
2. Maintains compliance with legal and regulatory requirements and the Company's Business Conduct Policy; and
3. Monitors the independence and performance of both the Company's internal and external auditors.

We meet with management periodically to consider the adequacy of the Company's internal controls and the objectivity of its financial reporting. We discuss these matters with the Company's independent auditors and with appropriate Company financial personnel and internal auditors.

We meet privately with both the independent auditors and the internal auditors, as required, each of whom has unrestricted access to the Committee.

We also recommend to the Board the appointment of the independent auditors and review periodically their performance and independence from management.

The Directors who currently serve on the Committee meet the independence and experience requirements of the American Stock Exchange. In connection therewith, the Board of Directors has determined that none of us has a relationship to Perini Corporation that may interfere with our independence from the Company and its management.

The Board has adopted a written charter setting forth the duties and responsibilities the Committee is to perform.

Management has primary responsibility for the Company's financial statements and the overall reporting process, including the Company's system of internal controls.

The independent auditors audit the annual financial statements prepared by management, express an opinion as to whether those financial statements fairly present the financial position, results of operations and cash flows of the Company in conformity with accounting principles generally accepted in the United States and discuss with us any issues they believe should be raised with us.

As of April 16, 2002, the Company dismissed its independent auditors, Arthur Andersen LLP, and engaged the services of Deloitte & Touche LLP as its new independent auditors, effective immediately. This action followed the Company's decisions to seek proposals from other independent accountants to audit the Company's 2002 financial statements, and was approved by the Board of Directors based upon the recommendation of this Committee.

This year, we reviewed the Company's audited financial statements and met with both management and Deloitte & Touche LLP, the Company's independent auditors, to discuss those financial statements. Management has represented to us that the financial statements were prepared in accordance with accounting principles generally accepted in the United States.

We have received from and discussed with Deloitte & Touche LLP the written disclosure and the letter required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees. These items relate to that firm's independence from the Company.

Fees Paid to Audit Firm

During the year ended December 31, 2002, we retained Deloitte & Touche LLP to provide services in the following categories and amounts:

Audit Fees	\$642,000

Financial information systems design and implementation fees	\$ -

All Other Fees:	
Joint venture and employee benefit plan audits	\$116,700
Other, primarily tax compliance and tax consulting services	258,500

Total All Other	\$375,200

The Committee has considered the nature of the other services provided by Deloitte & Touche LLP and concluded they are compatible with maintaining the auditors' independence.

We also discussed with Deloitte & Touche LLP any matters required to be discussed by Statement on Auditing Standards No. 61, "Communication with Audit Committees".

Based on these reviews and discussions, we recommended to the Board that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2002.

THE COMPENSATION COMMITTEE REPORT

During 2002, the Compensation Committee of the Board of Directors of the Company consisted of three Directors, none of whom is an employee or an officer of the Company. The principal powers and duties of the Compensation Committee as established by the Board of Directors are:

1. To review the Executive Compensation programs and policies and to employ outside expert assistance, if required, to analyze Company compensation practices to assure that they are consistent with corporate goals and objectives, and competitive with those of comparable firms in the construction industry;
2. To recommend to the Board of Directors for its approval the base compensation of the Chairman and Chief Executive Officer and to review and approve the salary recommendations of the Chairman and Chief Executive Officer with respect to other members of top management;
3. To recommend to the Board of Directors annual profit and other targets for the Company for the purpose of determining incentive compensation awards under the provisions of the Amended and Restated General and Construction Business Unit Incentive Compensation Plans (the "Incentive Compensation Plan"); and
4. To administer the Incentive Compensation Plan; such administration includes power to (i) approve Participants' participation in the Plan, (ii) establish performance goals, (iii) determine if and when any bonuses shall be paid, (iv) pay out any bonuses, in cash or stock or a combination thereof, as the Committee shall determine from year to year, (v) construe and interpret the Incentive Compensation Plan, and (vi) establish rules and regulations and perform all other acts it believes reasonable and proper.

Compensation Policy

The Compensation Committee strives to maintain corporate base salaries and the total compensation package appropriate to attract and retain highly qualified executives. This results in base salaries that generally are at the median range of those of other construction companies but allows executives to substantially exceed the median compensation levels when incentive compensation is earned. While recognizing that it may be difficult to find other companies with the same mix of business as the Company, the Committee, nevertheless, believes that a comparison with other construction companies is appropriate. The construction companies used for comparison for compensation purposes may include but are not limited to some of the companies which make up the construction peer group index shown in the Performance Graph set forth in this proxy statement.

The compensation program for executive officers is composed of three elements: base salaries, annual incentive bonuses and long-term incentive stock awards. These elements of compensation are designed to provide incentives to achieve both short-term and long-term objectives and to reward exceptional performance. Salaries and annual incentive compensation bonuses result in payment for performance and are tied to the achievement of profit and/or cash flow targets. The value of the incentive stock awards depends upon the appreciation in market value of the Company's Common Stock.

Executive Salary Increases in 2002

Although certain members of top management designated as Named Executive Officers in the "Summary Compensation Table" on page 18 did not receive salary increases in 2001, they did receive salary increases at the beginning of 2002 that ranged from 15% to 32%. Other senior officers received salary increases in March, 2002 that ranged from approximately 31/2% to 51/2%.

Section 162 (m) of the Internal Revenue Code, enacted in 1993, generally disallows a tax deduction to public companies for compensation over \$1,000,000 paid to the Company's Chief Executive Officer and four other most highly compensated executive officers. The Compensation Committee has not established any policy regarding annual compensation to such executive officers in excess of \$1,000,000. However, to date, no officer of the Company has received compensation in excess of \$1,000,000 for any annual period.

Compensation of the Chairman and Chief Executive Officer

The Chairman and Chief Executive Officer, Ronald N. Tutor, is generally compensated for his services under a management services contract between the Company and Tutor-Saliba Corporation, a company in which Mr. Tutor is the Chief Executive Officer and sole stockholder, at an annual rate of \$250,000, which represented the same annual rate as 2001. In addition, Mr. Tutor was awarded \$231,000 in incentive compensation for 2002.

The Incentive Compensation Plan of the Company

The Incentive Compensation Plan is an integral part of the total compensation package of the Chairman and Chief Executive Officer, as well as the 6 executives whose salaries were reviewed by the Compensation Committee in 2002 and approximately 55 other employees of the Company. Eligibility and designated levels of participation are determined by the Chairman and Chief Executive Officer subject to Compensation Committee approval. Eligibility to participate under the Incentive Compensation Plan is limited to individuals who are executives, managers and key employees of the Company and its wholly owned subsidiaries, whose duties and responsibilities provide them the opportunity to (i) make a material and significant impact to the financial performance of the Company; (ii) have major responsibility in the control of the corporate assets; and (iii) provide critical staff support necessary to enhance operating profitability.

Under the terms of the Incentive Compensation Plan, participants can achieve incentive compensation awards ranging from zero to as much as 100% of base salary, which depends on the achievement of certain corporate goals, as defined. In addition, the Committee has the authority, when appropriate, to make certain discretionary incentive compensation awards. The mechanisms of the Incentive Compensation Plan are expressed in terms of levels of participation, points deriving therefrom calculated on base salary, and achievement of the Company's net income target for the year.

No sums attributed to a participant in the Incentive Compensation Plan become vested until the Compensation Committee approves the payment, usually in March following the year earned. At the discretion of the Committee, payment can be made in cash, stock or a combination of cash and stock.

In 2003, the Committee authorized the payment of \$3,912,000 of incentive compensation payments for 2002 operations, to 62 participants. Payment of incentive compensation awards for 2002 performance will be paid 100% in cash.

Pension Plan Disclosure

Performance Graph

Comparison of 5-year Cumulative Total Return Among Perini Corporation, AMEX Market Value Index, And Selected Construction Peer Group

		1998	1999	2000	2001	2002
Perini	100	57	43	33	78	49
AMEX	100	99	123	121	116	111
Construction Peer Group	100	65	75	74	48	47

The above graph compares the performance of Perini Corporation (Perini) with that of the American Stock Exchange Market Value Index (AMEX) and a selected Construction Peer Group. The approximately twenty-five companies included in the Construction Peer Group were selected by the appropriate construction-related Standard Industrial Classification Codes (or SIC Codes) and were recommended by an independent financial advisory firm.

The comparison of total return on investment (change in year-end stock price plus reinvested dividends) for each of the periods assumes that \$100 was invested on January 1, 1998, in each of Perini Corporation, the American Stock Exchange Market Value Index and the Construction Peer Group, with investment weighted on the basis of market capitalization.

Directors Compensation

Fees for outside Directors of the Company currently consist of an annual retainer fee of \$25,000, plus \$900 per Board meeting attended, as well as \$900 per Committee meeting attended by members of the Audit, Compensation and Nominating Committees. Mr. Ronald N. Tutor, Chairman of the Company since July 1, 1999 and Chairman and

Chief Executive Officer since March 29, 2000, has opted to receive no Director fees since he is party to a Management Agreement described in Certain Transactions below. Mr. Kennedy requested that his fees be paid directly to The Union Labor Life Insurance Company, the company that designated Mr. Kennedy as their representative to the Board, on behalf of Separate Account P.

Certain Transactions

Effective with the issuance of the Series B Preferred Stock on January 17, 1997, the Company entered into an agreement with Tutor-Saliba Corporation (Tutor-Saliba), a California corporation engaged in the construction industry, and Ronald N. Tutor, Chief Executive Officer and sole stockholder of Tutor-Saliba, to provide certain management services, as defined. The agreement between the Company, Tutor-Saliba and Mr. Tutor has been renewed annually under the same basic terms and conditions as the initial agreement except that the amount of the fee payable thereunder by the Company to Tutor-Saliba was increased effective January 1, 2000, from \$150,000 to \$250,000 per year and that effective December 31, 2001, Mr. Tutor will be included as a participant in the Company's Incentive Compensation Plan. Tutor-Saliba initially held 351,318 shares of the Company's \$1.00 par value Common Stock before Tutor-Saliba's additional investment in the Company's Common Stock effective March 29, 2000 (see below) and currently participates in joint ventures with the Company, the Company's share of which contributed \$48.8 million (or approximately 4.7%) to the Company's consolidated revenues in 2002. Since January 17, 1997, Mr. Tutor has been a member of the Board of Directors and an officer of the Company and effective July 1, 1999 was elected Chairman of the Board of Directors and effective March 29, 2000 was elected Chairman and Chief Executive Officer. Compensation for the management services consists of payments to Tutor-Saliba under the management agreement described above, options granted to Mr. Tutor and incentive compensation awarded to Mr. Tutor as a participant in the Company's incentive compensation plan (see Summary Compensation Table on page 18). All of the stock options granted to Mr. Tutor were granted at or above fair market value on the date of grant, are all currently exercisable and are otherwise summarized below:

Grant Date	Option Price Per Share	Number of Shares	Expiration Date
01-17-97	\$ 8.3750	150,000	01-16-05
12-10-98	\$ 5.2875	45,000	12-09-06
01-04-99	\$ 5.1250	30,000	01-03-07
03-29-00	\$ 4.5000	1,000,000	03-28-10

Effective March 29, 2000, subsequent to approval by the Company's stockholders, a new investor group led by Tutor-Saliba Corporation (see above), and including O&G Industries, Inc. ("O&G"), and National Union Fire Insurance Company of Pittsburgh, Pa. ("National Union", a wholly owned subsidiary of American International Group, Inc. ("AIG")), and together with Tutor-Saliba and O&G, the "Purchasers") purchased 9,411,765 shares of the Company's Common Stock (the "Purchase Shares") for \$40 million, or \$4.25 per share (the "Transaction"). In connection therewith, the Company exchanged 7,490,417 shares of Common Stock for all of the outstanding shares of Series B Cumulative Convertible Preferred Stock ("Series B Preferred

Stock") at an exchange price of \$5.50 per share of Common Stock (the "Exchange"). See "Ownership of Common Stock by Directors, Officers and Preferred Stock Nominees" on pages 5 through 9 and "Certain Other Beneficial Holders" on pages 10 through 12. Historically, O&G has participated in joint ventures with the Company, but there were no such active joint ventures during 2002. Payments to AIG for surety, insurance and insurance related services approximated \$9.5 million in 2002.

The Purchasers and former holders of the Series B Preferred Stock entered into a Shareholders' Agreement (the "Shareholders' Agreement") at the closing of the Transaction. Among other things, the Shareholders' Agreement

provides that between the third and sixth anniversaries of the closing of the Transaction (and, under certain circumstances, prior to the third anniversary), National Union will have a "put" right to cause Tutor-Saliba and/or Mr. Tutor to purchase half of its Purchase Shares at a price so that National Union earns a ten percent internal rate of return on its investment in such shares. During the same period, between the third and sixth anniversaries of the closing of the Transaction, Tutor-Saliba will have a "call" right to cause National Union to sell such shares to Tutor-Saliba at a price so that National Union earns a fourteen percent internal rate of return on its investment in such shares. In addition to the foregoing put and call rights, National Union will have a right of first refusal on Tutor-Saliba's disposition of its Purchase Shares and Tutor-Saliba will have a right of first refusal on one half of National Union's Purchase Shares.

Subject to the right of first refusal described in the prior paragraph, the parties to the Shareholders' Agreement have certain "tag-along" rights. If any party to the Shareholders' Agreement desires to sell its shares, each of the non-selling parties to the Shareholders' Agreement will have the right to participate in such sale and to dispose of its pro rata share of the stock to be sold in such transaction. However, National Union may sell up to one half of its Purchase Shares without triggering the foregoing tag-along right.

The Shareholders' Agreement contains provisions that are designed to protect the Company's use of its net operating losses ("NOLs") after the transaction. Each of the Purchasers and the former holders of Series B Preferred Stock have agreed to notify the Company of any proposed purchase or sale of the Company's securities, to give each other the opportunity to participate in proposed sales in proportion to their ownership as of the closing and to consummate such purchase or sale only if the Company's tax advisor or the selling party's tax advisor has provided the Company with written advice that the proposed purchase or sale will not impair the ability of the Company to fully utilize its NOLs.

Each of the parties to the Shareholders' Agreement has the right to subscribe to any new issuance of securities (except for certain issuances such as conversions of convertible securities, exercises of options or issuances pursuant to a benefit plan) by the Company in an amount up to such stockholder's pro rata share of the new issuance of securities based on their percentage ownership of the Company's outstanding Common Stock.

Finally, the Shareholders' Agreement gives National Union, Tutor-Saliba, O&G, PB Capital Partners, L.P. ("PB Capital") and The Union Labor Life Insurance Company acting on behalf of its Separate Account P ("ULLICO") the right to designate one director each for election to the Board of Directors of the Company. The Company has agreed to nominate such individuals for election or appointment to the Board of Directors at the earliest possible time, to use its best efforts to cause such persons to be elected to the Board, and to renominate each such person (or other person as may be designated by National Union, Tutor-Saliba, O&G, PB Capital or ULLICO) at such time as he or she is required to stand for reelection to the Board. The right to designate a person to be elected as a director terminates in the case of each Purchaser, when such Purchaser and its permitted transferees own less than 25% of the

Common Stock purchased by such Purchaser in the Transaction and in the case of PB Capital and ULLICO, when such stockholder and its permitted transferees own less than 5% of the outstanding shares of Common Stock. Each of PB Capital and ULLICO also have certain observer rights on the Board until such time as it ceases to own 2.5% of the outstanding shares of Common Stock. Each party to the Shareholders' Agreement has agreed to vote all of its shares in favor of the directors designated by each of the other parties thereto.

RATIFICATION OF APPOINTMENT OF AUDITORS

Background - Change in Auditors

As of April 16, 2002, the Company dismissed its independent auditors, Arthur Andersen LLP, and engaged the services of Deloitte & Touche LLP as its new independent auditors, effective immediately. This action followed the Company's decision to seek proposals from independent accountants to audit the Company's financial statements, and was approved by the Company's Board of Directors upon the recommendation of its Audit Committee. Deloitte & Touche LLP was engaged to review the Company's financial statements and Quarterly Reports on Form 10-Q for the fiscal quarters ended March 31, June 30 and September 30, 2002 and to audit the Company's financial statements for the fiscal year ending December 31, 2002.

The audit reports of Arthur Andersen LLP on the consolidated financial statements of the Company as of and for the fiscal years ended December 31, 2001 and 2000 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During the Company's two most recent fiscal years ended December 31, 2001, and the subsequent interim period through April 16, 2002 there were (1) no disagreements between the Company and Arthur Andersen LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to Arthur Andersen LLP's satisfaction, would have caused Arthur Andersen LLP to make reference to the subject matter of the disagreement in connection with its report; (2) no reportable events as defined under Item 304(a)(1)(v) of Regulation S-K; and (3) no consultation by the Company with Deloitte & Touche LLP regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.

Ratification of Appointment of Current Auditors

Upon recommendation of the Audit Committee, the Board has appointed the firm of Deloitte & Touche LLP, independent public accountants, as its auditors for the fiscal year ending December 31, 2003. Although stockholder ratification is not required, the Board has determined that it would be desirable to request an expression from the stockholders as to whether or not they concur with the foregoing appointment.

The Board recommends a vote FOR ratification of the appointment of Deloitte & Touche LLP as independent auditors for the Company for the fiscal year ending December 31, 2003.
