Item 2.02. Results of Operations and Financial Condition.

On May 11, 2017, Macy's, Inc. ("Macy's") issued a press release announcing Macy's financial condition and results of operations for the 13 weeks ended April 29, 2017. The full text of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

Macy's reports its financial results in accordance with U.S. generally accepted accounting principles ("GAAP"). The press release referred to above contains non-GAAP financial measures of changes in comparable sales on an owned plus licensed basis and diluted earnings per share attributable to Macy's shareholders, excluding certain items. The excluded items consist of premiums and other fees related to the early retirement of debt and settlement charges related to Macy's defined benefit retirement plans.

Macy's licenses third parties to operate certain departments in its stores and online and receives commissions from these third parties based on a percentage of their net sales. In its financial statements prepared in conformity with GAAP, Macy's includes these commissions (rather than sales of the departments licensed to third parties) in its net sales. Macy's does not, however, include any amounts in respect of licensed department sales (or any commissions earned on such sales) in its comparable sales calculation on an owned basis. Management believes that the amounts of commissions earned on sales of departments licensed to third parties are not material to its results of operations for the periods presented. Management believes that providing supplemental changes in comparable sales on an owned plus licensed basis, which includes the impact of growth in comparable sales of departments licensed to third parties, assists in evaluating the Macy's ability to generate sales growth, whether through owned businesses or departments licensed to third parties, and in evaluating the impact of changes in the manner in which certain departments are operated. The reconciliation of the forward-looking non-GAAP financial measure of changes in comparable sales on an owned plus licensed basis to GAAP comparable sales (i.e., on an owned basis) is in the same manner as illustrated in the press release, where the impact of growth in comparable sales of departments licensed to third parties is the only reconciling item.

Management believes that excluding certain items from diluted earnings per share attributable to Macy's, Inc. shareholders that may vary substantially in frequency and magnitude period-to-period provides useful supplemental measures that assist in evaluating Macy's ability to generate earnings and leverage sales and to more readily compare these metrics between past and future periods. Macy's does not provide the most directly comparable forward-looking GAAP measure of diluted earnings per share attributable to Macy's shareholders because the timing and amount of excluded items (e.g., retirement settlement charges and premiums on the early retirement of debt) are unreasonably difficult to fully and accurately estimate.

The reader is cautioned that any non-GAAP financial measures provided by Macy's are provided in addition to, and not as alternatives for, Macy's reported results prepared in accordance with GAAP. Certain items that may have a significant impact on Macy's financial position, results of operations and cash flows must be considered when assessing Macy's actual and future financial condition and performance regardless of whether these items are included in these non-GAAP financial measures. In addition, you should note that the amounts received by Macy's on sales of departments licensed to third parties are limited to commissions received on such sales. The methods used by Macy's to calculate its non-GAAP financial measures may differ significantly from methods used by other companies to compute similar measures. As a result, any non-GAAP financial measures provided by Macy's may not be comparable to similar measures provided by other companies.

Item 9.01. Financial Statements and Exhibits.
