CREDIT AGREEMENT, dated as of April 1, 2003, among ATWOOD OCEANICS, INC., a Texas corporation (the "Parent"), ATWOOD OCEANICS PACIFIC LIMITED, a company organized under the laws of the Cayman Islands and a Wholly-Owned Subsidiary of the Parent (the "Borrower"), the Lenders party hereto from time to time, and NORDEA BANK FINLAND PLC, NEW YORK BRANCH, a national banking association organized under the laws of the Republic of Finland, as Administrative Agent (in such capacity, the "Administrative Agent"). All capitalized terms used herein and defined in Section 11 are used herein as therein defined.

W I T N E S S E T H :
- - - - -

WHEREAS, subject to and upon the terms and conditions herein set forth, the Lenders are willing to make available to the Borrower the credit facility provided for herein;

NOW, THEREFORE, IT IS AGREED:

SECTION 1. Amount and Terms of Credit Facility.

1.01 The Commitments. (a) Subject to and upon the terms and conditions set forth herein, each Lender with a Term Loan Commitment severally agrees to make a term loan or term loans (each a "Term Loan" and, collectively, the "Term Loans") to the Borrower, which Term Loans (i) shall be incurred pursuant to a single drawing on the Initial Borrowing Date, (ii) shall be denominated in Dollars, (iii) except as hereinafter provided, shall bear interest in accordance with Section 1.07, provided that, unless either the Administrative Agent otherwise agrees in its sole discretion or has determined that the Successful Syndication Date has occurred (at which time this proviso shall no longer be applicable), Term Loans, together with all outstanding Revolving Loans, shall be restricted to an Interest Period of either one week or one month which, in each case, begins and ends on the same day, and (iv) shall be made by each such Lender in that aggregate principal amount which does not exceed the Term Loan Commitment of such Lender on the Initial Borrowing Date. Once repaid, Term Loans incurred hereunder may not be reborrowed.

(b) Subject to and upon the terms and conditions set forth herein, each Lender with a Revolving Loan Commitment severally agrees to make, at any time and from time to time on or after the Initial Borrowing Date and prior to the Maturity Date, a revolving loan or revolving loans (each, a "Revolving Loan" and, collectively, the "Revolving Loans") to the Borrower, which Revolving Loans (i) shall be denominated in Dollars, (ii) shall bear interest in accordance with Section 1.07, provided that, unless either the Administrative Agent otherwise agrees in its sole discretion or has determined that the Successful Syndication Date has occurred (at which time this proviso shall no longer be applicable), Revolving Loans, together with all outstanding Term Loans, shall be restricted to an Interest Period of either one week or one month which, in each case, begins and ends on the same day, (iii) may be repaid and reborrowed in accordance with the provisions hereof, and (iv) shall not exceed for any such Lender at any time outstanding that aggregate principal amount which, when added to the product of (x) such Lender's RL Percentage and (y) the aggregate amount of all Letter of Credit Outstandings (exclusive of Unpaid Drawings which are repaid with the proceeds of, and simultaneously with the incurrence of, the respective incurrence of Revolving Loans) at such time, equals the Revolving Loan Commitment of such Lender at such time.

1.02 Minimum Amount of Each Borrowing; Limitation on Number of Borrowings. The aggregate principal amount of each Borrowing of Loans under the respective

Edgar Filing: ATWOOD OCEANICS INC - Form 8-K

Tranche shall not be less than \$1,000,000 in each case. More than one Borrowing may occur on the same date, but at no time shall there be outstanding more than ten (10) Borrowings of Loans in the aggregate for all Tranches of Loans, provided that, there shall be no more than two Borrowings outstanding under each Tranche prior to the Successful Syndication Date.

1.03 Notice of Borrowing. (a) Whenever the Borrower desires to incur Loans hereunder, an Authorized Representative of the Borrower shall give the Administrative Agent at the Notice Office at least three Business Days' prior written notice (or telephonic notice promptly confirmed in writing) of each Loan to be incurred hereunder, provided that, (in each case) any such notice shall be deemed to have been given on a certain day only if given before 11:00 a.m. (New York time) on such day. Each such written notice or written confirmation of telephonic notice (each, a "Notice of Borrowing"), except as otherwise expressly provided in Section 1.09, shall be irrevocable and shall be given in writing by the Borrower in the form of Exhibit A, appropriately completed to specify (i) the aggregate principal amount of the Loans to be incurred pursuant to such Borrowing, (ii) the date of such Borrowing (which shall be a Business Day), (iii) whether the Loans being incurred pursuant to such Borrowing shall constitute Term Loans or Revolving Loans, (iv) the initial Interest Period to be applicable to such Borrowing and (v) to which account the proceeds of such Loans are to be deposited. The Administrative Agent shall promptly give each Lender which is required to make Loans of the Tranche specified in the respective Notice of Borrowing notice of such proposed Borrowing, of such Lender's proportionate share thereof and of the other matters required by the immediately preceding sentence to be specified in the Notice of Borrowing.

(b) Without in any way limiting the obligation of the Borrower to confirm in writing any telephonic notice of any Borrowing or prepayment of Loans, the Administrative Agent may act without liability upon the basis of telephonic notice of such Borrowing or prepayment, as the case may be, believed by the Administrative Agent in good faith to be from an Authorized Representative of the Borrower prior to receipt of written confirmation. In each such case, the Borrower hereby waives the right to dispute the Administrative Agent's record of the terms of such telephonic notice of such Borrowing or prepayment of Loans, as the case may be, absent manifest error.

1.04 Disbursement of Funds. No later than 12:00 Noon (New York time) on the date specified in each Notice of Borrowing, each Lender with a Commitment of the respective Tranche will make available its pro rata portion (determined in accordance with Section 1.06) of each such Borrowing requested to be made on such date. All such amounts will be made available in Dollars and in immediately available funds at the Payment Office and the Administrative Agent will make available to the Borrower (prior to 1:00 p.m. (New York time) on such day to the extent of funds actually received by the Administrative Agent prior to 12:00 Noon (New York time) on such day) at the Payment Office, in the account specified in the applicable Notice of Borrowing, the aggregate of the amounts so made available by the Lenders. Unless the Administrative Agent shall have been notified by any Lender prior to the date of Borrowing that such Lender does not intend to make available to the Administrative Agent such Lender's portion of any Borrowing to be made on such date, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such date of Borrowing and the Administrative Agent may (but shall not be obligated to), in reliance upon such assumption, make available to the Borrower a corresponding amount. If such corresponding amount is not in fact made available to the Administrative Agent by such Lender, the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Lender. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent shall promptly notify the Borrower and the Borrower shall immediately pay such corresponding amount to the Administrative Agent. The Administrative Agent also shall be entitled to recover on demand from such Lender or the Borrower, as the case may

Edgar Filing: ATWOOD OCEANICS INC - Form 8-K

be, interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Administrative Agent to the Borrower until the date such corresponding amount is recovered by the Administrative Agent, at a rate per annum equal to (i) if recovered from such Lender, the overnight Federal Funds Rate for the first three days and at the interest rate otherwise applicable to such Loans for each day thereafter and (ii) if recovered from the Borrower, the rate of interest applicable to the respective Borrowing, as determined pursuant to Section 1.07. Nothing in this Section 1.04 shall be deemed to relieve any Lender from its obligation to make Loans hereunder or to prejudice any rights which the Borrower may have against any Lender as a result of any failure by such Lender to make Loans hereunder.

1.05 Notes. (a) The Borrower's obligation to pay the principal of, and interest on, the Loans made by each Lender shall be evidenced in the Register maintained by the Administrative Agent pursuant to Section 14.15 and shall, if requested by such Lender as provided below, also be evidenced (i) in the case of Term Loans, by a promissory note duly executed and delivered by the Borrower substantially in the form of Exhibit B-1, with blanks appropriately completed in conformity herewith (each a "Term Note" and, collectively, the "Term Notes") and (ii) in the case of Revolving Loans, by a promissory note duly executed and delivered by the Borrower substantially in the form of Exhibit B-2, with blanks appropriately completed in conformity herewith (each a "Revolving Note" and, collectively, the "Revolving Notes").

(b) The Term Note issued to each Lender that has a Term Loan Commitment or outstanding Term Loans shall (i) be executed by the Borrower, (ii) be payable to the order of such Lender or its registered assigns and be dated the Initial Borrowing Date (or, if issued after the Initial Borrowing Date, be dated the date of issuance thereof), (iii) be in a stated principal amount equal to the Term Loans made by such Lender on the Initial Borrowing Date (or, if issued after the Initial Borrowing Date, be in a stated principal amount equal to the outstanding Term Loans of such Lender at such time) and be payable in the outstanding principal amount of Term Loans evidenced thereby, (iv) mature on the Maturity Date, (v) bear interest as provided in Section 1.07, (vi) be subject to voluntary prepayment as provided in Section 4.01 and mandatory repayment as provided in Section 4.02, and (vii) be entitled to the benefits of this Agreement and the other Credit Documents.

(c) The Revolving Note issued to each Lender that has a Revolving Loan Commitment or outstanding Revolving Loans shall (i) be executed by the Borrower, (ii) be payable to the order of such Lender or its registered assigns and be dated the Initial Borrowing Date (or, in the case of Revolving Notes issued after the Initial Borrowing Date, be dated the date of the issuance thereof), (iii) be in a stated principal amount equal to the Revolving Loan Commitment of such Lender (or, if issued after the termination thereof, be in a stated principal amount equal to the outstanding Revolving Loans of such Lender at such time) and be payable in the outstanding principal amount of the Revolving Loans evidenced thereby, (iv) mature on the Maturity Date, (v) bear interest as provided in Section 1.07, (vi) be subject to voluntary prepayment and mandatory repayment as provided in Sections 4.01 and 4.02 and (vii) be entitled to the benefits of this Agreement and the other Credit Documents.

(d) Each Lender will note on its internal records the amount of each Loan made by it and each payment in respect thereof and, prior to any transfer of any of its Notes, will endorse on the reverse side thereof the outstanding principal amount of Loans evidenced thereby. Failure to make any such notation or any error in such notation or endorsement shall not affect the Borrower's obligations in respect of such Loans.

(e) Notwithstanding anything to the contrary contained above in this Section 1.05 or elsewhere in this Agreement, Notes shall only be delivered to Lenders which at any time specifically request the delivery of such Notes. No

Edgar Filing: ATWOOD OCEANICS INC - Form 8-K

failure of any Lender to request or obtain a Note evidencing its Loans to the Borrower shall affect or in any manner impair the obligations of the Borrower to pay the Loans (and all related Obligations) incurred by the Borrower which would otherwise be evidenced thereby in accordance with the requirements of this Agreement, and shall not in any way affect the security or guaranties therefor provided pursuant to the various Credit Documents. Any Lender which does not have a Note evidencing its outstanding Loans shall in no event be required to make the notations otherwise described in preceding clause (d). At any time when any Lender requests the delivery of a Note to evidence any of its Loans, the Borrower shall (at its expense) promptly execute and deliver to the respective Lender the requested Note in the appropriate amount or amounts to evidence such Loans.

1.06 Pro Rata Borrowings. All Borrowings of Term Loans and Revolving Loans under this Agreement shall be incurred from the Lenders pro rata on the basis of their Term Loan Commitments or Revolving Loan Commitments, as the case may be. It is understood that no Lender shall be responsible for any default by any other Lender of its obligation to make Loans hereunder and that each Lender shall be obligated to make the Loans provided to be made by it hereunder, regardless of the failure of any other Lender to make its Loans hereunder.

1.07 Interest. (a) The Borrower agrees to pay interest in respect of the unpaid principal amount of each Loan from the date of Borrowing thereof until the maturity (whether by acceleration or otherwise) of such Loan at a rate per annum which shall, during each Interest Period applicable thereto, be equal to (except as otherwise provided in Section 1.09(a)) the sum of the Applicable Margin plus the Eurodollar Rate for such Interest Period.

(b) Overdue principal and, to the extent permitted by law, overdue interest in respect of each Loan shall, in each case, bear interest at a rate per annum equal to 2% per annum in excess of the rate then borne by such Loans, and all other overdue amounts payable hereunder and under any other Credit Document shall bear interest at a rate per annum equal to the rate which is 1% in excess of the Base Rate, as in effect from time to time, plus the Applicable Margin as in effect from time to time. Interest that accrues under this Section 1.07(b) shall be payable on demand.

(c) Accrued (and theretofore unpaid) interest shall be payable (x) on the last day of each Interest Period applicable thereto and, in the case of an Interest Period in excess of three months, on each date occurring at three month intervals after the first day of such Interest Period, and (y) on the date of any repayment or prepayment (on the amount repaid or prepaid), at maturity (whether by acceleration or otherwise) and, after such maturity, on demand.

(d) Upon each Interest Determination Date, the Administrative Agent shall determine the Eurodollar Rate for each Interest Period applicable to the respective Loans and shall promptly notify the Borrower and the Lenders thereof. Each such determination shall, absent manifest error, be final and conclusive and binding on all parties hereto.

1.08 Interest Periods. At the time the Borrower gives any Notice of Borrowing in respect of the making of any Loan (in the case of the initial Interest Period applicable thereto) or prior to 11:00 a.m. (New York time) on the third Business Day prior to the expiration of an Interest Period applicable to such Loan (in the case of any subsequent Interest Period), the Borrower shall have the right to elect, by having an Authorized Representative of the Borrower give the Administrative Agent notice thereof, the interest period (each an "Interest Period") applicable to such Loan, which Interest Period shall, at the option of the Borrower (but otherwise subject to the provisions of the proviso in each of Sections 1.01(a)(iii) and 1.01(b)(ii)), be a one week or one, two, three or six-month period (it being understood, however, that during the one month period preceding the Maturity Date, the Borrower, with the consent of the

Edgar Filing: ATWOOD OCEANICS INC - Form 8-K

Administrative Agent, may select an Interest Period of less than one month so long as such Interest Period ends no later than the Maturity Date); provided that:

- (i) all Loans comprising a Borrowing shall at all times have the same Interest Period;
- (ii) the initial Interest Period for any Loan shall commence on the date of Borrowing of such Loan and each Interest Period occurring thereafter in respect of such Loan shall commence on the day immediately following the day on which the immediately preceding Interest Period applicable thereto expires;
- (iii) if any Interest Period for a Loan begins on a day for which there is no numerically corresponding day in the calendar month at the end of such Interest Period, such Interest Period shall end on the last Business Day of such calendar month;
- (iv) if any Interest Period would otherwise expire on a day which is not a Business Day, such Interest Period shall expire on the first succeeding Business Day; provided, however, that if any Interest Period for a Loan would otherwise expire on a day which is not a Business Day but is a day of the month after which no further Business Day occurs in such month, such Interest Period shall expire on the immediately preceding Business Day;
- (v) no Interest Period longer than one month may be selected at any time when a Default or an Event of Default is then in existence;
- (vi) no Interest Period in respect of any Borrowing of any Tranche of Loans shall be selected which extends beyond the Maturity Date;
- (vii) the selection of Interest Periods shall be subject to the provisions of Section 1.02; and
- (viii) no Interest Period in respect of any Borrowing of Term Loans shall be selected which extends beyond any date upon which a mandatory repayment of such Term Loans will be required to be made under Section 4.02(b) if the aggregate principal amount of such Term Loans which have Interest Periods which will expire after such date will be in excess of the aggregate principal amount of such Term Loans then outstanding less the aggregate amount of such required repayment.

If by 11:00 a.m. (New York time) on the third Business Day preceding the expiration of any Interest Period applicable to a Borrowing, the Borrower has failed to elect a new Interest Period to be applicable to such Loans as provided above, the Borrower shall be deemed to have elected a one month Interest Period to be applicable to such Loans effective as of the expiration date of such current Interest Period.

1.09 Increased Costs, Illegality, etc. (a) In the event that any Lender shall have determined (which determination shall, absent manifest error, be final and conclusive and binding upon all parties hereto but, with respect to clause (i) below, may be made only by the Administrative Agent):

- (i) on any Interest Determination Date that, by reason of any changes arising after the date of this Agreement affecting the applicable interbank Eurodollar market, adequate and fair means do not exist for ascertaining the applicable interest rate on the basis provided for in the definition of Eurodollar Rate; or
- (ii) at any time, that such Lender shall incur increased costs or reductions

Edgar Filing: ATWOOD OCEANICS INC - Form 8-K

in the amounts received or receivable hereunder with respect to any Loan because of (x) any change since the Initial Borrowing Date in any applicable law or governmental rule, regulation, order, guideline or request (whether or not having the force of law) or in the interpretation or administration thereof and including the introduction of any new law or governmental rule, regulation, order, guideline or request, such as but not limited to: (A) a change subjecting any Lender to any tax, duty or other charge with respect to any Loan, Notes or Letter of Credit, or its obligation to make such Loan or issue such Letter of Credit, or a change in the basis of taxation of payment to any Lender of the principal of or interest on the Loans or the Notes or any other amounts payable hereunder (except for changes in the rate of tax on, or determined by reference to, the net income or net profits of such Lender pursuant to the laws of the jurisdiction in which such Lender is organized or in which such Lender's principal office or applicable lending office is located), but without duplication of any increased costs with respect to Taxes which are addressed in Section 4.04, or (B) a change in official reserve requirements, but, in all events, excluding reserves required under Regulation D to the extent included in the computation of the Eurodollar Rate, and/or (y) other circumstances arising since the Initial Borrowing Date affecting such Lender, the interbank Eurodollar market or the position of such Lender in such market; or

- (iii) at any time, that the making or continuance of any Loan has been made (x) unlawful by any law or governmental rule, regulation or order, (y) impossible by compliance by any Lender in good faith with any governmental request (whether or not having force of law) and/or (z) impracticable as a result of a contingency occurring after the Initial Borrowing Date which materially and adversely affects the interbank Eurodollar market;

then, and in any such event, such Lender (or the Administrative Agent, in the case of clause (i) above) shall promptly give notice (by telephone promptly confirmed in writing) to the Borrower, which written notice shall set forth such Lender's (or the Administrative Agent's, as the case may be) basis for asserting its right under this Section 1.09(a) and the calculation, in reasonable detail, of such additional amounts claimed hereunder, and, except in the case of clause (i) above, to the Administrative Agent of such determination (which notice the Administrative Agent shall promptly transmit to each of the other Lenders). Thereafter (x) in the case of clause (i) above, any Notice of Borrowing given by the Borrower with respect to any affected Loans which have not yet been incurred shall be deemed rescinded by the Borrower, the Total Unutilized Revolving Loan Commitment shall thereafter not be available to be borrowed hereunder and Letters of Credit shall not be permitted to be issued hereunder, and the rate of interest applicable to any affected Loans then outstanding shall be the Base Rate, as in effect from time to time, plus the Applicable Margin as in effect from time to time minus 1%, from the date such notice is delivered to the Borrower and thereafter until such time as the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice by the Administrative Agent no longer exist, (y) in the case of clause (ii) above, the Borrower agrees to pay to such Lender, upon such Lender's written demand therefor, such additional amounts (in the form of an increased rate of, or a different method of calculating, interest or otherwise as such Lender in its sole discretion shall determine) as shall be required to compensate such Lender for such increased costs or reductions in amounts received or receivable hereunder (a written notice as to the additional amounts owed to such Lender, showing in reasonable detail the basis for and the calculation thereof, submitted to the Borrower by such Lender shall, absent manifest error, be final

Edgar Filing: ATWOOD OCEANICS INC - Form 8-K

and conclusive and binding on all the parties hereto) and (z) in the case of clause (iii) above, such Lender shall so notify the Administrative Agent and the Borrower (and the Administrative Agent shall give notice thereof to the other Lenders) and thereafter (A) except in the case of an event of the type described in clause (iii)(z) above, the Revolving Loan Commitment of such Lender shall be permanently reduced by an amount sufficient to alleviate such circumstance arising pursuant to clause (iii)(x) or (y) above, or shall be terminated in its entirety if all of such Lender's Revolving Loans are so affected, and the Borrower shall prepay in full the affected Loans of such Lender, together with accrued and unpaid interest thereon and, in the event of a termination of such Lender's Revolving Loan Commitment, any accrued and unpaid Commitment Commission which may be due to such Lender under this Agreement (and, in the event all of such Lender's Loans are being repaid, any other amounts which may be owing to such Lender hereunder), on either the last day of the then current Interest Period applicable to each such affected Loan (if such Lender may lawfully continue to maintain and fund such Loans to such day) or immediately (if such Lender may not lawfully continue to maintain and fund such Loans to such day) and (B) in the case of an event of the type described in clause (iii)(z) above, the Unutilized Revolving Loan Commitment of such Lender shall be terminated in its entirety and the Borrower shall pay to such Lender any accrued and unpaid Commitment Commission which may be due to such Lender under this Agreement, and all outstanding Loans of such Lender shall, from the date such notice is delivered to the Borrower and thereafter until such time as the Administrative Agent or such Lender shall notify the Borrower that the circumstances giving rise to the operation of clause (iii)(z) above with respect to such Lender no longer exist, bear interest at a rate equal to the Base Rate, as in effect from time to time, plus the Applicable Margin as in effect from time to time minus 1%, it being understood that, notwithstanding anything to the contrary in this Agreement, to the extent any repayment of Revolving Loans of any Lender affected by circumstances described in clause (iii)(z) above are repaid prior to receipt by the Borrower of the notice described above with respect to the elimination of such circumstances giving rise to the operation of clause (iii)(z) above with respect to such Lender, any amount of the Unutilized Revolving Loan Commitment of such Lender which may otherwise result from such repayment shall be deemed permanently reduced upon the effectiveness of such repayment. The Administrative Agent and each Lender (to the extent it continues to be a Lender hereunder) agree that if any of them gives notice to the Borrower of any of the events described in clause (i) or (iii) above, it shall promptly notify the Borrower and, in the case of any such Lender, the Administrative Agent, if such event ceases to exist. If any such event described in clause (iii) above ceases to exist as to a Lender (to the extent it continues at such time to be a Lender hereunder), the obligations of such Lender to make Loans on the terms and conditions contained herein shall to the extent of such Lender's outstanding Loans and Commitments as in effect at such time, be immediately reinstated.

(b) If any Lender determines that after the Effective Date the introduction or effectiveness of or any change in any applicable law or governmental rule, regulation, order, guideline, directive or request (whether or not having the force of law) concerning capital adequacy, or any change in interpretation or administration thereof by the NAIC or any governmental authority, central bank or comparable agency will have the effect of increasing the amount of capital required or expected to be maintained by such Lender or any corporation controlling such Lender based on the existence of such Lender's Commitments hereunder or its obligations hereunder, then the Borrower agrees to pay to such Lender, upon its written demand therefor, such additional amounts as shall be required to compensate such Lender or such other corporation for the increased cost to such Lender or such other corporation or the reduction in the rate of return to such Lender or such other corporation as a result of such increase of capital. In determining such additional amounts, each Lender will act reasonably and in good faith and will use averaging and attribution methods which are reasonable, provided that, such Lender's determination of compensation owing under this Section 1.09(b) shall, absent manifest error, be final and conclusive

Edgar Filing: ATWOOD OCEANICS INC - Form 8-K

and binding on all the parties hereto. Each Lender, upon determining that any additional amounts will be payable pursuant to this Section 1.09(b), will give prompt written notice thereof to the Borrower, which notice shall show in reasonable detail the basis for calculation of such additional amounts.

1.10 Compensation. The Borrower agrees to compensate each Lender, upon its written request (which request shall set forth in reasonable detail the basis for requesting such compensation), for all reasonable losses, expenses and liabilities (including, without limitation, any loss, expense or liability incurred by reason of the liquidation or reemployment of deposits or other funds required by such Lender to fund its Loans but excluding loss of anticipated profits) which such Lender may sustain: (i) if for any reason (other than a default by such Lender or the Administrative Agent) a Borrowing does not occur on a date specified therefor in a Notice of Borrowing (whether or not withdrawn by the Borrower or deemed withdrawn pursuant to Section 1.09(a)); (ii) if any prepayment or repayment (including any prepayment or repayment made pursuant to Section 1.09(a), Section 4.01, Section 4.02 or as a result of an acceleration of the Loans pursuant to Section 10) of any of its Loans, or assignment of any of its Loans pursuant to Section 1.12, occurs on a date which is not the last day of an Interest Period with respect thereto; (iii) if any prepayment of any of its Loans is not made on any date specified in a notice of prepayment given by the Borrower; or (iv) as a consequence of any other default by the Borrower to repay Loans or make payment on any Note held by such Lender when required by the terms of this Agreement.

1.11 Change of Lending Office. Each Lender agrees that upon the occurrence of any event giving rise to the operation of Section 1.09(a)(ii) or (iii), Section 1.09(b), Section 2.06 or Section 4.04 with respect to such Lender, it will, if requested by the Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Loans or Letters of Credit affected by such event, provided that, such designation is made on such terms that such Lender and its lending office suffer no economic, legal or regulatory disadvantage, with the object of avoiding the consequence of the event giving rise to the operation of such Section. Nothing in this Section 1.11 shall affect or postpone any of the obligations of the Borrower or the right of any Lender provided in Sections 1.09, 2.06 and 4.04.

1.12 Replacement of Lenders. (x) If any Lender becomes a Defaulting Lender or otherwise defaults in its obligations to make Loans or fund Unpaid Drawings, (y) upon the occurrence of any event giving rise to the operation of Section 1.09(a)(ii) or (iii), Section 1.09(b) or Section 4.04 with respect to any Lender which results in such Lender charging to the Borrower increased costs in excess of those being generally charged by the other Lenders, or (z) as provided in Section 14.12(b) in the case of certain refusals by a Lender to consent to certain proposed changes, waivers, discharges or terminations with respect to this Agreement which have been approved by the Required Lenders, the Borrower shall have the right, if no Default or Event of Default then exists (or, in the case of preceding clause (z), will exist immediately after giving effect to the respective replacement), to replace such Lender (the "Replaced Lender") with one or more other Eligible Transferee or Eligible Transferees, none of whom shall constitute a Defaulting Lender at the time of such replacement (collectively, the "Replacement Lender") and each of whom shall be required to be reasonably acceptable to the Administrative Agent, provided that:

- (i) at the time of any replacement pursuant to this Section 1.12, the Replacement Lender shall enter into one or more Assignment and Assumption Agreements pursuant to Section 14.04(b) (and with all fees payable pursuant to said Section 14.04(b) to be paid by the Replacement Lender) pursuant to which the Replacement Lender shall acquire all of the Commitments and outstanding Loans of, and in each case participations in Letters of Credit by, the Replaced Lender and, in connection

Edgar Filing: ATWOOD OCEANICS INC - Form 8-K

therewith, shall pay to (x) the Replaced Lender in respect thereof an amount equal to the sum of (I) an amount equal to the principal of, and all accrued and unpaid interest on, all outstanding Loans of the Replaced Lender, (II) an amount equal to all Unpaid Drawings that have been funded by (and not reimbursed to) such Replaced Lender, together with all then accrued and unpaid interest with respect thereto at such time, and (III) an amount equal to all accrued, but theretofore unpaid, Fees owing to the Replaced Lender pursuant to Section 3.01 and (y) each Issuing Lender an amount equal to such Replaced Lender's RL Percentage of any Unpaid Drawing (which at such time remains an Unpaid Drawing) to the extent such amount was not theretofore funded by such Replaced Lender to such Issuing Lender, together with all then accrued and unpaid interest with respect thereto at such time; and

- (ii) all obligations of the Borrower due and owing to the Replaced Lender at such time (other than those specifically described in clause (i) above in respect of which the assignment purchase price has been, or is concurrently being, paid) shall be paid in full to such Replaced Lender concurrently with such replacement.

Upon the execution of the respective Assignment and Assumption Agreement, the payment of amounts referred to in clauses (i) and (ii) above and, if so requested by the Replacement Lender, delivery to the Replacement Lender of the appropriate Note or Notes executed by the Borrower, the Replacement Lender shall become a Lender hereunder and the Replaced Lender shall cease to constitute a Lender hereunder, except with respect to indemnification provisions under this Agreement (including, without limitation, Sections 1.09, 1.10, 2.06, 4.04, 12.06 and 14.01), which shall survive as to such Replaced Lender.

SECTION 2. Letters of Credit.

2.01 Letters of Credit. (a) Subject to and upon the terms and conditions set forth herein, the Borrower may request that an Issuing Lender issue, at any time and from time to time on and after the Initial Borrowing Date and prior to the 60th day prior to the Maturity Date, for the account of the Borrower, an irrevocable standby letter of credit, in a form customarily used by such Issuing Lender or in such other form as is reasonably acceptable to such Issuing Lender (each such letter of credit, a "Letter of Credit" and, collectively, the "Letters of Credit"). All Letters of Credit shall be denominated in Dollars and shall be issued on a sight basis only.

- (b) Subject to and upon the terms and conditions set forth herein, each Issuing Lender agrees that it will, at any time and from time to time on and after the Initial Borrowing Date and prior to the 60th day prior to the Maturity Date, following its receipt of the respective Letter of Credit Request, issue for the account of the Borrower, one or more Letters of Credit as are permitted to remain outstanding hereunder without giving rise to a Default or an Event of Default, provided that, no Issuing Lender shall be under any obligation to issue any Letter of Credit of the types described above if at the time of such issuance:
 - (i) any order, judgment or decree of any governmental authority or arbitrator shall purport by its terms to enjoin or restrain such Issuing Lender from issuing such Letter of Credit or any requirement of law applicable to such Issuing Lender or any request or directive (whether or not having the force of law) from any governmental authority with jurisdiction over such Issuing Lender shall prohibit, or request that such Issuing Lender refrain from, the issuance of letters of credit generally

Edgar Filing: ATWOOD OCEANICS INC - Form 8-K

or such Letter of Credit in particular or shall impose upon such Issuing Lender with respect to such Letter of Credit any restriction or reserve or capital requirement (for which such Issuing Lender is not otherwise compensated hereunder) not in effect with respect to such Issuing Lender on the date hereof, or any unreimbursed loss, cost or expense which was not applicable or in effect with respect to such Issuing Lender as of the date hereof and which such Issuing Lender reasonably and in good faith deems material to it; or

- (ii) such Issuing Lender shall have received from the Borrower, any other Credit Party or the Required Lenders prior to the issuance of such Letter of Credit notice of the type described in the second sentence of Section 2.03(b).

2.02 Maximum Letter of Credit Outstandings; Maturities. Notwithstanding anything to the contrary contained in this Agreement, (i) no Letter of Credit shall be issued the Stated Amount of which, when added to the Letter of Credit Outstandings (exclusive of Unpaid Drawings which are repaid on the date of, and prior to the issuance of, the respective Letter of Credit) at such time would exceed either (x) \$10,000,000 or (y) when added to the aggregate principal amount of all Revolving Loans then outstanding, an amount equal to the Total Revolving Loan Commitment at such time, and (ii) each Letter of Credit shall by its terms terminate on or before the earlier of (A) the date which occurs 12 months after the date of the issuance thereof (although any such standby Letter of Credit shall be extendible for successive periods of up to 12 months, but, in each case, not beyond the thirtieth Business Day prior to the Maturity Date, on terms acceptable to the respective Issuing Lender) and (B) thirty Business Days prior to the Maturity Date.

2.03 Letter of Credit Requests; Minimum Stated Amount. (a) Whenever the Borrowers desire that a Letter of Credit be issued for its account, the Borrower shall give the Administrative Agent and the respective Issuing Lender at least five Business Days' (or such shorter period as is acceptable to such Issuing Lender) written notice thereof (including by way of facsimile). Each notice shall be in the form of Exhibit C, appropriately completed (each a "Letter of Credit Request").

(b) The making of each Letter of Credit Request shall be deemed to be a representation and warranty by the Borrower to the Lenders that such Letter of Credit may be issued in accordance with, and will not violate the requirements of, Section 2.02. Unless the respective Issuing Lender has received notice from the Borrower, any other Credit Party or the Required Lenders before it issues a Letter of Credit that one or more of the conditions specified in Section 5 or 6 are not then satisfied, or that the issuance of such Letter of Credit would violate Section 2.02, then such Issuing Lender shall, subject to the terms and conditions of this Agreement, issue the requested Letter of Credit for the account of the Borrower in accordance with such Issuing Lender's usual and customary practices. Upon the issuance of or modification or amendment to any Letter of Credit, each Issuing Lender shall promptly notify the Borrower and the Administrative Agent, in writing of such issuance, modification or amendment and such notice shall be accompanied by a copy of such Letter of Credit or the respective modification or amendment thereto, as the case may be. Promptly after receipt of such notice the Administrative Agent shall notify the Participants, in writing, of such issuance, modification or amendment. Notwithstanding anything to the contrary contained in this Agreement, in the event that a Lender Default exists with respect to an RL Lender, no Issuing Lender shall be required to issue any Letter of Credit unless such Issuing Lender has entered into arrangements satisfactory to it and the Borrower to eliminate such Issuing Lender's risk with respect to the participation in Letters of Credit by the Defaulting Lender or Lenders, including by cash collateralizing such Defaulting Lender's or Lenders' RL Percentage of the Letter of Credit Outstandings.

Edgar Filing: ATWOOD OCEANICS INC - Form 8-K

(c) The initial Stated Amount of each Letter of Credit shall not be less than \$20,000 or such lesser amount as is acceptable to the respective Issuing Lender.

2.04 Letter of Credit Participations. (a) Immediately upon the issuance by an Issuing Lender of any Letter of Credit, such Issuing Lender shall be deemed to have sold and transferred to each RL Lender, and each such RL Lender (in its capacity under this Section 2.04, a "Participant") shall be deemed irrevocably and unconditionally to have purchased and received from such Issuing Lender, without recourse or warranty, an undivided interest and participation, to the extent of such Participant's RL Percentage, in such Letter of Credit, each drawing or payment made thereunder and the obligations of the Borrower under this Agreement with respect thereto, and any security therefor or guaranty pertaining thereto. Upon any change in the Revolving Loan Commitments or RL Percentages of the Lenders pursuant to Section 1.12 or 14.04(b), it is hereby agreed that, with respect to all outstanding Letters of Credit and Unpaid Drawings relating thereto, there shall be an automatic adjustment to the participations pursuant to this Section 2.04 to reflect the new RL Percentages of the assignor and assignee Lender, as the case may be.

- (b) In determining whether to pay under any Letter of Credit, no Issuing Lender shall have any obligation relative to the other Lenders other than to confirm that any documents required to be delivered under such Letter of Credit appear to have been delivered and that they appear to substantially comply on their face with the requirements of such Letter of Credit. Any action taken or omitted to be taken by an Issuing Lender under or in connection with any Letter of Credit issued by it shall not create for such Issuing Lender any resulting liability to the Borrower, any other Credit Party, any Lender or any other Person unless such action is taken or omitted to be taken with gross negligence or willful misconduct on the part of such Issuing Lender (as determined by a court of competent jurisdiction in a final and non-appealable decision).
- (c) In the event that any Issuing Lender makes any payment under any Letter of Credit issued by it and the Borrower shall not have reimbursed such amount in full to such Issuing Lender pursuant to Section 2.05(a), such Issuing Lender shall promptly notify the Administrative Agent, which shall promptly notify each Participant of such failure, and each Participant shall promptly and unconditionally pay to such Issuing Lender the amount of such Participant's RL Percentage of such unreimbursed payment in Dollars and in same day funds. If the Administrative Agent so notifies, prior to 11:00 a.m. (New York time) on any Business Day, any Participant required to fund a payment under a Letter of Credit, such Participant shall make available to the respective Issuing Lender in Dollars such Participant's RL Percentage of the amount of such payment on such Business Day in same day funds. If and to the extent such Participant shall not have so made its RL Percentage of the amount of such payment available to the respective Issuing Lender, such Participant agrees to pay to such Issuing Lender, forthwith on demand such amount, together with interest thereon, for each day from such date until the date such amount is paid to such Issuing Lender at the overnight Federal Funds Rate for the first three days and at the Base Rate, as in effect from time to time, plus the Applicable Margin as in effect from time to time minus 1% for each day thereafter. The failure of any Participant to make available to an Issuing Lender its RL Percentage of any payment under any Letter of Credit issued by such Issuing Lender shall not relieve any other Participant of its obligation hereunder to make available to such Issuing Lender its RL Percentage of any payment under any Letter of Credit on the date required, as specified above, but no Participant shall be responsible for the failure of any other Participant to make

Edgar Filing: ATWOOD OCEANICS INC - Form 8-K

available to such Issuing Lender such other Participant's RL Percentage of any such payment.

- (d) Whenever an Issuing Lender receives a payment of a reimbursement obligation as to which it has received any payments from the Participants pursuant to clause (c) above, such Issuing Lender shall pay to each such Participant which has paid its RL Percentage thereof, in Dollars and in same day funds, an amount equal to such Participant's share (based upon the proportionate aggregate amount originally funded by such Participant to the aggregate amount funded by all Participants) of the principal amount of such reimbursement obligation and interest thereon accruing after the purchase of the respective participations.
- (e) Upon the request of any Participant, each Issuing Lender shall furnish to such Participant copies of any standby Letter of Credit issued by it and such other documentation as may reasonably be requested by such Participant.
- f) The obligations of the Participants to make payments to each Issuing Lender with respect to Letters of Credit shall be irrevocable and not subject to any qualification or exception whatsoever and shall be made in accordance with the terms and conditions of this Agreement under all circumstances, including, without limitation, any of the following circumstances:
 - (i) any lack of validity or enforceability of this Agreement or any of the other Credit Documents;
 - (ii) the existence of any claim, setoff, defense or other right which the Parent or any of its Subsidiaries may have at any time against a beneficiary named in a Letter of Credit, any transferee of any Letter of Credit (or any Person for whom any such transferee may be acting), the Administrative Agent, any Participant, or any other Person, whether in connection with this Agreement, any Letter of Credit, the transactions contemplated herein or any unrelated transactions (including any underlying transaction between the Parent or any Subsidiary of the Parent and the beneficiary named in any such Letter of Credit);
 - (iii) any draft, certificate or any other document presented under any Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect;
 - (iv) the surrender or impairment of any security for the performance or observance of any of the terms of any of the Credit Documents; or
 - (v) the occurrence of any Default or Event of Default.

2.05 Agreement to Repay Letter of Credit Drawings. (a) The Borrower agrees to reimburse each Issuing Lender, by making payment to the Administrative Agent in immediately available funds at the Payment Office, for any payment or disbursement made by such Issuing Lender under any Letter of Credit issued by it (each such amount, so paid until reimbursed, an "Unpaid Drawing"), not later than one Business Day following receipt by the Borrower of notice of such payment or disbursement (provided that, no such notice shall be required to be given if a Default or an Event of Default under Section 10.05 shall have occurred and be continuing, in which case the Unpaid Drawing shall be due and payable immediately without presentment, demand, protest or notice of any kind

Edgar Filing: ATWOOD OCEANICS INC - Form 8-K

(all of which are hereby waived by the Borrower)), with interest on the amount so paid or disbursed by such Issuing Lender, to the extent not reimbursed prior to 12:00 Noon (New York time) on the date of such payment or disbursement, from and including the date paid or disbursed to but excluding the date such Issuing Lender was reimbursed by the Borrower therefor at a rate per annum equal to the Base Rate, as in effect from time to time, plus the Applicable Margin as in effect from time to time minus 1%; provided, however, to the extent such amounts are not reimbursed prior to 12:00 Noon (New York time) on the third Business Day following the receipt by the Borrower of notice of such payment or disbursement or following the occurrence of a Default or an Event of Default under Section 10.05, interest shall thereafter accrue on the amounts so paid or disbursed by such Issuing Lender (and until reimbursed by the Borrower) at a rate per annum equal to the Base Rate in effect from time to time plus the Applicable Margin as in effect from time to time plus 1%, with such interest to be payable on demand. Each Issuing Lender shall give the Borrower prompt written notice of each Drawing under any Letter of Credit issued by it, provided that, the failure to give any such notice shall in no way affect, impair or diminish the Borrower's obligations hereunder.

(b) The obligations of the Borrower under this Section 2.05 to reimburse each Issuing Lender with respect to drafts, demands and other presentations for payment under Letters of Credit issued by it (each a "Drawing") (including, in each case, interest thereon) shall be absolute and unconditional under any and all circumstances and irrespective of any setoff, counterclaim or defense to payment which the Borrower may have or have had against any Lender (including in its capacity as an Issuing Lender or as a Participant), including, without limitation, any defense based upon the failure of any drawing under a Letter of Credit to conform to the terms of the Letter of Credit or any nonapplication or misapplication by the beneficiary of the proceeds of such Drawing; provided, however, that the Borrower shall not be obligated to reimburse any Issuing Lender for any wrongful payment made by such Issuing Lender under a Letter of Credit issued by it as a result of acts or omissions constituting willful misconduct or gross negligence on the part of such Issuing Lender (as determined by a court of competent jurisdiction in a final and non-appealable decision).

2.06 Increased Costs. If at any time after the Effective Date, the introduction or effectiveness of or any change in any applicable law, rule, regulation, order, guideline or request or in the interpretation or administration thereof by the NAIC or any governmental authority charged with the interpretation or administration thereof, or compliance by any Issuing Lender or any Participant with any request or directive by the NAIC or by any such governmental authority (whether or not having the force of law), shall either (i) impose, modify or make applicable any reserve, deposit, capital adequacy or similar requirement against letters of credit issued by any Issuing Lender or participated in by any Participant, or (ii) impose on any Issuing Lender or any Participant any other conditions relating, directly or indirectly, to this Agreement or any Letter of Credit; and the result of any of the foregoing is to increase the cost to any Issuing Lender or any Participant of issuing, maintaining or participating in any Letter of Credit, or reduce the amount of any sum received or receivable by any Issuing Lender or any Participant hereunder or reduce the rate of return on its capital with respect to Letters of Credit (except for changes in the rate of tax on, or determined by reference to, the net income or net profits of such Issuing Lender or such Participant pursuant to the laws of the jurisdiction in which it is organized or in which its principal office or applicable lending office is located or any subdivision thereof or therein), then, upon the delivery of the certificate referred to below to the Borrower by any Issuing Lender or any Participant (a copy of which certificate shall be sent by such Issuing Lender or such Participant to the Administrative Agent), the Borrower agrees to pay to such Issuing Lender or such Participant such additional amount or amounts as will compensate such Issuing Lender or such Participant for such increased cost or reduction in the amount receivable or reduction on the rate of return on its

Edgar Filing: ATWOOD OCEANICS INC - Form 8-K

capital. Any Issuing Lender or any Participant, upon determining that any additional amounts will be payable pursuant to this Section 2.06, will give prompt written notice thereof to the Borrower, which notice shall include a certificate submitted to the Borrower by such Issuing Lender or such Participant (a copy of which certificate shall be sent by the Issuing Lender or such Participant to the Administrative Agent), setting forth in reasonable detail the basis for the calculation of such additional amount or amounts necessary to compensate such Issuing Lender or such Participant. The certificate required to be delivered pursuant to this Section 2.06 shall, absent manifest error, be final and conclusive and binding on the Borrower.

SECTION 3. Commitment Commission; Fees; Reductions of Commitment.

3.01 Fees. (a) The Borrower agrees to pay to the Administrative Agent for distribution to each Non-Defaulting RL Lender, a commitment commission (the "Commitment Commission") for the period from and including the Effective Date to and including the Maturity Date (or such earlier date on which the Total Revolving Loan Commitment has been terminated), computed at a rate per annum equal to the lesser of (i) 40% of the Applicable Margin then in effect and (ii) 0.80%, on the Unutilized Revolving Loan Commitment of such Non-Defaulting RL Lender as in effect from time to time. Accrued Commitment Commission shall be due and payable quarterly in arrears on each Quarterly Payment Date and on the Maturity Date (or such earlier date upon which the Total Revolving Loan Commitment is terminated).

(b) The Borrower agrees to pay to the Administrative Agent for distribution to each RL Lender (based on each such RL Lender's respective RL Percentage), a fee in respect of each Letter of Credit (the "Letter of Credit Fee") for the period from and including the date of issuance of such Letter of Credit to and including the date of termination or expiration of such Letter of Credit, computed at a rate per annum equal to the Applicable Margin then in effect from time to time on the daily Stated Amount of each such Letter of Credit. Accrued Letter of Credit Fees shall be due and payable quarterly in arrears on each Quarterly Payment Date and on the Maturity Date (or such earlier date upon which the Total Revolving Loan Commitment is terminated and upon which no Letters of Credit remain outstanding).

(c) The Borrower agrees to pay directly to each Issuing Lender, for its own account, a facing fee in respect of each Letter of Credit issued by it (the "Facing Fee") for the period from and including the date of issuance of such Letter of Credit to and including the date of termination or expiration of such Letter of Credit, computed at a rate per annum equal to 1/8 of 1% on the daily Stated Amount of such Letter of Credit, provided that, in any event the minimum amount of Facing Fees payable in any twelve-month period for each Letter of Credit shall be not less than \$500; it being agreed that, on the day of issuance of any Letter of Credit and on each anniversary thereof prior to the termination or expiration of such Letter of Credit, if \$500 will exceed the amount of Facing Fees that will accrue with respect to such Letter of Credit for the immediately succeeding twelve-month period, the full \$500 shall be payable on the date of issuance of such Letter of Credit and on each such anniversary thereof. Except as otherwise provided in the proviso to the immediately preceding sentence, accrued Facing Fees shall be due and payable quarterly in arrears on each Quarterly Payment Date and upon the first day on or after the termination of the Total Revolving Loan Commitment upon which no Letters of Credit remain outstanding.

(d) The Borrower agrees to pay to each Issuing Lender, for its own account, upon each payment under, issuance of, or amendment to, any Letter of Credit issued by it, such amount as shall at the time of such event be the administrative charge and the reasonable expenses which such Issuing Lender is generally imposing in connection with such occurrence with respect to letters of

Edgar Filing: ATWOOD OCEANICS INC - Form 8-K

credit.

(e) The Borrower agrees to pay to the Administrative Agent such fees as may be agreed to in writing from time to time by the Parent and/or the Borrower and the Administrative Agent.

3.02 Voluntary Termination of Unutilized Revolving Loan Commitments. (a) Upon at least three Business Days' prior written notice from an Authorized Representative of the Borrower to the Administrative Agent at the Notice Office (which notice the Administrative Agent shall promptly transmit to each of the Lenders), the Borrower shall have the right, at any time or from time to time, without premium or penalty, to terminate the Total Unutilized Revolving Loan Commitment in whole, or reduce it in part, pursuant to this Section 3.02(a), in an integral multiple of \$1,000,000 in the case of partial reductions to the Total Unutilized Revolving Loan Commitment, provided that, each such reduction shall apply proportionately to permanently reduce the Revolving Loan Commitment of each RL Lender.

(b) In the event of a refusal by a Lender to consent to certain proposed changes, waivers, discharges or terminations with respect to this Agreement which have been approved by the Required Lenders as (and to the extent) provided in Section 14.12(b), the Borrower may, subject to its compliance with the requirements of Section 14.12(b) and upon five Business Days' prior written notice to the Administrative Agent at the Notice Office (which notice the Administrative Agent shall promptly transmit to each of the Lenders), terminate all of the Commitments of such Lender, so long as all Loans, together with accrued and unpaid interest, Fees and all other amounts, owing to such Lender (including all amounts, if any, owing pursuant to Section 1.10) are repaid concurrently with the effectiveness of such termination pursuant to Section 4.01(b) (at which time Schedule I shall be deemed modified to reflect such changed amounts) and such Lender's RL Percentage of all outstanding Letters of Credit is cash collateralized in a manner satisfactory to the Administrative Agent and the respective Issuing Lenders, and at such time, such Lender shall no longer constitute a "Lender" for purposes of this Agreement, except with respect to indemnification provisions under this Agreement (including, without limitation, Sections 1.09, 1.10, 2.06, 4.04, 12.06 and 14.01), which shall survive as to such repaid Lender.

3.03 Mandatory Reduction of Commitments. (a) The Total Commitment (and the Commitment of each Lender) shall terminate in its entirety at 5:00 p.m. (New York time) on April 4, 2003 unless the Initial Borrowing Date shall have occurred on or prior to such date.

(b) In addition to any other mandatory commitment reductions pursuant to this Section 3.03, the Total Term Loan Commitment (and the Term Loan Commitment of each Lender) shall terminate in its entirety on the Initial Borrowing Date (after giving effect to the incurrence of Term Loans on such date).

(c) In addition to any other mandatory commitment reductions pursuant to this Section 3.03, the Total Revolving Loan Commitment (and the Revolving Loan Commitment of each Lender) shall terminate in its entirety on the Maturity Date.

(d) In addition to any other mandatory commitment reductions pursuant to this Section 3.03 and any mandatory repayments required pursuant to Section 4.02(c), on the date of any Collateral Disposition, the Total Revolving Loan Commitment shall be permanently reduced by a percentage thereof, expressed as a fraction, equal to (x) the average appraised value (as determined in accordance with the most recent appraisal reports delivered to the Administrative Agent (or obtained by the Administrative Agent) pursuant to Section 8.01(c)) of the Collateral Rig or Collateral Rigs which is/are the subject of such Collateral Disposition divided by (y) the Aggregate Collateral Rig Value (as determined by calculating the sum of the average of the appraisals set forth in the most

Edgar Filing: ATWOOD OCEANICS INC - Form 8-K

recent appraisal reports related to each respective Collateral Rig and delivered to the Administrative Agent (or obtained by the Administrative Agent) pursuant to Section 8.01(c) before giving effect to such Collateral Disposition).

(e) Each reduction to, or termination of, the Total Revolving Loan Commitment pursuant to this Section 3.03 shall be applied to proportionately reduce or terminate, as the case may be, the Revolving Loan Commitment, as the case may be, of each Lender with a Revolving Loan Commitment.

SECTION 4. Prepayments; Payments; Taxes.

4.01 Voluntary Prepayments. (a) The Borrower shall have the right to prepay the Loans, without premium or penalty, in whole or in part at any time and from time to time on the following terms and conditions:

- (i) an Authorized Representative of the Borrower shall give the Administrative Agent prior to 12:00 Noon (New York time) at the Notice Office at least three Business Days' prior written notice (or telephonic notice promptly confirmed in writing) of its intent to prepay such Loans, which notice (in each case) shall specify whether Term Loans or Revolving Loans shall be prepaid, the amount of such prepayment and the specific Borrowing or Borrowings pursuant to which such Loans were made, and which notice the Administrative Agent shall promptly transmit to each of the Lenders;
- (ii) each prepayment shall be in an aggregate principal amount of at least \$1,000,000 (or such lesser amount as is acceptable to the Administrative Agent), provided that, no partial prepayment of Loans made pursuant to any Borrowing shall reduce the outstanding Loans made pursuant to such Borrowing to an amount less than \$1,000,000;
- (iii) at the time of any prepayment of Loans pursuant to this Section 4.01 on any date other than the last day of the Interest Period applicable thereto, the Borrower shall pay the amounts required to be paid pursuant to Section 1.10;
- (iv) each prepayment pursuant to this Section 4.01(a) in respect of any Loans made pursuant to a Borrowing shall be applied pro rata among such Loans, provided that, at the Borrower's election in connection with any prepayment of Revolving Loans pursuant to this Section 4.01(a), such prepayment shall not, so long as no Default or Event of Default then exists, be applied to any Revolving Loan of a Defaulting Lender; and
- (v) each voluntary prepayment of Term Loans pursuant to this Section 4.01(a) shall be applied to reduce the then remaining Scheduled Repayments on a pro rata basis (based upon the then remaining unpaid principal amounts of such Scheduled Repayments after giving effect to all prior reductions thereto).

(b) In the event of a refusal by a Lender to consent to certain proposed changes, waivers, discharges or terminations with respect to this Agreement which have been approved by the Required Lenders as (and to the extent) provided in Section 14.12(b), the Borrower may, upon five Business Days' prior written notice by an Authorized Representative of the Borrower to the Administrative Agent at the Notice Office (which notice the Administrative Agent shall promptly transmit to each of the Lenders) repay all Loans (including all amounts, if any, owing pursuant to Section 1.10), together with accrued and unpaid interest, Fees

Edgar Filing: ATWOOD OCEANICS INC - Form 8-K

and all other amounts owing to such Lender in accordance with, and subject to the requirements of, said Section 14.12(b), so long as (A) all Commitments of such Lender are terminated concurrently with such prepayment pursuant to Section 3.02(b) (at which time Schedule I shall be deemed modified to reflect the changed Commitments), (B) such Lender's RL Percentage of all outstanding Letters of Credit is cash collateralized in a manner satisfactory to the Administrative Agent and the respective Issuing Lenders, and (C) the consents, if any, required under Section 14.12(b) in connection with the prepayment pursuant to this clause (b) have been obtained. Each prepayment of any Term Loans pursuant to this Section 4.01(b) shall be applied to reduce the then remaining Scheduled Repayments of the Term Loans on a pro rata basis (based upon the then remaining unpaid principal amounts of such Scheduled Repayments after giving effect to all prior reductions thereto).

4.02 Mandatory Repayments. (a) On any day on which the sum of (I) the aggregate outstanding principal amount of all Revolving Loans (after giving effect to all other repayments thereof on such date) and (II) the aggregate amount of all Letter of Credit Outstandings exceeds the Total Revolving Loan Commitment at such time, the Borrower shall repay on such date the principal of Revolving Loans in an amount equal to such excess. If, after giving effect to the repayment of all outstanding Revolving Loans, the aggregate amount of the Letter of Credit Outstandings exceeds the Total Revolving Loan Commitment at such time, the Borrower shall pay to the Administrative Agent at the Payment Office on such day an amount of cash and/or Cash Equivalents equal to the amount of such excess (up to a maximum amount equal to the Letter of Credit Outstandings at such time), such cash and/or Cash Equivalents to be held as security for all obligations of the Borrower to the Issuing Lenders and the Lenders hereunder in a cash collateral account to be established by the Administrative Agent.

(b) In addition to any other mandatory repayments pursuant to this Section 4.02, on each date set forth below (each, a "Scheduled Repayment Date"), the Borrower shall be required to repay that principal amount of Term Loans, to the extent then outstanding, as is set forth opposite each such date below (each such repayment, as the same may be reduced as provided in Section 4.01(a), 4.01(b) or 4.02(d), a "Scheduled Repayment"):

7.03 No Violation. Neither the execution, delivery or performance by any Credit Party of the Credit Documents to which it is a party, nor compliance by it with the terms and provisions thereof, (i) will contravene any provision of any law, statute, rule or regulation or any order, writ, injunction or decree of any court or governmental instrumentality, (ii) will conflict with or result in any breach of any of the terms, covenants, conditions or provisions of, or constitute a default under, or result in the creation or imposition of (or the obligation to create or impose) any Lien (except pursuant to the Security Documents) upon any of the properties or assets any Credit Party pursuant to the terms of any indenture, mortgage, deed of trust, credit agreement or loan agreement, or any other agreement, contract or instrument, in each case to which any Credit Party is a party or by which it or any of its property or assets is bound or to which it may be subject or (iii) will violate any provision of the certificate or articles of incorporation or by-laws (or equivalent organizational documents) of any Credit Party.

As of the Initial Borrowing Date, the Credit Parties know of no reasonable basis for the assertion against it or any of its Subsidiaries of any liability or obligation of any nature whatsoever that is not fully disclosed in the financial statements or referred to in Section 7.05(a) which, either individually or in the aggregate, could reasonably be expected to be material to the Parent and its Subsidiaries taken as a whole.

(d) On and as of the Initial Borrowing Date, the Projections which have been delivered to the Administrative Agent and the Lenders prior to the Initial Borrowing Date have been prepared in good faith and are based on reasonable assumptions, and there are no statements or conclusions in any of the Projections which are based upon or include information known to the Parent or the Borrower to be misleading in any material respect or which fail to take into account material information known to the Parent or the Borrower regarding the matters reported therein; it being recognized by the Lenders, however, that projections as to future events are not to be viewed as facts and that the actual results during the period or periods covered by the Projections may differ from the projected results.

(e) Each monthly fleet employment report (each such report, a "Monthly Fleet Report") delivered to the Administrative Agent and the Lenders prior to, on or after the Initial Borrowing Date sets forth as of the date of such report, the location, charter, term and rate for all Rigs owned and operated by the Parent and its Subsidiaries (including, without limitation, the Collateral Rigs).

7.08 Use of Proceeds; Margin Regulations. (a) All proceeds of all Term Loans shall be used (i) to consummate the Refinancing, (ii) to pay fees and expenses incurred in connection with the Transaction and (iii) to finance the completion of the construction of the ATWOOD BEACON.

(c) No part of any Credit Event (or the proceeds thereof) will be used to purchase or carry any Margin Stock or to extend credit for the purpose of purchasing or carrying any Margin Stock. Neither the making of any Loan nor the use of the proceeds thereof nor the occurrence of any other Credit Event will violate or be inconsistent with the provisions of Regulation T, U or X of the Board of Governors of the Federal Reserve System.

The Parent and each of its Subsidiaries have timely filed with the appropriate taxing authority all returns, statements, forms and reports for taxes (the "Returns") required to be filed by, or with respect to the income, properties or operations of, the Parent and/or any of its Subsidiaries. The Returns accurately reflect in all material respects all liability for taxes of the Parent and its Subsidiaries as a whole for the periods covered thereby. Each of the Parent and each of its Subsidiaries has paid all taxes and assessments payable by it, other than those that are being contested in good faith and adequately disclosed and fully provided for on the financial statements of the Parent and its Subsidiaries in accordance with GAAP. There is no action, suit, proceeding, investigation, audit or claim now pending or, to the best knowledge of the Parent or any of its Subsidiaries, threatened by any authority regarding any taxes relating to the Parent or any of its Subsidiaries. Except as set forth on Schedule VI, neither the Parent nor any of its Subsidiaries has entered into an agreement or waiver or been requested to enter into an agreement or waiver extending any statute of limitations relating to the payment or collection of taxes of the Parent or any of its Subsidiaries, or is aware of any circumstances that would cause the taxable years or other taxable periods of the Parent or any of its Subsidiaries not to be subject to the normally applicable statute of limitations. Except as set forth on Schedule VI, none of the Parent or any of its Subsidiaries has incurred, or will incur, any material tax liability in connection with the Transaction or any other

Edgar Filing: ATWOOD OCEANICS INC - Form 8-K

Any payment by the Borrower or other circumstance which operates to toll any statute of limitations as to the Borrower shall operate to toll the statute of limitations as to the Parent.

13.07 Subordination. Any indebtedness of the Borrower now or hereafter owing to the Parent is hereby subordinated to the Guaranteed Obligations of the Borrower owing to the Guaranteed Creditors; and if the Administrative Agent so requests at a time when an Event of Default exists, all such indebtedness of the Borrower to the Parent shall be collected, enforced and received by the Parent for the benefit of the Guaranteed Creditors and be paid over to the Administrative Agent on behalf of the Guaranteed Creditors on account of the Guaranteed Obligations, but without affecting or impairing in any manner the liability of the Parent under the other provisions of this Parent Guaranty. Prior to the transfer by the Parent of any note or negotiable instrument evidencing any such indebtedness of the Borrower to the Parent, the Parent shall mark such note or negotiable instrument with a legend that the same is subject to this subordination. Without limiting the generality of the foregoing, the Parent hereby agrees with the Guaranteed Creditors that it will not exercise any right of subrogation which it may at any time otherwise have as a result of this Parent Guaranty (whether contractual, under Section 509 of the Bankruptcy Code or otherwise) until all Guaranteed Obligations have been irrevocably paid in full in cash.

13.08 Waiver. (a) The Parent waives any right (except as shall be required by applicable statute and cannot be waived) to require any Guaranteed Creditor to (i) proceed against the Borrower, any other guarantor or any other party, (ii) proceed against or exhaust any security held from the Borrower, any other guarantor or any other party or (iii) pursue any other remedy in any Guaranteed Creditor's power whatsoever. The Parent waives any defense based on or arising out of any defense of the Borrower, any other guarantor or any other party, other than payment in full in cash of the Guaranteed Obligations, based on or arising out of the disability of the Borrower, any other guarantor or any other party, or the validity, legality or unenforceability of the Guaranteed Obligations or any part thereof from any cause, or the cessation from any cause of the liability of the Borrower other than payment in full in cash of the Guaranteed Obligations. The Guaranteed Creditors may, at their election, foreclose on any security held by the Administrative Agent or any other Guaranteed Creditor by one or more judicial or nonjudicial sales, whether or not every aspect of any such sale is commercially reasonable (to the extent such sale is permitted by applicable law), or exercise any other right or remedy the Guaranteed Creditors may have against the Borrower, or any other party, or any security, without affecting or impairing in any way the liability of the Parent hereunder except to the extent the Guaranteed Obligations have been paid in cash. The Parent waives any defense arising out of any such election by the Guaranteed Creditors, even though such election operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy of the Parent against the Borrower, or any other party or any security.

(b) The Parent waives all presentments, demands for performance, protests and notices, including, without limitation, notices of nonperformance, notices of protest, notices of dishonor, notices of acceptance of this Parent Guaranty, and notices of the existence, creation or incurring of new or additional Guaranteed Obligations. The Parent assumes all responsibility for being and keeping itself informed of the Borrower's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations and the nature, scope and extent of the risks which the Parent

assumes and incurs hereunder, and agrees that neither the Administrative Agent nor any of the other Guaranteed Creditors shall have any duty to advise the Parent of information known to them regarding such circumstances or risks.

13.09 Payment. All payments made by the Parent pursuant to this Section 13 shall be made in Dollars. All payments made by the Parent pursuant to this Section 13 will be made without setoff, counterclaim or other defense.

SECTION 14. Miscellaneous.

14.01 Payment of Expenses, etc. The Borrower hereby agrees to: (i) whether or not the transactions herein contemplated are consummated, pay all reasonable out-of-pocket costs and expenses of the Administrative Agent (including, without limitation, the reasonable fees and disbursements of White & Case LLP and the Administrative Agent's local maritime counsel and the Administrative Agent's consultants) in connection with the preparation, execution and delivery of this Agreement and the other Credit Documents and the documents and instruments referred to herein and therein and any amendment, waiver or consent relating hereto or thereto, of the Administrative Agent in connection with its syndication efforts with respect to this Agreement and of the Administrative Agent and, after the occurrence of an Event of Default, each of the Issuing Lenders and Lenders in connection with the enforcement of this Agreement and the other Credit Documents and the documents and instruments referred to herein and therein or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "work-out" or pursuant to any insolvency or bankruptcy proceedings (including, in each case without limitation, the reasonable fees and disbursements of counsel and consultants for the Administrative Agent and, after the occurrence of an Event of Default, counsel for each of the Issuing Lenders and Lenders); (ii) pay and hold the Administrative Agent, each of the Issuing Lenders and each of the Lenders harmless from and against any and all present and future stamp, documentary, transfer, sales and use, value added, excise and other similar taxes with respect to the foregoing matters, the performance of any obligation under this Agreement or any other Credit Document or any payment thereunder, and save the Administrative Agent, each of the Issuing Lenders and each of the Lenders harmless from and against any and all liabilities with respect to or resulting from any delay or omission (other than to the extent attributable to the Administrative Agent, such Issuing Lender or such Lender) to pay such taxes; and (iii) indemnify the Administrative Agent, each Issuing Lender and each Lender, and each of their respective officers, directors, employees, representatives, agents, affiliates, trustees and investment advisors from and hold each of them harmless against any and all liabilities, obligations (including removal or remedial actions), losses, damages, penalties, claims, actions, judgments, suits, costs, expenses and disbursements (including reasonable attorneys' and consultants' fees and disbursements) incurred by, imposed on or assessed against any of them as a result of, or arising out of, or in any way related to, or by reason of, (a) any investigation, litigation or other proceeding (whether or not the Administrative Agent, any Issuing Lender or any Lender is a party thereto and whether or not such investigation, litigation or other proceeding is brought by or on behalf of any Credit Party) related to the entering into and/or performance of this Agreement or any other Credit Document or the use of any Letter of Credit or the proceeds of any Loans hereunder or the consummation of the Transaction or any other transactions contemplated herein or in any other Credit Document or the exercise of any of their rights or remedies provided herein or in the other Credit Documents, or (b) the actual or alleged presence of Hazardous Materials in the air, surface water or groundwater or on the surface or subsurface of any Rig or Real Property at any time owned, leased, operated or occupied by the Parent, the Borrower, or any of the Parent's other Subsidiaries, the generation, storage, transportation, handling, disposal or Release of Hazardous Materials by the Parent, the Borrower or any of the Parent's other Subsidiaries at any location, whether or not owned, leased or operated by the Parent, the Borrower or any of the Parent's other

Edgar Filing: ATWOOD OCEANICS INC - Form 8-K

Subsidiaries, the non-compliance of any Rig or Real Property and Environmental Law (including applicable permits thereunder) applicable to any Rig or Real Property, or any Environmental Claim asserted against the Parent, the Borrower or any of the Parent's other Subsidiaries, or any Rig or Real Property at any time owned, leased, operated or occupied by the Parent, the Borrower or any of the Parent's other Subsidiaries, including, in each case, without limitation, the reasonable fees and disbursements of counsel and other consultants incurred in connection with any such investigation, litigation or other proceeding (but excluding any losses, liabilities, claims, damages or expenses to the extent incurred by reason of the gross negligence or willful misconduct of the Person to be indemnified (as determined by a court of competent jurisdiction in a final and non-appealable decision)). To the extent that the undertaking to indemnify, pay or hold harmless the Administrative Agent, any Issuing Lender or any Lender set forth in the preceding sentence may be unenforceable because it is violative of any law or public policy, the Borrower shall make the maximum contribution to the payment and satisfaction of each of the indemnified liabilities which is permissible under applicable law.

14.02 Right of Setoff. In addition to any rights now or hereafter granted under applicable law or otherwise, and not by way of limitation of any such rights, upon the occurrence and during the continuance of an Event of Default, the Administrative Agent, each Issuing Lender and each Lender is hereby authorized at any time or from time to time, without presentment, demand, protest or other notice of any kind to any Credit Party or to any other Person, any such notice being hereby expressly waived, to set off and to appropriate and apply any and all deposits (general or special) and any other Indebtedness at any time held or owing by the Administrative Agent, such Issuing Lender or such Lender (including, without limitation, by branches and agencies of the Administrative Agent, such Issuing Lender or such Lender wherever located) to or for the credit or the account of the Parent or any of its Subsidiaries against and on account of the Obligations and liabilities of the Credit Parties to the Administrative Agent, such Issuing Lender or such Lender under this Agreement or under any of the other Credit Documents, including, without limitation, all interests in Obligations purchased by such Lender pursuant to Section 14.06(b), and all other claims of any nature or description arising out of or connected with this Agreement or any other Credit Document, irrespective of whether or not the Administrative Agent, such Issuing Lender or such Lender shall have made any demand hereunder and although said Obligations, liabilities or claims, or any of them, shall be contingent or unmatured.

14.03 Notices. Except as otherwise expressly provided herein, all notices and other communications provided for hereunder shall be in writing (including telegraphic, telex, telecopier or cable communication) and mailed, telegraphed, telexed, telecopied, cabled or delivered: if to any Credit Party, at the address specified opposite its signature below or in the other relevant Credit Documents; if to any Lender, at its address specified on Schedule II; and if to the Administrative Agent, at the Notice Office; or, as to any Credit Party or the Administrative Agent, at such other address as shall be designated by such party in a written notice to the other parties hereto and, as to each Lender, at such other address as shall be designated by such Lender in a written notice to the Borrower and the Administrative Agent. All such notices and communications shall, when mailed, telegraphed, telexed, telecopied, or cabled or sent by overnight courier, be effective when deposited in the mails, delivered to the telegraph company, cable company or overnight courier, as the case may be, or sent by telex or telecopier, except that notices and communications to the Administrative Agent and the Borrower shall not be effective until received by the Administrative Agent or the Borrower, as the case may be.

14.04 Benefit of Agreement; Assignments; Participations. (a) This Agreement shall be binding upon and inure to the benefit of and be enforceable by the respective successors and assigns of the parties hereto; provided, however, that neither the Parent nor the Borrower may assign or transfer any of its rights,

Edgar Filing: ATWOOD OCEANICS INC - Form 8-K

obligations or interest hereunder or under any other Credit Document without the prior written consent of the Lenders, and, provided further, that, although any Lender may transfer, assign or grant participations in its rights hereunder, such Lender shall remain a "Lender" for all purposes hereunder (and may not transfer or assign all or any portion of its Commitments hereunder except as provided in Sections 1.12 and 14.04(b)) and the transferee, assignee or participant, as the case may be, shall not constitute a "Lender" hereunder and, provided further, that no Lender shall transfer or grant any participation under which the participant shall have rights to approve any amendment to or waiver of this Agreement or any other Credit Document except to the extent such amendment or waiver would (i) extend the final scheduled maturity of any Loan or Note or Letter of Credit (unless such Letter of Credit is not extended beyond the Maturity Date) in which such participant is participating, or reduce the rate or extend the time of payment of interest or Fees thereon (except in connection with a waiver of applicability of any post-default increase in interest rates) or reduce the principal amount thereof (it being understood that any amendment or modification to the financial definitions in this Agreement or to Section 14.07(a) shall not constitute a reduction in the rate of interest or Fees payable hereunder) or increase the amount of the participant's participation over the amount thereof then in effect (it being understood that a waiver of any Default or Event of Default or of a mandatory reduction in the Total Commitment shall not constitute a change in the terms of such participation, and that an increase in any Commitment (or the available portion thereof) or Loan shall be permitted without the consent of any participant if the participant's participation is not increased as a result thereof), (ii) consent to the assignment or transfer by the Parent or the Borrower of any of its rights and obligations under this Agreement or (iii) release all or substantially all of the Collateral under all of the Security Documents (except as expressly provided in the Credit Documents) supporting the Loans or Letters of Credit hereunder in which such participant is participating. In the case of any such participation, the participant shall not have any rights under this Agreement or any of the other Credit Documents (the participant's rights against such Lender in respect of such participation to be those set forth in the agreement executed by such Lender in favor of the participant relating thereto) and all amounts payable by the Borrower hereunder shall be determined as if such Lender had not sold such participation.

(b) Notwithstanding the foregoing, any Lender (or any Lender together with one or more other Lenders) may (x) assign all or a portion of its Commitments and related outstanding Obligations (or, if the Commitments with respect to the relevant Tranche have terminated, outstanding Obligations) hereunder to (i) (A) its parent company and/or any affiliate of such other Lender which is at least 50% owned by such Lender or its parent company or (B) to one or more other Lenders or any affiliate of any such other Lender which is at least 50% owned by such Lender or its parent company (provided that, any fund that invests in loans and is managed or advised by the same investment advisor of another fund which is a Lender (or by an Affiliate of such investment advisor) shall be treated as an affiliate of such other Lender for the purposes of this sub-clause (x)(i)(B)), or (ii) in the case of any Lender that is a fund that invests in loans, any other fund that invests in loans and is managed or advised by the same investment advisor of any Lender or by an Affiliate of such investment advisor or (iii) to one or more Lenders or (y) assign all, or if less than all, a portion equal to at least \$5,000,000 in the aggregate for the assigning Lender or assigning Lenders, of such Commitments and related outstanding Obligations (or, if the Commitments with respect to the relevant Tranche have terminated, outstanding Obligations) hereunder to one or more Eligible Transferees (treating any fund that invests in bank loans and any other fund that invests in bank loans and is managed or advised by the same investment advisor of such fund or by an Affiliate of such investment advisor as a single Eligible Transferee), each of which assignees shall become a party to this Agreement as a Lender by execution of an Assignment and Assumption Agreement, provided that, (i) at such time, Schedule I shall be deemed modified to reflect the Commitments and/or

Edgar Filing: ATWOOD OCEANICS INC - Form 8-K

outstanding Loans, as the case may be, of such new Lender and of the existing Lenders, (ii) upon the surrender of the relevant Notes by the assigning Lender, new Notes will be issued, at the Borrower's expense, to such new Lender and to the assigning Lender upon the request of such new Lender or assigning Lender, such new Notes to be in conformity with the requirements of Section 1.05 (with appropriate modifications) to the extent needed to reflect the revised Commitments and/or outstanding Loans, as the case may be, (iii) the consent of the Administrative Agent and, in the case of an assignment of Revolving Loan Commitments, each Issuing Lender, shall be required in connection with any such assignment pursuant to clause (y) above (which consent shall not, in any case, be unreasonably withheld or delayed), (iv) the Administrative Agent shall receive at the time of each such assignment, from the assigning or assignee Lender, the payment of a non-refundable assignment fee of \$3,000 and (v) no such transfer or assignment will be effective until recorded by the Administrative Agent on the Register pursuant to Section 14.16. To the extent of any assignment pursuant to this Section 14.04(b), the assigning Lender shall be relieved of its obligations hereunder with respect to its assigned Commitments and outstanding Loans. At the time of each assignment pursuant to this Section 14.04(b) to a Person which is not already a Lender hereunder and which is not a United States person (as such term is defined in Section 7701(a)(30) of the Code) for U.S. Federal income tax purposes, the respective assignee Lender shall, to the extent legally entitled to do so, provide to the Borrower the appropriate Internal Revenue Service Forms to the extent such forms would provide a complete exemption from or reduction in United States withholding tax. To the extent that an assignment of all or any portion of a Lender's Commitments and related outstanding Obligations pursuant to Section 1.12 or this Section 14.04(b) would, at the time of such assignment, result in increased costs under Section 1.09, 2.06 or 4.04 from those being charged by the respective assigning Lender prior to such assignment, then the Borrower shall not be obligated to pay such increased costs (although the Borrower, in accordance with and pursuant to the other provisions of this Agreement, shall be obligated to pay any other increased costs of the type described above resulting from changes after the date of the respective assignment).

(c) Nothing in this Agreement shall prevent or prohibit any Lender from pledging its Loans and Notes hereunder to a Federal Reserve Bank in support of borrowings made by such Lender from such Federal Reserve Bank and, with prior notification to the Administrative Agent (but without the consent of the Administrative Agent or the Borrower), any Lender which is a fund may pledge all or any portion of its Loans and Notes to its trustee or to a collateral agent providing credit or credit support to such Lender in support of its obligations to such trustee, such collateral agent or a holder of such obligations, as the case may be. No pledge pursuant to this clause (c) shall release the transferor Lender from any of its obligations hereunder.

14.05 No Waiver; Remedies Cumulative. No failure or delay on the part of the Administrative Agent, the Collateral Agent, any Issuing Lender or any Lender in exercising any right, power or privilege hereunder or under any other Credit Document and no course of dealing between the Borrower or any other Credit Party and the Administrative Agent, the Collateral Agent, any Issuing Lender or any Lender shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or under any other Credit Document preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder or thereunder. The rights, powers and remedies herein or in any other Credit Document expressly provided are cumulative and not exclusive of any rights, powers or remedies which the Administrative Agent, the Collateral Agent, any Issuing Lender or any Lender would otherwise have. No notice to or demand on any Credit Party in any case shall entitle any Credit Party to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the Administrative Agent, the Collateral Agent, any Issuing Lender or any Lender to any other or further action in any circumstances without notice or demand.

14.06 Payments Pro Rata. (a) Except as otherwise provided in this Agreement, the Administrative Agent agrees that promptly after its receipt of each payment from or on behalf of the Borrower in respect of any Obligations hereunder, the Administrative Agent shall distribute such payment to the Lenders entitled thereto (other than any Lender that has consented in writing to waive its pro rata share of any such payment) pro rata based upon their respective shares, if any, of the Obligations with respect to which such payment was received.

(b) Each of the Lenders agrees that, if it should receive any amount hereunder (whether by voluntary payment, by realization upon security, by the exercise of the right of setoff or banker's lien, by counterclaim or cross action, by the enforcement of any right under the Credit Documents, or otherwise), which is applicable to the payment of the principal of, or interest on, the Loans, Unpaid Drawings, or Fees, of a sum which with respect to the related sum or sums received by other Lenders is in a greater proportion than the total of such Obligation then owed and due to such Lender bears to the total of such Obligation then owed and due to all of the Lenders immediately prior to such receipt, then such Lender receiving such excess payment shall purchase for cash without recourse or warranty from the other Lenders an interest in the Obligations of the respective Credit Party to such Lenders in such amount as shall result in a proportional participation by all the Lenders in such amount; provided that, if all or any portion of such excess amount is thereafter recovered from such Lenders, such purchase shall be rescinded and the purchase price restored to the extent of such recovery, but without interest.

(c) Notwithstanding anything to the contrary contained herein, the provisions of the preceding Sections 14.06(a) and (b) shall be subject to the express provisions of this Agreement which require, or permit, differing payments to be made to Non-Defaulting Lenders as opposed to Defaulting Lenders.

14.07 Calculations; Computations. (a) The financial statements to be furnished to the Lenders pursuant hereto shall be made and prepared in accordance with GAAP in the United States consistently applied throughout the periods involved (except as set forth in the notes thereto or as otherwise disclosed in writing by the Borrower to the Lenders to the extent, in each case, permitted by the terms of this Agreement); provided that, except as otherwise specifically provided herein, all computations of the Applicable Margin, and all computations and all definitions (including accounting terms) used in determining compliance with Sections 9.07 through 9.10, inclusive, shall utilize generally accepted accounting principles and policies in conformity with, and consistent with, those used to prepare the historical audited consolidated financial statements of the Parent and its Subsidiaries referred to in Section 7.05(a).

(b) All computations of interest, Commitment Commission and other Fees hereunder shall be made on the basis of a year of 360 days for the actual number of days (including the first day but excluding the last day; except that in the case of Letter of Credit Fees and Facing Fees, the last day shall be included) occurring in the period for which such interest, Commitment Commission or other Fees are payable.

14.08 GOVERNING LAW; SUBMISSION TO JURISDICTION; VENUE; WAIVER OF JURY TRIAL. (a) THIS AGREEMENT AND THE OTHER CREDIT DOCUMENTS AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER AND THEREUNDER SHALL, EXCEPT AS OTHERWISE PROVIDED IN CERTAIN OF THE COLLATERAL RIG MORTGAGES, BE CONSTRUED IN ACCORDANCE WITH AND BE GOVERNED BY THE LAW OF THE STATE OF NEW YORK. ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF NEW YORK, IN EACH CASE WHICH ARE LOCATED IN THE COUNTY OF NEW YORK, AND, BY EXECUTION AND DELIVERY OF THIS AGREEMENT OR ANY OTHER CREDIT

14.11 Headings Descriptive. The headings of the several sections and subsections of this Agreement are inserted for convenience only and shall not in any way affect the meaning or construction of any provision of this Agreement.

14.12 Amendment or Waiver; etc. (a) Neither this Agreement nor any other Credit Document nor any terms hereof or thereof may be changed, waived, discharged or terminated unless such change, waiver, discharge or termination is in writing signed by the respective Credit Parties party hereto or thereto and the Required Lenders (although additional parties may be added to (and annexes may be modified to reflect such additions), and Subsidiaries of the Borrower may be released from, the Subsidiaries Guaranty and the Security Documents in accordance with the provisions hereof and thereof without the consent of the other Credit Parties party thereto or the Required Lenders), provided that, no such change, waiver, discharge or termination shall, without the consent of each Lender (other than a Defaulting Lender) (with Obligations being directly affected in the case of the following clause (i) and in the case of the following clause (v)), to the extent (in the case of the following clause (v)) that any such Lender would be required to make a Loan in excess of its pro rata portion provided for in this Agreement or a payment under Section 2.04(c) in respect of a participation in excess of its RL Percentage or would receive a payment or prepayment of Loans, a payment of obligations under Section 2.04(d) or a commitment reduction that (in any case) is less than its pro rata portion provided for in this Agreement, in each case, as a result of any such amendment, modification or waiver referred to in the following clause (v)), (i) extend the final scheduled maturity of any Loan or Note, extend the timing for or reduce the principal amount of any Scheduled Repayment, or extend the stated expiration date of any Letter of Credit beyond the Maturity Date, or reduce the rate or extend the time of payment of interest thereon, or reduce the amount, or extend the time of payment, of any Fees thereon (except in connection with the waiver of applicability of any post-default increase in interest rates), or reduce the principal amount of any Loan thereof (it being understood that any amendment or modification to the financial definitions in this Agreement or to Section 14.07(a) shall not constitute a reduction in the rate of interest or the amount of Fees for the purposes of this clause (i)), (ii) release all or substantially all of the Collateral (except as expressly provided in the Credit Documents) under all the Security Documents, (iii) amend, modify or waive any provision of this Section 14.12, (except for technical amendments with respect to additional extensions of credit pursuant to this Agreement which afford the protections to such additional extensions of credit of the type provided to the Term Loans and Revolving Loan Commitments on the Effective Date), (iv) reduce the percentage specified in the definition of Required Lenders (it being understood that, with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders on substantially the same basis as the extensions of the Term Loans and Revolving Loan Commitments are included on the Effective Date), (v) amend, modify or waive Section 1.06 or the provisions of Section 2.04(c) to the extent relating to the obligation of a Participant to make a payment in an amount equal to its RL Percentage or amend, modify or waive any other provision in this Agreement to the extent providing for payments or prepayments of Loans, payments of obligations under Section 2.04(d) or reductions in Commitments, in each case, to be applied pro rata among the Lenders of a given Tranche entitled to such payments or prepayments of Loans, payments of obligations under Section 2.04 or reductions in Commitments (it being understood that the provision of additional extensions of credit pursuant to this Agreement, or the waiver of any mandatory commitment reduction or any mandatory prepayment of Loans by the Required Lenders shall not constitute an amendment, modification or waiver for purposes of this clause (v)), (vi) consent to the assignment or transfer by the Parent or the Borrower of any of their respective rights and obligations under this Agreement or (vii) release any Subsidiary Guarantor from a Subsidiaries Guaranty to the extent same constitutes a Material Subsidiary; provided further, that no such change, waiver, discharge or termination shall (1) increase the Commitments of any Lender over the amount thereof then in effect without the consent of such

Lender (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default or of a mandatory reduction in the Total Commitment shall not constitute an increase of the Commitment of any Lender, and that an increase in the available portion of any Commitment of any Lender shall not constitute an increase of the Commitment of such Lender), (2) without the consent of each Issuing Lender, amend, modify or waive any provision of Section 2 or alter its rights or obligations with respect to Letters of Credit, (3) without the consent of the Administrative Agent, amend, modify or waive any provision of Section 12 or any other provision as same relates to the rights or obligations of the Administrative Agent, (4) without the consent of the Collateral Agent, amend, modify or waive any provision relating to the rights or obligations of the Collateral Agent or (5) without the consent of the Required Lenders of each Tranche which is being allocated a lesser prepayment, repayment or commitment reduction as a result of the actions described below, alter the required application of any prepayments or repayments (or commitment reductions), as between the various Tranches, pursuant to Section 4.01 or 4.02 (excluding Section 4.02(b)) (although (A) the Required Lenders may waive, in whole or in part, any such prepayment, repayment or commitment reduction (other than a Scheduled Repayment), so long as the application, as amongst the various Tranches, of any such prepayment, repayment or commitment reduction which is still required to be made is not altered and (B) if additional tranches of term loans are extended after the Initial Borrowing Date with the consent of the Required Lenders as required above, such tranches may be included on a pro rata basis in the various prepayments or repayments required pursuant to Sections 4.01 and 4.02 (excluding Section 4.02(b) and any section providing Scheduled Repayments for any new tranche of term loans)).

(b) If, in connection with any proposed change, waiver, discharge or termination of any of the provisions of this Agreement as contemplated by clauses (i) through (vii), inclusive, of the first proviso to Section 14.12(a), the consent of the Required Lenders is obtained but the consent of one or more of such other Lenders whose consent is required is not obtained, then the Borrower shall have the right, so long as all non-consenting Lenders whose individual consent is required are treated as described in either clauses (A) or (B) below, to either (A) replace each such non-consenting Lender or Lenders with one or more Replacement Lenders pursuant to Section 1.12 so long as at the time of such replacement, each such Replacement Lender consents to the proposed change, waiver, discharge or termination or (B) terminate such non-consenting Lender's Commitments and/or repay each Tranche of outstanding Loans of such Lender in accordance with Sections 3.02(b) and/or 4.01(b), provided that, unless the Commitments that are terminated, and the Loans repaid, pursuant to preceding clause (B) are immediately replaced in full at such time through the addition of new Lenders or the increase of the Commitments and/or outstanding Loans of existing Lenders (who in each case must specifically consent thereto), then in the case of any action pursuant to preceding clause (B) the Required Lenders (determined after giving effect to the proposed action) shall specifically consent thereto, provided further, that in any event the Borrower shall not have the right to replace a Lender, terminate its Commitments or repay its Loans solely as a result of the exercise of such Lender's rights (and the withholding of any required consent by such Lender) pursuant to the second proviso to Section 14.12(a).

14.13 Survival. All indemnities set forth herein including, without limitation, in Sections 1.09, 1.10, 2.06, 4.04, 12.06 and 14.01 shall survive the execution, delivery and termination of this Agreement and the Notes and the making and repayment of the Obligations.

14.14 Domicile of Loans. Each Lender may transfer and carry its Revolving Loans at, to or for the account of any office, Subsidiary or Affiliate of such Lender. Notwithstanding anything to the contrary contained herein, to the extent that a transfer of Loans pursuant to this Section 14.14 would, at the time of such transfer, result in increased costs under Section 1.09, 1.10, 2.06 or 4.04

Edgar Filing: ATWOOD OCEANICS INC - Form 8-K

from those being charged by the respective Lender prior to such transfer, then the Borrower shall not be obligated to pay such increased costs (although the Borrower shall be obligated to pay any other increased costs of the type described above resulting from changes after the date of the respective transfer).

14.15 Register. The Borrower hereby designates the Administrative Agent to serve as its agent, solely for purposes of this Section 14.15, to maintain a register (the "Register") on which it will record the Commitments from time to time of each of the Lenders, the Loans made by each of the Lenders and each repayment in respect of the principal amount of the Loans of each Lender. Failure to make any such recordation, or any error in such recordation, shall not affect the Borrower's obligations in respect of such Loans. With respect to any Lender, the transfer of the Commitments of such Lender and the rights to the principal of, and interest on, any Loan made pursuant to such Commitments shall not be effective until such transfer is recorded on the Register maintained by the Administrative Agent with respect to ownership of such Commitments and Loans and prior to such recordation all amounts owing to the transferor with respect to such Commitments and Loans shall remain owing to the transferor. The registration of assignment or transfer of all or part of any Commitments and Loans shall be recorded by the Administrative Agent on the Register only upon the acceptance by the Administrative Agent of a properly executed and delivered Assignment and Assumption Agreement pursuant to Section 14.04(b). Coincident with the delivery of such an Assignment and Assumption Agreement to the Administrative Agent for acceptance and registration of assignment or transfer of all or part of a Loan, or as soon thereafter as practicable, the assigning or transferor Lender shall surrender the Note (if any) evidencing such Loan, and thereupon one or more new Notes in the same aggregate principal amount shall be issued to the assigning or transferor Lender and/or the new Lender at the request of any such Lender. The Borrower agrees to indemnify the Administrative Agent from and against any and all losses, claims, damages and liabilities of whatsoever nature which may be imposed on, asserted against or incurred by the Administrative Agent in performing its duties under this Section 14.15.

14.16 Confidentiality. (a) Subject to the provisions of clause (b) of this Section 14.16, each Lender agrees that it will use its reasonable efforts not to disclose without the prior consent of the Parent (other than to its employees, auditors, advisors or counsel or to another Lender if such Lender or such Lender's holding or parent company or board of trustees in its sole discretion determines that any such party should have access to such information, provided such Persons shall be subject to the provisions of this Section 14.16 to the same extent as such Lender) any information with respect to the Parent or any of its Subsidiaries which is now or in the future furnished pursuant to this Agreement or any other Credit Document, provided that, any Lender may disclose any such information (i) as has become generally available to the public other than by virtue of a breach of this Section 14.16(a) by the respective Lender, (ii) as may be required or appropriate in any report, statement or testimony submitted to any municipal, state or Federal regulatory body having or claiming to have jurisdiction over such Lender or to the Federal Reserve Board or the Federal Deposit Insurance Corporation or similar organizations (whether in the United States or elsewhere) or their successors, (iii) as may be required or appropriate in respect to any summons or subpoena or in connection with any litigation, provided that, such Lender will use reasonable efforts to notify the Borrower prior to such disclosure to the extent practicable, (iv) in order to comply with any law, order, regulation or ruling applicable to such Lender, (v) to the Administrative Agent or the Collateral Agent, (vi) to any direct or indirect contractual counterparty in any swap, hedge or similar agreement (or to any such contractual counterparty's professional advisor), so long as such contractual counterparty (or such professional advisor) agrees to be bound by the provisions of this Section 14.16, and (vii) to any prospective or actual transferee or participant in connection with any contemplated transfer or participation of any of the Notes or Commitments or any interest therein by such

Lender, provided that, such prospective transferee agrees to be bound by the confidentiality provisions contained in this Section 14.16.

(b) Each of the Parent and the Borrower hereby acknowledges and agrees that each Lender may share with any of its affiliates, and such affiliates may share with such Lender, any information related to the Parent or any of its Subsidiaries (including, without limitation, any non-public customer information regarding the creditworthiness of the Parent and its Subsidiaries), provided such Persons shall be subject to the provisions of this Section 14.16 to the same extent as such Lender.

(c) No Lender provides accounting, tax or legal advice. Notwithstanding Section 14.16(a) of this Agreement, the Borrower, the Parent and each Lender hereby agree and acknowledge that the Borrower, the Parent and each Lender (and each employee, representative, or other agent of the Borrower, the Parent and each Lender) may disclose to any and all persons, without limitation of any kind, the tax treatment and tax structure of the transaction (within the meaning of Section 6011 and Section 6111 of the Code) and all materials of any kind (including opinions or other tax analyses) that are provided to the Borrower, the Parent and each Lender (and each employee, representative, or other agent of the Borrower, the Parent and each Lender) relating to such tax treatment and tax structure. This authorization is effective without limitation of any kind from the commencement of our discussions.

14.17 Post-Closing Actions. Notwithstanding anything to the contrary contained in this Agreement or the other Credit Documents, the parties hereto acknowledge and agree that actions described on Schedule XV shall be completed in accordance with Schedule XV. All provisions of this Agreement and the other Credit Documents (including, without limitation, all conditions precedent, representations, warranties, covenants, Events of Default and other terms hereof and thereof) shall be deemed modified to the extent necessary to effect the foregoing (and to permit the taking of the actions described above within the time periods specified on Schedule XV, rather than as otherwise provided in the Credit Documents); provided that to the extent any representation and warranty would not be true because the foregoing actions were not taken on the Initial Borrowing Date, the respective representation and warranty shall be required to be true and correct in all material respects at the time the respective action is taken (or was required to be taken) in accordance with the foregoing provisions of this Section 14.17. The acceptance of the benefits of the Loans shall constitute a covenant and agreement by the Borrower to each of the Lenders that the actions required pursuant to this Section 14.17 will be, or have been, taken within the relevant time periods referred to in this Section 14.17 and on Schedule XV and that, at such time, all representations and warranties contained in the Credit Documents shall then be true and correct without any modification pursuant to this Section 14.17. The parties hereto acknowledge and agree that the failure by the Parent or any Subsidiary of the Parent to take any of the actions required above, within the relevant time periods required above, shall give rise to an immediate Event of Default pursuant to this Agreement.

14.18 Insurance Proceeds. Notwithstanding anything to the contrary contained in this Agreement (but without limiting any rights of the Collateral Agent, Administrative Agent or the other Secured Creditors under any Security Document), the Parent and its Subsidiaries shall be required to pay to the Administrative Agent for the benefit of the Secured Creditors insurance proceeds payable to any such Person by reason of a single event or group of events related to a Collateral Rig (except for any loss under any insurance on the Collateral Rigs with respect to protection and indemnity risks which may be paid directly to the owner of the Collateral Rig to reimburse it for any loss, damage or expense incurred by it and covered by such insurance or to the person to whom any liability covered by such insurance has been incurred) to the extent such insurance proceeds received in respect of such event or events exceeds \$2,500,000 (which insurance proceeds shall be retained by the Administrative

Agent for the benefit of the Secured Creditors as cash collateral for the Obligations or, at the direction of the Required Lenders, shall be applied to repay outstanding Loans) (it being understood that such repayment of outstanding Loans shall be applied (x) first, on a pro rata basis among outstanding Term Loans and Revolving Loans and (y) second, to the extent that either Tranche of Loans has been fully repaid at such time, to such other Tranche (and, in the case of a repayment of Term Loans, shall apply to reduce the then remaining Scheduled Repayments of Term Loans on a pro rata basis (based on the then remaining unpaid principal amounts of such Scheduled Repayments after giving effect to all prior reductions thereto))); provided that, notwithstanding the foregoing, if no Default or Event of Default then exists and the Parent and its Subsidiaries are in compliance with Section 9.11 (without giving effect to the proviso thereto), in each case, after giving effect to any such event or events and receipt of such insurance proceeds, the Parent or such Subsidiary shall be permitted to retain such insurance proceeds; provided further that, in the event that the Administrative Agent retains any such insurance proceeds as cash collateral for the Obligations and any such Default or Event of Default is cured or waived and any violation of Section 9.11 is cured or waived, such insurance proceeds shall be permitted to be returned to the Parent or such Subsidiary.

14.19 Rights Plan. Notwithstanding anything to the contrary contained in this Agreement, the Parent shall be permitted to act in accordance with the terms of the Rights Plan, so long as (x) no cash Dividends are paid in respect of any Series A Junior Participating Preferred Stock or other preferred stock (if any) referred to thereunder other than as permitted pursuant to Section 9.03(iv)(y) and (y) no Series A Junior Participating Preferred Stock or other preferred stock (if any) referred to therein shall be redeemed by the Parent at any time.
