- (1) Each restricted stock unit represents the contingent right to receive one share of common stock upon vesting of the unit.
- (2) These shares of common stock were granted as a Restricted Stock Unit Award under the Atwood Oceanics, Inc. 2013 Long-Term Incentive Plan. One-hundred percent (100%) of the restricted stock unit award vests at the end of three (3) years.

The performance-based restricted stock units vest after a three-year period in an amount ranging from 0-200% of the units awarded based(3) upon company total shareholder return compared with the total shareholder return of a designated peer group over the vesting period. The units provide for payment of all earned shares in common stock following the end of the three-year period.
