ITEM 2.02. Results of Operations and Financial Condition

The information provided pursuant to this Item 2.02 is to be considered filed under the Securities Exchange Act of 1934 (Exchange Act) and incorporated by reference into those filings of Rollins, Inc (the Company) that provide for the incorporation of all reports and documents filed by the Company under the Exchange Act.

On February 15, 2006, the Company issued a press release announcing its results for the quarter and year ended December 31, 2005. The Company hereby incorporates by reference herein the information set forth in its Press Release dated February 15, 2006, a copy of which is attached hereto as Exhibit 99.1. Except as otherwise provided in the press release, the press release speaks only as of the date of such press release and such press release shall not create any implication that the affairs of the Company have continued unchanged since such date.

Except for the historical information contained in this report, the statements made by the Company are forward-looking statements that involve risks and uncertainties. All such statements are subject to the safe harbor created by the Private Securities Litigation Reform Act of 1995. The Company's future financial performance could differ significantly from the expectations of management and from results expressed or implied in the Press Release. See the risk factors contained in the Press Release for a discussion of certain risks and uncertainties that may impact such forward-looking statements. For further information on other risk factors, please refer to the Risk Factors contained in the Company's Form 10-K filed March 11, 2005 with the Securities and Exchange Commission. Included in Exhibit 99.1, as attached, are the following non-GAAP financial measures:

Revenue for fourth quarter 2005, excluding revenue attributable to the Industrial Fumigant Company.*

Revenue for the full year 2005, excluding revenue attributable to Western Pest Services, the Industrial Fumigant Company, Rollins Supply and Dettelbach.*

Adjusted income and earnings per share for the fourth quarter of 2005 and 2004, which exclude gains on sale of assets.**

** Adjusted income and earnings per share are presented and deemed useful by management in order to present the Company's 2005 results as more readily comparable to its 2004 results.

The reconciliation is included at Exhibit 99.1.
