INDEPENDENT AUDITORS' REPORT

To the Trustees

A.C. Moore Arts & Crafts, Inc.

401(k) Plan

Berlin, New Jersey

We have audited the accompanying statements of net assets available for benefits of the A.C. Moore Arts & Crafts, Inc. 401(k) Plan (the Plan) as of December 31, 2006 and 2005, and the related statement of changes in net assets available for benefits for the year ended December 31, 2006. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the A.C. Moore Arts & Crafts, Inc. 401(k) Plan as of December 31, 2006 and 2005, and the changes in net assets available for benefits for the year ended December 31, 2006, in conformity with accounting principles generally accepted in the United States of America.

Our audits were made for the purpose of forming an opinion on the financial statements taken as a whole. The supplemental schedule of assets held for investment purposes at end of year included on page 8 is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental information is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

1. DESCRIPTION OF PLAN:

The following description of the A.C. Moore Arts & Crafts, Inc. 401(k) Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The A.C. Moore Arts & Crafts, Inc. 401(k) Plan (the Plan) was established in 1999 by A.C. Moore Arts & Crafts, Inc. (the Company) to provide for retirement income and financial protection in the event of death or retirement of covered employees and to provide for the financial protection and compensation of employees in the event of permanent disability. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA). All administrative expenses are paid directly by the Company.

All employees of the employer and participating affiliates who are at least 21 years of age and have completed 1/4 year of service are eligible to participate in this Plan, except non-resident aliens, and employees who are members of a union who bargained separately for retirement benefits during negotiations. Employees will become participants in the Plan on the entry date coincident with or next following the date they meet the participation requirements. The entry dates for the Plan are the first day of each month.

Participants may elect to contribute up to 100 percent of their annual compensation, subject to IRS limitations. The Company made a matching contribution of 25 percent of the first 6 percent of the employee compensation contributed as an elective deferral subject to a maximum of \$1,500 for 2006.

Each participant's account is credited with the participant's and employer's contribution and related plan earnings, transfer contributions and rollovers. Allocations are based on participant earnings or account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

The Company generally remits employee deferral and Company matching contributions to the plan on a weekly basis.

BISYS Plan Services provides record keeping services for the Plan's Trustee, Frontier Trust Company, FSB. The employees' and employer's contributions were deposited in a fund held by the Trustee during the year.

Participants may direct the investment of their account balances among alternative investment funds provided under the Plan.

Participants are immediately vested in their voluntary contributions and any transfers or rollovers plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. A participant is 100 percent vested after 3 years of credited service.

On termination of service, the normal form of payment to a participant is a lump sum. An optional form of payment is installments payable in cash or in kind, or part cash and part in kind over a period not to exceed the participant's expected lifetime, or the joint future lifetime of the participant and spouse.

Plan assets allocated to the accounts of persons who have terminated with the Company but have not withdrawn from the Plan approximate \$3,350,000 at December 31, 2006.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting:

The accompanying financial statements have been prepared on the accrual basis of accounting.

Valuation of Investments:

The Plan's investments are stated at fair value and consist of shares in mutual funds and common stock of A.C. Moore Arts & Crafts, Inc. (plan sponsor). The investments are held and managed by Frontier Trust Company, FSB. Security transactions in these funds and common stock are recorded on a trade date basis. The value of the mutual funds fluctuates to reflect the fair market values of the securities held in these funds.

Use of Estimates:

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities and the reported revenues and expenses. Actual results could differ from those estimates.

Forfeitures:

Employer contributions for the years ended December 31, 2006 and 2005 were reduced by \$16,854 and \$6,696, respectively, from forfeited non-vested accounts. At December 31, 2006 forfeited non-vested accounts totaled \$18,574.

Loans:

Loans are available to all participants in the Plan on a uniform and nondiscriminatory basis. Loans must bear a reasonable rate of interest and be adequately secured. A participant may borrow any amount up to 50% of their vested account balance, subject to a maximum of \$50,000 minus their highest outstanding loan amount during the prior twelve months. Repayment of a loan must be made at least quarterly, on an after-tax basis, in level payments of principal and interest, and repaid within five years, except for the purchase of a primary residence.

3. TAX STATUS:

The plan obtained its latest determination letter on June 14, 2005, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan has been amended since receiving the determination letter. However, the plan administrator and the plan's tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Registered investment companies (mutual funds)	1,135,057
	\$2,346,897

5. RISKS AND UNCERTAINTIES:

The Plan provides for investment options in any combination of stocks and mutual funds. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

6. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, participants will become 100 percent vested in their accounts.
