(b) Notwithstanding anything to the contrary contained herein, the following assets and properties of Seller are specifically excluded from the Purchased Assets and shall be retained by Seller:

(i) All cash on hand and cash equivalents, including bank accounts and temporary cash investment, and all accounts receivable (including employee accounts receivable) and all sums due for services performed or equipment provided by Seller prior to the Effective Time including, if any, unbilled receivables as of the Effective Time;

(iv) Except for the Assigned Contracts and the Property Agreements, all rights under any contracts, agreements, leases, sales orders, purchase orders, and other arrangements and commitments between Seller and third parties;

(v) All insurance policies and rights thereunder, including rights to any cancellation value on the Closing Date;

(vi) All proprietary or confidential business or technical information, intellectual property, records and policies which relate to Seller or its lines of business other than the Intellectual Property and the Records;

(vii) All marks of Seller and Seller's affiliates including any and all trademarks or service marks, trade names, slogans or other intellectual property relating to or including the name "Global" or "Global Industries" or any derivatives or variations thereof, the logos of Seller and its Affiliates and any derivatives thereof, and Seller's proprietary computer programs or other software (other than the Intellectual Property);

(a) The tracts or parcels of land situated in Iberia Parish, Louisiana and being more particularly described in Section 1.2(a)(1) of the Disclosure Schedule hereto ("Tract 1") and Section 1.2(a)(2) of the Disclosure Schedule hereto ("Tract 2"), together with all rights, servitudes, appurtenances, subsurface water rights, rights of utility availability (including water, sanitary sewer and drainage) granted or to be granted by any utility, municipal utility district or any other Governmental Authority, and rights to any adjacent street, alley, right-of-way or waterway thereto (collectively called the "*Land*");

(c) Any and all (i) warranties and guaranties pertaining exclusively to the Land or the Improvements, to the extent transferable, and (ii) licenses, permits or similar documents pertaining exclusively to the Land or the Improvements, to the extent transferable.

1.3 Contracts.

(a) Notwithstanding any other provision hereof, this Agreement shall not constitute nor require an assignment to Buyer of any contract, lease, permit, license or other right if an attempted assignment of the same without the consent of any party would constitute a breach thereof or a violation of any Law or any Order, rule or regulation of any Governmental Authority or court unless and until such consent shall have been obtained. In the case of any such contract, permit, license or other right that is part of the Purchased Assets and that cannot be effectively

transferred to Buyer without such consent, Seller agrees that it will promptly use commercially reasonable efforts to obtain or cause to be obtained the necessary consents to the transfer of such rights. Buyer agrees to use commercially reasonable efforts to cooperate with Seller in obtaining such consents and to enter into such arrangement of assumption as may be reasonably requested by the other contracting or other relevant party under such contract or right, to the extent not inconsistent with the terms of this Agreement.

(b) Subject to the provisions of Section 1.3(c), with respect to each of the Assigned Contracts, Seller shall be entitled to all revenues, and shall retain all Liabilities and obligations under such contracts resulting from events or occurrences or relating to periods ending on or prior to the Effective Time, and Buyer shall be entitled to receive all revenues, and shall assume all Liabilities and obligations under such contracts resulting from events or occurrences or relating to periods after the Effective Time.

(c) To the extent that consent to assign any Assigned Contract for the use of a Vessel is not obtained prior to Closing (an "*Unassigned Contract*"), if a Vessel is performing work for a customer pursuant to the terms of such Unassigned Contract at the Effective Time (a) such Unassigned Contract shall be held by Seller in trust for Buyer after the Effective Time, (b) all obligations thereunder shall be performed by Buyer in the name of Seller, and (c) all benefits, liabilities and obligations derived thereunder shall be for the account of Buyer. Once consent for the assignment of such Unassigned Contract is obtained, Seller shall assign such Unassigned Contract to Buyer. The arrangement described in this Section 1.3(c) shall terminate on the earlier of the date on which (w) consent to the assignment of the Unassigned Contract is obtained, (x) Buyer consummates other arrangements with the operator under such Unassigned Contract providing for Buyer's provision of services to such operator and the complete release of Seller for the future provision of services to such operator, (y) the services being performed at the Effective Time shall have ceased, or (z) such Unassigned Contract terminates. Prior to the Effective Time, Seller shall terminate any Unassigned Contract under which no Vessel will be performing work for a customer at the Effective Time. Upon such termination, Buyer may, at its option, enter into a new contract for the use of each such Vessel after the Effective Time. The Parties acknowledge and agree that the conditions to Closing in Sections 7.1(c) and 7.2(c) with respect to any Unassigned Contract shall be deemed to have been satisfied by the Parties' entry into the arrangement described in this Section 1.3 regarding such Unassigned Contract.

1.4 Purchase Price. The aggregate purchase price to be paid by Buyer for the Purchased Assets shall be Fifty-Three Million Five Hundred Thousand Dollars (\$53,500,000.00) plus an amount equal to fifty percent (50%) of the product of (a) the number of gallons of diesel fuel in the tanks of the Vessels as measured by each Vessel's crew as soon after the Effective Time as reasonably practicable times (b) the market price per gallon for diesel fuel quoted by Tesoro Cameron at the fuel dock in the Port of Iberia, Louisiana at the close of business on the day before the Closing Date (the "*Purchase Price*").

1.5 Assumption of Liabilities. Effective as of the Closing, Buyer will assume all liabilities and obligations arising after the Effective Time pursuant to the express terms of the Assigned Contracts (the "*Assumed Liabilities*"). Notwithstanding anything to the contrary in this Agreement, the Parties expressly agree that (a) except with respect to the Assumed Liabilities, Buyer will not assume or otherwise become liable for any obligations or liabilities of Seller or Subsidiary or any obligations or liabilities relating to the ownership or operation before the Effective Time of the Purchased Assets, whether known or unknown, asserted or unasserted, accrued or unaccrued, absolute or contingent, liquidated or unliquidated, due or to become due, and whether contractual, statutory, or otherwise, including the matters described in Section 3.8 of the Disclosure Schedule; provided however, Buyer shall assume liability for, and the term "Assumed Liabilities" shall include, the obligation to pay for any item of inventory or spare parts ordered by Seller prior to the Effective Time in accordance with Section 5.3(f) for which delivery is made to Buyer after the Effective Time; and (b) Seller will not be liable for any obligations or liabilities of Buyer or any obligations or liabilities relating to the ownership or operation after the Effective Time of the Purchased Assets, whether known or unknown, asserted or unasserted, accrued or unaccrued, absolute or contingent, liquidated or unliquidated, due or to become due or whether contractual, statutory or otherwise.

1.6 Allocation of Purchase Price. Unless otherwise agreed in writing by the Parties, (a) Section 1.6 of the Disclosure Schedule hereto sets forth the allocations established by Buyer and Seller of the Purchase Price among the Purchased Assets; (b) the allocations set forth in Section 1.6 of the Disclosure Schedule will be used by Buyer and Seller as the basis for reporting asset values and other items for purposes of all required tax returns (including any tax returns required to be filed under Section 1060(b) of the Code and the treasury regulations thereunder); and (c) Buyer and Seller shall not assert, in connection with any audit or other proceeding with respect to taxes, any asset values or other items inconsistent with the allocations set forth in Section 1.6 of the Disclosure Schedule.

ARTICLE 2

(c) Seller will not impose or permit to be imposed (and will cause Subsidiary not to impose or permit to be imposed) any Encumbrance upon any of the Purchased Assets that will not be fully released at Closing;

(d) Seller will inform Buyer as promptly as practicable of the occurrence of any destruction, material damage, or material loss of any Purchased Asset;

Seller will permit representatives of Buyer to have full access at all reasonable times, and in a manner so as not to interfere with the normal business operations of Seller, to all premises, properties, personnel, books, records, and documents related to the ownership or operation of the Purchased Assets (but excluding any such books, records and documents relating exclusively to the businesses of Seller other than the Business) and will furnish copies of all such books, records and documents as Buyer may reasonably request; provided, however, that Seller shall not be obligated to provide Buyer with access to any books and records regarding Seller's employees if providing such records would be prohibited by applicable Laws. The foregoing provisions on access shall apply from the effective date hereof until the Closing or earlier termination of this Agreement.

5.5 Publicity; Confidentiality. The Parties shall consult with each other prior to issuing any press release or any written public statement with respect to this Agreement or the transactions contemplated hereby and shall not issue any such press release or written public statement without the prior written consent of the other Party, provided that Seller and Buyer shall be permitted to make any disclosure which Seller or Buyer is required to make pursuant to any rule or requirement of Law, the Securities and Exchange Commission or other Governmental Authority, or the New York Stock Exchange. Except as may be required by Law or as otherwise expressly contemplated herein, neither Buyer nor its Affiliates, employees, agents, or representatives shall disclose to any third party this Agreement, the subject matter or terms hereof or any Confidential Information without the prior written consent of Seller; provided, however, that Buyer may disclose any such Confidential Information as follows: (a) to Buyer's Affiliates and its or its Affiliates' employees, lenders, counsel, or accountants which have agreed to be subject to the requirements of this Section 5.5 and (b) to comply with any applicable Law or Order, provided that prior to making any such disclosure Buyer notifies Seller of any action or proceeding of which it is aware which may result in disclosure and uses its commercially reasonable efforts to limit or prevent such disclosure.

5.6 Taxes.

(a) Any transfer taxes, stamp taxes and sales and use taxes relating to the sale or purchase of the Purchased Assets hereunder and for any related interest and penalties (including any attorneys or accountants fees associated with contesting such tax upon written agreement of the Parties) shall be divided equally between Buyer and Seller. The Parties shall use commercially reasonable efforts to minimize the amounts of such taxes and other costs, to the extent reasonably practicable.

(b) All personal property taxes for the calendar year 2004 with respect to the Purchased Assets other than the Real Property shall be paid by Seller; provided, however, Buyer shall reimburse to Seller, within five (5) Business Days after written notice is delivered by Seller to Buyer transmitting a copy of the paid tax receipt or receipts covering such personal property, an amount equal to the total amount of such taxes multiplied by a fraction, the numerator of which is the total number of days for the period after the Closing Date through December 31, 2004 and the denominator of which is 366. All personal property taxes with respect to the Purchased Assets other than the Real Property for the calendar years 2005 and later shall be paid directly by Buyer.

(c) All ad valorem and real property taxes for the calendar year 2004 shall be paid by Seller; provided, however, Buyer shall reimburse to Seller, within five (5) Business Days after written notice is delivered by Seller to Buyer transmitting a copy of the paid tax receipt or receipts covering the real property of which the Real Property is a part, an amount equal to the total amount of such taxes multiplied by (i) a fraction, the numerator of which is the total number of days for the period after the Closing Date through December 31, 2004 and the denominator of which is 366, and further multiplied by (ii) a fraction, the numerator of which is the total number of acres comprising the Land and the denominator of which is the number of acres comprising the real property noted in the tax statement or statements. All ad valorem and real property taxes related to the Real Property for the calendar years 2005 and later shall be paid directly by Buyer.

5.7 Employees. On or before the Closing Date, Buyer or its designee shall offer employment to substantially all of the employees listed in Section 3.7 of the Disclosure Schedule on terms as to salary and insurance benefits

substantially equivalent to those presently provided by Seller. Seller has made and makes no other representation or warranty or any other statement or communication regarding Buyer's right, ability, plan or intention to employ any employee of Seller or the terms and conditions upon which any such employee may be employed by Buyer or its Affiliates, and will not make any such representations, warranties, statements or communications during the period beginning on the date hereof and ending on the Closing Date. Seller shall pay in full all compensation, bonuses, accrued severance, and other payments that may result from the termination of employment by Seller of any employee(s) of Seller and any compensation due such employees up to and including the Closing Date. Buyer or its designee shall be responsible for and shall assume any and all costs, obligations or Liabilities directly related to the termination by Buyer or Buyer's designee of any former employee of Seller who is hired by Buyer or its designee on or after the Closing Date. After the Closing Date, Buyer shall provide to employees of Seller hired by Buyer the seniority such persons had as Seller's employees, for purposes of determining employee benefits, including health insurance and benefit plans of every kind, and such newly hired employees shall be entitled to participate in all employee benefits (including health insurance) immediately upon the Closing Date, with no waiting period prior to participation. Neither Buyer nor its designee is, or shall be deemed to be, a successor employer to Seller with respect to any employee benefit plans or programs of Seller or its Affiliates, and no plan or program adopted or maintained by Buyer or its designee after the Closing Date is or shall be deemed to be a "successor plan," as such term is defined in ERISA or the Code, of any such plan or benefit program of Seller or its Affiliates.

5.8 Release of Vessels from Mortgages.

(a) On or before the Closing Date Seller shall cause the Vessels to be released from any mortgages or other Encumbrances encumbering them.

(b) Seller shall be solely responsible for the payment of any release fees, recording fees or other costs associated with such releases.

5.9 Acquisition Proposals. None of Seller or any of its Affiliates, or any director, officer, employee or representative of any of them shall, directly or indirectly (i) solicit, initiate or knowingly encourage any Acquisition Proposal or (ii) engage in discussions or negotiations with any person that is considering making or has made an Acquisition Proposal, other than to reject any unsolicited proposal or inquiry. Seller shall immediately cease and cause to be terminated any existing activities, discussions or negotiations with any persons conducted heretofore with respect to any Acquisition Proposal. The term "**Acquisition Proposal**," as used herein, means any offer or proposal for or any indication of interest in the acquisition of any portion of the Purchased Assets, other than the transactions contemplated by this Agreement.

5.10 Title Commitment and Survey.

(a) Buyer will have the right to obtain, at its sole cost and expense, the following:

(i) Commitment for Title Insurance (the "**Title Commitment**") from an agent of the Title Company, acceptable to Buyer, setting forth the status of title of the Real Property, and showing all Encumbrances, outstanding mineral interests, and other matters, if any, relating to the Real Property.

(ii) A true, correct and legible copy of all documents referred to in the Title Commitment, including plats, deeds, restrictions and easements.

(b) Beginning on the date of this Agreement and until the Closing, Seller, at its sole cost and expense, shall provide to Buyer access in Lafayette, Louisiana, to true, correct and complete copies, to the extent in the possession of Seller or its attorneys, of (i) all as-built and other surveys of the Land and Improvements and (ii) all title policies, title opinions, and abstracts of title relating to the Land or Improvements.

(c) On or before September 10, 2004, Seller, at its sole cost and expense, shall deliver to Buyer a survey (the "**Survey**") prepared by John Chance Land Surveys, Inc. or other surveyor acceptable to Buyer and Title Company (the "**Surveyor**") consisting of a plat and field notes describing the Land and the Improvements. The Survey shall (i) be prepared pursuant to a current on-the-ground staked survey with all corners being permanently monumented and reflecting the actual dimensions of the Land, the total area of the Land to the nearest 1/100th of an acre, the location of any easements, rights-of-way, setback lines, encroachments or overlaps thereon or thereover and the outside boundary lines of any improvements located thereon, (ii) identify any easements, setback lines or other matters referred to in the Title Commitment by recording reference, (iii) include the Surveyor's registered number and seal, the date of the Survey and a certificate satisfactory to Buyer and Title Company, (iv) be sufficient to cause Title Company to issue the standard survey endorsement, and (v) reflect any area within the Real Property which lies within the 100-year flood plain or any special flood hazard area or general hazard area based on the Federal Emergency Management Agency Flood Insurance Rate Maps. For purposes of the property description to be included in the Tract 1 Deed and the Tract 2 Deed, the field notes prepared by the Surveyor shall control any conflicts or inconsistencies with Section 1.2 of the Disclosure Schedule, and such field notes shall be incorporated herein by this reference upon their completion and shall constitute the property description attached to the Tract 1 Deed and the Tract 2 Deed.

(d) If the Title Commitment, Survey or any update of the Title Commitment or Survey shows that the Real Property is subject to any Encumbrance, other than the Permitted Encumbrances, then Seller shall, subject to the terms hereof, cure or remove such Encumbrances. Buyer shall have, until fifteen (15) days from the date it has received the Survey and access to current, full abstracts of title provided by Seller for all of the Real Property including all documents in the conveyance and mortgage records of the Clerk of the Court for Iberia Parish, Louisiana, going back a minimum of fifty-five (55) years to a deed translatative to title, which is not (x) a judgment of possession, (y) a partition, or (z) a donation, in which to examine such Survey and Title Commitment and notify Seller (the "**Buyer's Notice**") of those Encumbrances subject to which Buyer will accept title to the Real Property (the "**Permitted Encumbrances**") and those Encumbrances which Buyer finds objectionable. If the Buyer's Notice is not given, it shall be deemed that all Encumbrances reflected by the Title Commitment, Survey and UCC Searches are not objectionable. Seller, at its sole cost and expense, shall use its commercially reasonable efforts to cure or remove all Encumbrances specified in the Buyer's Notice other than Permitted Encumbrances, and cause the Title Company to deliver within ten (10) days of the date of the Buyer's Notice (the "**Cure Period**") an amended Title Commitment and Survey reflecting the cure of such Encumbrances. If Seller fails to cure or remove such Encumbrances and cause the Title Company to deliver such amended Title Commitment and Survey to Buyer within the Cure Period and in any event prior to Closing, Buyer will have the right to either (i) notify Seller that Buyer desires to remove the Real Property from the Purchased Assets and reduce the Purchase Price by Three Million Dollars (\$3,000,000.00), or (ii) waive such failure and, subject to the other provisions of this Agreement, proceed to Closing. Seller shall not place, or allow to be placed, any Encumbrance of any nature against or relating to the Real Property between the date of this Agreement and the Closing Date. In the event any such Encumbrance is placed against or otherwise becomes relative to the Real Property between the date of this Agreement and the Closing Date, notwithstanding the other provisions of this Section 5.10(d), Seller, at its sole cost and expense, shall cure or remove such Encumbrance and shall deliver within ten (10) days of the date such Encumbrance is placed against or otherwise becomes relative to the Real Property an amended Title Commitment and Survey reflecting the cure of such Encumbrance.

(e) In the event that the Land is not currently platted as a separate lot in accordance with the applicable subdivision ordinances and the requirements of applicable Governmental Authorities of the local municipality and state where the Land is located, then and to the extent that such separate platting is required Seller shall, at its sole cost and expense, cause the Land to be platted as a separate lot in accordance with the applicable subdivision ordinances and the requirements of applicable Governmental Authorities of the local municipality and state where the Land is located, in a manner reasonably acceptable to and approved by Buyer in writing. The final Plat shall be agreed upon by Seller and Buyer. After such agreement, Seller shall submit the final Plat to and obtain the approval of all applicable Governmental Authorities, prior to Closing or as soon thereafter as reasonably possible.

ARTICLE 6

POST-CLOSING COVENANTS

The Parties agree as follows with respect to the period following the Closing:

6.1 General. In case at any time after the Closing any further action is necessary or desirable to carry out the purposes of this Agreement, each Party will take such further action (including, the execution and delivery of such further instruments and documents) as the other Party reasonably may request, all at the requesting Party's sole cost and expense (unless the requesting Party is entitled to indemnification therefor under Article 9).

6.2 Litigation Support. So long as any Party actively is contesting or defending against any action, suit, proceeding, hearing, investigation, charge, complaint, claim or demand against any Person other than the other Party in connection with (a) the transactions contemplated by this Agreement or (b) any fact, situation, circumstance, status, condition, activity, practice, plan, occurrence, event, incident, action, failure to act, or transaction on or prior to the Closing Date involving any of the Purchased Assets, the other Party will cooperate with such Party and such Party's counsel in the contest or defense, make available their personnel, and provide such testimony and access to their books and records as shall be necessary in connection with the contest or defense, at the sole cost and expense of the contesting or defending Party (unless the contesting or defending Party is entitled to indemnification therefor under Article 9).

6.3 Confidentiality. Seller will treat and hold as confidential all of the Confidential Information and refrain from using any of the Confidential Information except in connection with this Agreement. If Seller is requested or required (by oral question or request for information or documents in any action, suit, proceeding, hearing, investigation, charge, complaint, claim or demand) to disclose any Confidential Information, Seller will notify Buyer promptly of the request or requirement so that Buyer may seek an appropriate protective Order or waive compliance with this Section 6.3. If, in the absence of a protective Order or the receipt of a waiver hereunder, Seller is, on the written advice of counsel, compelled to disclose any Confidential Information to any Governmental Authority, arbitrator, or mediator or else stand liable for contempt, Seller may disclose the Confidential Information to the Governmental Authority, arbitrator, or mediator; provided, however, that Seller shall use commercially reasonable efforts to obtain, at the reasonable request and expense of Buyer, an Order or other assurance that confidential treatment will be accorded to such portion of the Confidential Information required to be disclosed as Buyer shall designate.

6.4 Tax Matters. After the Closing, the Parties will cooperate fully with each other, on a commercially reasonable basis, in connection with the preparation, signing, and filing of tax returns and in any administrative, judicial or other proceeding involving taxes relating to the Purchased Assets, including the furnishing or making available of records, books of account or other materials necessary.

6.5 Copies and Access to Books and Records. Within ninety (90) days after the Closing Date, Seller shall provide Buyer with an unaudited statement of gross revenue for the Business for each calendar year beginning with and including 1997 through 2003 and for the period of January 1, 2004 through the Effective Time. For a period of five (5) years following the Closing Date, each Party shall give the other Party reasonable access at all reasonable times (and the right to make copies at the sole expense of the Party requesting such access) to the records of the non-requesting Party which relate to the ownership or operation of the Purchased Assets prior to the Closing Date, provided that any access pursuant to this Section 6.5 shall be conducted in such manner as not to interfere unreasonably with the operations of the non-requesting Party following the Closing Date. Notwithstanding the foregoing, Buyer shall not have access to the Seller's consolidated U.S. federal income tax returns or to such employment records of Seller that Seller is not legally permitted to disclose. Following such five (5) year period, a Party may destroy such records unless the other Party has provided written notice, no later than sixty (60) days prior to the end of such five (5) year period, that it wishes to obtain, at its sole cost and expense, copies of such records.

6.6 Removal of Marks. Promptly following the Closing, but in any event within thirty (30) days after the Closing Date, Buyer shall remove, or cause to be removed, from the Purchased Assets, any markings bearing the name "Global Industries" (including any variations or derivations thereof) or any trademarks, trade names or logos of Seller or any of its Affiliates, except as otherwise provided in the Short-Term Lease or the Long-Term Lease.

6.7 Handling of Mail. Seller authorizes and empowers Buyer on and after the Closing Date to receive and open all mail received by Buyer relating to the Purchased Assets and to deal with the contents of such communications in any proper manner. Seller shall promptly deliver to Buyer any mail or other communication received by it after the Closing Date pertaining to the Purchased Assets.

6.8 Handling of Cash and Other Payments. Seller shall promptly deliver to Buyer any cash, checks or other instruments of payment received by Seller after the Effective Time in respect of the Purchased Assets relating to periods after the Effective Time. If a payment is received by a Party for services or products provided by the Vessels both prior to and after the Effective Time and there is no clear delineation of the amounts attributed to the periods preceding and following the Effective Time, then the Parties shall use reasonable proration techniques to allocate such amounts in a manner such that Seller will receive amounts attributable to the operation of the Vessels prior to the Effective Time and Buyer will receive amounts attributable to the operation of the Vessels after the Effective Time.

6.9 Covenant Not to Compete.

(a) In order to allow Buyer to realize the full benefit of its bargain in connection with the purchase of the Purchased Assets, Seller shall not at any time for a period of four (4) years following the Closing Date, in the United States' territorial waters or its Exclusive Economic Zone in the Gulf of Mexico, in Mexico's territorial waters or its Exclusive Economic Zone in the Gulf of Mexico, or in international waters in the Gulf of Mexico, directly or indirectly, acting alone or directly or indirectly through any of its Affiliates, or through Seller or any such Affiliates acting as a partner of a partnership or as a holder of in excess of 1% of any security of any class, or through a contractual arrangement with any corporation, limited liability company, partnership or other business entity:

(i) induce or attempt to influence any employee of Buyer or the Business as of the date hereof to terminate his or her employment or hire or attempt to hire any such employee, excluding offers of employment and actual employment effected by general advertisement of a public nature;

(ii) request any customer of the Business or of Buyer to curtail or cancel such customer's business with Buyer (or other operator or manager of the Purchased Assets);

(iii) own, or enter into charters in excess of six (6) months for, lift boats similar to the Vessels or market any such chartered vessels to third parties for essentially lift boat operations; or

(iv) otherwise compete in any way with Buyer's conduct of the Business (A) directly by Buyer, (B) by way of an Affiliate of Buyer, or (C) by contract.

(b) The covenants contained in this Section 6.9 shall not prohibit Seller from offering non-lift boat services previously provided from the Vessels, including Seller's conduct of its salvaging, structural installation, pipeline operations or diving services, from (i) other vessels owned or chartered by it that are not lift boats or (ii) lift boats chartered by Seller for six (6) months or less.

(c) Buyer shall not for a period of four (4) years following the Closing Date induce or attempt to influence any employee of Seller following the Closing Date to terminate his or her employment or hire or attempt to hire any such employee, excluding offers of employment and actual employment effected by general advertisement of a public nature.

(d) The covenants contained in this Section 6.9 will be deemed to consist of a series of separate covenants independent from any other provision of this Agreement. Each Party expressly agrees that the character, duration and geographical scope of this Section 6.9 are reasonable in light of the circumstances as existing on the date of this Agreement. However, should a determination nonetheless be made by a court of competent jurisdiction at a later date that the character, duration or geographical scope of any of the covenants set forth herein is unreasonable in light of the circumstances as then existing or existing at the execution of this Agreement, then it is the intention and the agreement of Seller and Buyer that these covenants be construed by the court and given effect in such a manner as to impose only the restrictions on the conduct of each Party and its respective Affiliates that are reasonable in light of the circumstances as then existing and as are necessary to assure the other Party of the intended benefit of these covenants and this Agreement. If, in any judicial proceeding, a court refuses to enforce all of the separate covenants included herein because, taken together such covenants are more extensive than necessary to assure a Party of the intended benefit of these covenants and this Agreement, it is expressly understood and agreed between the Parties that those covenants not to be enforced in such proceeding will, for the purpose of such proceeding, be deemed eliminated from the provisions hereof.

(e) The Parties agree and acknowledge that an aggrieved Party under this Section 6.9 would not have any adequate remedy at law for the breach or threatened breach by the other Party of the covenants and agreements set forth in this Section 6.9, and, accordingly, each Party further agrees that, notwithstanding the provisions of Section 11.9 of this Agreement, an aggrieved Party may, in addition to the other remedies which may be available to it hereunder, file suit in equity to enjoin the other Party and its Affiliates from such breach or threatened breach, without showing any actual damage or that monetary damages would not provide an adequate remedy and without any bond or other security being required. Each Party consents to the issuance of injunctive relief hereunder.

(f) Seller understands and agrees that the act of Buyer in entering into this Agreement, and Buyer's covenants and payments hereunder, shall and do constitute sufficient consideration for Seller to agree not to compete against Buyer as set out in this Section 6.9.

(a) If any action or proceeding is commenced in which any Indemnitee is a party which may give rise to a claim for indemnification against any Indemnitor then such Indemnitee shall promptly give written notice to the Indemnitor. Failure to notify promptly the Indemnitor will not relieve the Indemnitor of any Liability that it may have to the Indemnitee, except to the extent the defense of such action or proceeding is materially and irrevocably prejudiced by the Indemnitee's failure to give such notice.

(b) An Indemnitor will have the right to defend against an Indemnification Claim with counsel of its choice reasonably satisfactory to the Indemnitee if within fifteen (15) days following the receipt of notice of the Indemnification Claim, the Indemnitor notifies the Indemnitee in writing that the Indemnitor will assume the defense of such Indemnification Claim. So long as the Indemnitor is conducting the defense of the Indemnification Claim, (i) the Indemnitee may retain separate co-counsel at its sole cost and expense and participate in the defense of the Indemnification Claim and (ii) the Indemnitee will not consent to the entry of any Order with respect to the Indemnification Claim without the prior written consent of the Indemnitor. The Indemnitor will not enter into any settlement with respect to the Indemnification Claim without the prior written consent of the Indemnitee (not to be withheld unreasonably) unless such settlement (A) requires solely the payment of money damages by the Indemnitor and (B) includes as an unconditional term thereof the release by the claimant or the plaintiff of the Indemnitee and the Persons for whom the Indemnitee is acting from all liability in respect of the proceeding giving rise to the Indemnification Claim.

(c) Each Party hereby consents to the non-exclusive jurisdiction of any Governmental Authority in which an action or proceeding is brought against any Indemnitee for purposes of any Indemnification Claim that an Indemnitee may have under this Agreement with respect to such action or proceeding or the matters alleged therein, and agrees that process may be served on such Party with respect to such claim anywhere in the world.

9.5 Other Matters.

(a) Each Indemnitee shall use commercially reasonable efforts to mitigate any Damages that such Indemnitee asserts under this Article 9. In the event that an Indemnitee shall fail to use such commercially reasonable efforts to mitigate any Damages, then notwithstanding anything else to the contrary contained herein, the Indemnitor shall not be required to indemnify any Indemnitee for any Damages that could reasonably be expected to have been avoided if the Indemnitee had made such efforts.

(b) The amount of any Damages for which indemnification is provided under this Article 9 shall be (i) reduced by any net amounts recovered from an unaffiliated third party by the Indemnitee under insurance policies and arrangements with respect to such Damages and (ii) reduced by the present value of any tax benefits realized by the

Indemnatee from the incurrence or payment of any such Damages.

9.6 Exclusive Remedies. The remedies of the Parties specifically provided for in this Article 9 shall be the sole and exclusive remedies of the Parties for all matters covered hereby. The indemnification obligations of the Parties pursuant to this Article 9 shall not, except in the case of fraud, include consequential, punitive or exemplary damages. **ALL RELEASES, DISCLAIMERS, LIMITATIONS ON LIABILITY, AND INDEMNITIES IN THIS AGREEMENT, INCLUDING THOSE IN THIS ARTICLE 9, SHALL APPLY EVEN IN THE EVENT OF THE SOLE, JOINT, AND/OR CONCURRENT NEGLIGENCE, STRICT LIABILITY, OR OTHER FAULT OF THE PARTY WHOSE LIABILITY IS RELEASED, DISCLAIMED, LIMITED, OR INDEMNIFIED. WHERE A PARTY HAS AN INDEMNIFICATION OBLIGATION UNDER THIS ARTICLE 9 AS TO A MATTER AND APPLICABLE LAW MAY IMPOSE STRICT LIABILITY UPON THE OTHER PARTY FOR THAT MATTER SOLELY BY VIRTUE OF SUCH OTHER PARTY'S STATUS AS AN OWNER OR OPERATOR (AS SUCH TERMS ARE USED UNDER APPLICABLE ENVIRONMENTAL LAWS), THE APPLICATION OF SUCH STRICT LIABILITY SHALL NOT AFFECT INDEMNIFICATION LIABILITY UNDER THIS ARTICLE 9 AND SUCH PARTY SHALL BE SOLELY LIABLE AS PROVIDED IN THIS ARTICLE 9 NOTWITHSTANDING SUCH OTHER PARTY'S STRICT LIABILITY.**
