### Edgar Filing: CHILDRENS PLACE RETAIL STORES INC - Form 8-K

On September 7, 2006, The Children's Place Retail Stores, Inc. (the "Company") issued a press release announcing that the Company was delaying the filing of its Quarterly Report on Form 10-Q for the second quarter of fiscal 2006 to allow time for the Company to complete an analysis of the accounting treatment for its past stock option grants and to determine the extent of any corrections that may be required to its previously reported financial results. The Company cannot predict when this analysis will be completed. While the Company expects that some corrections to its reported financial results will be necessary, it is not yet able to estimate the aggregate amount of any such corrections, or whether such corrections would be material. Accordingly, the Company has not yet determined whether any corrections would be made by recording a non-cash charge to earnings for the second quarter of 2006, or whether it may be necessary to restate its previously filed financial statements for prior fiscal years and the first quarter of fiscal 2006.

A copy of the Company's September 7, 2006 press release is attached as Exhibit 99.

#### Item 8.01 Other Events

As discussed in the Company's September 7, 2006 press release, on August 24, 2006, at the request of the audit committee of the Company's Board of Directors, the Company's outside counsel began an investigation into the Company's stock option practices. Outside counsel delivered its findings to the audit committee on September 6, 2006. The investigation found various instances in which the Company's records did not correctly reflect the legal grant date for stock options granted to employees and directors of the Company, resulting in errors in the dating of these stock options. The report concluded that, except for one occasion in 2001, as to which the report was inconclusive, the errors in the granting and recording of stock options were unintentional.

A copy of the Company's September 7, 2006 press release is attached as Exhibit 99.
