(d) If, during such period after the commencement of the offering of the Notes any Underwriter or any dealer is required by law to deliver a prospectus, any event occurs as a result of which the Final Offering Document, as then amended or supplemented, would include any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, or if it should be necessary to amend or supplement the Final Offering Document to comply with applicable law, the Companies promptly (i) will notify such Underwriter of any such event, (ii) subject to the requirements of paragraph (b) of this Section 5, will prepare an amendment or supplement that will correct such statement or omission or effect such compliance and (iii) will supply any supplemented or amended Final Offering Document to the such Underwriter and counsel for such Underwriter, without charge, in such quantities as such Underwriter may reasonably request.

The Companies will promptly inform the Underwriters, and shall confirm such information in writing, of the receipt by either of the Companies of any notification with respect to the suspension of the qualification of the Notes for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose. The Companies will file such statements and reports as may be required by the laws of each jurisdiction in which the Notes have been qualified or registered as provided above.

(l) The Companies will not and will request their affiliates not to offer, sell or solicit offers to buy or otherwise negotiate in respect of any security (as defined in the Securities Act) the offering of which security could be integrated with the sale of the Notes.

(m) The Companies will not take, directly or indirectly, any action designed to or which has constituted or which could reasonably be expected to cause or result, under the Exchange Act or otherwise, in stabilization

(o) Prior to the Closing Date, neither of the Companies nor their affiliates will issue any press release or other communications directly or indirectly or hold any press conference relating to the Notes, without each Underwriter's prior written consent (which shall not be unreasonably withheld), unless in the judgment of either of the Companies and its counsel, and after notification to each Underwriter, such press release or communication is required by law or except as issued or held, as the case may be, in accordance with the applicable regulations promulgated under the Securities Act.

(p) The Companies will pay any stamp, issue, registration, transaction or similar documentary taxes and duties, including interest and penalties, payable on or in connection with the creation, issue and offering of the Notes, or the execution or delivery of the Transaction Documents or the enforcement by the Underwriters of this Underwriting Agreement against the Companies or any transaction carried out pursuant to this Underwriting Agreement; and, in addition to any amount payable by it under this Underwriting Agreement, any value-added, turnover or similar tax payable in respect of that amount (and references in this Underwriting Agreement to such amount shall be deemed to include any such taxes so payable in addition to it and express mention of such payment of any taxes (if applicable) in any provisions hereof shall not be construed as excluding such payment of any taxes in those provisions hereof where such express mention is not made); the Companies will indemnify each Underwriter against any loss, liability, cost, claim, action, demand or expense (including, but not limited to, reasonable legal fees) which such Underwriter may incur or which may be made against such Underwriter arising out of or in relation to or in connection with any failure to pay or delay in paying any such taxes.

(q) Neither the sale of the Notes nor the use of the proceeds thereof will violate any regulation of the United States Treasury Department contained in 31 C.F.R., Chapter V Subpart B, as amended, or Executive Orders 12722 and 12724 (55 Fed. The documents required to be delivered by this Section 6 will be delivered at the office of counsel for the Underwriters, at 599 Lexington Avenue, New York, N.Y. 10022, on the Closing Date.

SECTION 7. Reimbursement of Expenses. If the sale of the Notes provided for herein is not consummated because any condition to the obligations of each Underwriter set forth in Section 6 hereof is not satisfied, because of any termination pursuant to Section 9 hereof or because of any refusal, inability or failure on the part of either of the Companies to perform any agreement herein or comply with any provision hereof other than by reason of a default by any Underwriter, the Companies will reimburse the Underwriters on demand for all properly documented out-of-pocket expenses (including the fees and disbursements of counsel) that shall have been incurred by them in connection with the proposed purchase and sale of the Notes; provided, however that if any Underwriter resigns without having good commercial reasons for resigning (having regard to good international capital markets practice), then the Companies shall be under no obligation to reimburse such expenses. The Companies' liability to the Underwriters under this Section 7 is joint and several.

SECTION 8. Indemnification and Contribution. (a) The Companies agree to indemnify and hold harmless each Underwriter, the directors, officers, employees and agents of each Underwriter and each person who controls any of any Underwriter within the meaning of either the Securities Act or the Exchange Act against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject under the Securities Act, the Exchange Act or other federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon (i) any untrue statement or alleged untrue statement of a material fact contained in (A) the Registration Statement at the effective date thereof and as of the date of any amendment thereof or supplement thereto, (B) the Preliminary Prospectus Supplement as of the date thereof or (C) the Final Offering Document, or in any amendment thereof or supplement thereto, in each case as of the date thereof, the Closing Date (including for this purpose, documents incorporated by reference therein only prior to the Closing Date), the date of any amendment thereof or supplement thereto and as of any date delivery thereof is required under applicable law or (ii) the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, and agrees to reimburse each such indemnified party, as incurred, for any properly documented legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the Companies will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made in the Preliminary Prospectus Supplement or the Final Offering Document, or in any amendment thereof or supplement thereto, in reliance upon and in conformity with written information

relating to any Underwriter furnished to the Companies by or on behalf of any Underwriter specifically for inclusion therein (which shall consist of solely of the information in the first and sixth paragraphs under the captions "Plan of Distribution" in the Final Prospectus Supplement). This indemnity agreement will be in addition to any liability which the Companies may otherwise have.

(b) Each Underwriter agrees severally and not jointly to indemnify and hold harmless the Companies, each of their directors, officers, employees and agents, and each person who controls the Companies within the meaning of either the Securities Act or the Exchange Act, to the same extent (subject to the proviso set forth below) as the foregoing indemnity from the Companies to the Underwriters, but only with reference to written information relating to the Underwriters furnished to the Companies by or on behalf of any Underwriter specifically for inclusion in the Preliminary Prospectus Supplement or the Final Offering Document (or in any amendment or supplement thereto) provided that the Underwriters' aggregate liability to the parties set forth above shall in no event exceed the amount of the Selling Commission. This indemnity agreement will be in addition to any liability which any Underwriter may otherwise have.

(c) Promptly after receipt by an indemnified party under this Section 8 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 8, notify the indemnifying party in writing of the commencement thereof; but the failure so to notify the indemnifying party (i) will not relieve it from liability under paragraph (a) or (b) above unless and to the extent it did not otherwise learn of such action and such failure results in the forfeiture by the indemnifying party of substantial rights and defenses and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided in paragraph (a) or (b) above. The indemnifying party shall be entitled to appoint counsel of the indemnifying party's choice at the indemnifying party's expense to represent the indemnified party in any action for which indemnification is sought (in which case the indemnifying party shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the indemnified party or parties except as set forth below); provided, however, that such counsel shall be reasonably satisfactory to the indemnified party. Notwithstanding the indemnifying party's election to appoint counsel to represent the indemnified party in an action, the indemnified party shall have the right to employ separate counsel (including local counsel), and the indemnifying party shall bear the reasonable fees, costs and expenses of such separate counsel if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest, (ii) the actual or potential defendants in, or targets of, any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party, (iii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of the institution of such action or (iv) the indemnifying party shall authorize the indemnified party to employ separate counsel at the expense of the indemnifying party. An indemnifying party will not, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless (x) such settlement, compromise or judgment (i) includes an unconditional release of the indemnified party from all liability arising out of such claim, investigation, action or proceeding and (ii) does not include a statement as to or an admission of fault, culpability or any failure to act, by or on behalf of the indemnified party, and (y) the indemnifying party confirms in writing its indemnification obligations hereunder

with respect to such settlement, compromise or judgment.

(d) In the event that the indemnity provided in paragraph (a) or (b) of this Section 8 is unavailable to or insufficient to hold harmless an indemnified party for any reason, the Companies and each Underwriter agrees to contribute to the aggregate losses, claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating or defending same) (collectively, "Losses") to which the Companies and the Underwriters may be subject in such proportion as is appropriate to reflect the relative benefits received by the Companies (on the one hand) and by the Underwriters (on the other) from the offering of the Notes. If the allocation provided by the immediately preceding sentence is unavailable for any reason, the Companies and each Underwriter shall contribute in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Companies (on the one hand) and of each Underwriter (on the other) in connection with the statements or omissions which resulted in such Losses, as well as any other relevant equitable considerations. Benefits received by the Companies shall be deemed to be equal to the total net proceeds from the offering (before deducting expenses) received by PIFCo, and benefits received by the Underwriters shall be deemed to be equal to the total amount of the Underwriters' Selling Commission. Relative fault shall be determined by reference to, among other things, whether any untrue or any alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information provided by the Companies (on the one hand) or any Underwriter (on the other), the intent of the parties and their relative knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. Each of the Companies and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 8 were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in subsection (c) above. Notwithstanding the provisions of this paragraph (d), no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 8, each person who controls the Underwriters within the meaning of either the Securities Act or the Exchange Act and each director, officer, employee and agent of any Underwriter shall have the same rights to contribution as such Underwriter, and each person who controls either of the Companies within the meaning of either the Securities Act or the Exchange Act and each officer and director of either of the Companies shall have the same rights to contribution as the Companies, subject in each case to the applicable terms and conditions of this paragraph (d). Notwithstanding the provisions of this Section 8, no Underwriter shall be required to contribute any amount in excess of the amount by which the Underwriters' total Selling Commission exceeds the amount of any damage which such Underwriter has otherwise been required to pay by reason of such untrue statement or alleged untrue statement or omission or alleged omission.

(e) The liability of each of the Companies under this Section 8 is joint and several.

SECTION 9. Termination. This Underwriting Agreement shall be subject to termination in the absolute discretion of the Underwriters, by notice given to the Companies prior to delivery of and payment for the Notes, if at any time prior to such time (i) trading in any of the Companies' securities shall have been suspended by the Sao Paulo Stock Exchange or trading in securities generally on the New York Stock Exchange or the Sao Paulo Stock Exchange shall have been suspended or limited or minimum prices shall have been established on either such exchanges, or (ii) a banking moratorium shall have been declared either by Federal or New York State authorities or by the relevant banking authorities in Brazil or the Cayman Islands or if any material disruption in

## Edgar Filing: BRAZILIAN PETROLEUM CORP - Form 6-K

commercial banking or securities settlement or clearance services shall have occurred, or (iii) any downgrading shall have occurred in either of the Companies' corporate credit rating or the rating accorded either of the Companies' debt securities by any "nationally recognized statistical rating organization" (as defined for purposes of Rule 436(g) under the Securities Act) or if any such organization shall have publicly announced that it has under surveillance or review, with possible negative implications, its rating of any of the Companies debt securities, or (iv) there shall have occurred any outbreak or escalation of hostilities, declaration by the United States or Brazil of a national emergency or war or other calamity (including any terrorist act) or any crisis the effect of which on financial markets is such as to make it, in the sole judgment of each Underwriter, impracticable or inadvisable to proceed with the offering or delivery of the Notes as contemplated by the Final Offering Document (exclusive of any amendment or supplement thereto).

SECTION 10. Representations and Indemnities to Survive. The respective agreements, representations, warranties, indemnities and other statements of each of the Companies or their officers and of the Underwriters set forth in or made pursuant to this Underwriting Agreement will remain in full force and effect, regardless of any investigation made by or on behalf of any Underwriter or the Companies or any of the officers, directors or controlling persons referred to in Section 8 hereof, and will survive delivery of and payment for the Notes. The provisions of Sections 7 and 8 hereof shall survive the termination or cancellation of this Underwriting Agreement.

SECTION 11. Notices. All communications hereunder will be in writing and effective only on receipt, and, if sent to Bear, Stearns & Co. Inc., will be mailed, delivered or telefaxed to Bear, Stearns & Co. Inc., 383 Madison Avenue, New York, New York 10179, Attention: Emerging Markets Debt Capital Market (with a copy, which shall not constitute notice under this Underwriting Agreement, to the Legal and Compliance Department of Bear, Stearns & Co. Inc. at the same address); if sent to Deutsche Bank Securities Inc., will be mailed, delivered or telefaxed to Deutsche Bank Securities Inc., 60 Wall Street, New York, New York 10005, Attention: Latin America Debt Capital Markets; if sent to PIFCo, will be mailed, delivered or telefaxed to PIFCo, Avenida Republica do Chile 65, Rio de Janeiro, RJ 20035-900, Brazil, 20035-901, Attention: Isabela Alvim, or, if sent to Petrobras, will be mailed, delivered or telefaxed to Petrobras, Avenida Republica do Chile 65, Rio de Janeiro, RJ 20035-900, Brazil, 20035-901, Attention: Isabela Alvim.

SECTION 12. Successors. This Underwriting Agreement will inure to the benefit of and be binding upon the parties hereto and their respective successors and the officers and directors and controlling persons referred to in Section 8 hereof, and, except as expressly set forth in Section 5(h) hereof, no other person will have any right or obligation hereunder.

SECTION 13. Jurisdiction. Each of PIFCo, Petrobras and the Underwriters agree that any suit, action or proceeding against them, arising out of or based upon this Underwriting Agreement or the transactions contemplated hereby, may be instituted in any State or federal court in the Borough of Manhattan, City of New York, New York, or in the competent courts of their own corporate domiciles with respect to actions brought against any of them as a defendant, and waive any objection which they may now or hereafter have to the laying of venue of any such proceeding and any right to which any of them may be entitled on account of places of residence or domicile, and irrevocably submit to the jurisdiction of such courts in any suit, action or proceeding. The Companies have appointed the New York office of Petrobras, located at 570 Lexington Avenue, 43rd Floor, New York, New York 10022 as its authorized agent (the "Authorized Agent") upon whom process may be served in any suit, action or proceeding arising out of or based upon this Underwriting Agreement or the transactions contemplated herein which may be instituted in any State or federal court in the City of New York, New York, by any Underwriter, the directors,

## Edgar Filing: BRAZILIAN PETROLEUM CORP - Form 6-K

officers, employees and agents of any Underwriter, or by any person who controls any of any Underwriter, and expressly accepts the jurisdiction of any such court in respect of any such suit, action or proceeding. The Companies hereby represent and warrant that the Authorized Agent has accepted such appointments and has agreed to act as said agent for service of process, and the Companies agree to take any and all action, including the filing of any and all documents that may be necessary to continue such appointment in full force and effect as aforesaid. Subject to applicable law, service of process upon the Authorized Agent shall be deemed, in every respect, effective service of process upon each of the Companies.

SECTION 14. Governing Law. This Underwriting Agreement will be governed by and construed in accordance with the laws of the State of New York.

SECTION 15. Currency. Each reference in this Underwriting Agreement to U.S. dollars is of the essence. To the fullest extent permitted by law, the obligation of PIFCo in respect of any amount due under this Underwriting Agreement will, notwithstanding any payment in any other currency (whether pursuant to a judgment or otherwise), be discharged only to the extent of the amount in U.S. dollars that the party entitled to receive such payment may, in accordance with its normal procedures, purchase with the sum paid in such other currency (after any premium and costs of exchange) on the Business Day immediately following the day on which such party receives such payment. If the amount in U.S. dollars that may be so purchased for any reason falls short of the amount originally due, the applicable Company will pay such additional amounts, in U.S. dollars, as may be necessary to compensate for the shortfall. Any obligation of the Companies not discharged by such payment will, to the fullest extent permitted by applicable law, be due as a separate and independent obligation and, until discharged as provided herein, will continue in full force and effect.

SECTION 16. Waiver of Immunity. This Underwriting Agreement, the other Transaction Documents and any other documents delivered pursuant hereto or thereto, and any actions taken hereunder or thereunder, constitute commercial acts by each of the Companies. Each of the Companies irrevocably and unconditionally and to the fullest extent permitted by law, waives, and agrees not to plead or claim, any immunity from jurisdiction of any court or from any legal process (whether through service or notice, attachment prior to judgment, attachment in aid of execution, execution or otherwise) for itself or any of its property, assets or revenues wherever located with respect to its obligations, liabilities or any other matter under or arising out of or in connection with this Underwriting Agreement, the other Transaction Documents, or any document delivered pursuant hereto or thereunder, in each case for the benefit of each assigns, it being intended that the foregoing waiver and agreement will be effective, irrevocable and not subject to withdrawal in any and all jurisdiction, and, without limiting the generality of the foregoing, agrees that the waivers set forth in this Section 16 shall have the fullest scope permitted under the United States Foreign Sovereign Immunities Act of 1976 and are intended to be irrevocable for the purposes of such act.

SECTION 17. Counterparts. This Underwriting Agreement may be executed in one or more counterparts (including via telecopier), each of which shall constitute an original and all of which together shall constitute one and the same instrument.

SECTION 18. Entire Agreement. This Underwriting Agreement sets forth the entire agreement of the parties hereto with respect to the subject matter hereof.

SECTION 19. Headings. The section headings used herein are for convenience only and shall not affect the construction hereof.
