Item 1. Security and Issuer

This Statement on Schedule 13D (this “Schedule 13D”) relates to shares of common stock, par value \$0.001 per share (the “Common Stock”), of L-1 Identity Solutions, Inc., a Delaware corporation (the “Company” or the “Issuer”), which has its principal executive office at 177 Broad Street, Stamford, CT, 06901.

Item 2. Identity and Background

This Schedule 13D is being jointly filed by Safran SA (“Safran”), Safran USA, Inc. (“Safran USA”) and Laser Acquisition Sub Inc. (“Merger Sub” and together with Safran and Safran USA, the “Reporting Persons”).

Safran, a French société anonyme, is a leading components manufacturer providing critical and high-technology equipment and systems for the Aerospace (propulsion and equipment), Defense and Security markets. The principal address for Safran is 2, boulevard du Général Martial Valin 75724 Paris Cedex 15 France. Safran USA is a Delaware corporation, which is a wholly owned direct subsidiary of Safran. The principal address for Safran USA is 2850 Safran Drive Grand Prairie, TX 75052. Merger Sub is a Delaware corporation, which is a wholly owned direct subsidiary of Safran USA. Merger Sub was formed for the purpose of effecting the transactions described in Item 4 below. The principal address for Merger Sub is c/o Safran USA 2850 Safran Drive Grand Prairie, TX 75052.

The name, business address, present principal occupation or employment and citizenship of each executive officer and director of Safran, Safran USA and Merger Sub are set forth in Schedule I hereto and are incorporated herein by reference.

During the past five years, none of the Reporting Persons (or, to the knowledge of the Reporting Persons, any of the persons listed on Schedule I hereto) has been convicted in any criminal proceeding (excluding traffic violations or similar misdemeanors) or was a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

The agreement among the Reporting Persons relating to the joint filing of this Schedule 13D is attached as Exhibit 99.1 hereto.

Item 3. Source and Amount of Funds or Other Consideration

As described in Item 4 below, the shares of Common Stock to which this Schedule 13D relate have not been purchased by the Reporting Persons. In connection with the execution of the Identity Merger Agreement (as defined in Item 4 below) Safran and Merger Sub and the Supporting Stockholders (as defined in Item 4 below), the beneficial owners of approximately 14.6% of the outstanding shares of Common Stock, entered into the Voting and Support Agreement (as defined in Item 4) for the benefit of Safran and its designees in connection with the transactions contemplated by the Identity Merger Agreement.

With respect to the transactions contemplated by the Identity Merger Agreement, the Reporting Persons estimate that the amount of funds necessary to complete the transaction is approximately \$1.3 billion (which includes the funds necessary to acquire all outstanding Common Stock and acquire/cancel all stock options and restricted stock awards of the Issuer) plus transaction expenses. As described in further detail in Item 4 below, it is anticipated that the funding

for the transactions contemplated by the Identity Merger Agreement will be in the form of cash to be contributed by Safran to Merger Sub through intervening subsidiaries.

The information set forth in response to this Item 3 is qualified in its entirety by reference to the Identity Merger Agreement and the Voting and Support Agreement, copies of which are filed herewith as Exhibits 99.2 and 99.3.

Item 4. Purpose of Transaction

On September 19, 2010, the Issuer, Safran, and Merger Sub entered into an Agreement and Plan of Merger (the “Identity Merger Agreement”). Pursuant to the Identity Merger Agreement, Merger Sub will be merged with and into the Company (the “Merger”), with the Company surviving as a subsidiary of Safran.

## Identity Merger Agreement

As a result of the Merger, each outstanding share of the Company's common stock, par value \$0.001 per share (the "Common Stock"), other than those held by the Company as treasury stock, held by any subsidiary of the Company, Safran or Merger Sub, and other than those shares with respect to which dissenters rights are properly exercised, will be converted into the right to receive \$12.00 in cash, without interest (the "Merger Consideration"), less applicable taxes required to be withheld. In connection with the Merger (i) each option to purchase Common Stock of the Company will become fully vested, and as of the effective time of the Merger, each such option that is outstanding shall be cancelled in exchange for the right to receive the difference, if any, between the Merger Consideration and the exercise price per share of such option, less applicable taxes required to be withheld and (ii) each restricted stock award will become fully vested and, as of the effective time of the Merger, will be converted into the right to receive the Merger Consideration, less applicable taxes required to be withheld.

The completion of the Merger is subject to certain conditions, including, among others (i) the receipt by the Company of the purchase price pursuant to the closing under the Intel Purchase Agreement (as defined in the Identity Merger Agreement); (ii) approval of the Identity Merger Agreement by the Company's stockholders; (iii) the expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the "HSR Act"); (iv) termination or expiration of the Committee on Foreign Investment in the United States ("CFIUS") review period pursuant to the Exon-Florio Provision of the Defense Production Act of 1950; (v) completion of the novation, termination or expiration of certain contracts; (vi) no Material Adverse Effect (as defined in the Identity Merger Agreement) having occurred since the date of the Identity Merger Agreement; (vii) subject to certain materiality exceptions, the accuracy of the representations and warranties made by the Company and Safran, respectively, and compliance by the Company and Safran with their respective obligations under the Identity Merger Agreement; (viii) no law or government order prohibiting the Merger; and (ix) other customary conditions.

The Identity Merger Agreement includes various representations and warranties. The parties have also agreed to various covenants, including, among others things, with respect to the conduct of the Company's business in the ordinary course of business during the period between execution of the Identity Merger Agreement and the closing of the Merger, cooperation in obtaining regulatory approvals and the Company's agreement not to solicit alternative transactions or competing proposals (subject to certain customary exceptions as set forth in the Identity Merger Agreement).

The Identity Merger Agreement contains certain termination rights for each of the parties, including the right to terminate the Identity Merger Agreement if the Merger has not closed within nine months following the date of the Identity Merger Agreement (subject to extension at the election of either party for an additional three months if, among other things, the closing has not occurred solely as a result of failure to obtain regulatory approvals) (the "Termination Date").

The Identity Merger Agreement requires certain payments in connection with the exercise of certain termination rights. The Company is required to reimburse up to \$12,500,000 of Safran's expenses in connection with the transaction if (i) all regulatory conditions to the Merger have been satisfied and either Safran or the Company terminates the Identity Merger Agreement as a result of the Merger failing to be consummated by the Termination Date or (ii) the Intel Purchase Agreement is terminated (subject to certain rights of the Company to seek a substitute buyer for the Company's intelligence services businesses in such circumstances, as provided in the Identity Merger Agreement).

In addition, if Safran terminates the Identity Merger Agreement because (i) the Company's Board of Directors changes its recommendation (subject to certain procedures as set forth in the Identity Merger Agreement) or (ii) the Company

breaches its non-solicit obligations or certain obligations with respect to the stockholders meeting and the proxy statement, the Company would be required to pay Safran a \$25,000,000 termination fee, less, if applicable, any amounts paid by the Company in connection with the reimbursement described above (the “Company Termination Fee”). The Company would also be required to pay Safran the Company Termination Fee if (i) the Identity Merger Agreement is terminated due to breach by the Company, failure to consummate the transaction by the Termination Date or failure of stockholders to approve the Merger at the stockholder meeting, and, (ii) in each case, (A) an Acquisition Proposal (as defined in the Identity Merger Agreement) was publicly announced and (B) within nine months after termination of the Identity Merger Agreement the Company enters into (and subsequently consummates) an agreement providing for a qualifying Acquisition Proposal.

The Identity Merger Agreement also provides that Safran is required to pay the Company a termination fee of \$75,000,000 if the Identity Merger Agreement is terminated and all conditions to the consummation of the Merger have been satisfied, other than those conditions relating to regulatory approvals.

## Voting and Support Agreement

Contemporaneously with the execution of the Identity Merger Agreement, Mr. LaPenta, Chairman, President and Chief Executive Officer of the Company, and Aston Capital Partners L.P., a private investment fund that is indirectly controlled by Mr. LaPenta and other executive officers of the Company (together with Mr. LaPenta, the “Supporting Stockholders”) entered into a Voting and Support Agreement with Safran and Merger Sub (the “Voting and Support Agreement”). Pursuant to the Voting and Support Agreement, the Supporting Stockholders agreed, among other things, subject to the terms and conditions of the Voting and Support Agreement, (i) to vote all Covered Shares (as defined in the Voting and Support Agreement) in favor of the adoption of the Identity Merger Agreement and the approval of the transactions contemplated by the Identity Merger Agreement, (ii) to vote all Covered Shares against any Acquisition Proposal (as defined in the Identity Merger Agreement) and (iii) to vote all Covered Shares against any action or agreement or amendment of the Company’s organizational documents that is intended or could reasonably be expected to prevent, impede, interfere with, delay, postpone or discourage the consummation of the Merger or would result in a breach of the Company’s representations and warranties and obligations in the Identity Merger Agreement (the “Voting Obligations”). Each of the Supporting Stockholders granted to Safran and its designees an irrevocable proxy to vote all Covered Shares or to execute written consent(s) in respect of the Covered Shares in furtherance of the Supporting Stockholders’ agreement set forth in the preceding clauses (i) to (iii) (the “Proxy Obligations”).

Each of the Supporting Stockholders agreed that, other than according to the terms of the Voting and Support Agreement, it will not (i) grant any proxies or enter into any voting trust or other agreement or arrangement with respect to the voting of any Covered Shares or (ii) subject to certain limited exceptions, transfer, sell or otherwise dispose of any Covered Shares during the term of the Voting Agreement.

Each of the Supporting Stockholders also agreed that he or it will not (i) solicit, initiate, cause, facilitate or encourage any inquiries or proposals that constitute, or may reasonably be expected to lead to, any Acquisition Proposal, (ii) other than to inform any Person of the existence of its non-solicitation obligation thereunder, participate in any discussions or negotiations with any third party regarding any Acquisition Proposal or (iii) enter into any agreement related to any Acquisition Proposal, in each case, except to the extent the Company is permitted to take such actions pursuant to the Identity Merger Agreement.

The Voting and Support Agreement will terminate upon the earliest of (i) the mutual agreement of Safran, Merger Sub and the Supporting Stockholders, (ii) the termination of the Identity Merger Agreement in accordance with its terms or (iii) the consummation of the acquisition contemplated by the Identity Merger Agreement, provided, however, that the Supporting Stockholders’ Voting and Proxy Obligations will terminate upon a Change in Recommendation (as defined in the Identity Merger Agreement).

The information set forth in response to this Item 4, including the foregoing summary of certain provisions of the Identity Merger Agreement and the Voting and Support Agreement, is qualified in its entirety by reference to the Identity Merger Agreement and the Voting and Support Agreement, copies of which are filed herewith as Exhibit 99.2 – 99.3 hereto, respectively, and are hereby incorporated herein by reference.

## Item 5. Interest in Securities of the Issuer

The information set forth or incorporated in Items 2, 3, 4, 5 and 6 is hereby incorporated herein by reference.

(a) – (b): Safran and Merger Sub, as a result of the execution of the Voting and Support Agreement and for purposes for Rule 13d-3 promulgated under the Act, have voting power (as a consequence of the proxy granted in favor of Safran and Merger Sub under the Support Agreement) over 13,727,162 shares of Common Stock representing approximately 14.6% of the 93,184,172 shares of Common Stock outstanding, as represented by the Company in the Identity Merger Agreement was the number of outstanding shares as of September 17, 2010. Safran USA, as the sole shareholder of Merger Sub and its role in directing the formation of Merger Sub, may be deemed to have acquired beneficial ownership of the Covered Shares pursuant to the terms of the Voting and Support Agreement. As described in the response set forth above, the Covered Shares to which this Schedule 13D relate have not been purchased by the Reporting Persons. Except to the extent the Reporting Persons may be deemed to have beneficial ownership as a result of such Voting and Support Agreement, the Reporting Persons disclaim any beneficial ownership of such Covered Shares, and nothing herein shall be deemed to be an admission by the Reporting Persons as to the beneficial ownership of such Covered Shares.

Except as set forth in this Item 5, none of the Reporting Persons, and to the best of their knowledge, none of the persons set forth on Schedule I hereto, beneficially owns any shares of Common Stock.

(c): Except for the execution and delivery of the Identity Merger Agreement and the Voting and Support Agreement, none of the Reporting Persons nor, to the best knowledge of each of the Reporting Persons, without independent verification, any of the persons listed on Schedule I hereto, has effected any transaction in the shares of Common Stock during the past 60 days.

(d): Not applicable.

(e): Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

Except for the Identity Merger Agreement and the Voting and Support Agreement described above, to the knowledge of the Reporting Persons, there are no contracts, arrangements, understandings or relationships (legal or otherwise), including, but not limited to, transfer or voting of any securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees or profits, division of profits or loss, or the giving or withholding of proxies among the persons named in Item 2 or between such persons and any other person, with respect to any securities of the Company, including any securities pledged or otherwise subject to a contingency the occurrence of which would give another person voting power or investment power over such securities other than standard default and similar provisions contained in loan agreements.
