**Indemnification**

Under the *Business Corporations Act* (Ontario), Barrick may indemnify a present or former director or officer or a person who acts or acted at Barrick's request as a director or officer of another corporation of which Barrick is or was a shareholder or creditor, and his or her heirs and legal representatives, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by him or her in respect of any civil, criminal or administrative action or proceeding to which he or she is made a party by reason of his or her being or having been a director or officer of Barrick or such other corporation on condition that (i) the director or officer acted honestly and in good faith with a view to the best interests of Barrick and (ii) in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, had reasonable grounds for believing that his or her conduct was lawful. Further, Barrick may, with court approval, indemnify a person described above in respect of an action by or on behalf of Barrick to procure a judgment in its favour, to which the person is made a party by reason of being or having been a director or an officer of Barrick, against all costs, charges and expenses reasonably incurred by the person in connection with such action if he or she fulfils conditions (i) and (ii) above. A director is entitled to indemnification from Barrick as a matter of right if he or she was substantially successful on the merits of his or her defence and fulfils the conditions (i) and (ii) above.

In accordance with provisions of the *Business Corporations Act* (Ontario) described above, the by-laws of Barrick provide that Barrick shall indemnify a director or officer, a former director or officer, or a person who acts or acted at Barrick's request as a director or officer of a corporation of which Barrick is or was a shareholder or creditor, and his or her heirs and legal representatives, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by him or her in respect of any civil, criminal or administrative action or proceeding to which he or she is made a party by reason of being or having been a director or officer of Barrick or such other corporation if he or she acted honestly and in good faith with a view to the best interests of Barrick and, in the case of a criminal or administrative action or proceeding that is enforced by monetary penalty, he or she had reasonable grounds for believing that his or her conduct was lawful.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers or persons controlling the Registrant pursuant to the foregoing provisions, the Registrant has been informed that in the opinion of the U.S. Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is therefore unenforceable.
